SOVIET-AXIS MEET POINTS TO PACT

Italy's Crack Division Trapped

15,000 MEN OF CENTAUR UNIT FACE DEATH

Many Surrender For Position Hopeless

LONDON (Sunday)—(P)—Italy's crack Centaur Division of 15,000 men trapped by Greek troops in the Pindus Mountains were reported annihilated, a Reuters, British news agency, dispatch from Athens said today.

Two infantry regiments and one of artillery formed the Italian division cut off from the main Fascist forces.

A great number of the trapped men were reported to have been drowned in a flooded mountain gorge swollen by heavy rains, while others perished from hunger and cold, the dispatch said.

Heavy Greek forces seeking the destruction of the Italian division scaled 6,000-foot mountain villages. Women from neighboring villages aided them, in hauling their armament up the mountain sides the Athens report said.

From Athens Greek sources said the Fascist troops were without food and with lines of supply cut. Military informants said hundreds of the division's men and its commanding general already had been taken prisoner.

The Greeks said the Italians, in attempting to take a road leading southward to the strategic Greek town of Ioannina, had gone so deep into the mountains as to permit a break in their own communications.

Big Italian guns and much war material were said to have been dumped into a ravine to prevent their seizure.

All along the 100-mile front there was action Saturday, and the heaviest fighting yet seen was reported from the Koritza sector, where the Greeks appeared to be slowly pushing back the invaders.

BRITISH SINK FRENCH SUB

Craft Had Attacked English Warship

LONDON—(P)—The British admiralty announced Saturday night that the French submarine Poncelet had been sunk in an engagement with British naval forces off French equatorial Africa.

The admiralty denied flatly a Vichy announcement that a British naval squadron had shelled Libreville or that light British ships aided the landing of "Free French" troops near there.

A communique issued by the admiralty said the only naval engagement the British naval squadron had been concerned in was "resisting an attempt by the French submarine Poncelet to sink a British warship without warning."

The Poncelet, the admiralty said, was forced to come to the surface as a result of "retaliatory action" and then was scuttled by its own crew.

All members of the crew were saved, the communique said.

The 1,739-ton Poncelet was one of France's large and successful "Redoubtable" class. She was built in 1929 at Lorient, now a Nazi-held "invasion port" on the French coast, and carried a crew of 67.

Island Is Abandoned By British Forces

SHANGHAI—(P)—The British navy was officially reported to have abandoned Likiep Island off Shantung peninsula, which it used as a base for summer maneuvers, for "the duration of the European war."

Japanese marines landed on the island several weeks ago after the Japanese-sponsored Chinese regime at Nanking had declined to recognize renewal of a 10-year lease granted the British by Generalissimo Chiang Kai-Shek.

Stock Exchanges To Observe Armistice

NEW YORK—(P)—The New York Stock Exchange, curb exchange, cotton exchange, the Chicago Board of Trade, and all other principal securities and commodity markets in the United States and Canada will be closed Monday in observance of Armistice Day.

Livestock markets will remain open.

Murder Jury Spends Holiday In Jail

Case Unsettled, So Jurors Ordered To Stay On Job Until Tuesday

EDINBURG—The twelve good men and true who will hear testimony and bring in a verdict in the state's case against Manuel Reyna of Edinburg, charged with the slaying of his wife here September 1, will spend their Armistice holiday in—of all places—the Hidalgo county jail.

Judge Bryce Ferguson Saturday morning heard reports from both the state and defense that at least two witnesses in the case were ill.

The judge called the jurymen into the box. He explained the circumstances, adding that it was probable testimony could not start before Tuesday. The jurymen's faces may have dropped, but the judge went right ahead to tell them that, although they must be confined to the jury's quarters in the jail, they may read newspapers and magazines and listen to the radio.

It was all over within a few moments.

A deputy sheriff escorted them back to their quarters in the jail, where they had been waiting since the jury was completed Friday from a list of about 125 veniremen.

There they will remain until Tuesday.

Judge Ferguson did tell them, also, that he hoped the case could be completed by Thursday night or Friday afternoon.

2ND WILLACY WELL BROUGHT IN SATURDAY

Oil Located 18 Miles From Raymondville

RAYMONDVILLE—Second oil producer in Willacy county history was reported here Saturday, after test being drilled by Cartier and Rubenstein Company near Willacy in eastern Willacy county, blew in suddenly and unexpectedly Thursday night.

The test, on land owned by Porfirio Garcia, was being drilled for Pan American Company and for a number of majors, according to report, and though it is a "tight" well, with no information being given out by operators, the test was believed to be at about 7,000-foot depth when it began producing oil.

The well is located about 18 miles southeast of Raymondville and about 16 miles northeast of Lyford. Drillers began operations on the test something over two months ago.

Pressure was reported unofficially at about 780 pounds, with the well, until choked off, producing low gravity oil, reported at 33 to 38 gravity.

According to the best information available, operators had brought in salt water, and had cemented and shut down preparatory to re-shooting; then had sent out after swabbing materials when the well came on quarter-inch choke, throwing oil all over the immediate vicinity of the well before it could be shut off.

John Hamilton Quits Job With GOP Party To Resume Practice

WASHINGTON—(P)—John Hamilton resigned Saturday as executive director of the Republican national committee, a post he has held since Joseph W. Martin became national chairman last July.

He gave no reason for his resignation in a letter to the committee. However, Martin, accepting the resignation, wrote that "I can appreciate fully your desire to retire and resume your business career."

Almazan Aide Back For Duty With Army

MEXICO CITY—(P)—General Jose Mijares Palencia, one of the principal aides of General Juan Andreu Almazan, presented himself to the war ministry Saturday for orders and told newspapermen he was "out of politics."

Mijares Palencia, former governor of Puebla state helped direct Almazan's unsuccessful presidential campaign. He was one of two ranking Almazanistas who had not answered army summonses to report for active duty.

4,000 Workers Mexico May Dismiss Oil Field Labor

MEXICO CITY—(P)—A government commission of three experts proposed dismissal of 4,000 of 18,000 workers as a means of reducing operating expenses of Mexico's debt-ridden oil industry, it was learned Saturday night.

The move would trim the operating cost annually 22,000,000 pesos (\$4,000,000 U. S.).

President Cardenas, it was reported, may use the commission's proposal as a basis for a decree reorganizing the industry before he leaves office on November 30.

5 'Overage' Vessels Enroute To Canada

NEWPORT, R. I.—(P)—Five "overage" destroyers, believed among the last of the 50 traded by the United States to Great Britain in exchange for naval and air bases, took on supplies here Saturday.

The vessels, which arrived Friday, presumably were en route to Canada.

Smiles

COPY CAT: GREENVILLE, S. C.—(P)—Furman University here has its own "Wrong Way" Corrigan. Hart Long, an aviation student, flying solo, couldn't find the airfield. Finally he recognized the Greenville-Spartanburg dual lane highway and used it as a guide. He landed to his surprise at the Spartanburg airport. He had followed the highway the wrong way.

UNFAIR TO LOVE

CHARLESTON, S. C.—(P)—A young swain here received a letter from his sweetheart in Alterboro, some 50-odd miles away, marked apparently by her father: "Passed by Censor."

TRANSPORT VESSEL SUNK

'Empress Of Japan' Is Bombed From Air

NEW YORK—(P)—Bombing by German planes of the 26,032-ton liner Empress of Japan, a British transport, about 300 miles west of Ireland was reported Saturday by a correspondent of Domei, Japanese news agency.

The correspondent told of the attack in a wireless message to his New York office from the Japanese liner Fushimi Maru. (No information was available in London or Ottawa.)

Hit Disables Engines

The Fushimi Maru had picked up an SOS from the Empress of Japan which said a direct hit had disabled her engines, the Domei correspondent said. The Japanese ship, carrying several hundred Japanese home from Britain, left Galway, Ireland, Nov. 7 for Japan by way of Bermuda and the Panama Canal. Domei said the attack occurred in latitude 53.54 north, longitude 14.14 west, approximately the same area where the 42,348-ton Empress, of Britain, flagship of the Canadian Pacific's Atlantic fleet, was crippled by German bombers Oct. 26 and sunk two days later by a Nazi submarine with a loss of 45 persons.

Cost \$7,500,000

The Empress of Japan, former flagship of the Pacific fleet of the Canadian Pacific Steamship Company, was built in 1930, cost \$7,500,000 and had accommodations for 1,212 passengers. She formerly ran between Vancouver, Honolulu, Japan and China ports and Manila.

She was converted into a troopship at Hongkong last April and in July arrived at Manila with 1,640 British women and children who had left Hongkong when the situation there became serious.

The inner 644 feet long, set a trans-Pacific speed record of 8 days, 6 hours and 27 minutes in 1930, and a month later broke the Honolulu-Yokohama record.

Alexander Turns In Appeals Court Job

WACO—(P)—Judge James P. Alexander, newly elected chief justice of the supreme court, Saturday mailed to Gov. W. Lee O'Daniel his resignation as associate justice of the 10th Court of Civil Appeals at Waco.

The resignation was timed to coincide on January 1 with his assumption of the unexpired term of the late Chief Justice C. M. Cureton.

RAF BOMBERS HIT MUNICH BEER CELLAR

Hitler Escapes By Bare Minutes

By The Associated Press
LONDON—British bombs exploded Friday night on the Munich beer hall where Adolf Hitler, exhorting his Nazi odd guard, in faraway northern Italy and upon many another vital center of the Axis war effort, qualified sources announced Saturday.

A whole series of explosives—"A stick"—was declared by the British Press Association to have started a big fire in the Munich cellar, where all the top command of the Nazi revolution had assembled with Hitler to hear him declare that Germany would never quit without victory.

Bombed 'By Mistake'

The Press Association punctiliously described this hit as an inadvertence; said the stick had overshot its mark. The air ministry's official communique was even more restrained. It announced: "A strong force of RAF bombers attacked railway stations and goods (freight) yards in the city of Munich."

Despite this official reserve, the press and public exulted that the Royal Air Force had kept Hitler's speech off a scheduled broadcast, and carried its bombs 600 miles to the city that is the very homeland birthplace of Nazism.

Spectacular Night

All this was but part of a spectacular night's work—one of the mightiest in scope yet made in the British aerial counter-offensive.

British pilots flew 1,600 miles to assault an airplane factory in Turin, Italy, and a magnetite works at Milan; others smashed heavily again at the German submarine base of Lorient on the French coast.

Still others smote oil refineries, factories, airdromes, freight yards and ports in Germany, in Holland, in France—at Gelsenkirchen and Frankfurt, Nuernberg and Amsterdam; Hamm; Soest, Osnabruck, Duisburg, Saarbruecken, Le Havre and other cities.

Britain Encouraged Over U. S. Election

LONDON—(P)—Prime Minister Winston Churchill described the reelection of President Roosevelt and the assurance of greater aid from the United States as a message of "great encouragement and good cheer" Saturday, but he left no doubt in British minds of the big job ahead.

"We offer our heartfelt congratulations to President Roosevelt, who has received an unprecedented mark of American confidence in being chosen for the third time to lead his mighty people forward," Churchill said. "We shall now receive the support of the products of the gigantic munitions productions and the matchless workshops, furnaces and foundries of the American Union."

COLLAPSE OF SMU STANDS INJURES 34

Temporary Bleachers Fall During Game

DALLAS, Tex.—(P)—At least 34 persons were injured, some seriously, when temporary bleachers buckled and collapsed during the Texas A. & M.-Southern Methodist football game here Saturday.

The stand folded in the center and gradually settled, tumbling 1,200 persons out of their seats and piling many of them on top of each other. Some were trapped when their legs were caught beneath the crumpling seats.

Ambulances screamed to the edge of the playing field and many of the injured, some of them on hastily improvised plank stretchers, were loaded in and taken to several different hospitals.

Cops Chasing Boys

Policemen who abandoned a race with a group of youngsters who had crashed the gate to aid in untangling the mass of humanity and folded seats, said they did not believe any of the injuries would prove fatal, although several persons had back injuries.

Many were bruised when they were tossed from their seats, and others suffered broken legs.

So intent was the crowd on the ball game and on the chase between policemen and gate crashers, that many did not see the collapse. The crowd totaled 27,000. The game was halted temporarily when spectators surged from the scene of the collapse at the south end of the gridiron to the edge of the playing field. The bleachers came in during the second period of the game.

Describes Collapse

Miss Lena Hardcastle of Garland, Tex., who was slightly injured, said the stands seemed to settle and shiver before buckling beneath the weight of the hundreds of overflow spectators for the southwest's grid headline of the day.

Miss Edith Goepfinger of Tulsa, Okla., said she "seemed to be floating through space."

"Of course I did not realize what was happening," she said. "At first I was intent on watching the game. I ended up beneath a pile of people."

The seats had been erected to care for the anticipated overflow crowd.

Queen Elizabeth Is Being Prepared For Transport Service

NEW YORK—(P)—Waterfront reports that the 85,000-ton British liner Queen Elizabeth would sail Monday or Tuesday to serve as a troopship were strengthened as the ship hummed with activity and a diver went down to determine the amount of silt deposited on her bottom.

Carpenters ripped out bulkheads to make room for bunks, food supplies were taken aboard and machinery was tested.

The Queen Elizabeth, the world's largest liner, arrived last March after a wartime run across the Atlantic.

US Making No Move As Yet In Sinking

WASHINGTON—(P)—Secretary Hull said Saturday that the United States planned no action in connection with the sinking of the American freighter City of Rayville pending a complete investigation.

The reply to questions the Secretary of State said preliminary information indicated that the vessel had been struck by a floating mine, but that the complete circumstances had not been determined.

FD Proclaims Thanksgiving Nov. 21

Two-Thirds Of States Change To New Date

WASHINGTON—(P)—President Roosevelt Saturday proclaimed Thursday, November 21 as Thanksgiving Day and declared that in these times of calamity and sorrow elsewhere in the world "may we give thanks for our preservation."

It was the second time the chief executive had set Thanksgiving a week earlier than the customary last Thursday in November, which this year falls on November 28. In 1939 he said it was done to benefit merchants by providing a longer interval between the Thanksgiving and Christmas holidays.

Two-thirds of the states have signified they will observe the November 21 date this year. Governors of these 16 states have announced adherence to the traditional date—November 28: Arkansas, Nevada, Oklahoma, New Hampshire, North Carolina, Rhode Island, Pennsylvania, South Dakota, Tennessee and Vermont.

Analysis Of Business

Immediate Boom Seen

Stock Markets Reflect Conditions, Send Sales Soaring; Inflation Expected

By FRANK MACMILLAN
NEW YORK—(P)—The country's business men this week turned backs on the national elections and eyes forward to the huge arms program, while Wall Street staged a buying drive in securities and key commodities that added billions of dollars to quoted values.

With the bitter political contest out of the way, and the country in a mood in which industrialists and bankers joined politicians in a call to national unity, the business community appeared to visualize clearly for the first time, the implications of the tremendous sums of levied or borrowed money which will go into the defense effort in coming months.

The great farm crops, wheat, cotton, livestock; the industrial staples, rubber, lead and the like, joined with stocks and bonds in an upsurge late in the week, after a day of hesitation following the election.

The snapping attention sharply back to the war goods program and the unprecedented financial steps which will be necessary to accomplish it, was the revelation in Washington Thursday by Secretary of the Treasury Morgenthau of the first phases of the fiscal program of President Roosevelt's third term.

CHAMBERLAIN NEAR DEATH

Wife Is Suddenly Called To Side

LONDON (Sunday)—(P)—Mrs. Neville Chamberlain, wife of British prime minister, was called suddenly to her bedside at midnight (5 p. m. CST.)

Official word at 2 a. m. (6 p. m. CST.) however, was that the condition of the man who led Britain through the Munich crisis and announced her entry in to the war still was "unchanged."

Mrs. Chamberlain, who disclosed Friday that Chamberlain is gravely ill, had remained at the bedside of her 71-year-old husband throughout the afternoon and until 9 p. m. when she left her home to go eight miles to the village.

The urgent message called her back after only three hours of rest.

Man, Wife Die From Car Crash Injuries

DALLAS—(P)—Jim Montgomery, 61, and his wife, 52, both of Ennis, were killed Saturday in an auto-truck collision four miles south of Ennis on Highway 75.

406 Officers Finish New Combat Course

WASHINGTON—(P)—The War Department reported Saturday that a "milestone in the history of American military education" that 406 officers had completed a new course of combat training which is to be given 8,000 men annually.

The group completed a concentrated rifle and heavy weapons company course at the infantry school, Fort Benning, Ga., which is intended to fit them to command troops on the battlefield.

Nazi Raiders Return To Siege Of London

LONDON—(P)—(Sunday)—German raiders returned to the aerial assault on London shortly before dawn today after subjecting the empire capital to a heavy attack early Saturday night and then giving Londoners a few hours of peace and uninterrupted sleep.

The customary nightly air raid tapered off around midnight to a period of extraordinary quiet and the "all clear" was given.

British Submarine Considered Lost

LONDON—(P)—The admiralty announced Saturday night the submarine H49 is overdue and considered lost. The H-49 was of 440 tons and carried a normal complement of 22 men.

TURKEY SAYS SHE'LL FIGHT DESPITE PACT

Molotoff Will Visit Berlin Shortly

By The Associated Press
Disclosure that the Soviet Premier-Foreign Commissar Vyacheslav Molotoff will visit Berlin shortly brought a quick declaration Sunday from informed Turkish quarters that Turkey will fight "if vitally threatened" regardless of the outcome of Axis talks with her friend and neighbor, Russia.

Turkey received the news of Molotoff's impending conversations with German officials—and presumably Italy's Foreign Minister Count Ciano—with grave misgivings, and Ankara quarters said Turkey hoped for "benevolent" Russian neutrality in the developing Balkan warfront. Count Ciano is expected to go to Berlin next week, Rome circles said.

Bulgaria May Fall

Bulgaria has been considered by many observers as likely to swing publicly into the Axis camp opening the way for a German sledgehammer attack on Turkey and Greece to aid Italy's thus far apparent failure to crack Greek defenses.

Bulgaria makes any move against Turkey it will be "considered sufficient cause for war," Turkish quarters said.

Anxiety about Turkey's status has been observed in London quarters since that country failed to go to the aid of her Greek neighbor and because of reported Axis pressure on Russia to keep Turkey out of the camp of her avowed ally, Britain.

Turkey steadfastly has sought to avoid Russian displeasure in her stand against the Axis, but reports from Sofia and other Balkan quarters intimated Germany and Italy were attempting to "talk turkey" with Russia on division of spheres of influence in the Balkans and the Near East.

Turkey Is Involved

Turkey had no doubt that her position would form a major topic in the German-Russian-Italian talks, since she guards the strategic Dardanelles and bars the way to an Axis drive to knock out the British Mediterranean forces.

Rumania opened the first fissure in Balkan union by permitting German troops unofficially estimated at numbering 270,000 to enter. The Turkish press believed Bulgaria would open the "second breach" and Yugoslavia perhaps the third.

Yugoslavia sent more troops to her Albanian-Greek frontier in a desperate effort to remain neutral and keep the Greek-Italian fight from spilling into her territory.

LUMBER KING KIRBY DIES

Long Illness Fatal To Houstonian

HOUSTON—(P)—John Henry Kirby, 80, Houston lumberman and financier, died at his home at 10:10 p. m. Saturday night after a long illness.

He was chairman of the board of the Kirby Lumber Company although active management of the company was in the hands of others. Mr. Kirby built up one of the largest lumber businesses in the country.

Territorial Dispute May Affect Whalers

OSLO—(Via Berlin)—(P)—An expert on the Antarctic foresaw difficulties ahead for Norwegian whalers as the result of possible sovereignty disputes arising out of Chile's claim to a wedge of Antarctic territory.

Prof. Adolf Hoel said such disputes might hamper Norwegian whalers operating in the vicinity of the Falkland Islands, which are near the Chilean claim.

Panamanian Leaves With Gas For Japan

GALVESTON—(P)—The Panamanian tanker Panamanian, loaded with 65,000 drums of gasoline for Japan, left Galveston harbor Saturday afternoon after numerous delays in its sailing.

A hitch in obtaining government authorization to depart and an engine room accident, in addition to other incidents, kept the tanker laid up until Saturday.

Doze Seized

Marihuana Is Found In Harlingen

HARLINGEN—Two Mexican women and one Mexican man were arrested by officers here Saturday afternoon, and are expected to be charged in county court Tuesday with possession of marihuana. The officers also arrested another man, confiscating a gallon of mesquite Saturday.

The officers, Liquor Control Board Agent W. C. Terry, Customs Officer Francis Scott, and County Traffic Officer Collis Thompson, said the two men and the woman first arrested had a pound of marihuana seed in their possession when taken into custody. News and picture of earlier seizures on Page 7.

INVASION WEATHER

LONDON—(P)—A westerly gale lashed the Strait of Dover Saturday night. There was heavy rain and the channel was covered by a thick mist.

PARISH SETS SERVICE FOR NEW EDIFICE

St. Anthony's Church Dedicated Monday

HARLINGEN — Dedication of the new \$35,000 St. Anthony's Catholic church, recently completed, will be staged here Armistice Day, with the ceremony to begin at 10:30 a. m. His Excellency E. B. Ledvina, Bishop of Corpus Christi, assisted by The Very Rev. Esteban de Anta, O.M.I., and the Very Rev. Y. Tymen, deans of the Brownsville and Mission Ecclesiastical districts, respectively, blessing the building.

The Psalms and Litany will be chanted by the priests. Solemn High Mass in honor of St. Anthony will follow, with The Rev. A. Antonine, the pastor, and for whom the church was named, as the celebrant. Assisting will be The Rev. Charles Serodes, O.M.I., deacon; The Rev. B. W. Daugherty, sub-deacon; and The Rev. Theophilus, master of ceremonies. The sermon will be delivered by Bishop Ledvina. The Schola of the Oblate Novices of Mission will sing the Mass "De Angelis."

At the Solemn Benediction of the Blessed Sacrament, to be held at 4:30 p. m., the singing will be furnished by a choir directed by Mrs. James D. Ward of San Benito and Mrs. S. R. Jennings of Harlingen.

Visiting Priests
The Rev. Walter Arnold of San Antonio, Provincial of the Oblate Order, will be present, accompanied by many priests of the Province. Also present will be Father Burns, instructor of St. Anthony's school for priests, located at San Antonio, as well as a number of students of the college, which was founded and named in honor of Father Antoine of the Harlingen church.

Barbecue dinner and supper will be served on the grounds next to the church Monday, immediately following the celebration of the Mass, and again after the Benediction. Preparations have been made by Fred Keepers, in charge of the barbecue, to serve as many as 2,500 persons.

Mission Architecture
The church, named in honor of Father Antoine, is of Mission style architecture, built by J. E. Walsh of Mission at corner of Harrison and Tenth. Stanley Bliss of Harlingen and Corpus Christi, is the architect.

Cornerstone ceremonies were held on September 29, the 57th anniversary of the date on which Father Antoine took his priestly vows. He was ordained a priest in December, 1867. Ground was broken on May 30, Father Antoine's 70th birthday.

Church Sets 402
The new church has seating capacity of 402 persons in the main body of the church. It is of brick construction with red tile roof and tile floor, indirect lighting and medium light oak pews. The exterior conforms with the Mission design of architecture. The building is 120 feet long and 61 feet at the wings. Future plans for the church property include construction of a parochial school and other buildings, according to Larry Powers, chairman of the church building committee. Other members of the committee are Menton Murray, Fred Keepers, S. R. Jennings, J. J. Murray, Lloyd Bogart, Mrs. Ellen Gaffney and Father Antoine.

GUARD STARTS DUTY TUESDAY

36th Division Will Be At Camp Bowie

BROWNWOOD — (AP) — Major General Claude V. Birkhead, commander of the 36th Division, said Saturday night members of the general staff would go on duty in San Antonio Tuesday to prepare for removal of the division to Brownwood's Camp Bowie.

The 11th Quartermaster Regiment will leave Austin on November 28 and division headquarters will move here December 2, the commanding officer said.

Advance detachments and the supply companies of each regiment will leave their home stations on December 1 and the main body of troops will leave their home stations on December 4.

A total of 12,000 men will begin complete training on December 9. This total will be increased to 18,000 men by volunteers, General Birkhead said.

In addition to Texas National Guardsmen, 7,500 regular army troops and the 113th Cavalry of the Iowa National Guard will be quartered here.

Nurses Institute To Be Conducted

McALLEN — The Nurses Institute of the Valley will meet at the McAllen Municipal Hospital Thursday, November 14, from 10 a. m. to 4:30 p. m. Miss Carrie Ohlson of McAllen, key nurse, announced Saturday.

Miss Ohlson has received notice that a national Red Cross worker from Austin will speak at the institute. She urged all nurses possible to be present for the session.

They Bury The Hatchet

Mayor Louis Witte is shown at the microphone in the photo above at San Benito's "Bury The Hatchet" bonfire of Willie literature Saturday night on the Missouri Pacific right-of-way in the business district. W. W. Housewright, member of the electoral college, Chamber of Commerce Manager William Richards and J. Perrin Willis, local GOP leader during the campaign, also spoke. Speakers buried past differences and pledged future unity. (Staff Photo.)

ROTARY HEARS BROWNSVILLE FRED NEWLAND LISTS TAXES

Attorney Urges U. S. City Has 20-Year Valuation Law

HARLINGEN — "The Armistice has not failed," Fred Newland, Harlingen attorney said here Friday in a talk before the Rotary Club, "so let the spirit of American defense be in every heart."

Newland prefaced his remarks on Armistice by lamenting the allegation that he was "not the second, but sixth" speaker to be asked to appear.

Peace Not Solved
"We did not solve the problem of world peace in the last Armistice or the last peace," Newland said. "It is questionable whether we can create a definite and lasting peace while there are such men who strive to become dictators." He said he had always backed a preparedness program extensive enough to command the respect of all nations.

"The possibilities for what has happened have been apparent for years. The defense program is a vital thing that must become a vital part of the American life. America is together. I have no fears for the solidarity of the United States in the future. We are closer than since the World War. Our national consciousness has come to the surface," the speaker said.

Hope Of Future
"The hope of the future lies in a free public school system and a free spirit. The spirit of the Armistice is manifested in the defense program. Let the spirit of defense be in every heart."

Dr. John Crockett, resigned member, was elected to honorary membership. Luncheon on November 21 will be moved up to November 22 for an intercity luncheon to be held at San Benito.

Realtors Meet Entertainment For Tourists Talked

HARLINGEN — Committee from the Harlingen Real Estate Board to work with the city and chamber of commerce in providing entertainment for tourists here this winter was announced Saturday after a meeting of 28 realtors this week.

Paul Carruth, Joe Perry, W. B. Shaw, W. B. Bradford and Keith McCane were named to the goodwill and entertainment committee. J. J. Willingham, president, said the board would also contact merchants here to provide benches at Shady and beauty spots over town.

He said a number of local realtors would attend the banquet at Westlaco November 18 in honor of Senator Rogers Kelley, and Representatives Homer Leonard, A. J. Vale and Augustine Celaya.

Valley Student To Take Reserve Post

HARLINGEN — William Dayton Durham of Harlingen has accepted appointment in the Officers' Reserve Corps as a second lieutenant, field artillery, according to war department announcement Saturday, contained in an Associated Press dispatch from Washington.

Young Durham, grandson of Mrs. J. M. Longfellow of Harlingen, is a 1937 graduate of the Harlingen high school, and at present is a student in Brownsville Junior College.

Church To Feature Peace In Services

BROWNSVILLE — Peace, international understanding and good will are to be stressed in Armistice events Monday at the Church of the Advent.

The services have been planned by the women's auxiliary, as has been the case annually since 1919. Holy Communion will be held at 9:30 a. m. and will be followed by a commemoration at 11 a. m., the Armistice hour. There will be a Litany service of intercession at 5 p. m.

FRUIT FIESTA VALLEY-WIDE

Leaders Plan Citrus Show At Mission

MISSION — Emphasis will be placed on the Valley-wide scope of the exhibit of citrus at the eighth annual Texas Citrus Fiesta, to be held in Mission, January 17-19, it was announced by Vance H. Glasgow, general chairman of the citrus celebration.

In outlining plans for the citrus exhibit, Glasgow pointed out that the fiesta will be the only celebration in the Valley this winter that will seek to draw attention especially to the Valley's greatest industry. Since the Valley Mid-Winter Fair will not be held, the fiesta will be of more importance than ever to show winter visitors the best examples of Valley citrus.

In each Valley community from Brownsville to Mission, a committee will be appointed to assist in assembling fruit which will be picked up by a committee from the Mission celebration.

Discussing the plans Saturday, Glasgow issued a plea to citrus men throughout the Valley to assist in the celebration, either by volunteering to serve on the committee from their respective home communities or by offering fruit to those committees to be displayed. Assistance from those identified with the citrus industry in all parts of the Valley will be necessary to make the display a complete success, he said.

D. L. Rankin, chairman of the citrus exhibit, announced that he expected to name the Valley committee next week.

At Parkland:

MRS. BEATRICE GAINES, 25, Marshall, lacerations, released.

BARRY GREER, 16, Marshall. PATSY JORDAN and J. A. JORDAN, 49, Carlsbad, N. M., lacerations, released.

Also injured, and given first aid at the field, were: MRS. MARCELLA GOEPFINGER, Tulsa, Okla.; MISS EDITH GOEPFINGER, Tulsa; MRS. E. L. FORTNER, Sherman.

President's Statement
Dr. Humphrey Lee, president of S.M.U., issued a statement on the accident saying:

"The fall of some sections of the south end zone seats during the S.M.U.-A. & M. game is a matter of deepest regret to everyone connected with Southern Methodist University."

"An investigation is already begun to determine the cause of the accident."

"All that can be said at the moment is that the athletic officials had these stands carefully inspected and approved three times by insurance company representatives, as well as by members of their own staff."

"In addition, 400 more seats were provided than sold so that there would not be overcrowding."

Game Is Halted
The game was stopped for about five minutes after the stands went down. It was resumed from mid-field before many in the unseated crowd had climbed down to the muddy ground.

Brownlee suffered a broken leg. Others who received leg fractures but were released from Baylor Hospital were Stollmack and Mrs. J. T. Corcoran, Virginia Brown and Mrs. Leatherman, who suffered bruises, were released. Mr. and Mrs. Abney, with leg fractures, remained under treatment.

Billie Cummings, at first thought to have suffered a severe back injury, received instead a severe back sprain and will remain under hospital care for a day or two, the attending physician said, there was no fracture, he said.

Mrs. Clayton, who suffered internal injuries, was removed to the Florence Nightingale maternity section of Baylor Hospital.

In the first 13 presidential elections in the United States there was no uniform voting day. Each state chose its electors on the day in October or November best suiting its convenience.

CRASH VICTIM IN HOSPITAL

Edinburg Girl Said Still In Danger

EDINBURG — A 19-year-old Edinburg girl, Ramona Cantu, remained unconscious at the County-City Hospital here Saturday while three other girls were recovering from injuries all received in an auto crash on State Highway 107 near La Blanca, east of Edinburg, at 6:45 p. m. Friday.

County Highway Patrolman Walter Lysinger said the car driven by Miss Cantu and occupied by Misses Mercedes, Paula and Inez Benavidez, all of Edinburg, plunged from the highway during a heavy rain and plowed into a ditch on the north side of the road.

Miss Cantu's injuries were not detailed by hospital attendants. Her condition was considered serious.

Two men escaped injury in a crash at 4:30 p. m. Friday on Highway 107 near Roth road, west of Edinburg. Cars driven by Gordon L. Reis of Buffalo, N. Y., and Stanley Conklin of Edinburg figured in the crash and both were damaged. Lysinger reported.

Methodists Finish Their Conference Session Saturday

HOUSTON — (AP) — Committee reports and other business matters were discussed Saturday at the final business meeting of the Texas conference of the Methodist church.

Bishop A. Frank Smith conducted a memorial service for ministers and ministers' wives who died during the past year.

The conference will end Sunday with the announcement of ministers' appointments for 1941.

Catholics Ask More Aid Given England

NEW YORK — (AP) — Signed by ten more prominent Catholics, headed by Archbishop Joseph Schrembs of Cleveland, a second statement urging the United States government to give all possible aid to Great Britain was issued Saturday.

The statement, similar to one issued by the group Oct. 28, condemned Hitlerism as "ruthless and without honor."

Vessel Is Prepared For Army Transport

WASHINGTON — (AP) — War Department officials said Saturday it hoped to put the former freight ship West Segovia, now undergoing repairs at Galveston, Tex., into service as an army freight transport by the end of this month.

The West Segovia, a 10,692-ton vessel acquired from the Maritime Commission, is one of the 13 ships being added to the army's present fleet of transports.

CAMACHO WINS BRIGADE POST

President's Brother Is Advanced

REYNOSA, Mexico — General Maximino Camacho, brother of President-Elect Manuel Avila Camacho, has been promoted to a general of brigade in the Mexican army, according to information received here Saturday.

General Maximino, the present governor of the state of Puebla, was promoted from the rank of division of brigade. He is to leave the governor's post Feb. 5, to be succeeded by Gonzalo Bautista, the governor-elect.

Observers said here the governor may assume a high post in the cabinet of Avila Camacho after the latter is inaugurated as president Dec. 1. The ministry of national defense was one of the posts mentioned.

The promotion to a full general of division was approved by President Lazaro Cardenas and General Augustin Castro, minister of national defense.

According to dispatches from Mexico City, the new president will not include former chief executives in his new cabinet. Former presidents who had been mentioned for ministries were Portes Gil and Abelardo Rodriguez, but Avila Camacho was understood to oppose inclusion of the men in his cabinet.

Captain Gustavo P. Serrano, former engineer with Mexican section of the International Boundary Commission and minister of communications under President Ortiz Rubio, is reported to be the choice for minister of foreign relations, succeeding Eduardo H. Ramon Beleta, graduate of the University of Texas.

Austin, is expected to retain his post as sub-secretary of foreign relations or to accept a special commission.

Captain Waldo Romo Castro, private secretary for General Avila Camacho for the past six years, is expected to retain that post when the general is inaugurated.

Look Into The Records

This Home-Owned Business Training Institution has successfully and efficiently served Harlingen and its adjacent territory for five years.

The thorough practical training we offer at reasonable prices to those seeking positions in the Business World, provides the student with not only proficient skill, and general knowledge of business practices, but also instills into their minds the highly important feature of a high standard of moral living.

Positive evidence of our ability to give this type of training, is shown by the fact that the Business Man has learned to depend on us to adequately fill his needs.

These needs are carefully studied, and if future developments call for any additional branch of service, the need will be promptly supplied.

Callier Makes New Third Straight Day

HARLINGEN — Everything happens to S. F. (Fritz) Callier, Jr., and so he gets his name in the paper for the third straight day.

Callier, written about and his picture snapped for the paper because he was the first Harlingen volunteer for military training under the national defense act, had a fire at his place at 901 E. Monroe early Saturday afternoon.

Some clothes caught fire, so when it began to look like Callier wouldn't be able to put it out by himself, he called the fire department. Fire Chief Jake Childress jumped in his chemical truck and hustled out there. But Childress never did cut off his motor, for when the truck reached the house Callier stepped out in the yard and wig-wagged that everything was o. k. and under control.

LOT CLEAN-UP BEING SOUGHT

Area Beautification Efforts Urged

McALLEN — With inauguration of the annual beautification contest for the Rose Cup, vacant lot owners should clean up their property to improve McAllen's chance of winning the trophy. City Inspector Henry Mallau said Saturday.

"If non-resident owners are unable to clean up their lots, neighbors will have to join in and do the work themselves," Mallau said. "I, for one, am willing to pitch in to help beautify the city of McAllen. We've been letting other Valley cities take the Rose Cup because their clean-up campaigns have been more thorough than ours."

Mallau said some lots handled by real estate men needed clearing, and he urged them to have the work done, declaring the value would be enhanced.

The inspector said Ray's Camp on North 18th street and Humphrey's Camp on the West Highway are being remodeled to meet requirements of the state department of health. He said all others in the city are meeting the requirements.

Stamps For Wire

Telegraph Company Has Novel Plan

HARLINGEN — Students off at college, draftees taking military training and tourists will have less excuse than ever for failing to keep in touch with their home, office or friend, as the result of a new policy adopted by Western Union in issuing telegraph stamps.

Travelers and others may buy \$2.50 or \$5.00 books of stamps which may be used in paying for telegraph messages, according to G. E. Osborn, local Western Union superintendent.

The stamp will have the same advantages as traveler's checks since they can be carried with less hazard of loss than cash. Books of stamps can be given by parents to children at college and as gifts by others as well. They will be handy in many ways, Osborn said.

A likeness of Samuel F. B. Morse, inventor of the telegraph, is on the first issue of stamps and other persons identified with history of telegraphy will be honored in succeeding years. Stamps are issued in denominations of one, two, five, ten and 25 cents.

Interpreting The War News

Civilians Are Losers

Their Toll Far Higher Than Armies; Morale Of Axis Powers Indicated Not So Good

By KIRKE L. SIMPSON

Military losses in Europe's war are insignificant compared to World War figures, but civilian casualties may do more to reshape world destiny and restrain the war urge of all national leaders in the future than battles by armies, navies or airplanes.

A day of grim reckoning with public opinion must come with an ever mounting and already appalling toll of non-combatant loss of life and limb being paid as the price of this war.

More than 21 million soldiers were killed or maimed in the World War, but its civilian fatalities were not great.

There are as yet no authentic comparable figures for this war. There can be no doubt, however, that military losses, even including those of the Sino-Japanese conflict, are as strikingly low as civilian casualties are terribly high.

PASTOR QUILTS AT RIO HONDO

Rev. W. F. Craig Is To Leave Nov. 24

REV. W. FRANCIS CRAIG

RIO HONDO—Rev. W. Francis Craig, minister of the Community church for the past four years, has accepted a pastorate of the Christian church and will resign during the morning service here today.

He came to Rio Hondo immediately after his graduation from Vanderbilt University, Nashville, Tenn. During his pastorate, one-third of the present membership of the church has been added to the church roll; extensive improvements have been made to the parsonage, church building, and grounds; and the church indebtedness has been practically paid in full.

Reverend Craig's leadership has extended beyond this community and he is known throughout the Valley. During 1939 he was president of the Christian Ministers Association which includes the Protestant ministers of this area.

Reverend Craig will preach his farewell sermon Sunday, November 24 and with Mrs. Craig, will begin work in his new pastorate December 1.

Rat Poison Case

Advice Draws Farmer Three Year Term

TULSA, Okla.—(P)—A letter to a Texas woman urging that she feed her husband daily doses of rat poison resulted in a three-year federal prison sentence for John Lovett, 58, Locust Grove farmer.

Lovett, who pleaded guilty to a charge of violating postal laws, told Federal Judge Royce H. Savage he had hoped the Texas woman would accept his advice and marry him when her husband had succumbed.

Officers said the woman's husband opened the letter and turned it over to postal authorities.

Net Increase Shown In Stock Of Crude Oil Now In Storage

WASHINGTON—(P)—The bureau of mines reported stocks of domestic and foreign crude petroleum at the close of the week ended Nov. 2 totaled 263,820,000 barrels, a net increase of 1,074,000 barrels compared with the previous week. Stocks of domestic oil increased barrels for the week and foreign crude decreased 341,000 barrels.

Tuesday Is Busy Day For Visitors

McALLEN—Tuesday will be a big day for tourists in McAllen, with five events on the calendar planned by the McAllen chamber of commerce tourist department.

The meetings will be held at Legion hall on South Main street. The Spanish club will meet with Mrs. Christina Guerra at 8:30 a. m. the Sewing and Knitting club at 10 a. m. and the musicians and dancers at 11:30 a. m.

Those who are interested in Mexican food will have lunch together at El Rancho Grande and at 2 p. m. bridge, checkers and pinocle will be played. All visitors and tourists are invited to attend.

Seven tables of "bingo" players opened the tourist party last Friday in the A. B. C. Trailer Camp community hall for the second party of the season. Winners in the games included Fred Kurtz, W. E. Kerke, Albert Woerner, Mrs. Albert Woerner, William G. Olson, Mrs. L. G. O'Toole, Mrs. T. F. Morgan, Mrs. W. F. Gerke, T. F. Sitton and Miss Helen Bishop.

O. W. Olson scored high in the contract bridge with T. F. Sitton running a close second and T. F. Morgan low score. W. G. Olson scored high in the auction bridge games with Mrs. W. G. Olson holding low score. Winners in the checker games included Miss Doris Lee Goforth, Mrs. Loretta Woerner and Mrs. S. E. Donoghue.

Men Are Lashed

Prisoners Whipped In Delaware

WILMINGTON, Del.—(P)—Three prisoners cringed under the lash in the New Castle county workhouse Saturday as Warden Elwood H. Wilson delivered 20 blows to each man.

William Bell, 24, who pleaded guilty to a breaking and entering charge, fell to his knees several times and begged for mercy. He must also serve a four year prison term. His alleged accomplice, William E. Price, 22, must serve five years in addition to the whipping.

The third man, James E. Johnson, 28, pleaded guilty to an attempt to wreck a Pennsylvania railroad train near Stanton, Del., last July 8, and will serve a 10-year sentence.

For McAllen Play

McALLEN—Don Irwin, McAllen high school play director, has announced the cast for the play to be staged Dec. 12 by the 1941 senior class.

Players will be Dauphine Mahoney as Paney Paine, self sacrificing heroine; Charles Hoffman, as Gaylord Duckworth, the villain; Johnnie Earl Suttle as Fairfax Kissbergh, the hero; Katherine O'Neill and Phyllis Sampson as the heroine's sisters; and Hilda Chaleff as Dorothy Bullock, Fred Pierce as Hilary Paine, Logan Cockrum as the butler, Jeanette Followill as Beatrice Hudnutt, Helen Parish as Amelia, Mary Ellen Reis as Hedda Barrington, and Harold Pope as Basil Barrington.

Title of the play is "For Her Child's Sake," a stark meller-dram.

Monopolies Charged
In Mexican Debat

MEXICO CITY—(P)—A drive was under way Saturday against business monopolies which, it was charged during an extended debate in the Chamber of Deputies, increase the cost of living and fatten on political protection.

Greater government control of prices and limitation of the price-fixing power of monopolies was recommended by various speakers who said a "directed economy" was proper in a democracy because it could be manipulated for the benefit of the people.

BAPTISTS SET STATE PARLEY

Houston Is Scene Of Annual Meeting

HOUSTON—(P)—Approximately 15,000 messengers representing Texas' 750,000 Baptists will hear recommendations for an enlarged program to meet changed world and state conditions incident to the war when their general convention assembles November 12-15.

Steps to be taken by Texas Baptists to take advantage of the "unprecedented opportunity and obligation" of the times will be suggested by Dr. R. C. Campbell of Dallas, executive mission secretary, in his annual report.

Appropriation of \$25,000 to be used in establishing and maintaining religious centers near army training camps in Texas will be among the proposals made to the convention, which will be urged also to become increasingly aware of world-wide opportunities for Christian service to peoples crushed by the circumstances of war.

Emphasize Missions

Emphasis will be placed also on mission opportunities to be realized immediately in Central and South America, and on home missions in the United States and its possessions.

An enlarged budget will be proposed. A committee of 150 headed by Dr. George W. Truett of Dallas, is expected to propose that \$1,200,000 be raised in 1941 and increased annually for five years until an annual budget of \$1,600,000 a year is reached.

Additional funds asked will likely mean a stepped-up tempo of work among foreign-born residents of Texas, and among Negroes. The convention will be preceded by the annual meetings of the laymen and the women, which maintain organizations correlated to the convention. Both sessions begin Monday.

Model Plane Notes

By GARVER MURRAY

WELL, everything is ready for the big contest, except the weather, and I hope it clears up. We didn't set a rain date, but maybe we can make some kind of arrangements later.

Everywhere I have gone lately the boys are hard at work putting the finishing touches to their models, and I hope they remember to check their weights. They have to add weight at the last minute, you might throw your model off balance, and I am going to see to it that if you do add weight, when you weigh in, you keep it there during your flights.

In the Class A, atom powered ships must weigh 7.8 ounces minimum, Ohlson '19's 15.8 ounces, Madewells 11.2 ounces. In Class B, Brown "E" powered ships must weigh 23.2 ounces, Ohlson '23's 18.6 ounces. In Class C, Brown "D" powered ships must weigh 48.1 ounces. Super Cyclone 51.8 ounces, Mighty Midget 36 ounces, Ohlson '60's 48.3 ounces, Sky Chief 45 ounces, Synco Ace 45.1 ounces, Tom Thumb 36 ounces. And if you boys have any motors not listed, and desire to know the minimum weight requirements, get in touch with me.

There will be plenty of room at San Benito for cars and spectators, the VW will be in charge of parking the meet, so please obey these men. Mr. Bob Collins is the field judge in charge of the meet. Mr. S. E. Tilton will have charge of the public address system, and will give a ward picture of the events. I want to ask the co-operation of all Valley modelers to help make our "visitors" feel at home. Some of you boys are careless in launching your models, and I want to ask you to "please" look where your model is going before releasing it, and DON'T launch it into the spectators. People like to watch these models take off, but they don't like to have to run them.

Phil Attberry reports that his boys in Mercedes are going to be on hand, and that he will have a new job to show us, if he doesn't have to work. Mr. Gooch is going after Class "A" and "B", so you boys better watch out. Bob Scott is all ready for a chance at the Class "C" prizes, and says "Let the best model win." Scotty Bowlin has already spent his prize money—that is, if he wins—good luck, Scotty. We should have

about four "sailplanes" entered from the Valley, and I hope they can give our visitors a good race. I know the boys coming down from Corpus will give some stiff competition.

Bill Younklin says he has his stunt event worked out now, so we should really see something. His brother, Jimmy, is still confident of placing in the Class "A". Power to you, Jimmy. I hope you do. Wayne Cole has had so many things cut into his model building that he can't finish his "Mercury" in time—should have started sooner. Jimmy Jolly at San Benito will have his "Wedgie" out, and if it acts like it did before, he better enter it in the stunt event.

We will have a lot of newcomers out, and I hope they don't get discouraged if they don't make a showing. It takes a lot of practice in both building and flying before you get a winner, then sometimes you wonder.

I didn't get a written report this week from the Tri-City Club, but I have "heard" that they are all busy putting everything in order, and will be down early to warm up. This past week has been hard for anyone to flight test a model, so we will just have to depend on a last-minute check-up before the meet starts. Just be sure you have good fresh batteries, fresh gas mixtures, plenty of elbow grease and plenty of patience.

Bring your folks along, and let's show them how it's done.

Adios.

Bomb Appeaser

Nazi Raiders Strike Near Chamberlain

LONDON—(P)—It was learned Saturday that within the past fortnight German bombs have fallen within the grounds of the 16th Century house in Hampshire where former Prime Minister Chamberlain lies gravely ill.

One dropped barely 40 yards from the house which is set in a lonely wooded estate with no near neighbors.

A member of the household said that "he is very low and death might come in a minute or a year."

Nearly one-tenth of Maine's area is water.

Inventive Chinese Devise Baskets Of Bamboo To Detonate Bombs Dropped By Jap Air Raiders; Idea Is Feasible

SAN FRANCISCO—(P)—A bamboo basket to catch bombs, designed by inventive Chinese to protect their more important buildings from Japanese air raiders, was described here by Willis R. Peck, counselor of the United States Embassy, Chungking, China.

Peck, en route to Washington from his station at the often-

bombed Chinese capital, said the bamboo defense was one of the most ingenious war devices in use today.

"Wherever they have a valuable building," Peck explained, "the Chinese raise a three-story bamboo framework above it and load all three floors with cut bamboo. When a bomb hits, it is harmlessly detonated, and does not destroy the structure beneath."

Three Airlines Seeking Mexico-Laredo Routing

BROWNSVILLE—Two airlines have been given permission to operate between Mexico City and Nuevo Laredo, and a third is making survey flights over the same route.

The latest to be given permission by the Mexican ministry of com-

munications is the "Compania Aeronautica Francisco Sarabia." This is the company formerly operated by the Mexican ace, Francisco Sarabia, who was killed while taking off from Washington.

Previously the ministry had granted the same permission to American Airlines which is now trying for American CAA approval to extend its lines from Dallas to the border to connect with the proposed route in Mexico.

If American passes CAA muster on this point, it will be the second U. S. line operating outside of the country. Pan American is the only one with this status at present.

American Air Export has permission to operate trans-Atlantic but has not begun its service as yet. To further complicate the Mexico City-Laredo situation, Compania Mexicana de Aviacion, a Pan American subsidiary, is running survey flights over the same route and is expected to obtain permission for regular service.

Pan American now operates two services out of Mexico, one coming up the east coast to Brownsville, and the other up the west coast to Los Angeles.

Tacoma Bridge Sign Torn Down After It Collapses

TACOMA, Wash.—(P)—Collapse of the Tacoma Narrows bridge Thursday brought prompt action from one Tacoma firm.

Within an hour after the central span plunged into Puget Sound, workmen were tearing down the firm's sign, located on a highway approaching the bridge.

The sign proclaimed the firm was "as secure as the Narrows Bridge."

COTTON TOTAL IS UNCHANGED

Estimate Said Only Slightly Lower

AUSTIN—(P)—Prospective production of Texas cotton changed very little in October and the November 1 estimate of 3,380,000 bales was only slightly lower than the forecast of October 1.

The agricultural marketing service of the U. S. Department of Agriculture reported the November 1 estimate compared with final production of 2,648,000 bales last year, and average production of 3,876,000 bales for the 10-year period ending in 1938.

The estimated lint yield per acre was 185 pounds, compared with 160 pounds in 1939 and 149 pounds for the 10-year average.

Favorable harvesting conditions prevailed generally in October and ginning progressed rapidly.

BROWNSVILLE VOTERS BUSY

Will Ballot 3 Times Next Month

BROWNSVILLE—Two and perhaps three elections face residents of Brownsville and the Navigation district during December.

First to the ballot will be the Brownsville Navigation district which must elect three commissioners on December 3. This will require voting only in the Brownsville Navigation district.

Four days later, on December 7, the recently created Cameron County Road District No. 1 is slated to hold its referendum on a proposal to issue \$365,000 in bonds to build a road from Cavazos to Omito to the port.

The third December election, which will be called off by Road District No. 1's bonds carry, would come late in the month, probably around Christmas time. This will be a Cameron County Road District "A" special election to determine if it should issue \$365,000 in bonds to build a road from La Paloma to Barreda to the port.

Missionary Dies As Wife And Children Killed By Robbers

KUNMING, China—(P)—Injuries received when robbers attacked his mission and killed his wife and child caused the death of Alfred Max Bernheim, 36, of Spokane, Wash., the U. S. consulate was notified.

Mrs. Bernheim, 36, and their 11-year-old son, David, were killed outright and another child slightly wounded in the attack Thursday upon the newly built mission a half-mile from Kunming.

The Bernheims came to China about five years ago, as missionaries of the Philadelphia Church Association.

The Knights of Columbus was organized in Connecticut in 1882.

15,000 ARE TO SEE KENEDY GAP CLOSED

Raymondville Plans December 17 Fete

RAYMONDVILLE—Plans are being made for entertaining 15,000 persons when completion of the Kennedy county highway and the irrigation district is celebrated here December 17.

"A celebration as large as that will take the wholehearted support of everyone in Willacy county to make it a success," said Nat Wetzel at a meeting of citizens at the Tulsa Cafe where the event was discussed by local citizens. Wetzel was one of the prime movers in getting the highway built.

A bus will leave Orange Monday, December 16, bringing reporters and other newspaper representatives to the celebration. An overnight stop will be made at Corpus Christi and the group will arrive here on day of the celebration at expense of the Union Bus Line.

District Completed

Completion of the Willacy county irrigation district will be celebrated at same time as closing of the gap in the Hug-the-Coast highway.

Local residents are sending out invitations to attend the celebration in all their business and personal mail.

Wetzel Director

Wetzel, who is director of the Hug-the-Coast Highway Association, has interviewed every governor and highway commissioner since 1920 on behalf of the highway.

Full cost of the highway from Orange to Brownsville is estimated at \$22,000,000 and is regarded as important from the standpoint of national defense.

Lutheran Orphans

Valley Churches To Aid War Refugees

HARLINGEN—Members of the Lyford and Harlingen Lutheran Churches will join in special services at the Grace Lutheran Church in Harlingen Sunday night, to co-operate in the national campaign to aid Lutheran foreign missions orphaned by the war.

The service, in the church at 401 E. Jackson, will begin at 7:45 p.m. Rev. J. C. A. Pfenniger, Harlingen pastor, will present the cause of Lutheran World Action, and Rev. E. P. Rodene of the Lyford church will preach the Reformation—Festival sermon.

Effort is being made by the church nationally to raise \$500,000, with which to sustain the foreign missions for a year, this being the minimum required. If the fund is raised, Lutheran World Action will maintain 38 of the 47 non-American Lutheran missions in the world serving 800,000 people.

Doris Duke Leaves Husband For Hawaii

LOS ANGELES—(P)—Doris Duke Cromwell, the heiress, says her marriage to James H. R. Cromwell, former minister to Canada, is over—but she has no plans for a divorce. 4 Valley Boys Now At Kansas City

MERCEDES — Four Mercedes and Weslaco FFA boys and Mr. and Mrs. Eldon B. Smith left Friday afternoon to attend the National Convention of the Future Farmers of America at Kansas City next Monday, Tuesday, Wednesday and Thursday. They will also attend the American Royal Livestock Show which is being held in Kansas City during the same days.

The Mercedes-Weslaco FFA chapters, with the cooperation of local fruit packers and the chambers of commerce of the two towns, are also sponsoring an attractive exhibit of Texas grapefruit which will be shown in the exhibit hall of the American Royal Livestock Show. This exhibit features pink grapefruit and is designed to more thoroughly acquaint northern people with the excellent quality of this Valley product.

Ralph Powell and James Van Burkelo are attending the National FFA convention and the American Royal Livestock Show as guests of the Mercedes Chamber of Commerce which is providing the trip expenses for these two Mercedes representatives. Hitler Hired Physician Who Threw Him Out Of His Quarters Because He Made Too Much Noise Heiling Around

DALLAS—(P)—A visiting Eastern physician Saturday claimed to be probably the only living man who ever "bounced" Adolf Hitler and got away with it. He is Dr. John Gelbert of New York, naturalized German-born physician, who said he was Hitler's personal medical attendant from 1924 to 1927.

Gotham CIO Council Asks Lewis Resign

NEW YORK—(P)—The executive board of the New York state CIO council wants John L. Lewis to resign his CIO leadership, as he said he would do if President Roosevelt won re-election. A statement issued for the council's executive board by Gustave A. Strebel, president, after a meeting Friday, said election results constituted a "complete repudiation" of Lewis, and demanded that he make good his promise to step down as CIO president at the national convention in Atlantic City Nov. 18.

charge of the Kansas City tour, is president of the Rio Grande Valley Livestock Show which will stage its second annual exhibition of livestock on March 20, 21 and 22.

While practicing medicine in Munich in 1923, Gelbert explained, dead and wounded from a nearby riot were brought to his quarters. Hitler, then comparably unknown, rushed through the door, shouted "Heil Hitler," and demanded to know the nature of the riot victims' last words. "He made so much noise and got so much in the way that I shoved him out the door on the seat of his pants," the doctor recounted.

After the incident, Gelbert said, Hitler endeavored to win the doctor's patronage and employed him as his personal physician until Gelbert left Germany for a series of international travels.

LONDON RAID SHORT LIVED

Attack Tapers Off In Sunday Quiet

LONDON (Sunday).—(P)—The customary German air raid on London opened with a heavy assault Saturday night but tapered off early Sunday morning into a period of extraordinary quiet and even the distant anti-aircraft guns fell silent. It had been for a time a thunderous attack—loosed at the earliest hour yet known here—and bombers had approached in relays from several directions, others striking simultaneously at northern England, Wales and the Midlands.

So heavy was the gunfire during the evening that big, solid buildings were shaken by the concussion.

One plane shot down in southeast London demolished two houses, and was believed thus to have trapped at least two people, in its descent. Another night raider was reported shot down at Cornwall. The "raiders passed" signal was given after midnight.

Two daylight thrusts at London Friday were turned back with comparatively little damage here, save for the destruction of several business buildings.

The word "realtor" was coined by the National Association of Real Estate boards as a name by which to designate its members.

GEORGIA TOT LOST 2 DAYS

Hundreds Search For Child And Dog

CARTERSVILLE, Ga.—(P)—Commissioner Lon Sullivan of the state highway patrol ordered "look-out" notices broadcast Saturday night when hundreds of woodsmen and CCC boys failed to find two-year-old Murray Upshaw, Jr., missing since Friday noon.

Sullivan said state police were put on watch "just in case it should be a kidnapping." He added that circumstances in the case were such as to discount that theory.

Through the rough, pitted hills, searchers extended their hunt today in a systematic probing of underbrush.

The child vanished a few minutes before noon Friday. With him was a small white dog, Nickie. Both had been playing in the back yard of their farm home 13 miles north of here.

Wife Was Fat No Longer Attractive Lost Husband's Love

The above headlines appeared in a New York newspaper in connection with a divorce trial that had attracted wide attention: "She was a beautiful woman" one witness testified, "but she got fat and is not attractive any more."

Thousands of women are getting fat and losing their appeal just because they do not know what to do. If you are fat, how would you like to lose it and at the same time gain in physical charm and attractiveness—more energy—greater activity?

Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take 1-2 teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast and keep it up for thirty days. Lush pastries and fatty meats and go light on potatoes, butter, cream and sugar. Then weigh yourself and see how many pounds you have lost.

A bottle of Kruschen Salts will last you for 4 weeks and costs but little. Ask Brownsville Agents—Den-Russ Prey, McKay's Pharmacy; Harlingen Agents—Day Drug Co., Central Drug Store; McAllen Agent—Palmer Drug Store or any druggist for a bottle of Kruschen, plain or new effervescent—sparkling—pleasant—and start today to lose fat. FOUR VALLEY TOWNS ENTER BEAUTY RACE

Rose Cup Will Go To 1940 Winner

McALLEN — Four Valley cities have entered the annual beautification and clean-up drive for the Rose Cup award in a competition sponsored by the Valley Garden clubs and the Valley Secretaries association, local chamber officials announced Saturday.

The deadline for entering the contest is Wednesday, November 13. The entrance fee for cities of 5,000 or more is \$2.50 and for those under 5,000 \$1. The money is to be sent to the McAllen chamber of commerce, which is acting as treasurer of the campaign.

The annual contest was inaugurated by the late Julia Cameron Montgomery to make the Valley a more attractive place not only for its own residents but also for tourists.

The judging is to be done during the second week in December, and the winner will be announced shortly thereafter. The winner will receive the \$100 sterling silver Rose Cup for a year. If any money from the entrance fees is left over after expenses of judging have been paid, the sum will go to the winning city.

Present holder of the cup is Pharr. Edinburg won the previous year.

Plan Colony

Lower California Is To Be Settled

MEXICO CITY—(P)—A group of senators who recently interviewed President-elect General Manuel Avila Camacho reported Saturday that he planned to sponsor a movement to colonize the territory of Baja California and would invite Mexicans now living in the United States to participate if they desired.

The government has announced many Mexican residents across the border have applied for permission and economic aid to return to the republic because they were out of employment in the United States.

The rugged territory of Baja California, which extends south from California, is one of the most sparsely settled in Mexico.

National Plan Of Defense Means Larger Red Cross

Harlingen Meets Need For Added Service With Roll Call Drive Nov. 11 To 30

HARLINGEN — The mobilization of man power for national defense will demand increased Red Cross services to the armed forces of America, R. C. Pryor, chairman of the Red Cross chapter in Harlingen, declared Saturday. These services, he pointed out, stem directly from the Congressional charter of the American Red Cross, which is a mandate to every local chapter and branch of the organization.

Fortunately, Pryor added, these services are so well organized nationally and locally that they are capable of rapid expansion. Cost of the necessary extension of activities on behalf of service men will be met, as in the past, from membership contributions. This year the American Red Cross conducts its roll call of members in Harlingen from November 11-30, he said. E. M. Crockett is roll call chairman.

"The war service of the American Red Cross," he announced, "has representatives at 77 field offices and hospitals, contacting the various elements of the armed forces at some 800 points. In the past year more than 53,000 soldiers, sailors, marine and coast guardsmen or their families were aided in solving all kinds of problems arising from economic, illness and social causes.

Mitigate Worry

"This Red Cross activity is based on a recognized medical principle that anxiety, fear and other temporary mental disturbances tax the morale of able-bodied men and retard recovery for the sick. The removal or mitigation of the cause of such worry by the Red Cross is a definite contribution to recovery

Japs Take Bank

Chinese Institution Is Seized

SHANGHAI—(P)—Japanese took over control of the head office of the Central Bank of China Saturday and cleared another formidable hurdle in their path to complete domination of Shanghai.

The move followed their acquisition of control through their Nan-king regime of Chinese courts in the French concession Friday.

The bank was established almost a decade ago by the present Chinese government at Chungking as the fountainhead of the government's finances and its control of the nation's currency.

Financial circles stated that, as a result of negotiations with settlement authorities, the Japanese were taking over the property and were preparing to open a new bank.

In the past year more than 53,000 soldiers, sailors, marine and coast guardsmen or their families were aided in solving all kinds of problems arising from economic, illness and social causes.

the past few weeks into a short letter.

At 8 p.m. on Monday I left La Feria and drove into long enough to pick up Charlie Taylor and eat lunch. He and I spent the night with Johnny O'Keefe in Dallas and proceeded to Tulsa the next afternoon. We spent Tuesday night there and saw many old friends and acquaintances of primary days.

Charlie got his car out of storage there the next day and we drove to Wichita, Kan., there taking Highway 40 due west. That night we stopped at a tourist camp in western Kansas. The next day we drove through Denver and stopped for the night at another tourist camp. That day we drove in some gorgeous mountain scenery for we were in the heart of the Rockies.

We were eager to get on to Frisco and complete sailing arrangements so we made but few stops, proceeding on over the continental divide, stopping on its peak long enough for a cup of hot coffee for the temperature was 55 degrees.

Night In Nevada

Friday we drove to a small town in Nevada, grabbed a night's rest, and went to Salt Lake City, Utah. We intended to spend the balance of the afternoon and night there but itchy feet had us on the road again in a couple of hours. We hardly stopped then until we drove into Frisco late Saturday night.

We went directly to Fort Mason near the docks and got a room and a well earned night's rest. From noon Sunday to Thursday at 11 a.m. we took in San Francisco and the Exposition on Treasure Island in the bay. We visited Chinatown, Fisherman's Wharf, International Settlement, and various points of interest therein. Some time we spent at Hamilton Field, just out of Frisco, where about 50 of our classmates are stationed.

Thursday at noon all passengers went aboard the Republic and we began acquainting ourselves with the boat. It is the largest of the army transports and including the crew and troops aboard there were 2300 of us who steamed beneath the Golden Gate Bridge headed out to sea at dusk Thursday evening, the 19th.

Acquires Sea Legs

The first night and day at sea everyone was busy acquiring sea legs and the principle topic of conversation was "that peculiar dizzy feeling in the stomach." However, with the exception of the third day when we had a moderately heavy sea, the crossing was smooth and only a few suffered from sea sickness.

We passed the time playing shuffle-board on the decks, cards in the smoking room or reading in the social room. The fifth night out we had a dance and all aboard were in a gay mood. Every night there were two movies shown and these drew a lot of interest. They were shown above decks and it was a thrill to sit in the cool breeze with only the stars above and see a picture show while the ship gently rolled and swayed on to Hawaii.

Thursday morning the 26th we docked in Honolulu harbor at about 8 a.m. A large orchestra was playing Aloha (which I have

K. C. Supper Set

Gordon Griffin Will Speak At Mission

McALLEN—Candidates and members of the Mission-McAllen council of the Knights of Columbus are invited to attend the covered dish supper at 7:30 p.m. Sunday at the Mission hall.

Gordon Griffin, McAllen attorney, will be the principal speaker. Families of council members are invited to attend.

The day's program will be opened Sunday morning with all candidates and knights receiving holy communion in a body at the Sacred Heart Catholic Church here at 7:30 o'clock mass. At 8:30 o'clock breakfast will be served to the group in the parish hall.

learned means hello, goodbye and several other things) and the dock was lined with people loaded with flower leis which we soon had around our necks. The air was filled with the sweet odor of flowers, music, laughter and cheerful greetings. Off to our right was Waikiki Beach where figures could be seen riding surf boards. To our left was Pearl Harbor where at least 50 sleek naval boats could be seen.

Island All Green

All over the island was greenery, beautiful palms and flowers. In the distance mountains loomed up with trees and vegetation growing solidly even on the very peaks. The beauty of the islands is really something to behold.

The 29 of us in the Air Corps were escorted about town by a number of officers from Wheeler Field who took us to the Royal Hawaiian Hotel on Waikiki Beach for a few rounds of drinks to get acquainted. Needless to say we all felt right at home immediately with such a reception.

At mid-afternoon we arrived at Wheeler Field, 20 miles from Honolulu, nestled in between two low mountain ranges, midst pine apple and sugar cane fields and bordered by banyan trees and coconut palms. It is a beautiful field, large and clean, with a personnel of splendid officers and men.

The next day we realized our holiday was over for we went right to work reading technical orders on the pursuit ships and studying their characteristics. Thirteen of us were assigned to the 78th Pursuit Squadron, 12 to the 19th and four to the 86th observation. We have had but little time for play since but have

managed a beach party and a swim at Waikiki.

We are already practicing dog-fighting in fast single-seat pursuit fighters fully equipped with machine guns and ammunition. Soon we will begin firing practice at low targets and green targets. You may rest comfortably for the 18th pursuit group of Hawaii is a fighting unit that is ready, and 78th Squadron I can point to with pride as being an efficient and potent unit of our flying defense. Those of us in now will have the best training and the best planes that can be had, so in the face of any eventualities we can do more than hold our own. A wildcat will suffer very little injury in a fight with a coyote so put any fears to the contrary out of your minds when hostilities begin.

We have nice quarters, two of us to an apartment. However, we have to furnish them at our own expense and furniture here is at a scandalous price. Charlie Taylor and I have an apartment together and find it very comfortable. We take our meals at the club.

Due to present duties and intensive training here I won't be able to spend any time with courses in the University of Hawaii but may be able to do so later. It is a nice school and has a beautiful campus. It would truly be a wonderful opportunity.

Later I will write more in detail and tell you about the people here when I have observed them and the islands more closely. My car arrived without a scratch and is running perfectly.

Write soon.

Love to all.

Sam.

ESPEJO WINS BOOK TROPHY

McAllen Annual Is First In Valley

McALLEN — El Espejo, yearbook published by the McAllen high school, received the first cup ever to be awarded to an annual by the Valley High School Press Conference at the Brownsville meeting last week.

A silver loving cup was presented by A. A. Hargrove of Brownsville to Bernie Gwynn, 1940 editor of El Espejo, the edition which won the award. Assisting Hargrove as judges were Miss Jamie Lee Green of Harlingen and Mynatt Smith of McAllen.

The McAllen book had a total rating of 800 points, 15 over that of the Brownsville annual. The books were judged on artistic appearance, physical appearance and general effect.

The Brownsville meeting was attended by 22 students and three sponsors from McAllen. It was announced that hereafter, awards given at the fall banquet would be for yearbooks only. Those given at the spring banquets will be for outstanding weekly papers and work of individuals. The Weslaco chapter of Quill and Scroll invited the press conference to hold the spring banquet at Weslaco.

Grace Delamater, Logan Cockrum and Johnnie Earl Suttle were the first McAllen high school students ever to be initiated into the Quill and Scroll Society by the candle light ceremony at a meeting of the Valley High School Press Conference Nov. 5, conducted by the Mercedes chapter.

Quill and Scroll is an honorary journalism organization.

Davis To Move Oil By Rail While Building Port Line

BROWNSVILLE — Pending construction of a Starr county-Brownsville port pipeline, the W. R. Davis, Inc., tank farm here will supplement its present supply via the Valley Pipe Line by moving 2,500 barrels daily to the port by rail tank cars. The rail movement will begin Tuesday.

The Davis firm already has built a four inch line from El Tanque

field in Starr county to Rio Grande City where four 1,000-barrel storage tanks have been erected at a railroad loading rack in order to load tank cars.

Since the Rincon pool has been producing at the rate of about 18,000 barrels of oil per month, new shipping facilities and outlets for its crude have become necessary. The Davis surplus, above present pipeline capacity, is to be handled by tank cars to the port here.

Both Cameron and Hidalgo counties have granted an application of Davis interests for oil, gas and water pipelines and it has been indicated that construction of the line will be pushed to early completion.

According to information available here, the Davis interests sold half of a certain portion of its interests in the Rincon field to the Continental Oil Company. Port interests took this to mean that there will be more extensive development in that particular section since Continental will begin early drilling operations and Davis, Inc., will continue developing the remaining lands at the present rate.

Republican Solon Warns Against 'Rubber Stamp Congress' For U. S.

URGES UNITY BUT NOT OF AXIS TYPE

Vandenberg Proposes Close 'Vigilance'

WASHINGTON — (P)—Declaring that there must be no "rubber stamp unity" in Congress, Senator Vandenberg (R-Mich.) said Saturday that Republicans had a duty to maintain "critical vigilance" toward administration actions.

The Michigan senator told reporters that both major parties should drop partisan politics in the interest of "total preparedness," but added:

"We do not want unity in the sense of totalitarian government in which the voice of all opposition is silenced."

Adjournment Argued

It appeared, meantime, that the first post-election dispute in Congress would be over the question of adjournment. Democratic spokesmen have talked of possibly adjourning on November 18.

Representative Martin of Massachusetts, the House Republican leader, said, however, that he would object to ending the session "as long as there is any emergency."

He was joined in this attitude by Vandenberg who said Congress should stay in session and work out some solution for the financial problems of the defense program.

The proposal by Secretary Morgenthau for a \$15,000,000,000 or \$20,000,000,000 increase in the national debt limit "is not an answer," the senator said.

"It is merely a palliative—and not much of that. More and evermore borrowing is not a 'plain'; it is creeping suicide."

Warns Of Inflation

Vandenberg said the sharp upturn on the stock market after the Morgenthau announcement was a "prompt red light signal" of the dangers of "inflation on the one hand and bankruptcy on the other."

The senator said his party, although it lost the presidency, was "not required to surrender its principles nor to suspend its critical vigilance."

"On the contrary," he said, "it is required to vigorously represent more than 21,000,000 voters who just gave its presidential nominee the largest vote ever achieved by us. There were two mandates—not just one—in the recent election returns."

Domestic Policies To Stay Unchanged

DALLAS, Tex. — (P)—Rep. Wright (Patman, D-Tex.) of Texas said Saturday that the next session of Congress, convening in January, will continue the nation's domestic policies of the past seven years.

He said, however, that he does not expect Congress to pass much additional reform legislation—if any.

BOOK WEEK IS TO BE MARKED

New Volume Displays At Library Here

By MRS. GERALD McKENNA

HARLINGEN — National Book Week, observed continuously for 21 years in the second week of November, will be stressed this week at the Harlingen Public Library in displays of new books and in contest features.

This year's motto of Children's Book Week takes on a timely cheerfulness, Good Books—Good Friends. In good books there exists for every child a happy company, to be summoned at will, whose influence is likely to last a lifetime. Most adults can recall the time, perhaps the place, where they read some book that became a real influence in their lives. With the idea of learning what books are long-remembered, patrons of the library will be asked during Book Week to list their favorite book and the book most enjoyed the past year.

Other special features for the observation of Book Week at the library include two book quizzes, one for children from 6 to 14 years, and the other, titled "Election in Bookville" should be of interest to high school students and adults. Prizes will be given for the children's book quiz to be held at 4 o'clock, Thursday, November 14, at the library.

New Books

A new civil service study book received at the library the past week is that for Border Patrolmen.

Another book of interest to men is "Captain Lee Hall of Texas" by Dora Neill Raymond, daughter of former Judge Henry Hart Neill of the San Antonio Court of Appeals. This spirited biography of a dashing figure of the west in the middle years of the last century was written as the result of the author's meeting Mrs. Isham Keith, daughter of Captain Hall, and seeing his documents and papers.

For the readers of Anne Morrow Lindbergh's book, her latest, "The Wave of the Future," a Confession of Faith, is now available at the library.

Archaeology Book

An interesting group of new books in the religious section include four by Dr. Harry Rimmer, a popular author among this group of readers. His new book "Dead Men Tell Tales," a masterful summary of discoveries in the field of archaeology in the Bible lands, is the fourth of a series of books now in the library.

"The New Testament and the Laws of Evidence," "The Theory of Evolution and the Facts of Science," and Rimmer's latest book, "The Prayer Perfect" are ready for circulation. Books by Dr. Arno C. Gaeblein received recently are: "The Prophet Saint Paul," "The Hope of the Ages," "Conflict of the Ages," "Listen God Speaks," and "World Prospects."

New Rental Books

New books in the rental section, all listed in the compilation "What America is Reading" are as follows:

"Europe in the Spring," Clare Boothe, said to be one of the most revealing books about World War II yet written. Miss Boothe's is a first-hand account of the battle-lines.

"You Can't Go Home Again," Thomas Wolfe, a novel which might be described as the adventures of an honest man in search of truth. "Tassels on Her Boots," Arthur Train, is a light novel having New York City in the high, wide, and handsome days of Boss Tweed and his "ring" as a setting.

"Count Ten," Hans Otto Storm, a psychological novel which recounts the growth of a human being to the full stature of man's estate as a social being.

Winter Blooming Annuals

By GEORGE H. FLETCHER, Jr.

THIS COOL cloudy weather is an ideal time to transplant your flower seedlings from the seed bed to the desired location, or if you have planted direct into your garden without using flats or seedbeds it is a good time to thin congested areas and fill in the skips.

It isn't too late to plant seed but September and October are more desirable as a long blooming period can be obtained.

Many good gardeners make regular small plantings every two or three weeks to insure continuous blooming. Most flowers will bloom for three or four months by keeping old blooms removed but the first three or four weeks the flowers are of superior quality.

In our Rio Grande Valley annual flower seed can be sown from September 1 to February 1. The time necessary to produce blooms is the most vital factor in building a harmonious garden always full of beauty.

Listed in the average time required for blooming are some of our leading annuals:

Calendulas, 90 days; sweet peas, 90 days; marigolds, 60 days; hyacinth candytuft, 45 days; snapdragon, 100 days; gladioli, 70-120 days, depending on varieties.

Of course weather conditions and soil play vital parts.

(Next week: Lawn Maintenance.)

VALLEY FETES LEGISLATORS

Wallace Scott Speaks At Realtors Meet

HARLINGEN — Wallace Scott of Austin, the state securities commissioner, will be one of the featured speakers the night of November 18 at a banquet to be given in honor of the Valley's state legislators at the Cortez Hotel in Weslaco, by Valley real estate men. The banquet is being sponsored by the Rio Grande Valley Real Estate Association.

Scott is expected to discuss high points of the real estate dealer licensing act. As securities commissioner he has charge of administration and enforcement of the law.

Appreciation for the work done during the last session of the legislature on real estate legislation, by Senator Rogers Kelley and Representatives Homer Leonard, Augustine Celaya and A. J. Vale, is reason for the banquet, according to Keith McCause of Harlingen, president of the association.

There are now more than 300 licensed real estate dealers in the Valley, McCause said, adding that other Valley men closely connected with the real estate business, such as representatives of government agencies, bankers, landowners, lawyers, material men, loan agents and abstractors, should feel free to attend.

Accommodations will be limited, so those wishing tickets should not delay. McCause said, adding they will be 75 cents each. Tickets can be secured from any official of the association, or from the following directors: F. G. Karle, Mercedes; William Southwell, El Paso; Sid Berly, Harlingen; L. W. Pratt, San Benito; Gerald McKenna, Harlingen; Larry Powers, Harlingen; George Lochrie, Raymondville; and Elmer Johnson, Harlingen. Also from C. H. Colgan and A. K. Black, president and secretary, respectively, of the Brownsville board; C. H. Swallow, Jr., and G. C. Rankin of the McAllen board; and J. J. Williamson and Reuben Herren of the Harlingen board.

Radio Broadcast To Explain Draft Plan

AUSTIN — (P)—The questionnaire and classification process will be explained in a network (Texas state) broadcast from Austin at 4:30 p.m. Tuesday.

Participants will be Lieut. Col. D. B. Burns of the state selective service man power division and Adam R. Johnson, chief clerk of Travis county draft board No. 1.

4 HELD AFTER LIQUOR RAID

Contraband Seized By Police Here

(See Picture at left)

HARLINGEN — City officers raided four residences in West Harlingen early Saturday morning, accompanied by customs officers, arresting three Mexican women and one Negro man, and seizing over seven gallons of mescal. It was another in a series of raids that have been frequent in recent weeks in this vicinity.

City Officers Harold Crossett and Joe Alvarez staged the raids, about 2 a. m. Saturday, accompanied by Customs Officers Francis Scott and Ed Hahn.

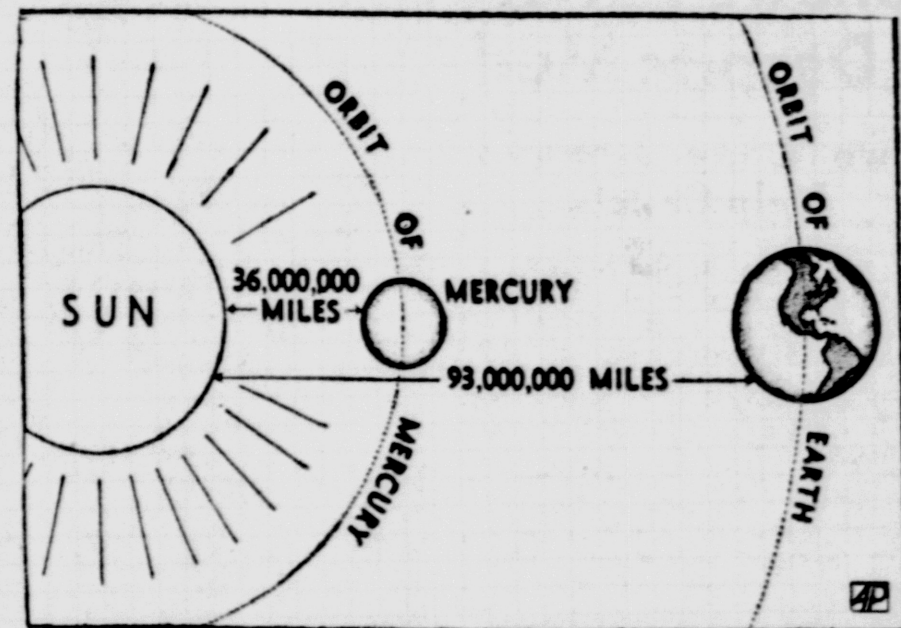

One of the three women was turned over to the two federal officers by Crossett and Alvarez, and is expected to face federal charge. It was stated by officers the woman was already under federal bond on similar charge.

The Negro man was placed in custody Saturday by W. C. Terry, state liquor control board agent. The two other women may face county court charges, officers said. No charges against any of the four had been filed Saturday.

Nov. 11: Mercury Vs. Sun

At 3:49 p. m. (EST) on Armistice Day a tiny dot will appear on the edge of the sun. It will be the planet Mercury. If you have a small telescope you can watch it travel across the sun. Such passage of a planet between the sun and the earth is called a transit. It's the same thing that happens when there's an eclipse except that the planets are so far away they don't blot out the sun as the moon does. Astronomers from Hayden Planetarium of the American Museum of Natural History in New York plan to observe the transit from the ground and from an airplane. It will be their last good chance until 1973. The transit will last five hours.

ITALY SCORES SWISS NATION

Says British Planes Not Halted

BERN, Switzerland — (P)—Italy turned the wrath of her press and radio on troubled Switzerland Saturday for alleged "indifference to the flight of British bombing planes over neutral Swiss territory en route to Italian objectives."

But, asked some Swiss newspapers, if the Axis cannot stop British night raiders in their three-hour flight over German-occupied territory, how can the Swiss be blamed for not halting them when they are over Swiss territory only half an hour?

The Italian complaints came almost simultaneously with prolonged air raid alarms Friday night in Bern, Geneva and other Swiss cities.

The Swiss high command charged in a communique Saturday that British warplanes had violated Swiss air space "many times" during the night flying southeastward over the Italian frontier.

Texas Aggies Wallop SMU Mustangs 19 To 7

Jarrin' John Shows Power Despite Mud

Two Late Breaks Help Cadets

By FELIX R. McKNIGHT
DALLAS — (P) — Irrespressible John Alec Kimbrough and the marauding Texas Aggies blew through the mud, the rain and Southern Methodist Saturday to nail down their eighteenth successive football triumph, 19-7.

The Methodists, unbeaten themselves until Saturday afternoon's spectacular scrap, didn't give in until the final four minutes when the Cadets wrapped up their ball game with a sorely-needed third touchdown.

Old No. 39, the runaway All-America fullback, and a spindly-legged kid named Bill Conster beat back the Methodists. First it was Kimbrough, then it was Conster as the Aggies inched on towards football immortality before 27,500 fans.

John Kept Busy
Twenty-two times this giant from the West Texas cattle country burrowed through the Methodist line, gaining 103 yards and personally accounting for the Aggies' second touchdown with a one-man assault of 30 yards on eight consecutive carries.

Conster's incredible kicking of a dripping ball, his punt returns and a burst through the Methodist line for the first Cadet touchdown filled in when Kimbrough wasn't on center stage.

Power was the weapon the Aggies used. Only five times did they pass, and only two of them were complete for 22 yards. It was the 171 yards by ground that hurt.

Ray Malouf, from Oklahoma, was the Methodist menace, throwing 33 passes that netted 166 yards. Out in front, 13-7, but being threatened continuously, the Aggies settled everything on two breathless breaks in the last four minutes.

End Bill Buchanan spilled the ball from Malouf's hands on the S. M. U. 26. End Jim Sterling recovering on the S. M. U. 14. Kimbrough drove to the Methodist one on three slashes and then fumbled — Malouf recovering.

On the kickoff, Jim Thomason, the Aggies' great linebacker, and blocker, dived at Malouf's swinging foot, blocked the kick and End Jim Sterling dived six feet through the air on the loose ball in the end zone for a touchdown. Marion Pugh roused the point.

Aggies Score Early
Four minutes after the opening kickoff the Aggies had splashed for a touchdown—a touchdown set up by Conster's marvelous 61 yard kick that slid out on the Methodist one-yard line.

Preston Johnston wobbled his return kickoff on the Methodist 33. Marion Pugh flipped a 17-yard pass to End Bill Buchanan on the Methodist 16. Jim Thomason made it to the Methodist eight. Kimbrough powered on to the two and Conster belted over right tackle for the touchdown.

Pugh made good on his tenth consecutive conversion point of the season.

Soon after the second period opened the crowded temporary bleachers collapsed, spilling hundreds of fans in the mud behind the South goal line. Play was stopped while fans Thomas made it to the Methodist eight. Kimbrough powered on to the two and Conster belted over right tackle for the touchdown.

Pugh made good on his tenth consecutive conversion point of the season.

Rice Owls Post Conference Win Over Razorbacks

Bob Brumley Scores One Touchdown

FAYETTEVILLE, Ark. — (P) — Up and coming Rice Institute felled the Arkansas Razorbacks Saturday, 14 to 7 in a homecoming game witnessed by 7,000 spectators.

Mystery team of the Southwest, Rice kept its conference slate clean by scoring in the first and last quarters and turned in a minor upset for the day.

Fullback Jay Lahon of Arkansas fumbled in the first and big Fred Hartman, Rice tackle, pounced on the ball on the Arkansas 19. Halfback Whitlock Zander skipped 14 yards and a moment later plunged over for the touchdown from the two. Price place-kicked the extra point.

The second Rice touchdown was scored by Halfback Bob Brumley from the Arkansas two, after little Gene Keel started a midfield drive with a 13-yard gallop, followed by a 12 yard pass he fired into the arms of Ray Zimmerman, a substitute wingman. A fifteen yard penalty for unnecessary roughness put the ball on the Porker five, where Brumley pounced over in four tries.

Brumley added the Rice extra point from placement.

Arkansas scored a fumble on the Rice 16. Halfback Harold Hamberg, sent a 22-yard pass to End Howard Hickey, who was in the end zone. Hickey converted for the extra point from placement.

Rice meets undefeated Texas A. & M. next week.

Arkansas passed 23 times and completed five for 85 yards. Rice tossed ten times and completed one for 12 yards, but the one good aerial merely won the ball game.

Threatening weather dampened all homecoming events, causing postponement of the parade for the first time in history, and the battle was played under dark clouds, but the contest was one of the best ever played in Fayetteville and the 7,000 fans were given a treat.

The lineups:

Rice	Pos.	Arkansas
Tresch	LT	Britt
Hartman	LT	Carter
Gothard	LG	Pearce
Whitlock	C	Cato
Bassett	RG	Simington
Kunkin	RT	Coats
Prichard	RE	Hickey

Weems	LH	Fort
Zander	RH	McDonell
Price	FB	Lawhon

Score by periods:

Rice	7	0	0	7	14
Arkansas	0	7	0	0	7

Rice scoring: Touchdowns, Zander, Brumley, (sub for Zander). Point from try after touchdown, Price (placement), Brumley (placement).

Arkansas scoring: Touchdown, Hickey; point from try after touchdown, Simington (placement).

The Indians started their drive late in the third period. Taking the ball on their own 29 yard marker, they chalked up 15 yards on line plays, then Albert, the left handed toser, whipped one to Kmetovic, who outstripped the Washington secondary to score standing up. Albert added the extra point but the score still favored the northern team 10-7.

The fourth period opened with Stanford on Washington's 20. A pass and eight line plays later, the Indians scored to go into the lead and Albert's kick from placement made the count 14-10 in favor of the home guards.

The game dragged for a time until a desperate Washington eleven started to gamble near the close. Backed up deep in his own territory, and the ball on the 33 yard line, McAdams threw a pass far to one side. Little Kmetovic, fleet footed and elusive, raced in, caught the ball and went down the side lines for the third touchdown. Albert's kick on the try for point was blocked but with only a few minutes to go.

Falcons Wallop Warriors 25-12

SAN BENITO — The Los Fresnos Falcons defeated the Santa Rosa Warriors, 25 to 12, on the high school gridiron here Saturday night and virtually clinched the six-man championship of the Rio Grande Valley.

Macomb and Williams were outstanding for Los Fresnos and Todd and Schulgen turned in a fine game for Santa Rosa.

The lineups:

Santa Rosa	Pos.	Los Fresnos
Kirchner	LT	Graybill
Klopping	C	Leeper
Vaught	RG	Bates
Snyder	QB	Watson
Schulgen	HB	Williams
Todd	FB	Macomb

Longhorns Chalk Up Win Over Stubborn Baylors

By RAY NEUMANN

AUSTIN — (P) — On the line-smashing drives of fullback Pete Layden, who scored both touchdowns the University of Texas Longhorns battled to a 13-0 triumph over a stubborn Baylor University team here Saturday.

The victory was the Steers' second to two defeats in Southwest Conference play.

Ably assisted by Jack Crain who got off several spine-tingling runs in spite of slippery footing, Layden crashed through the tough Baylor line for Texas' touchdowns in the first and final periods.

A crowd of 15,000 watched Malcolm Kutner, rangy Texas end, block a Baylor punt to spark the Longhorn's first drive. Vernon Martin sub back recovered on the Bear 18.

Layden passed to Kutner who was nailed on the Bruin 11, then plowed through for four and finally crashed through right tackle to score standing up. Crain kicked the extra point.

Shortly after the last period started, Layden raced wide for 27 and Noble Doss plunged twice to place the ball on the Bear 42. A Steer penalty cost 15 but Crain worked it back to the Baylor 47.

Then Layden shot a long one sideways to Doss who was downed on the Bear 29. Crain cracked left tackle for 13, a pass lost ground and it was Layden again who ripped over guard to the Bruin 7 and first down.

It took him two tries to plunge over for the marker. Crain's placement for point was blocked by Center Bob Nelson who turned in a great game for the losers.

Texas gained 145 yards rushing to the Bruins' 115 and 69 by the pass route to their opponents 44. Baylor tried 18 aerials and completed four to 25 and six for the Longhorns. The Bruins returned kicks for an aggregate of 99 yards while the Steers got 77.

End Jack Lummus and Guard Pat Mickle were shining lights in a hard fighting Baylor line while wingmen Jesse Hawthorne and Kutner, Center Glenn Jackson and Tackle Stanley Mauldin starred among Longhorn forwards.

Lineups and summary:

Baylor	Pos.	Texas
Russell	LT	Flanagan
Anderson	LT	Williams
Haley	LG	Dawson
Nelson	C	Jackson
Mickle	RG	Daniel
Godbolt	RT	Garrett
Lummus	RE	Kutner

Substitutions:

Baylor — ends, Koch, Hickman, Lucas, Fitzgerald; tackle, Barnett; guards, Self, Willis; center, Gatewood; backs, Coleman, M. Crain, T. Nelson, Parks, Pittman.

Texas — ends, Seale, Hawthorne; tackles, Mauldin; center, Goodwin; backs, Gill, Park, Patrick, McKay, Grubbs.

VANDY 20; SEWANEE 0

NASHVILLE, Tenn. — (P) — Vanderbilt chalked up its first Southeastern Conference victory of the season Saturday under the tutelage of Coach Henry (Red) Sanders, crushing a scrapping but outclassed Sewanee Tiger, 20 to 0.

Some 7,000 all-undressed spectators witnessed the 49th renewal of this traditional battle which failed to produce the fireworks that usually accompany it.

The Commodores scored in the first, second and third periods and fended off the game but futile thrusts of the Tigers handily.

DUKE 46; DAVIDSON 13

DURHAM, N. C. — (P) — Duke's Blue Devils turned on the heat in the second half Saturday and defeated Davidson 46 to 13 in a Southern Conference football game played before 5,000 persons. The underdog Wildcats held Duke to a 13-all tie in the first half.

Detroit Titans Use Placekick To Beat Frogs

Last Quarter Boots Turns Trick

By GEORGE STAUTER

DETROIT — (P) — Ted Pavelec, 206-pound tackle, made good one of three field goal attempts to provide the University of Detroit Titans with a 3 to 0 victory in their inter-sectional clash with Texas Christian University Saturday.

The big lineman's placement boot sailed high and true through the crossbars from the 25-yard line with six minutes of play remaining in the final period after the Titans had bobbled numerous scoring opportunities.

Only a few seconds before, Detroit had driven deep into Texas Christian territory and Pavelec, with fourth down and eight yards to go, unsuccessfully attempted to break the deadlock with a placement from the 23-yard line.

The Titans dropped from the unbeaten ranks last week by Tulsa University, outplayed the Horned Frogs in all but passing, but had to rely on a break to pull the game out of the fire.

That came midway of the final period when Harry Groth, sub halfback, recovered an enemy fumble on the TCU 20-yard line. Three plays, interspersed by a penalty, set Detroit back to the 25 and Pavelec came out of the line to try his specialty once more.

His kick was low, but officials ruled both teams offside and he tried again. This time he was successful and the Titans went ahead to stay as they kept Texas Christian in its backyard the rest of the way despite the latter's last-minute aerial offensive.

Before the final period the Titans were in TCU territory a half dozen times, once getting as far as the 16-yard line only to have a fourth down pass fall incomplete in the end zone.

In the third period Al Goodrich, sub fullback, ran 46 yards to TCU's goal line but the Titans were penalized for holding and lost the gain.

The Southern's biggest touchdown threat came in the second period when a drive that began with an intercepted pass carried to the Detroit 18. It ended with a fourth down pass falling incomplete.

The lineups:

Tex. Christian	Pos.	Detroit
C. Sparks	LT	Keating
L. Pugh	LT	Rice

City Of Palms Golf Tourney Starts Today

Fast Field To Tee Off At McAllen

M. P. Wilson Takes Medal Honors

McALLEN—Inauguration of the First Annual City of Palms golf tournament at the McAllen Country Club Sunday morning will attract one of the fastest fields in South Texas.

The sun broke through low hanging rain clouds Saturday, and the course will be in perfect condition for the match play amateur tournament, declared Pro Tucker Bowles.

There will be four flights—championship, first, second and third, with trophies, golf equipment and merchandise as prizes.

The championship players will start teeing off in foursomes at 8:00 a. m. Sunday, with contestants in the other divisions following at five-minute intervals. Bowles will act as starter, assisted by James Hall, Mission pro, and Burt Johnson, Raymondville pro.

The tournament was opened officially Saturday night with a "Calcutta Pool" and dance at the clubhouse, with a large crowd in attendance. The pairings were drawn Saturday night, after all qualifying scores were entered.

There will be 16 flights in four of the flights and eight in another. Finals in the championship division will be played Tuesday over 36 holes, while finals in the other flights are scheduled Monday over 18 holes.

The list of prizes follows:

Championship—First place, 28-inch trophy; runner-up, combination parol-stand.

First flight—First, 24-inch mahogany and sun-glo trophy; runner-up, combination parol-stand.

Second flight—First, plaque, silver figure on wooden base; runner-up, \$30 set of three registered woods.

Third flight—First, 8-day Gilbert clock, surmounted by golf figure; runner-up, \$30 set of registered woods.

The five players who post the highest qualifying scores will be given chicken dinners by the White Elephant. Prizes donated by other merchants include:

Gift box for men, Young Drug Company; shirt, Baum's; leather jacket, J. C. Penney Company; fountain pen, Reese Jewelry; golf shoes, Valley Mercantile; case of beer, Magnolia Beer Company; one quart of whiskey, Hi-Wa Liquor Store; rain jacket, Man's Shop; box of cigars, O'Neill Specialty Company; wash, grease and polish job, Boggs Motor Sales; ash tray set, Whalen's; "blind prize," McAllen Drug Company; case of soft drinks, McAllen Coca-Cola Company; 10 gallons of gasoline, Martin and Martin Garage.

The merchandise prize will be awarded for the highest scores on three blind holes, lowest score on three blind holes, longest drive, most birdies, most pars, most bogies, the player from the city farthest from McAllen, and others.

Sooners Defeat Jayhawks 15-0 On Muddy Grid

Scores Posted In Final Quarter

By HAROLD CLAASSEN
LAWRENCE, Kans.—(AP)—A pair of punt-drunk Big Six football teams sloshed up and down a muddy field three and a half quarters Saturday before Oklahoma struck twice to defeat Kansas, 13 to 0.

For more than three-fourths of the way kicking the soggy ball was the best attacking weapon. Then in the final period Oklahoma forgot it was raining—even if the soaked 4,000 spectators couldn't—and began passing.

A shovel pass behind the line of scrimmage from Huel Hamm to Orville Mathews, netted the first touchdown, and the same combination worked the slippery oval to scoring territory a few minutes later, with Johnny Martin plunging from four yards out. Mathews, one of the Big Six's fastest men in or out of a football uniform, swung around his own left end after catching the pass on the Kansas 41 and hiked for the West sidelines. A tremendous block by Marvin White opened up a passage way and the youngster splashed to the counting station.

Kansas, beaten 53 to 2 by Nebraska three weeks ago, surprised by holding the rugged Sooners at bay until the final period. At the end of the first quarter Kansas took the ball on downs on its own 1 foot line and again in the third a fumble on the three helped them out.

But every time the Jayhawks got in too deep, the kicking of Don Pollom helped them out and it wasn't until he was benched with an injury at the start of the final session that Oklahoma could score.

However, it was the same way each time that Kansas dug into Oklahoma sod with Jack Jacobs, also injured and removed in the late stages, crashed booming punts down the field, Kansas threatening on its own power, making distinct scoring gesture in the second and again at the start of the fourth. A Hall tossed to Jake Fry, brought the Jayhawks deep into Oklahoma holdings in the second but the Kansas couldn't get the ball past the enemy's 32.

Late in the third when the homecoming hosts recovered the Sooner fumble on the three they began a march that carried to the Oklahoma 20 and Chet Gibbons, their star dicker came. His effort, the second play of the fourth period, was short and from then on the battle was all Oklahoma.

Martin, leading Big Six scorer, smashed into the Kansas forwards 32 times for a total of 132 yards as Oklahoma stuck to straight football until the late period. The Sooners also completed six of eight passes, five of them behind the line of scrimmage tosses. Officials were forced to dry the ball after most every play and Don Pierce, bespectacled Kansas center, spent half his time cleaning his glasses and the other half dumping Sooner ball carriers.

PITT 6; CARNEGIE TECH 0
PITTSBURGH —(AP)—Highly favored Pitt barely eked out a 6-0 win over Carnegie Tech Saturday in the 27th renewal of their backyard grid rivalry.

The Panthers took advantage of two costly Tartan injuries in the third stanza and marched 72 yards for their counter. Edgar Jones skirted end for eight yards and a touchdown after alternating with big George Kracm in lug ing t'e ball down the field. Mike Sekela's kick for extra point went wide.

Minnesota Gophers Beat Michigan Wolverines 7-6

By EARL HILLIGAN
MINNEAPOLIS, Minn.—(AP)—Michigan's citadel of football crashed in the mud and rain of Memorial Stadium Saturday—levelled by mighty Minnesota on one sudden, a Gopher back, Bruce Smith.

Minnesota, racing on toward the Western Conference title and a shot at national honors, won the battle 7 to 6 before 63,894 rain-soaked and nerve wracked spectators. And to win, the Gophers had to come from behind—doing just that on Smith's brilliant 80-yard touchdown sprint in the second period after Michigan had taken a six point lead on a stormy 80-yard charge by a great Gopher back, Bruce Smith.

HOUSTONIANS START MATCH

BROWNSVILLE—Approximately 30 Houston business men and Missouri Pacific railroad employees Saturday completed the first day of their three-day "tee spree" at the Brownsville Country club.

The party is making its 12th annual golf pilgrimage here. The pilgrimage is dedicated to the memory of Judge Frank Andrews, late general attorney for the Missouri-Pacific railroad, who before his death several years ago organized the first of the semi-annual trips to the Valley.

Since that time, the golfers have been making the semi-annual trip here for the past six years, on Armistice Day and in the spring of each year.

They played 27 holes apiece at the Country club Saturday. The same procedure will be followed Sunday and Monday, and all will leave Monday night for their respective homes.

Arriving Saturday by special Missouri-Pacific car were Bill Stroube of Corsicana, B. D. Organ and Will E. Organ of Beaumont, B. C. Roberts of Wharton, and Dave Austin, Ed G. Boyler, Joe Beasley, J. H. Foster, J. H. Garrett, Dr. Ghent Graves, R. L. Jacobs, Sam R. Lawder, L. W. Matteson, W. E. Monteith, Irwin Nelms, Edgar L. Pearson, A. E. Riedel, James W. Rockwell, G. L. Childress and Judge A. E. Ammerman, all of Houston.

E. F. Gossett, R. A. Irwin, H. W. McCormick, Hudson Atwell, R. J. Jackson and F. M. Hutchinson, all of Houston, and E. P. Hutchinson of Memphis, Ark., arrived Friday by Missouri-Pacific.

Dr. Edward O. Fitch of Houston arrived Saturday morning via Eastern Airlines, and others expected during the day by automobile included Emil Mueller of San Antonio, H. R. Safford of Houston, and L. F. Worthing of Wharton.

Missouri Beats Colorado 21-6

By LOUDON KELLY
BOULDER, Colo.—(AP)—"Dr." Paul Christman, a specialist in the art of throwing a football to the right places, set up his first clinic in the mountain country Saturday and made Colorado foot the bill: Missouri 21, Colorado 6.

The big blond from St. Louis showed himself something of a general practitioner too, because besides throwing two-styled passes for touchdowns, he scored another on a nine-yard zig-zagging run off tackle.

The crowd of 10,000 saw a 7-6 ball game until the third period and watched Colorado's Big Seven champions get a touchdown jump on the Big Six team.

A fine 55 yard punt by Don Lockard, Colorado halfback from St. Francis, Kas., put Missouri back to its five-yard line in the second period. Standing deep in his end-zone Christianman, with calm detachment, threw three passes in a row, all incomplete. Then Halfback Don Greenwood punted only 23 yards.

Tulsa U. Trims Catholic 12-6

TULSA, Okla.—(AP)—With N. A. Keithley's slippery skipping the shining light of a gray and soggy day, the Tulsa University Hurricane overpowered Catholic University 12 to 6 Saturday.

Keithley brought the 5,400 customers to their feet time and again as he twisted and snaked his way down the field. In the fourth period, he counted the winning touchdown for the Hurricane, thrice ploughing over Catholic's left tackle to score from the 11.

"Pistol Pete" Sachon, quarterback for Catholic, did his share of side-stepping for the Cardinal crew, and his punting against Glen Dobbs, the Nation's third ranking punter, put the Hurricane in several holes.

The first two periods of the game were as gray and dull as the hanging overcast. The field was soggy from a cold morning mist and the two teams resorted largely to punting tactics.

In the third period, Tulsa staged a 67-yard march from the kickoff to score. Starting at the 34, little Jimmy Vickers snaked his way to the Cardinals' 45. Dobbs started his passes working, adding a smash of his own through tackle for good measure, and Tulsa rolled up to the Catholic 9.

Coaches Applaud Twelve-Man Game Tried At Santone

SAN ANTONIO, Tex.—(AP)—The Twelfth Man got in the football game Saturday and they let him play quarterback, bless his heart. But he couldn't take it, so they put in a substitute.

Each side played twelve men—just like they said in their advertisement—but the best they could do was gum things up in a 6 to 6 tie.

Old Mose Simms, coach, business manager, extra ticket taker and shepherd of the traveling St. Mary's Rattlers of San Antonio, and Os Doenges, ditto, of Oklahoma City University, were the twelfth men.

Their jobs were to call signals on offense—sort of carry the boys over the rough spots. Before the game was over the fans wondered if the boys weren't carrying those two old men.

Neither started. They just grunted and wheezed and heaved. Then, tongues lolling and backs aching at the half, both quit and sent in subs.

Maybe it doesn't make much difference to the keepers of records, but this was the first open and above board 12-man-to-the-team game in the nation.

Mose's boys scored first, on Curtis Sandig's 80-yard touchdown run in the first quarter.

Os' boys hit their lick in the fourth period. Big Bill Harris ran, passed and kicked the team to a spot where he pitched a touchdown pass to End Gabe Williams to knot the score.

"Like it? You're darned right I like it," enthusiastically affirmed Coach Os Doenges of Oklahoma City University after his team's "12-man" football game experiment with Coach Mose Simms' St. Mary's University Rattlers at Alamo Stadium Saturday afternoon ending in a 6-6 tie.

"Why, we made more yardage in the first half than we have been able to make in any full game all year," Doenges went on, practically bubbling over. "And do you know why? Look at that boy over there. (Pointing to Halfback John Macchi). He played his best ball game of the year Saturday. He's been calling our plays all season and worried himself all the time about field strategy. Saturday he just cut loose and played himself some football. St. Mary's threw four passes in the first half, and he intercepted three of them."

"And it's a faster game. We had a muddy field Saturday that slowed up the going considerably, and the two teams still ran off approximately 150 plays, despite the fact that Oklahoma City doesn't have enough reserve strength to keep fresh men in all the time. With two complete teams running in and out, I believe the total could run close to 200 plays easily. Pep, I'm for it, and not because it was my idea. The colleges are going to have to do something in the near future to speed up the going, or the pros will be taking over the national football spotlight."

Coach Mose Simms of the Rattlers was also in accord with the idea, but believed that it should be worked gradually, rather than at one jump. "You know as well as I do that the rules committee wouldn't hop on anything like that all of a sudden. About all that we can expect in the way of a concession in the next year or two is to have a substitute be permitted to talk in the huddle, as it now is in basketball. The ball game belongs to the boys, and if there is going to be a 12th man on the field, it should be another player, like we did the second half Saturday. Doenges used his regular center, Melvin Decker as his strategist the second half, and I alternated C. E. Lyle and Roy Holbrook. As you know, we two coaches did the signal calling the first half."

"All in all, the 12th man has a decided advantage over a regular quarterback. If you have ever been tackled right hard in a rough game, you can appreciate that a quarterback can't come up from a hard tackle or block with his head absolutely clear. The 12th man in back of the offense gets to see the defensive situation as a unit and how it develops. Consequently he can plan his offense well in advance, as a definite series."

The name "Old Glory" was given to the American flag by Captain William Driver of Salem, Mass.

Three 'Top' Grid Teams Beat Tough Opposition

By HERB BARKER
NEW YORK —(AP)—Minnesota, Texas A. and M. and Stanford hurdled formidable opposition in their sweep toward sectional football championships Saturday but other unbeaten leaders, particularly in the East, suffered severe losses in prestige.

Minnesota, clashing with Michigan in a struggle of unbeaten, untied giants before a record crowd of 63,894 at Minneapolis, hammered out a 7-6 victory and virtually clinched the Western Conference championship. Texas A. and M. met its most dangerous Southwest Conference rival, Southern Methodist, and won 19-7. Stanford, intercollegiate football's most amazing outfit this season, overcame Washington's 10-0 lead and tripped the Huskies, 20-10, to gain an apparent stranglehold on the Pacific Coast title and a berth in the Rose Bowl New Year's Day.

Minnesota Rallies
Minnesota, scoring its sixth successive triumph in a gruelling schedule, saw Michigan gain an early lead on Tommy Harmon's pass to Forest Evashevski, but came back to tie on Bruce Smith's brilliant 80-yard touchdown run and to win on Joe Mernik's place-kick for the extra point. Harmon's try for point after Michigan's score had gone wide. The Gophers now have only Purdue and Wisconsin ahead and will be heavily favored to beat both.

Texas A. and M.'s victory over Southern Methodist represented the Aggies' 18th successive triumph and left them in an excellent spot to annex their second successive Southwest Conference crown, a feat never previously accomplished. Jarring John Kimbrough and Bill Conatser were the main-springs in the Aggie attack.

Pete Kmetovic, fleet back, was the hero of Stanford's thrilling decision over Washington before 65,000. After Washington had gained its 10-0 lead, Kmetovic took a pass from Frank Albert for the first Stanford touchdown, and in the fourth quarter, applied the clincher by intercepting a Washington pass and racing 45 yards for another touchdown.

Meanwhile other unbeaten teams were having their troubles. Although Michigan and Southern Methodist alone were beaten, Penn State was tied and Cornell, Boston College, Lafayette and Notre Dame were none too impressive in victory.

Cornell Has Trouble
Its passing attack pretty well checked, Cornell had to fight every inch of the way in besting Yale, 21-0. Boston College found the going tough in winning from Boston University by the same score. Notre Dame had to come from behind to whip Navy, 13-7, before 63,000; and Lafayette won only by the margin of an extra point from Rutgers, 7-6. Syracuse held Penn State to a 13-13 draw, the second draw these two have played in as many years. Along with the Eastern powers, Georgetown performed up to expectations, running up a 41-0 count on Maryland.

Two New York teams, Fordham and Columbia, turned back Western Conference opposition. Fordham won a dull game from Purdue, 13-7, while Columbia nipped Wisconsin, 7-6, on a fourth quarter 18-yard touchdown run by Joe Siegel after a kick had been blocked. Manhattan won a marathon scoring duel from Marquette, 45-41, but Holy Cross was soundly trounced by Mississippi, 34-7, as Junior Hovious and Merle Hapes ran wild for the Southerners.

Harvard sprang a big upset before 30,000 at Philadelphia, holding Penn to a 10-10 draw. A fourth quarter pass, Dave Allerdice to Larry Naylor, gave Princeton a 14-9 decision over Dartmouth. Army, after its great showing against Notre Dame, was beaten by Brown, 13-9. Pitt just lid make the grade against Carnegie Tech 6-0, while Temple trounced Villanova, 29-9. New York University ended its losing streak with a 12-0 decision over Franklin & Marshall, the Lancaster, Pa., school, which previously had beaten Dartmouth and Richmond.

Northwestern, beaten a week ago by Minnesota, 13-12, moved back into the winning column with a great fourth quarter drive that buried Illinois, 32-14. Indiana, paced by Hal Hursh, walloped Michigan State, 20-0, but Iowa's Hawkeyes were beaten by Nebraska, heirs-apparent to the Big Six title. 14-6. Oklahoma took a Big Six conference decision from Kansas 14-0. Missouri knocked over Colorado, 20-6. Detroit earned a 3-0 victory over Texas Christian on a fourth quarter field goal by Ted Pavlee. Tulsa stomped Catholic, 12-6, and Virginia Military won over Washington University (St. Louis) 20-13.

In the Southwest Conference, Rice won its second straight conference victory from Arkansas, 14-7, and meets Texas A. and M. next. Texas triumphed over Baylor, 13-0.

Tulane Loses
Jimmy Nelson's kicking paved the way for Alabama's 13-6 victory over Tulane as other Southeastern Conference engagements saw Florida upset Georgia, 18-13; Kentucky trounce Georgia Tech, 26-7; Mississippi State turn back Louisiana State, 22-7, and Vanderbilt blank Sewanee, 20-0. Auburn's fine array whipped Clemson of the Southern Conference, 21-7, with Dick McGowan showing the way. Tennessee, unbeaten and untied, ran up a 40-0 count on Southwestern of Memphis. Davidson held Duke to a 13-13 score for one half and then succumbed, 46-13. Wake Forest rallied to whip North Carolina State, 20-14; Virginia Tech overpowered Furman, 38-21, and Richmond upset North Carolina, 14-13. South Carolina halted Kansas State, 20-13.

Surprises marked the Far West. Oregon State as Oregon trounced U. S. L. A., 18-0 and California overturned Southern California, 20-7. Oregon State ran up a 21-0 count on Washington State. Utah buried Wyoming, 24-7. Denver walloped Brigham Young, 9-0, and Colorado State nipped Utah State, 13-12, in Big Seven contests.

Citrus Week Proclaimed By O'Daniel

**JAN. 17 TO 25
SET AS DATE
FOR FESTIVAL**

**Coincides With Area
Fete At Mission**

MISSION—Citrus Week has been proclaimed by Governor W. Lee O'Daniel for January 17 to 25, coinciding in part with the annual Mission Citrus Fiesta scheduled for January 17 to 19, fiesta chairman pointed out Saturday.

The Associated Press quoted the governor in a dispatch from Austin Saturday as saying that because of the importance of the industry to Texas, that he proclaimed Citrus Week, January 17 to 25, and urged citizens to create a great home market for the fruit.

Pointing out that the utility value of the industry in Texas is approximately \$50,000,000, the governor said Texas grapefruit and oranges have won acclaim throughout the world because of superior quality.

The governor is continuing a custom initiated several years ago in designating a Citrus Week coinciding with the Mission fiesta. He sampled Valley grapefruit during his campaign two years ago and has been a frequent booster of the Texas citrus industry since in radio broadcasts and otherwise.

Xmas Decorations At McAllen Planned

McALLEN—Junior chamber of commerce workers expect to finish raising money for the downtown Christmas decorations during the week, President Bill Ely said Saturday.

Some workers completed their work last week, and the remainder is expected to be finished in a few days. Ely expects final reports by Friday, November 15.

Part of the decoration have been purchased and are on their way to McAllen. The decorations will consist of blason rope from La Crosse, Wis., the long greens, lights and bells. There will be a 25-foot revolving Christmas tree on the chamber of commerce lawn.

Merchants on Main street for the first three blocks north of the highway are asked to donate 25 cents a linear foot for the decorations.

Roosevelt Desires Full Co-Operation During Next Term

WASHINGTON—(AP)—President Roosevelt said Saturday he would welcome the "cooperation of all citizens" during his third term.

In a telegram to Roger W. Babson, Massachusetts statistician and candidate for president on the Prohibition party ticket, Mr. Roosevelt said:

"My heartfelt thanks for your message of congratulation. I shall welcome your co-operation and the co-operation of all citizens in giving the country those four great years which you mention, best wishes for your continued health and happiness."

Damage Suit Moved To Hidalgo County

EDINBURG—Trial of a \$5750 damage suit filed by Mrs. Robert Gartner of Houston against the Cortez Hotel Company was transferred here Saturday from 55th district court at Houston, where it was filed recently. The transfer was made at the request of the hotel firm.

The petition alleges Mrs. Gartner and her husband were guests at the hotel August 5, 1939, and that Mrs. Gartner touched a loose electrical wire, the shock throwing her to the floor and injuring her.

Death Of Missourian Is Labeled Mystery

GALENA, Mo.—(AP)—Sheriff I. H. Cohn said Saturday the fatal burning of Frank Arend, Galena merchant, remained a mystery.

Arend died in an Aurora, Mo., hospital early Friday after he was found severely burned beside his motor car near Galena a few hours earlier.

Relatives told the sheriff Arend had \$265 the night before he was burned but only a few cents were found in his burned clothing.

Jones Is Surprised At McDonald's Idea

BROWNWOOD, Tex.—(AP)—Rep. Marvin Jones (D-Tex) of Amarillo took time out from a fishing trip at Lake Brownwood to express surprise at Friday's suggestion by State Commissioner of Agriculture J. E. McDonald that Texans should request President Roosevelt to appoint Jones secretary of agriculture.

He refused definite comment except to say he had accepted an appointment to the U. S. Court of Claims. The appointment was confirmed by the Senate and becomes effective Jan. 3 when Jones' congressional term ends, he explained.

Employment throughout most of the world showed gains in 1939.

Seven Orange Trees Near Edinburg Oldest In Area

Laguna Seca Legend Of Catholic Priest Inspires Valleyite To Write Poem

BROWNSVILLE—Inspired by a legend which says that seven mighty orange trees standing on her grandfather's Laguna Seca ranch, 20 miles north of Edinburg, are the oldest citrus trees in Texas, Sister Mary Berchmans, a Catholic nun here, has written a poem about the trees entitled "Where the Valley Got Its Magic."

The "legend of Laguna Seca" says that nearly 85 years ago one of the Oblate Fathers, the circuit riders of the old days, who had urged his weary horse from the cathedral at Brownsville to the Laguna Seca ranch, carried with him an orange as a gift to a little child on the ranch.

The child ate the orange, and the Padre planted the seed from which the seven mighty orange trees grew and still stand as a monument to the circuit rider's kind deed, according to the story.

They are located on the Laguna Seca ranch, which is one of the oldest inhabited ranches on the border. The original 75,000 acres granted by the King of Spain to Macdonald Vela, grandfather of Sister Mary Berchmans, was held intact by the family almost 100 years.

Sister Mary Berchmans' 80-year-old aunt, Miss Carlota Vela, is present owner of the ranch, which through partitions and sales has now dwindled to only a few thousand acres.

Miss Vela says the seven orange trees have always borne fruit. Sister Mary Berchmans' poem to the trees follows:

WHERE THE "VALLEY" GOT ITS "MAGIC"
Twas the "Padre" put the "Magic"
In the "Valley" long ago
As they rode upon their missions
Mid our ranches, to and fro
In this land, along whose border
Rio Grande's waters flow
Now that "Magic" which they planted
In our citrus fruit doth glow,
And if to Laguna Seca
In your travels you should go,
You would see our first "naranjos"
Standing proudly in a row.

Would you like to hear the story
Of those ancient orange trees?
Then hear to the whispering
Of their branches and their leaves,
For they rustle and they murmur
In our "Magic Valley's" breeze.

There have been some seventy harvests
Since this "ranchito" that you see
First became the "hacienda"
Of the Vela family
Now we count five generations
Of that great old family tree.

The offspring of the earliest
Were but children, so I've heard,
When there came a weary Oblate,
Riding circuit for his Lord
And he, at Laguna Seca,
Stopped to preach the Master's Word.

From the Mother Church at Brownsville
He had traveled far and wide,
And he bore, as was his custom,
Presents for the childish band
That ran eagerly to greet him,
And to clasp his kindly hand.

Now this day it was an orange,
Shining golden in the sun,
And the seeds were duly planted
When the simple feast was done.
By the "Padre" tired and weary,
And a happy little one.

Now the seedlings grew and prospered
Under the sun, so bright and gay,
Which lights up our "Magic Valley"
And its products, day by day.
But which shines with special splendor
On our citrus fruits array.

Do you see those rings around them?
"Look like concrete," did you say?
They are Mexican "adobe,"
Made of hardened, sun-baked clay.
And they've guarded these, our veterans,
Oh! For many and many a day.

See that old "vaquero," seated
In the shadow of those trees
He remembers well their planting,
Saw the "Padre" on his knees,
And the little child beside him,
Laughing gaily in the breeze.

He has often told the story,
How a child, with other children,
Ate the golden fruit awhile,
And grew up with those orange trees,
From seventy years ago.

They have stoutly stood time's testing,
Pierce high winds and hard cold, too,
Springtime saw them sprout anew,
And again their scented blossoms
Opened in the morning dew.

"Cinco generaciones"
Have enjoyed their fine "sabor,"
And the little ones still come to kiss
"Naranjas, por favor."
As with longing eyes they gaze upon
The ancestors' golden store.

Now, if you think the citrus fruit
To a ripe old age can grow,
Then go, plant yourself 'neath orchard
Of these fruit-trees, row on row;
Enjoy their springtime crown of white
And their harvest's golden glow.

But none can beat these fine old trees,
Standing bravely 'gainst time's tide,
Still a-blossoming and fruiting,
With their branches spreading wide,
Our Valley's "Citrus Pioneers"
Old Laguna Seca's Pride.

HEARING SET ON JOB TAXES

Stable Payrolls To Be Favored

AUSTIN—(AP)—Whether Texas employers will save an estimated \$10,000,000 in unemployment compensation taxes next year hung in balance as state officials prepared for a hearing in Washington November 25.

Notification of the hearing was received by the Texas Unemployment Compensation Commission from the Federal Social Security Board which must approve the tax-saving amendments, passed by the legislature more than a year and a half ago, if they are to become effective January 1 as the lawmakers intended.

The amendments, rewarding employers for stable payrolls, provide a system whereby instead of the universal three per cent levy, employers would pay rates from one-half of one per cent by half per cent steps up to four per cent, depending on "experience ratings."

"Only a small number of employers who have had highly unstable payrolls," said Orville S. Carpenter, director for the commission, "would be subject to increased contributions. The remainder would have their rates scaled down."

Texas lawmakers approved the amendments in order to balance tax income with benefit outgo to unemployed. Only about half the taxes collected have been paid out to jobless, Texas having accumulated more than \$50,000,000 as a cushion against possible unemployment.

Border Travel

Dr. Bonner In Valley From Mexico

McALLEN—Dr. Leighton Bonner of Mexico City, president of the Pan American Travel conference, was in McAllen Friday on one leg of a trip through the United States to stimulate travel to Mexico.

Dr. Bonner is to return in January and he will show colored motion pictures of Mexico and will lecture on the Southern Republic. The showings will be free.

The McAllen chamber of commerce will assist him in planning programs for other Valley cities who are asked to contact the local organization if they want the pictures.

The travel director while in the Valley also conferred with Chorro Days officials at Brownsville about getting duchesses from from Mexican cities for that annual event.

Katy Line Officers Will Visit Valley

McALLEN—J. F. Garvin of St. Louis, vice president in charge of traffic for the Missouri-Kansas-Texas lines, will arrive in McAllen Thursday to confer with shippers here and in other Valley cities, according to information received Saturday from the M-K-T lines office at Corpus Christi.

S. D. Sparkes, freight traffic manager from Dallas, J. F. Dolard, assistant general freight and passenger agent at San Antonio, and Major H. McClure, general agent at Corpus Christi, will accompany Mr. Garvin on his private car. The trip will be the third of group of officials have made to the Valley in recent years.

Former Valley Man Enters Medical Corps

BROWNSVILLE—Dr. Harbert Davenport, son of Mr. and Mrs. Harbert Davenport of Brownsville, has been called to active duty at the base hospital at Fort Sam Houston, San Antonio.

Dr. Davenport, a first lieutenant in the reserve, formerly had been on the staff at a hospital at Jacksonville, Texas, going there from Baylor hospital. He assumed his duties Monday.

Munitions Division Called Propaganda

BERLIN—(AP)—Official German spokesmen said the 50-50 division of United States munitions production with Britain, announced by President Roosevelt was "English-American propaganda."

Another source said the division "is the affair of the United States, but we are of the opinion that it will be a different matter to bring the material to England. A good many ships do not arrive there."

VALLEY LAND SALE LISTED

\$50,000 Is Paid For Hidalgo Acreage

EDINBURG—Several hundred acres of land formerly owned by the American Rio Grande Land and Irrigation Company of Merced have been sold under a trustee's deed to E. P. Greenwood of Dallas at a price of \$50,000. The deed was filed in the Hidalgo county clerk's office Saturday. The total acreage involved was listed only in scores of separate parcels.

R. J. MacBean, vice president and trust officer of the Republic National bank of Dallas, executed the deed.

The deed pointed out that a trust indenture from the American Rio Grande firm had been signed over to the Dallas bank December 31, 1937, to secure notes totaling \$1,215,000. Federal court at Brownsville later approved an amendment providing for sale by trustee of property included in the indenture in even the American Rio Grande firm defaulted in payment of taxes.

Over half of the holders of the notes asked for foreclosure action against some of the land recently, and it was placed on sale October 1, 1940, at which time Greenwood's \$50,000 bid was accepted.

The land includes farm lots, tracts and other parcels in the North Capistrano District subdivision, Capistrano Heights subdivision, Campacus addition subdivision, Adams Tract subdivision and West Tract subdivision, all in Hidalgo county near Mercedes. A number of tracts of floodway land are included in the sale.

Gulf Pilots Visit

Fly To Brownsville From Colombia

BROWNSVILLE—G. W. Brockson and H. O. Seymour, stationed with the South American Gulf Oil Company at Barranquilla, Colombia, flew into Brownsville Thursday night and expect to leave Sunday morning for Burbank, Calif.

The two pilots are flying a Lockheed 12 to the Lockheed factory at Burbank. The plane, which has been used for company transportation in Colombia, is being transferred to the United States for use out of New York City, they said.

Attempting to fly from the Panama Canal zone to Brownsville in one day, the fliers were forced back to Tampico, Mexico, by bad weather 75 miles south of here Wednesday. Brockson will return to Colombia by commercial airlines from Burbank, and Seymour will remain in the United States.

Suits Dismissed In Tax Campaign

EDINBURG—Dismissal of 12 suits brought by the Pharo-San Juan Independent School district against as many defendants for collection of delinquent taxes has been ordered in 93rd district court here. The dismissal orders were placed on file Saturday. The district has been active in delinquent tax collections through filing of scores of suits in recent months.

Court Awards Sum To Mission Firm

EDINBURG—Melch and Company of Mission have been awarded a sum of \$402.15 from L. R. Carter, 92nd district court records disclosed here Saturday. The amount was included in a judgment handed down earlier in the week in a suit for debt.

Club Votes To Assist In Child Aid

LA FERIA—Mrs. H. W. Voiers and Mrs. V. L. Roland were hostesses Thursday afternoon at the home of Mrs. Voiers for the meeting of the 20th Century Club. Pink and red roses in crystal containers were placed about the room while in the dining hall an arrangement of fall blossoms was used.

Mrs. Voiers, president, conducted the business session when the group voted to assist with the purchase of cod liver oil and calcium for underprivileged children in the community.

Mrs. M. E. Mitchell, chairman of the social committee, announced the Thanksgiving luncheon would be on November 21 at Halliburton's.

Mrs. C. H. Ritter gave the report of the Valley Federation meeting at San Juan.

Mrs. J. B. Smith, chairman of ticket sales for the Clare Tree Major shows for children, reported that she had sold 66 tickets.

Mrs. A. L. Todd was in charge of the afternoon's program and presented a panel discussion. She was assisted by Mrs. J. G. Cochran and Mrs. H. F. Harren. The topic was "For Women Only" and marriage and its problems was the chief subject.

The hostess served date cake with whipped cream and coffee to 15 members.

The Garden Club will meet Monday at 3 p. m. at the club house for the monthly business session. Mrs. H. H. Clausen, president, has announced.

McAllen Visitors Celebrate Joint Birthday Party

McALLEN—Although far from home the birthdays of Mrs. R. C. Thoma of Cadillac, Mich., and W. C. McCullough of Stafford, Kan., were celebrated at the Samson Trailer Court last week with as much merriment as if the guests had been neighbors all of their lives.

A covered dish luncheon in the community hall with a beautiful birthday cake as the highlight of the occasion was served at noon. Guests enjoyed music and a general "get acquainted" session in the afternoon.

Present for the party were Mr. and Mrs. Thoma and son, Jack, of Cadillac, Mich.; Mr. and Mrs. W. C. McCullough, Stafford, Kan.; Mr. and Mrs. Ingersoll, Stanwood, Mich.; Mr. and Mrs. Charles Butler, McAllen; Mr. and Mrs. J. W. Falter, Omaha, Neb.; Mr. and Mrs. F. S. Macauley, Burbank, Calif.; Mr. and Mrs. T. F. Morgan, Huntington, W. Va.; Mr. and Mrs. Harry Orchard, Detroit, Mich.; Mr. and Mrs. C. P. Samson and daughters, Phyllis and Doris.

Husbands Honored By Class Courtesy

PHARR—A delightful covered dish supper, honoring their husbands was enjoyed by the Fidelis Matron's Class of the Baptist church Tuesday night, in the recreational rooms of the Educational building. Red roses formed the effect.

Paul Snowden of McAllen, guest artist and gave a number of readings and vocal solos.

Those present were Mrs. J. T. Johnson of Junction City, Ark., Mr. and Mrs. John Carr of Elva, Mr. and Mrs. Paul Snowden of McAllen, Messrs. and Mesdames E. E. Clark, Wesley Linn, Lee Doty, A. B. Fields, Earl Caldwell, Sr., J. W. Ballard, Joe McFarland, Ernest Green, L. R. Sims, A. J. Flowers, W. O. Yates, Mesdames C. B. Phillips, J. B. Hancock, J. F. Stewart, and G. B. McCulloch, Misses Sylvia Lea Jones, Yvonne Fields, Patra Joan Ballard, and Doris Yates, Earl Caldwell, Jr., and Leo Yates.

Mothers Club Sets Meet For Wednesday

WESLACO—The Mothers Club of Stephen F. Austin will meet at the Stephen F. Austin Auditorium Wednesday, November 13 with Mrs. S. L. Riddle president, in charge. The program will include patriotic numbers by pupils of the school in readings and in music.

GUESTS IN LYFORD

LYFORD—Mr. and Mrs. Edwin Snelles and Robert Spiess of Austin County, Texas are visiting with Mr. and Mrs. Emil Spiess.

Miss Freddie Jackson, upper left photo, was pledged to the Tri Delta sorority at the opening of the fall session at Southwestern University, Georgetown, where she is a sophomore. Miss Jackson, daughter of Mr. and Mrs. F. G. Jackson of Harlingen, had her freshman year at Brownsville Junior College. She has been chosen as one of the honorees for the annual Christmas dance to be given by the Valley Club at Texas A. & M. College during the holidays. (Holbrook Studio.)

Mrs. Gustin Garrett of Raymondville, pictured above, is a bicycling enthusiast, and was caught by the photographer as she started for a spin in the spring-like air of a perfect Valley fall morning. (Staff Photo.)

Mrs. Herbert Koepke (left) and Mrs. Jack Scott, both of Raymondville, (shown above) were snapped as they were leaving the home of Mrs. Scott for a meeting of the Raymondville Women's Club of which they are enthusiastic members.

Thoughts of pre-holiday activity are already crowding out all else these days for Miss Louise Fristoe of McAllen (pictured at the upper right). She is the second of Mr. and Mrs. H. M. Fristoe's daughters and an active member of the Sub-Deb Club. Her club is busy at work planning a dance for the city's younger set at the McAllen Country Club November 23. Proceeds will be the Sub-Debs contribution to the McAllen Bundles for Britain Unit. Miss Fristoe will serve on the refreshment committee. (Art-Craft Photo.)

Pretty Event In Weslaco Honors Bride

WESLACO—Outstanding in the week's social affairs was the lovely bridal shower given by Mrs. Frank Koester and Mrs. Frances Jackson at the former's home Wednesday afternoon to honor Mrs. John O. Wood. The reception rooms were beautifully decked with roses.

Guests were received by the hostesses, honoree, and Mrs. H. H. Kirkpatrick, Miss Clare Markowky, and Miss Ellory Kornfurer of Harlingen all of whom wore pretty autumn corsages with their formal frocks.

Mrs. J. C. Pike had charge of the guest book. Others in the house party were Mesdames Gordon Potts, Ordell Robertson, I. R. Stahl, Glen Hoel, Paul Moyer, J. C. Pike, Dick Watkins, and Rankin Kennedy.

The refreshment table, laid with a handsome lace cover, emphasized the Thanksgiving theme in its elaborate decoration and also noted the bridal motif with a miniature bridal couple placed in the center. White tapers lent a mellow glow to the arrangement.

Mrs. Kennedy and Mrs. Farris Wells presided at the silver coffee service the first hour and Mrs. Watkins and Mrs. B. L. Harrington, Jr., were in charge the second hour.

Nearly 80 guests called from four until six o'clock.

Miss Bourne Home

BROWNSVILLE—Miss Nannie Bourne has returned from Lawrence, Kansas, where she visited her sister, Mrs. R. M. Copenhaver, and Kansas City, where she was the guest of friends. Miss Bourne was away about six weeks.

Beautiful Church Rites Will Be Read At Noon Sunday In San Benito

(See Picture, Page 2)

SAN BENITO—Widespread interest of a very large circle of friends is surrounding the marriage of Miss Lucille Manur, daughter of Mr. and Mrs. A. Mansur, and Anthony E. Kashouty of Victoria, which will be celebrated this noon at 12:30 o'clock in All Saints Church. Rev. John P. Phillips of Harlingen will officiate.

An autumn setting is being created for the church vows, with chrysanthemums in fall shades predominating in floral decoration. Floor baskets of gold and bronze chrysanthemums mingled with colorful autumn leaves are to be placed at either side while vases of the blossoms will rest on the altar which will hold lighted candles.

Garlands of fern with chrysanthemums are to be wound about the rails and around the columns and floor baskets of the shaggy blooms will outline the aisle at the church entrance.

Jimmie Bowie will sing "Because" as the pre-nuptial solo with Mrs. H. Hagedorn playing his accompaniment.

Maid of honor will be Miss Katherine Hyak of Victoria, and Mrs. George B. Taylor, sister of the bride, will be matron of honor.

Miss Hyak is wearing a princess style dress of cinnamon brown with dark brown collar and cuffs of velvet. Her accessories are brown and her off-the-face hat is worn with a veil. Talisman roses form her corsage.

Mrs. Taylor has chosen a dress of light weight wool in khaki green made princess style and worn with a coat of matching green finished with red fox collar and pockets. Her corsage of Talisman roses accents the copper shades.

For her wedding, Miss Mansur has chosen a beautifully styled model in Indian penny sleeves made with shirred yoke and sleeves and full skirt. Fastening the front yoke are gold clips with green settings. Her hat of cactus green felt is trimmed with gold clips and green settings and worn with brown veil. Her gloves of moss green are suede and her shoes of bronze gabardine are trimmed in bronze kid. The bride will carry a white prayer book with white sweetheart roses on the cover of white satin ribbon and will wear an orchid for her corsage. She will enter the church with her father.

Maurice Hyak of Victoria, a cousin of the groom, will be best man.

Mrs. Mansur, mother of the bride, is wearing a simple dress of green crepe made with front fullness and complemented with an amber necklace and gold off the face hat. Her accessories are brown and her corsage of bronze and gold chrysanthemums.

After the ceremony, a reception will be held at the home of the bride's parents where bronze and gold chrysanthemums have been lavishly placed in floor baskets and vases. Only relatives and a few close friends will be guests.

Bridal white is reflected in appointments for the table, which is laid with lace, and has white chrysanthemums for centerpiece. The three-tiered bride's cake is all white, decorated with silver bells and encircled by sprays of maiden-hair fern dotted with white chrysanthemum blossoms. Flanking the cake are tall white tapers in crystal holders.

Assisting in serving the cake and frozen dessert moulded in bridal design will be Misses Zella and Katherine Hyak of Victoria.

Miss Mildred Hommel is to have charge of the bride's book.

The couple will leave in the early afternoon on a wedding trip to Detroit, Mich., and will later establish a home in Victoria.

The bride's going away costume is a black wool redingote. Pockets of the dress made of cutwork embroidery have red trim and the princess coat has a black Persian lamb collar that extends the entire length of the coat and around the hem. Her accessories are black.

Among out of town guests for the wedding are Mr. and Mrs. Lewis Hyak of Victoria, uncle and aunt of the bridegroom, and Misses Zella and Katherine Hyak, and Maurice Hyak.

The bride, a resident of San Benito since childhood, has been honored with a large number of interesting prenuptial events since announcement of her engagement a few weeks ago.

VISIT IN LOUISIANA

LYFORD—Mr. and Mrs. R. P. Cherry are visiting in Louisiana.

Miss Shaw Honored By Hostess Pair

BROWNSVILLE—Miss Eleanor Shaw, a charming visitor here from St. Louis, Missouri, houseguest of her sister, Mrs. Joe K. Wells, and Mr. Wells, was complimented Thursday morning when Mrs. R. A. Porter and Mrs. G. D. Sutton were hostesses at the Porter home. The event was a morning coffee, with special friends of the honoree attending.

In the living room, arrangements of huge white pom pon chrysanthemums and of lavender chrysanthemums created a lovely setting. Roses were used on the sun-porch.

The coffee table, laid in the dining room, held one of the most unusual and artistic centerpieces seen in recent events. Small white daisy chrysanthemums formed a daisy outlined with the long, flat leaves of the rubber tree.

Presiding at the table was Mrs. B. M. Works, and assisting in hostess duties were Mrs. Larry Lightner, Mrs. M. P. McNair, Mrs. Drew Patteson and Mrs. Dean Porter.

Harlingen Delegate Attends Convention Held In New Orleans

HARLINGEN—Miss Myrtle Benedict left Thursday for New Orleans to attend the regional conference of the National Convention of Business and Professional Women's Clubs which meets November 11. Peace Is Subject For Alamo Program

ALAMO—"Peace" was the subject of the devotionals lead by Mrs. Ralph Tolles at the regular meeting of the Community Church Ladies Aid on Thursday. The guest speaker was Rev. Stewart of Pharr who spoke on "The American Red Cross."

An invitation was extended to the society by the Sorosis club to their guest day tea on Thursday, November 14.

Coffee and cookies were served to 36 by Mrs. Reynard, Mrs. W. A. Tanner and Mrs. Clement Williams.

'Las Cantadores' Is Name Chosen By New Choral Group

WESLACO—"Las Cantadores" meaning "women singers," was the name chosen by the newly organized Womens Choral club when members met at Music Center Tuesday night in the weekly practice night directed by Reed Barringer of the high school music department.

The group met from eight until ten o'clock and practice new music at each meeting. Plans are under way for a recital to be held soon, in cooperation with high school clubs.

Wedding In Willacy Claims Much Interest

RAYMONDVILLE—An event of considerable interest in Willacy county was the marriage on Wednesday of Mrs. Mildren S. Widmann of Audubon, New Jersey to Thomas Edwin Halpin.

The marriage service was read by the Reverend Maurice C. Yeargan in the Presbyterian church. Traditional church music was played softly at the service.

The bride, who is a guest in the home of Mr. and Mrs. C. G. Brandt, was attractive in a smart jet coat dress with cutwork collar and cuffs, a fashionable off-the-face hat, and wore black accessories. She carried a prayer book.

After a brief trip away Mr. and Mrs. Halpin will be at home in Raymondville.

Mrs. Henry Link Is Hostess To Club

WESLACO—Mrs. Henry Link entertained the members of the Wednesday luncheon club at the Round Up followed with an afternoon of games.

Vases of yellow chrysanthemums effectively decorated the table, and following the playing Mrs. C. Burt McKeehan and Mrs. Jimmie Sutphen were winners of scores.

Mrs. Jack Zillafro and Mrs. J. L. Couch were out of club guests present.

Hosts At Dinner

PHARR—Mr. and Mrs. Burt Coate entertained with a delightfully appointed dinner Wednesday evening at their home. Guests were Mr. and Mrs. A. L. Price and Miss Evelyn Price, and Mr. and Mrs. Kenneth Fox and three children, Glen, Phillip and Phyllis.

Armistice Theme Noted In Program

RAYMONDVILLE—The Raymondville Study Club met with Mrs. A. L. Brasher in her home on Tuesday afternoon.

"National Defense" was presented by Mrs. Harvey Geis. The Practical English Lesson was given by Mrs. C. C. Conley. "International News" was roll call answers.

The hostess chose Armistice Day colors in decorations and refreshments: Red roses in blue pottery and blue tapers in white holders. Linens of red, white and blue were used and cake embossed in white and bearing the national shield, and nuts and coffee were served.

Members present were Mesdames F. E. Fisher, J. G. Caudle, Harvey Geis, C. R. Holloway, Ralph Hutchins, C. C. Conley, Earl Gilliland, H. H. Dohe, O. P. Knipp, W. T. Holder.

Mrs. Charles T. Hardt, wife of the Methodist minister, and Mrs. Cleo Gilliland were elected to membership.

The most enthusiastic gathering among demonstration clubs was the meeting of the Tuesday Home Demonstration Club and the Lyford Home Demonstration Club at the home of Mrs. E. F. Koerlin in Raymondville for their Achievement Day celebration.

Twenty-five members partook of the one-thirty luncheon served in the Koerlins new home. Mrs. Koerlin as Kitchen Demonstrator for the Tuesday Club displayed her kitchen—recently completed.

Beautiful handwork accomplished through the year by the various members was exhibited. Mrs. R. A. Thompson, president P. T. A. spoke on the Health Drive for the school children and the Red Cross roll call.

Mrs. W. K. Ames, president, presided.

White House Thanksgiving To Be Quiet

Traditional Events Shadowed By War

WASHINGTON —(P)— The war abroad has cast its shadow over the traditionally brilliant official White House social season and is changing the personal Thanksgiving holiday plans of the President and Mrs. Franklin D. Roosevelt.

Mrs. Roosevelt in her first post-election press conference announced that official entertaining would be curtailed and condensed. The formal schedule will be out this week-end.

No diplomatic reception—usually the opening event on the calendar and considered the nation's most brilliant social event—will be held this year. Likewise the diplomatic dinner will be stricken from the schedule as it was last year.

The reception was held last December. Mrs. Roosevelt said it would not be held this year "because of war conditions in Europe and the feeling it might be embarrassing for members of the diplomatic corps here."

Mrs. Roosevelt said she and the President would spend Thanksgiving at the White House or at Hyde Park, N. Y., because Warm Springs, Ga., where the chief executive has had his turkey the last several years, "is too far away."

Music Club Convention Highlighted By Talks Of Exceptional Interest

Effie Roe Cup For Achievement Won By Harlingen; Music Noted For Quality

McALLEN—Ending the fifth annual convention which was made outstanding by musical entertainment of exceptional quality, delegates chose Mercedes as the convention city for 1941 and witnessed the awarding of the Effie Roe cup to the Music Lovers Club of Harlingen. The cup was won for the first time by the San Benito Music Club. An attendance of 125 was present representing eight clubs.

Highlight of the day was Mrs. Fred A. Gillette's talk, Mrs. Gillette, Houston, who is national chairman of student musicians contests, talked on "Why Belong to the National Federation." She compared the interdependence of local club, district, state and national organizations to a fugue in the fact that the combined relationship produces results impossible singly.

Especially she mentioned the tremendous service of the national organization in encouraging American artists and the development of American music. Also she explained the service furnished by the National Music Council, organized in 1939 to serve as a clearing house for music publishers, clubs, and all other groups linked with music.

Another outstanding talk was given by Wilfred St. Clair-Fisher who briefly defined his idea of good music. He gave a short summary of the development of good music, expressing the opinion that each master complied with the idiom of his day and expressing the opinion that the essence of good music is its form.

During the business session it was decided to hold the fine arts program on opening night hereafter in the same city in which the general convention takes place.

A large and appreciative audience was present for the fine arts concert given Thursday in the First Baptist Church in Harlingen. Artists appearing at this concert and on the Friday program included:

The Mark Ensemble, McAllen; Miss Carmen H. de la Garza, Mission; Mrs. C. G. Eddy, Mercedes; Miss Hulda Walden, San Juan; Robert K. Reed, San Benito; Miss Helen Sheldon, Mission; Miss Mary Elizabeth Challes, Mrs. James Koonce, and Mrs. M. H. Connelly, Harlingen; Mrs. Charles Coulter, Brownsville; Sol Zimmeroff, Harlingen; Josephine Pollard Huntley, Harlingen.

Mrs. C. E. Storm and Mrs. T. E. Wiedeman, Mission; Mrs. Don Ransom, Weslaco; Mrs. Fred Gillette, Houston; San Benito Music Club chorus with Mrs. H. V. Gordon director, Mrs. S. V. Neely, pianist, and Mrs. A. J. Moore, organist; Mrs. Charles Parce, Harlingen; Mrs. D. S. Knight, Mrs. Wemple Sanders, and Mrs. J. B. Smith, La Feria; Mrs. J. F. Baingo and Mrs. A. E. Branch, Mercedes; Miss Marjorie Clark and

Mrs. Wiech Hostess To Junior Club

BROWNSVILLE — Mrs. Jack Wiech was hostess to members of the Junior Self-Culture club when two speakers were heard in a program and business session Thursday afternoon.

Mrs. Charles Mathers talked on "Prominent Women of Texas, giving highlights of the careers of pioneer women, and of women in the professional and club fields. Mrs. Maurice Pipkin read a paper prepared by Mrs. F. Davis Cromack of the Texas Federation of Women's clubs. In this, Mrs. Cromack gave the highlights of the constitution, a brief history of the body, and explained the flower and symbols.

The new sponsor, Mrs. Randall Mathers, was welcomed by the members.

Mrs. Pipkin was appointed historian. Reports of the Valley Federation meeting were given by Mrs. Milton Overstreet, and of the Brownsville Federation meeting by Mrs. Jack Mace. At the meeting of the local Federation November 16, the club will be in charge of the program, with Miss Betty Rockwell in charge of arrangements for the club. All members of the club will assist in the city-wide Red Cross roll call.

The resignation of Mrs. L. Thurmond Krueger, who is now residing in Corpus Christi, was accepted with regret.

Especially effective decorations in the patriotic motif were noted. Red hibiscus blooms, white carnations, and the flower of the blue shell vine were the chosen flowers and these were arranged in patriotic design, a motif repeated in the refreshment course.

Attending the session were Mesdames Jack Mace, Frank Mathers, Charles Mathers, Harvey E. Nuckols, Oran W. Neck, Milton Overstreet, Maurice Pipkin, George W. Putegnat, J. Gordon White, and Miss Betty Rockwell.

The next meeting will be held November 21 at the home of Mrs. White.

Making Of Cheese Topic For Program

LYFORD — Cheese making and uses of cheese were featured in the program for the Stillman Home Demonstration Club at the regular meeting Wednesday at the Stillman clubhouse. Mrs. C. O. Carter presided over the short business meeting.

Miss Mary Sue Hardage, Mrs. W. A. Cooley, and Mrs. Carter gave a very interesting demonstration of the making of cheese and its uses. Cheese dishes were served with cookies and coffee to seven club members and eight visitors. Two new members were added to the club.

Son Is Greeted

RIO GRANDE CITY — Mrs. Florence J. Scott has returned from San Antonio where on Sunday she met her son, Owen, Jr., a cadet in the U. S. Flying Corps, who was en route from the Allen Hancock School of Aeronautics, Santa Maria, California, to Maxwell Field, Montgomery, Alabama.

Mrs. Scott's mother, Mrs. Sarah E. Johnson of Dallas and another son, Herndon Scott of Refugio, joined her in San Antonio to welcome Owen in his brief stop-over in Texas.

CELEBRATE ANNIVERSARY

McALLEN—Mr. and Mrs. Joe Eller today were celebrating their fifth wedding anniversary.

Newcomers to McAllen about a year and a half ago the two are among the city's popular merchants.

Milk Dishes Topic For Club Program

ALAMO—Miss Cora Hilton was hostess to the North Alamo Home Demonstration club for a morning meeting Wednesday.

Miss Marie Miller, county demonstration agent, showed the method of making milk dishes, including whey punch and custard.

Lunch was served.

Hidalgo-Starr Counties' Nurses Arrange Annual District Conference

McALLEN—Nurses from District No. 14, comprising Hidalgo and Starr counties, will assemble here next Thursday for their annual institute to be held at City Hospital.

Anna Louise Dietrich of El Paso, state secretary, will preside at the meetings which will open with a conference of the board of directors at 10 a. m.

She will be assisted by Mrs. Neal of Harlingen, district president, and Mrs. Ola Moss of McAllen, district secretary.

Approximately 60 nurses comprise the district's membership. Student nurses, however, are invited to attend.

The morning's board of directors conference will be followed by a meeting of Miss Dietrich with the alumnae group, staff nurses and private duty nurses.

A luncheon at 12:30 p. m. at the Casa de Palmas Hotel has been arranged for noon-hour intermission.

Highlighting the day's sessions will be the address at 4:30 p. m. by Miss Dietrich, "Educating the Nurse," in which she will outline how low-salaried nurses can take educational courses to stimulate their earning capacity. The afternoon session will open at 1:30 p. m. There will be no evening meeting.

A question box on district, state and American Nursing Association matters will also be held.

Two Talkers Heard By Self-Culture

BROWNSVILLE — Two speakers were heard at the Wednesday afternoon meeting of the Self-Culture club at the home of Mrs. E. E. Dickason.

Giving the program were Mrs. C. A. Manahan, who talked on "The Home Beautiful," and Mrs. E. T. Yates, who spoke on "American Homes of Yesterday and Today."

In her topic, Mrs. Manahan brought out the fact that building of home is going forward in the United States in a movement shared by all states and sections of the country. Mrs. Manahan stated that these homes were uniformly of good design, and gave as a reason for the increased building greater national purchasing power, and plentiful mortgage money.

In her discussion of her topic, Mrs. Yates compared the loghouse of yesterday with the streamlined houses of today. She contrasted the family life of early days when the grandmothers were arbiters in the home to the grandmothers of later years. She traced the declining influence of grandmothers in the lives of their families to the World War period. She contrasted also the mothers of yesterday in their clothes and their work with the mothers of today.

Roll call was answered with thrift habits. The members welcomed for the first time since the beginning of the club year, their president, Mrs. R. E. Green, who has been unable to attend because of a foot injury.

Mrs. Randall Mathers was named delegate to the State Federation meeting in Austin.

Attending the session were Mesdames V. L. Conrad, R. E. Green, Homer L. Fitch, J. J. Kemmy, C. A. Manahan, Randall Mathers, Nathan Moore, R. Roy Ruff, Charles C. Stewart, C. W. Watson, E. T. Yates, H. L. Yates, Miss Ella Evans, members, and Mrs. D. P. Gay, Jr., a guest.

The next meeting will be held in two weeks with Mrs. Mathers.

Visit Of Pioneer

RAYMONDVILLE — Mrs. Mary Elizabeth White of Redwood City, California and her nephew Malcolm Cossett are guests of Mrs. J. P. Brenner. This is their first visit to the Valley since they left ten years ago.

In 1908 Dr. and Mrs. H. A. White came to Raymondville to make their home. The first hospital in this section was a small frame building near the present Baptist church. Dr. White and Dr. J. E. Whaley were the physicians and surgeons, the only practitioners at that time.

Mrs. White organized the first study club of which Mrs. S. L. Gill was president. The first year book—treasured in the archives of the club now known as the Raymondville Woman's Club—was made by Dr. White because he wrote such a beautiful hand.

Mrs. White and Mr. Cossett are widely known over the Valley and many friends are making them welcome.

Historical and geographical records disclose Niagara Falls is moving backward at the rate of two and a half feet a year.

Mission Unit Inaugurates Forum Plan

Club Groups Asked To Share Discussion

MISSION—Development of a well-informed public opinion on international affairs and the promotion of better international understanding is the objective of a proposed inter-club open discussion group proposed by the Mission branch of the American Association of University Women.

Invitations have been issued an extensive list of Mission organizations, asking that each appoint a representative if the club desires to participate in the forum. Response to the invitations has been gratifying. It was reported this week by Miss Alice Frad, president of the A. A. U. W., and Mrs. G. W. Roark, chairman of the international relations committee of the unit.

Each Club Invited

An outline of the plan for the forum was sent to each club, listing the dates and topics to be discussed. Programs will take the form of panel discussions and will be closed to all except the representatives sent by the respective clubs.

To be held at the Mission Public Library at 8 p. m., on the dates set, the respective programs will be: December 5—America's Choice Today (An attempt to clarify American foreign policy); February 6—The Challenge to Our Foreign Policy in the Far East; April 10—Seeking Security in the Western Hemisphere.

Co-ordination Aim

Representatives will also have the opportunity of discussing the work of their various clubs in the international relations field and consideration will be given to the practicability of coordinated work to avoid duplication.

In the invitation sent the clubs, stress was made on the fact that while current international tensions tend to place emphasis on emergency measures, the plan proposed seeks to give weight to the slower educational process of action based on study and understanding as necessary to build a firm foundation for lasting world peace.

Patriotic

PATTERN 4612

By ANNE ADAMS

Fashion gives three cheers for the "stars and stripes" this year! A patriotic mood perfectly illustrated by Pattern 4612, which Anne Adams has designed for the American housewife. The optional stars-and-stripes design embroidered on the revers and pocket-band are done from an easy transfer motif, with directions included in the Sewing Instructions. Make them in red and blue on white contrast for a gay patriotic color scheme. And match the revers and pocket-band with cuffs and perhaps even a belt of crisp white. The simple-to-make frock is in just three main pieces (see open diagram) with darts for nice fit. The sleeves may be long or short.

Pattern 4612 is available in women's sizes 34, 36, 38, 40, 42, 44, 46, 48, and 50. Size 36 takes 4 1/4 yards 35 inch fabric and 5-8 yard contrast. Send fifteen cents (15c) in coins for this Anne Adams pattern. Write plainly size, name, address and style number.

Send your order to Valley Morning Star, Pattern Department, 243 West 17th St., New York, N. Y.

Methodist Women Set All-Day Session Tuesday

Dance Is Party For Two Schools

McALLEN—Fun and informal was the dinner dance students of the McAllen and Weslaco business colleges staged last week at the Casa de Palmas Hotel.

Dinner was served in the De Maxey room to about 100 guests. Floral decorations on the long tables matched in colors the pretty frocks the women wore.

Mrs. Paul T. Vickers of McAllen acted as toastmaster to introduce the program numbers and several of the distinguished guests. She paid particular homage to Mrs. Velma Hazelwood, owner of the two schools.

Included on the program were: Military tap dance by Miss Jean Scales; readings, "The Lost Golf Ball" and "An Evening Idyll," Bart Melton of Pharr; trombone solos, including "The World Is Waiting for the Sunrise," "I'll See You in My Dreams," and "Where Was I" by Frank Crabtree; vocal solos, "Cross Town," "I'll Never Smile Again" and "We Three" by David Calvin.

After the dinner and program the group danced in the Spanish Room.

Benefit Party Set Tuesday

HARLINGEN—Plans for a benefit games party Tuesday at 8 p. m. above Junkin's Furniture Store were made at the meeting of the Harlingen Garden Club Thursday at the Woman's Building. Everyone is invited to share in the evening of games, the proceeds to be used to aid in financing the city-wide beautification program which the Garden Club is carrying out.

Mrs. L. R. DuBois, president, was in charge when reports were received from Mrs. Junkin on the cleanup and improvement program; Mrs. A. J. Pollard as reporting delegate from the Valley Federation of Women's Clubs; and Mrs. J. H. Powell regarding the gas refund project to aid the library.

Feature of the afternoon was a talk by Dr. Vivian Amidon, a guest, on the healthful effect of gardening.

Final arrangements were made for the dinner Friday night honoring Mrs. Ralph Conselyea of Houston when city officials and representatives from several garden clubs were present.

Mission Girl Is Honored On Birthday

MISSION — Outdoor games were planned for the guests who were invited Friday evening to help Louise Truitt celebrate her tenth birthday when her mother, Mrs. A. L. Truitt, entertained in her honor. Balloons were distributed as favors.

Mrs. Sim Jones assisted Mrs. Truitt in hostess duties when the birthday cake was served with ice cream. A pink and green color theme was chosen for the appointments of the refreshment course. The invited guest list included Helen Henricksen, Rogers Bialock, Flem Keathley, Gracie Graham, Margaret Peterson, Wallace Bennett, Teddy Jones, Delores Findley, Charlotte Gibbs, Martha Lou Whitehead, James Holley, Bill Truitt and the honoree.

Games awards were presented to Mrs. C. Forsman of McAllen and Mrs. O. R. Bolmgren after the afternoon of bunco arranged for the entertainment of members of the Pastime Club when they met Tuesday afternoon at the home of Mrs. E. J. Walker. Mrs. F. P. Eckrodt, Sr., as program chairman, arranged the diversion.

Mrs. Walker chose bouquets of roses for decorations about the rooms where she received her guests.

Mrs. A. R. Schuelke was hostess for the meeting Tuesday of the Mission Garden Club.

Mrs. George Godfrey of Weslaco, guest speaker, talked on bulb-planting in the Valley. Certain types of bulbs have proven successful in the Valley, although they have not come into wide use in home gardening, the speaker explained. Among those are the iris, ranunculus and narcissus. Mrs. Godfrey said, as she urged gardeners to adopt them for their planting.

Presbyterians Hosts At Informal Supper For Episcopalians

RAYMONDVILLE—The Woman's club building was the scene of a pleasant supper on Thursday evening when the Presbyterians entertained the Episcopalians at an informal evening get-together.

The Reverend Robert Martin of Weslaco, in charge of the Church of the Epiphany in Raymondville, spoke on "Unity." The speaker said "Unity" did not mean "uniformity"—for nothing would be more dull or uninteresting than having just one visible church; but "unity" in the sense of professing Christians acting Christ-like.

Fall flowers beautifully arranged in ivory pottery made the banquet tables and room a pretty setting for the fellowship.

Mrs. Esther Kerr, accompanied by Mrs. Vera L. Beck, played two charming violin solos.

The Reverend M. C. Yeargan, minister of the First Presbyterian Church was toast master.

Mrs. S. L. Gill and Mrs. C. J. Scott welcomed guests at the door.

Mrs. Olson Goes

BROWNSVILLE—Mrs. Margaret Olson has returned to her home in Houston after a visit of several weeks in the home of her brother, James W. English, and Mrs. English.

FORMER RESIDENTS

LOS FRESNOS — Ray and Walter Gabbert, former Los Fresnos residents, are visiting with their parents, Mr. and Mrs. Paul I. Gabbert. They now make their home in Illinois.

Theme of study for the club for the year is Mexico.

ON FURLOUGH

LOS FRESNOS—Lee Brooks, son of Mr. and Mrs. S. F. Brooks, arrived Tuesday morning from San Diego, California where he has been stationed with the United States Navy. He expects to spend a week with his parents here.

Garden Club Leader

Mrs. Ralph Conselyea, Houston, dynamic gardening enthusiast, was much feted by Garden Club leaders during her visit in the Valley Friday and Saturday. She leaves Sunday by plane for her home. During her Valley stay she was the house guest of Mrs. J. C. Tucker of San Benito. (Staff Photo.)

Valley A. A. U. W. Leaders Assist In Establishing New Unit In Monterrey

Exchange Of Visits Between Two Groups Planned As Part Of International Program

MISSION — Organization of a branch of University Women in Monterrey, Mex., will be effected this week-end in that city through the assistance of members of the Mission Branch of American Association of University Women.

Three members of the latter unit who left Saturday for Monterrey to take part in the formation of the new unit are Miss Alice Frad, president; Mrs. George Roark, international relations chairman; and Miss Mildred Nelson, delegate.

The assistance being given by the Valley unit is an international gesture being done at the suggestion of the national headquarters of the Mexican and American Federations of university women.

The three Mission women will be in Monterrey through Monday to give their aid to the new unit as consultants. Mrs. Roark has made one trip to Monterrey at the invitation of prospective members to extend offers of cooperation and assistance as a gesture of friendship from the Mission unit.

A second phase of the international gesture will be the invitation to be extended the new branch to send a committee from Monterrey to be entertained in the Valley. It is expected that the exchange visits will become an annual custom.

Both the American and Mexican associations of university women are members of the international organization known as the I.F.U.W. in which university women from all over the world are coordinated.

The British federation is another unit of the international group and it is through them that members of Mission branch have answered an appeal for funds and aid in refugee work. Tentative arrangements have been completed for bringing British refugee children, sons and daughters of the British university women, to the Valley to be given homes for the duration of the war.

Senior of the two Valley branches of the A.A.U.W., the Mission unit has mapped an active year in their international relations work. One of the most important phases is the sponsorship of the formation of an inter-club open discussion group to meet during the winter and spring to discuss international affairs. Plans for the forum were mapped this week in a letter sent to club presidents by Miss Frad.

Pharr G. R.'s Plan Stunt Night

PHARR—A meeting of the Girl Reserves cabinet of the Pharr-San Juan-Alamo high school was held Wednesday night at the home of Mrs. O. V. Peterson, sponsor. Plans were made for the annual stunt night early in December.

Cabinet members present were Mary Claire Gossage, G. R. president; Anna Mae Flowers, Pauline Bennett, Mary Emma Parish, Mae Marie Buckner, Virginia Mae Mad-dux, Helen Walker, Gracie Dean Thayer, Jo Ann Emery and the sponsor, Mrs. Peterson.

Miss Hilton Hostess

ALAMO—Miss Cora Hilton was hostess to the monthly party of the Proximo Sunday school class on Friday. It was a covered dish dinner.

Mrs. Sudlow Delphian Topic Leader

BROWNSVILLE — Mrs. W. B. Sudlow was leader of the lesson on "The Conquistadores" at the Thursday morning meeting of the Alpha Study club at the home of Mrs. R. A. Hightower. The lesson was in line with the general topic for the year, South America.

During the business session presided over by Mrs. Marshall Watson, president, plans were made to attend the Valley Delphian Council of Halliburton's in La Feria next morning with a luncheon at noon. Two members, Mrs. Jack Wiech and Mrs. Frank Lallier will be on the program.

Fifteen members, and three visitors, Mrs. Kate Youree, Mrs. R. N. Curry, and Mrs. W. J. Bertke, attended.

The next meeting will be held in two weeks at the Hightower home.

Next Game Anticipated At A. & I.

By CARL CHILTON, JR.
Students at A. and I. are looking forward in anticipation to the week end of November 16, when a special train will run from Kingsville to San Antonio, carrying A. and I. boosters to the game between the Javelinas and St. Mary's, which will have a direct bearing on the conference race.
A good start has been made by the members of the Student Council to sell the required 200 tickets before the special train is assured.
The train is scheduled to leave Kingsville early Saturday morning, arrive at San Antonio around noon, and will return to Kingsville Saturday night after the game. The nominally priced tickets are going fast, and a large crowd is expected to follow the Javelinas to the game.

After the Stephen F. Austin game this weekend, the St. Mary's game and a contest with West Texas State in Amarillo are the two remaining games of the Javelina schedule. If the A. and I. team can cop, these tilts, it will close out a very successful season, with the only defeat being at the hands of A. and M. Last year's national champions, Rice Institute, who beat A. and I. 9-6 the last five seconds of play.

A. and I. played a prominent part in entertaining the some two hundred FSA workers who convened in Kingsville last week for a two day rodeo and stock show held in connection with the annual Home-makers and Farmers Short Course.

The celebration opened with a parade which went from the Kingsville business district out to the college. This parade was led by the A. and I. band, and included floats representing several campus organizations. Several A. and I. clubs provided concession stands and sandwiches throughout the festival. The A. and I. band provided music for the rodeo on Thursday and Friday nights.

Weslaco and Edcouch-Elsa represented the Valley with fine exhibits.

A large increase in music activities and students at A. and I. have caused the beginning of construction of an addition of six new practice rooms and two new studios for the music conservatory.

Valley students play an important part in the music activities at A. and I., having good representations in the A Cappella Choir, Male Chorus, Campus Choir, and Band.

In the nationally famous A Cappella Choir there are seven Valley singers. These are Rose Parten, Alamo; Ava Sue Martin and Jack Pate, Harlingen; Vernon Schliska, Pharr; Betsy Kidder, Mercedes; Clinton Schmeling, Brownsville; and George Shimek, Santa Rosa.

All of the boys are singing in the Male Chorus, along with Richard Rowe of McAllen. All eight of these Valley singers are in the Campus Chorus, from which the singers for the other two organizations are selected. The high quality of the Valley singers is noted in the fact that all of them were selected for either the A Cappella Choir, Male Chorus, or both.

In the instrumental part of the A. and I. music program, eleven Valley students are playing in the A. and I. band.

These are Hazel Jackson, Sebastian; Clayton and Frank Dodd of Raymondville; Dora Hager and Betsy Kidder of Mercedes; Ella Beth Melton, Babette Rhinehart, and Vernon Schliska, Pharr; Betty Platt, Alamo; Harvey Pharr of Donna; and Carl Chilton, Jr., of Port Isabel.

The Texas College of Arts and Industries received national recognition this week by providing the general headquarters of the first annual convention of the American Recycling Association. This convention brings to the A. and I. campus most of the outstanding men in the natural gas field in the United States, some of whom have traveled two thousand miles to be here.

A. and I., which is referred to as "The Natural Gas Engineering School in Nature's Laboratory," is ideally situated for such a convention, being in the middle of one of the world's greatest natural gas sections.

Proof of the publicity that A. and I. and South Texas as a whole got from the convention is shown in the requests of the following natural gas and oil journals to publish the proceedings of the meeting: American Gas Journal, Oil and Gas Journal, and Oil Weekly and International Oil.

Junior Catholic Are Feted At Evening Party
McALLEN—The Catholic Junior Society members were entertained last week at the church hall with Mrs. Jerry Shimerka and Mrs. B. T. Rippert as hostesses.
Among the young guests were Mary Margaret Moore, Mary Beth Coleman, Charles Leverman, Mary Agnes Hawley, John Leverman, Elizabeth and Patricia Fink, Mary Ruth Dooley, Elaine and Phyllis Meck, Charles Fink, Billy Noe Rippert, Barbara Jean Besseau, Margaret Savage, Janet Savage, Ruth McDonald, Harry Dean Shimerka, Arnold Rezac, Ruth Strohmeyer, Barbara Lucille Beland, Sandra Strohmeyer.
Mery Peck, Jackie Dooley, Patricia Ann Barreau, Lorraine Shultz, Frances Barreau, Dennis Dooley, Bert Peck, Jean Marie Davis, Robert Allen, Kathryn Jo Davis, John Barreau, Marion Strohmeyer, Charlene Krimeneck, Dorothy Glen Moore, Eileen Savage and Estella Peck.

Visitors Are Honored At McAllen

McALLEN — Approximately 65 tourists attended the first tourist meeting of the season when William G. Olson, president, called the group together in the community hall at the Samson Trailer park Thursday afternoon.
Mrs. Blanch Doster played for the group to sing state and patriotic songs. Mr. Olson welcomed the visitors and extolled the wonders of the Lower Rio Grande Valley by reciting a poem written about the Valley by Mr. Knudson of Minnesota while he was here last winter. Each guest introduced himself and told in a few words the most interesting places visited during the past summer.

Fourteen tourists registered for the beginners Spanish class and 18 for the knitting and sewing club with an equal number interested in shuffleboard, bridge, 500, pinocle, Chinese checkers and the dramatic arts club.
Mrs. Mary Cordell announced meetings of the Hobby club would start at an early date. The club has been asked to make an entry in the State Fair of Texas next year.

BROWNSVILLE—The Fort Brown chapter, Daughters of the Texas Republic, will gather Saturday at Landrum's at 12:45 o'clock for a luncheon and program meeting.

Luncheon And Tea Given For Delegates, Guests At Convention

McALLEN—To lend further interest to the annual convention of the eighth district, Texas Federation of Music Clubs held here Friday, the McAllen Music Club was hostess for a noon luncheon and an afternoon tea of particular charm.

The two parties climaxed the fall season's annual convention events for 125 delegates who attended the gathering here.
Honored especially were Mrs. Fred Gillette, Houston, national chairman of student musician contests and president of the Lone Star district of the national federation; Mrs. C. A. Washmon, Harlingen, state board member; Wilfred St. Clair Fisher, Mission, state chairman of artistic presentation; Mrs. Effie Roe, Alamo, state chairman of music in the home; and Mrs. H. O. Schleben, Edinburg, state chairman of motion picture music.

The decorations at the luncheon in the Spanish room, for which the McAllen Music Club was hostess, featured cleverly the wooden theme—the symbol of the federation's fifth, or traditionally wooden anniversary.

At the places of the honored guests, set at the main table, from which radiated other tables, stood daintily imported French vases, violin shaped, in keeping with the central motif, "My Heart Is A Silent Violin," about which the entire luncheon theme revolved. Wilfred St. Clair Fisher, the only man state official here, received as a gift a violin shaped ash tray.

Most effective were the table decorations — dainty wooden violin place favors for each guest. They were miniatures of the large fruit filled violins at each table's edge. A riot of gaily colored fruits was artistically piled in the violins. Mingled fruit tones of yellow, orange, russet and deep wine were an attractive mixture. Contrasting with the yellow and green organdie table cloth, were a series of tiny sprays of durable berries and kumquats placed with waxen leaves along the table's length.

The tea at 5 p.m. closed the day's sessions. Again held in the Spanish room at the hotel, the decorative scheme this time was woven with dashing touch around the club colors of green and white. A huge bouquet of great, white shaggy chrysanthemums, white daisies and minute mums filled a large silver tureen to grace the tea table. From the base of the arrangement sprays of fern spilled almost the length of the table, laid with a white organdie overcloth on linen, handpainted with pastel toned floral sprays. The flower arrangement was flanked by two large silver candelabra, each bearing five white lighted tapers.

Mrs. C. A. Marshall was hostess for the refreshments, served in the dining nook, further carrying out

Club Plans Exhibit For Fiesta Grande

PHARR — Mrs. Clyde DeWitt was hostess Wednesday afternoon to the North Pharr Home Demonstration club.

Mrs. R. A. Grimes, club president, was in charge of the business session when plans were made for an educational exhibit at the Weslaco Birthday celebration.

During the social hour, Mrs. J. O. Jameton showed colored transparencies of scenes in Mexico, made during the Jameton's summer vacation. A delightful monologue on a "Chicken Dinner" was given by Mrs. C. T. Sipes. Various games were also enjoyed.

A salad course and coffee were served to four guests and the following club members: Miss Ethel Warnocke, Mesdames Russell Arnold, J. B. Crumb, L. Dreibelbis, Roy Dreibelbis, Fred Eastwood, C. E. Giles, R. A. Grimes, J. W. Haggard, J. O. Jameton, A. A. Slayton and C. E. Sipes.

"Sharing a Message" was the program study for the Tuesday evening meeting of the Wesleyan Guild at the home of Mrs. M. D. Shelby. Leader was Mrs. Jake Clark, with Mrs. L. L. Warden, Sr.; Mrs. Leville Spencer and Miss Letha Mae Allen, assisting.

Plans were discussed for a Christmas bazaar to be held December 8 at the Kiwanis club building.

A social hour was held during which refreshments were served.

Mrs. Jack Golightly was hostess for a regular meeting of the American Legion Auxiliary at her home Tuesday evening. Plans were made for the auxiliary's annual Thanksgiving dinner to be held November 19 at the home of Mrs. H. L. Murphy in West Pharr.

Rev. C. E. Wheat, newly appointed pastor of the First Methodist church, was honored with an old fashioned covered dish supper Wednesday night, in the assembly room of the annex building. Following the supper, group singing in unison was enjoyed. About 30 attended.

Under milk-ra rationing regulations in Finland babies receive a quart of milk each day but adults only one-fourth quart.

Active members of the McAllen club include Mesdames Lester Barnum, M. C. Brown, J. H. Burnett, Orville I. Cox, R. D. Cox, Jr., Scott Dougherty, William Doyle, Howard Faulkner, O. A. Fogleberg, George C. Fox.

Mesdames W. T. Hartley, H. J. Hall, Faye Jones, H. W. Kreidler, Ray Losh, Leverett Leonard, C. C. Pope, J. S. Roe, Donald M. Sherer, L. W. Seneney, D. Carl Skinner, Thornton Thacker, G. Aubrey Thomas, L. C. Wurtz, Harry Young and Jack Young.

Fred Pilgrims Hosts To Evening Bridge Club

BROWNSVILLE — Mr. and Mrs. Fred Pilgrim were hosts this week to members of their Wednesday Evening Bridge club.

In the games, Jack Wiech was high.
The hostess used delightful arrangements of red dahlias throughout the playing rooms.
Those attending were Mr. and Mrs. Wiech, Mr. and Mrs. George W. Puteang, Mr. and Mrs. Bill Barber, Mr. and Mrs. John F. Barron, and Mr. and Mrs. Ellis Perry.

Book Week Is Stressed

DONNA — A program that emphasized National Book Week was presented at the meeting of the High School Parent-Teacher Association Monday. The High School Literary club gave the program under the direction of Miss Lucyle Penn.

Nina Fay Sanders gave the history of Book Week and Mrs. W. H. Burden, program chairman, introduced Rev. Robert A. Martin, Weslaco, who spoke on reading.

In the business period reports on the unit's welfare activity were received.
During the social hour refreshments were served to 75 by members of the literary club from a table laid with lace and centered by brilliant yellow chrysanthemums.

Reception, Dinner Given In Harlingen

HARLINGEN—Outstanding social event of the weekend in Harlingen was the reception given by the Music Lovers Club Thursday evening at the home of Mr. and Mrs. Claude Carter following the fine arts concert which marked the opening of the annual convention of the Eighth District state music convention held in McAllen Friday.

Honor guests were artists who were presented in the fine arts program and state and district officers.

Lovely chrysanthemums were placed about the reception room.

Greeting guests at the door were Mrs. Carter, Mrs. H. E. Hager, Mercedes, district president, and Mrs. Fred A. Gillette, Houston, member of the national music board.

In the house party were board members of the hostess club including Mrs. Charles A. Washmon, president.

Lovely yellow chrysanthemums graced the refreshment table where Mrs. S. R. Jennings poured coffee and Mrs. Ben Johnson served individual cakes.

The yellow color theme prevailed at the dinner given earlier in the evening at the Reese-Wil-Mond Hotel with members of the district board attending. Large chrysanthemums in the chosen color formed the centerpiece and smaller pom-pom chrysanthemums were scattered along the table length.

Fitting Cure For Problem Of Figures

By AMY PORTER
AP Feature Service Writer

It's maddening when shopping to see a perfect dress and have to say, "Yes, I like it, but not for me. My figure..."

The thing to do is to take your figure into the corset department and see what can be done about it. There are few figures so bad they can't be molded to tolerably pleasant lines with the right foundation garments.

Consider the excellent new uplift brassieres. They really are new, in principle and effect. If you are one of those who just order a bandeau in your size without trying it on, you've a lot to learn about foundations, 1940 style.

Victim Of Fad

Let Edith Lances, designer of brassieres, tell you about her experience. It's typical of the figure difficulties of many women.

Remember the days of the boyish figure? In those days Miss Lances, like many other girls, wore the tightest brassiere she could find, attempting to deny the existence of feminine curves.

She succeeded in flattening her bosom—permanently. And when the boyish fad passed, there she was with strained ligaments and an unlovely silhouette.

She could sew a little, so she experimented at making a remedial brassiere for herself, and produced what she believes was the first uplift bra in America.

'Sculptural' Design

"My original product was fearful," Miss Lances recounts. "I tried tightening the shoulder straps but the discomfort was agonizing. The straps cut and I developed a ligament clamp."

"Then I realized my theory was wrong. A bra should not pull up from above, it should lift up from below."

Working along this line, she designed her "sculptural" bra. It improved her figure so much her friends asked her to design brassieres for them. Now she's one of the best-known makers of custom bras in the business.

Growing Industry

Miss Lances' is not the only success story in the foundation field. The industry has developed tremendously within the past five years, revising women's figures for greater comfort and beauty, and according to the National Retail Dry Goods Association, rolling up the steadiest year-in, year-out profit of any department in a retail store.

Such success must be earned. Only a complacent woman—or a very beautiful woman—will fail to investigate the figure benefits to be found in new-style foundations.

Bible Group Is Honored

McALLEN—Vases of pink roses, yellow and white chrysanthemums and golden tinted grasses decorated Mrs. I. G. Cook's home Thursday afternoon when she was hostess to the Edna E. Leslie Bible class of the First Methodist Church for their regular monthly session.

On the program Mrs. Donald Sherer sang two numbers, "Thanks Be To God," and "I Looked in Your Garden." Mrs. Clyde Aylesworth reviewed one of the currently favorite books, "Reaching for the Stars."

Refreshments were served to Mesdames W. L. Wickline, D. H. Motley, L. R. Coleman, Floyd Lash, Alfred Myers, Luther Pullin, George Wiederhold, J. K. Hooks, C. L. Gilbertson, M. C. Forsman, F. H. Hamner, L. L. Sherbert, E. D. Mathis, John K. Gamble, Cecil Jones, E. W. Pile, Ralph Kier, George Edwards, Geo. C. Fox, Arthur Wiley, Edna E. Leslie, Olney Dean, J. E. McLaughlin, Clyde Aylesworth, O. S. Hervey, L. E. Wagner, Murrie Bormann, Mason Rowe, Glen Thieler, Cordell West, Eva Morgan, Don Sherer, R. L. Harris, A. C. Hambric and the hostess.

PASTOR, WIFE DUE

PHARR — Rev. and Mrs. O. M. Jones were expected to return at the weekend, from a three weeks visit with his parents in Tucson, Arizona.

Rev. Jones who is pastor of the First Baptist church here, and who has been in ill health for sometime, is reported much improved by his Arizona visit.

Activities Of P.-T. A.'s

Night Meeting Held By Weslaco P.-T.A. To Familiarize Parents With School

WESLACO—Night meeting of the Weslaco Parent-Teacher Association observed Wednesday at the high school in Weslaco was an important link in the year's program designed to promote better understanding between parents and teachers. Fred Kay was in charge of the interesting meeting.

Mrs. N. V. Sidener presided when reports of committees were received. Outstanding was the report by Mrs. M. R. Hufty of the finance committee stating that the carnival held Halloween night netted a total of \$146.50.

During the evening members and visitors called in the different class rooms. In the home economics department, which was decorated with fall blooms, refreshments were served from a table which had a horn of plenty centerpiece.

RIO HONDO CARNIVAL NETS OVER \$200

RIO HONDO — The Rio Hondo P.-T. A. penny carnival, an annual event staged last week-end, netted approximately \$200 from the carnival and queen's race. Mrs. Peggy Watson, finance chairman, was in charge.

Peggy Sue Carpenter was crowned queen and Tommy Howland was her escort. The setting for the coronation was an elaborate garden scene.

UNIT TO PURCHASE SCHOOL SUPPLIES

ALAMO—The November meeting of the Alamo Grammar School P.-T. A. was held on Wednesday.

A panel discussion on "What are we doing in our homes to make good citizens of our children?" was given by Mrs. Pierce Wycoff, Mrs. Howard Smith, Mrs. Clement Williams, Mrs. Harry Barritt and Mrs. Floyd Swallow.

The society voted to set aside a small fund to buy school supplies for underprivileged children in the school.

Education week was emphasized. The room count award went to the fifth grade.

BAND AND LIBRARY TOPIC FOR PROGRAM

EDCOUCH — Clyde C. Hand, director of the Edcouch-Elsa band, will be program chairman when the Edcouch-Elsa Parent-Teacher meets Nov. 12 in the high school auditorium and will present the band in a concert. In observing Book Week, May Elizabeth Gilbert, librarian of the high school will give a short program on books.

Mr. Hand will talk on "Meet Our Band."

Real Gems Expert Says Not Costly

By AMY PORTER
AP Feature Service Writer

In this season of jewelry, many women think they must buy either thousand dollar diamonds and sapphires, or else junk.

But there are genuine gems for sale between \$4 and \$100. These are the semi-precious stones—glittering diamond-like zircons, rich ruby-like garnets, bottle green peridot sometimes called "evening emeralds," and many others.

Herbert Whitlock, jewel expert at the American Museum of Natural History, believes that only "price snobbery" makes women blind to the inexpensive beauty of semi-precious gems.

"What is lovelier than jade in all shadings?" he asks. "What is more fascinating than an Alexandrite which appears to be leaf green in daylight and raspberry red at night?"

Other semi-precious gems are tourmaline, carnelian, topaz, amethyst—all worthy of satin-lined cases and high regard from the woman willing to select a gem because she loves its color and cut, rather than because of price.

Mrs. Ransome Talker For Arts Review

BROWNSVILLE—Mrs. Rufus Ransome was program leader for the meeting of the Literature and Arts Review club Friday morning at the home of Mrs. C. S. Eldman.

Mrs. Ransome gave an excellent criticism of the author, Theodor Dostievsky, in his autobiography, Brothers Karamazov, of the time in which he lived, and of its influence on the literature of that time. The book was written in 1887.

Guests at the meeting were Miss Eleanor Shaw of St. Louis, Missouri, Mrs. H. F. Wellborn, and Mrs. M. E. Carroll of San Benito. Members attending were Mesdames Joe K. Wells, James A. Maxwell, Jr., F. W. Hofmeyer, George J. Toland, R. A. Porter, C. J. Studeman, Winship Hodge, Edward McChesney, Joe Viver, Jr., Rufus Ransome, Thurman A. Kinder, Jr., Howard L. Cummins, Joseph C. Jordan, James L. Abney, Penrose W. Hirst, James L. Rentfro, Hubert R. Hudson and G. D. Sutton.

At the next meeting, Mrs. Sutton will be program leader.

Harbert Davenport Talks On National Defense For PTA

BROWNSVILLE—Harbert Davenport gave an interesting address for members of the high school and junior high school Parent-Teacher Association Thursday afternoon at the school.

He chose for his topic National Defense, and reviewed all of the wars in which the United States has participated from the time of George Washington. He also outlined the measures taken for national defense.

Mrs. Clyde Tandy presided at the session.

The next meeting will be held the first Thursday in December, December 5, at 3:30 o'clock, in room 209 on the second floor of the high school.

A program was given by pupils of the third grade, and was followed by a social hour during which refreshments were served to approximately 150 persons. Mrs. Earl Caldwell, Sr., P.-T. A. president, was in charge of the meeting.

TRAVIS MEETING IS POSTPONED

HARLINGEN—Because Monday, November 11, is a school holiday, regular meeting of the Wm. B. Travis P.-T. A. has been postponed for two weeks and the November meeting will be held at 3:30 p. m. Monday, November 18. Mrs. W. S. Mouthart is president.

MRS. JENSEN INJURED

ALAMO—Mrs. Albert Jensen was slightly injured on Thursday when the car in which she was riding with Mrs. Dick Winn collided with that driven by Arthur Benetti, at the corner of School and West streets. Both cars were badly damaged, but the other occupants were not injured.

Club Sponsors Park Project

Officers for the recently organized Flower Lovers Club of Harlingen, snapped by the camera recently at the home of Mrs. A. N. Brown, are shown in the photo above. Reading left to right are, Mrs. W. H. Bunge, vice-president; Mrs. W. L. Trammell, chairman of the ways and means committee; Mrs. A. N. Brown, secretary-treasurer; and Mrs. J. W. Bones, president. (Staff Photo.)

First Woman Drafted For U. S. Defense Council Knows What Public Wants

By SIGRID ARNE
AP Feature Service Writer

WASHINGTON—In April, 1917, Harriet W. Elliott, political science teacher at the woman's college of the University of North Carolina, had invited Dr. Anna Howard Shaw, lecturer and women's leader, to address her students. But when Dr. Shaw arrived, Miss Elliott handed her a telegram. It read: "Can you come to Washington immediately to direct women's participation in the defense program?" Woodrow Wilson." Dr. Shaw took the next train.

This spring, it was Miss Elliott who was the first woman drafted. President Roosevelt chose her as the only woman member of his new national defense council.

Suffragette Organizer

A vigorous campaigner in recent years for peace and arbitration, she declares "Defense is now our hope of peace."

That's more than brave words with her, say her friends. She never stops with words. She's been delving into public affairs ever since she studied at Hanover College in Hanover, Ind.

She helped organize the first group of suffragettes in North Carolina. Soon she was lecturing on many issues: Free textbooks, better teachers, more schools. Now she speaks to as many men's groups as women's, and North Carolina men usually ask her advice before starting drives to influence public opinion.

She doesn't look the part. She is shorter than average, round, poised, gentle, with soft blonde hair and big blue eyes. She enjoys golf, swimming and the out-of-doors. She's 66 but you're surprised to learn that if you have just seen her go through 18 hours' running at a political convention.

Harriet Was Named

She attended both the '32 and '36 Democratic conventions as a delegate-at-large. In '36 the convention voted to put women alternates on the platform committee. It was the

first time in American history that women had helped write a political platform.

As soon as the resolution was passed, North Carolina's governor yelled across his delegation on the floor: "Harriet, we're going to make you the first woman named." They caucused right there and in two minutes flat Harriet was named.

She's always a little surprised when people speak as though men and women have different responsibilities toward their country. She says government is living. Women certainly have an equal responsibility, and should take equal interest and equal duties.

She's gone a long way toward that goal. She's a teacher, yes. But she has helped organize 30,000 Democratic women into discussion groups, served on the North Carolina social service conference, the relief administration and the Conference of Southern Governors, to name a few of her activities.

Tell Her Grandchildren

She doesn't even teach political science the usual way. She starts each day's class with the morning newspaper. She supposes the telephone call from President Roosevelt was a practical demonstration for her students of day-to-day political science. It happened this way:

Miss Elliott and her secretary were both out when the call came so a student answered, "Sorry, Miss Elliott isn't here."

"It is President Roosevelt calling," said the operator.

The youngster dropped the phone like a live wire, raced into the college corridor and shouted: "President Roosevelt wants Miss Elliott! I think I heard his voice. Oh, I can tell my grandchildren."

Miss Elliott thinks she probably will.

Germany and Japan are reported to be combining cellulose, starch and sugars from the ordinary potato into high explosives.

Fine Arts Topic For Study Club

BROWNSVILLE—Fine Arts in America was the topic for members of the Brownsville Study club members when they met Thursday afternoon at the home of Mrs. J. A. Walker.

Mrs. Herman B. Jeffery and Mrs. W. M. Stovall were leaders of the program. Mrs. Jeffery talked on the progress and recognition of American art in the past 100 years, and Mrs. Stovall discussed Fine Arts in the South. Mrs. Stovall stated that most of the early schools originated in the South, and told of the oldest woman's college in the world, Wesleyan College for Women at Macon, Georgia.

The members welcomed two new members, Mrs. W. T. Hunt, and Mrs. Louis A. Bauer, Jr.

The next meeting will be held November 21 at the home of Mrs. R. A. McKee.

Attending the session were Mesdames W. M. Coleman, J. Harrison Diltz, Harry L. Faulk, L. C. Fife, R. R. Fife, Sam D. Hughton, Herman B. Jeffery, Sam L. Lockwood, B. B. McDonald, C. L. Parnell, Charles C. Stewart, W. M. Stovall, J. A. Walker, and Joe Wheeler.

Clubs Meet During Week

HARLINGEN—Programs reflecting national and world trends have been planned for meetings of Harlingen club groups during the coming week.

Monday at 3 p. m. the Rio Grande Valley Art League will meet with Mrs. Joe Wood for a program and monthly art exhibit.

Wednesday's meeting of the Fine Arts Club will emphasize the contribution of women to bettering the status of the underprivileged. Mrs. Van R. Wiggins and Mrs. Morris Chaudoin will be speakers. The subject will be "Women Lighting the World's Darkness."

At their regular meeting Thursday Study Club members will spend a literary hour in a program entitled "Vista of the Printed Page." Mrs. Menton Murray will discuss current women's magazines; Mrs. Wm. L. Trammell will give a book review; and Mrs. J. T. Foster will exhibit new and old books.

Review Given For Fidelity Club Group

BROWNSVILLE—An interesting review of Texas history called "Remember the Alamo" was presented by Mrs. Wade Smith, hostess to the Fidelity Fifteen club at the home of Mrs. David Crockett Wednesday afternoon.

A short business session was held during which plans were made for a Thanksgiving basket to be given to a needy family.

It was announced that yearbooks for the club would be complete for the next meeting.

Delightful refreshments were served by Mrs. Smith to the members, Mesdames David Crockett, M. L. Gray, James Hunnicutt, Cloyce Hollon, Roy Hudson, Dan Idius, Paul Mitsch, Sam Lee, Charles McRoberts, J. R. Richardson, James Robinson, and Percy Foster. Guests for the meeting were Mrs. W. M. Rogers, and Mrs. Earl Wallace of San Benito.

The next meeting, November 20, will be held in the home of Mrs. Tony Wilson.

Babson Says 3RD TERM WIN TO OPEN WAY FOR OTHERS U. S. Faces 'Swifter' Years Ahead

By ROGER W. BABSON

BABSON PARK, Mass.—The political war is over! Franklin D. Roosevelt has been re-elected by a majority of the people. Perhaps the most unfortunate feature of the election is the opening of the way for other presidents to attempt a third term. However, business has been relieved of the pulling and hauling which the prolonged campaign engendered and which served as a serious brake. We can now forget politics; settle down and back Mr. Roosevelt in a united drive for Prosperity and Defense.

"Democracy" Out The Window

Armament will be the biggest industry in our history. Government, management, and labor are fusing their maximum efforts to create the greatest Defense Program the world has seen. They will try to scrap the inefficiencies of our Democracy. System encourages in the operation of private industry. Democracy, as a system, functions best in fair weather. In this national emergency we will shelve many of our most prized rights and privileges. Easy-going methods are now out for the next two years at least. If we are to first defend ourselves against aggressor nations and second, assume our proper role in world leadership after this war is over, we must be armed.

We must be ready to back words with action. If adequately prepared, we will minimize the risk of being dragged into war. Mr. Roosevelt knows this. He plans now to put the U. S. A. on a defense footing which will give us complete security. It is Mr. Roosevelt's idea to organize the Armament Program along the lines of a huge corporation. Its Board of Directors will be a small group of men representing the industrial, financial, and labor factors necessary to streamline and provide 100 per cent efficient operation.

What About Bureaucracy?

Much of the bureaucracy which marked eight years of the New Deal will be scrapped. The Wagner Act, the S. E. C., and other agencies may quietly be curbed. With the National Defense Advisory Committee as a base, the President will bring together, as operating heads of the Defense Program, the best brains of the country. Knudsen and Stettinius will probably be retained; but other top men will be added. Labor will be represented by a strong leader. The National Labor Relations Board will be restricted to routine in which it can function without disrupting production. The S. E. C. can do an administrative job in enforcing the Securities and Exchange Act. It will not be permitted to become a disruptive weapon against our markets in the hands of economic radicals. There will be a czar of prices—probably Defense Commissioner Henderson.

Jesse Jones may control the purse-strings of the reorganized Defense Program. As Federal Loan Administrator, this has been his most important task to date. He is one of the ablest men in Washington. He is not a New Dealer but has the respect of even the radicals of the official Roosevelt family. His continued presence in the Cabinet is one more reason why I am optimistic. Thus, in place of far-fung inefficient bureaucracy, will come Board of Directors of the National Welfare. Their sole job will be to bring the Defense Program in all its aspects from the blueprint to the functioning state.

Business Deserves A New Deal

The Third Roosevelt Administration must meet the justified criticism that both the New Deal and the President personally have been needlessly hostile to business. Mr. Willkie's election would have placed enthusiastically behind his Administration from the very start. Mr. Roosevelt is suspected to be unfriendly to business and private property. Hence, one of his first tasks to reassure the American business man and investor that he will not continue the theories and methods of the last eight years at the expense of the Defense Program. If defense is to be speeded up, Mr. Roosevelt must place business experts, and not social reformers, in key positions.

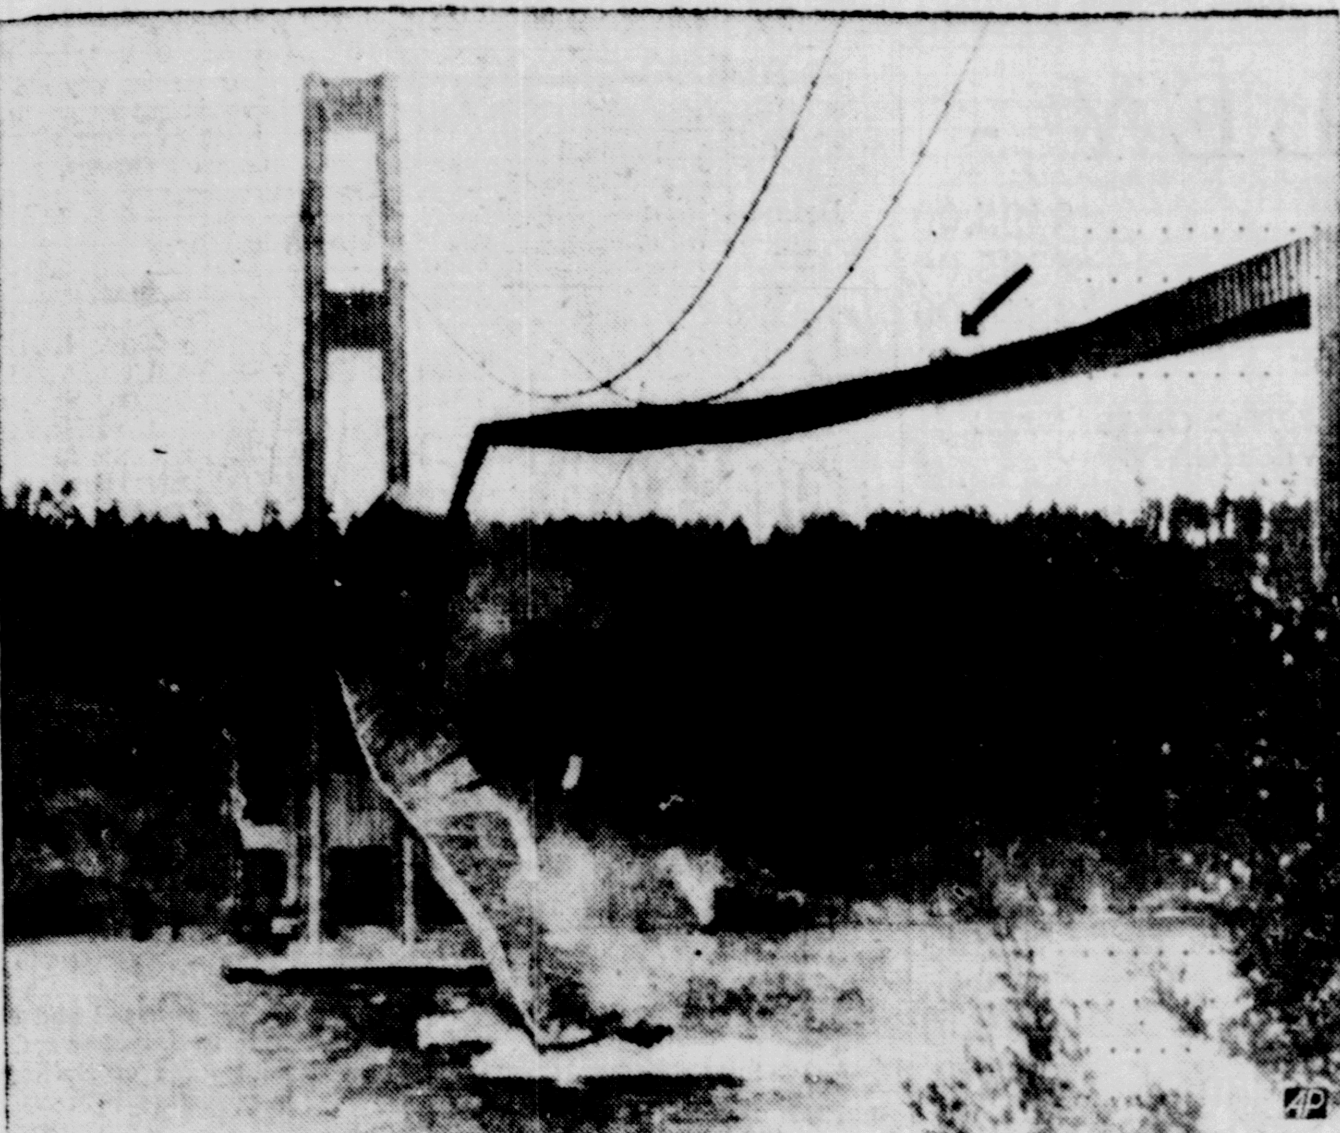

All talk of bringing the budget even faintly into line with national income is out. Billions are pouring down the sluiceways of the nation's producing channels. Some time there will be a fearful reckoning. When that day comes the economic sins of the past eight years will come home to roost. But meanwhile, spending for our defense is a prime necessity in a war-torn world. We must pay the price if we are to remain secure. It would be the same if Mr. Willkie had been elected. Only under Mr. Roosevelt, deficit spending will be more lavish and less offset by sane checks and balances than would have been the case under Mr. Willkie. Inflation will be the spectre at the feast—but inflation still lies on the distant horizon and is today a cloud no larger than a man's hand.

Congress The Balance Wheel?

Many still believe that one check on Mr. Roosevelt may be the Congress. He may find in the House a combination of Republicans and dissident Democrats sufficient to prevent any attempts by him to seize such powers as belong in the Legislative branch. Congress will follow the President in the interests of National Defense; but Congress will not abdicate in favor of the White House, even though the Congressional vote is in his favor.

Farmers will continue to receive subsidy checks, but they will be smaller. Unemployment will diminish. Compulsory arbitration will become more common. Every business will be stimulated by the billions pouring into industry. This means

JUST AS GIGANTIC BRIDGE COLLAPSED

A huge section of the Tacoma Narrows bridge, Tacoma, Wash., goes plunging 190 feet into Puget Sound as the structure broke up. There was no loss of life. Arrow points to car abandoned by Leonard Coatsworth, Tacoma News Tribune reporter, who was forced to crawl to safety. The car ultimately went down with a section of the bridge.

Four New Producers Assured For Valley In Proven Fields; Wildcats Are Active

McALLEN—Drill stem or production tests in two important Lower Rio Grande Valley wildcats gave promise of more important developments Saturday while wildcatting throughout the area slumped slightly after months of steady drilling and almost as steady discoveries of new areas.

In eastern Willacy County, where deep tests have been drilled almost continuously for more than three years without a strike, Pan-American Production Co. was running a second production test in its No. 1 Porfirio Garcia, Share 13, San Juan de Carricitos Grant, in the Willamar community. The well was drilled to 9,002 feet and casing was cemented around 8,675 feet. Drill stem test was run after casing was gun-perforated at 8,645-70 feet, but the only recovery was 4,600 feet of salt water.

Operators then plugged back and were reported testing through casing perforations in sand cored somewhere around 7,762-79 feet. The upper eight feet of this section was reported to have been mostly sand with shale streaks while the lower nine feet was sandy shale. The well has been drilled as a "tight" hole, accounting for the lack of detailed information.

Pan-American has staked location for the No. 1-B Willamar Community Lease, which is about 1,015 feet north and a little east of the No. 1 Garcia, and which also is in Share 13, San Juan de Carricitos Grant. Staking of this location lends more credence to reports of important developments in the No. 1 Garcia. This test is headed for 9,000 feet.

In southeastern Cameron County about six miles southwest of Port Isabel, Pure Oil Co. No. 4 Gatewood Newberry, Shelton Survey, has pits dug and was rigging up for a 9,000-foot hole. Falcon-Seaboard Drilling Co. of Houston has the contract. This is the sixth deep wildcat drilled in the same area, and points to the obvious importance of the Valley section of the Texas Gulf Coast as a vast new area yet to be developed.

In northeastern Hidalgo County, Humble Oil & Refining Co. No. 1 American Life Insurance Co., Lot 1, Block 13, Mo-Tex Subd., Las Mestenas Grant, was drilling in shale at 8,218 feet. No shows of any importance have been recorded in the hole thus far.

On the north edge of the producing area in the San Salvador field in central Hidalgo, Gulf States Oil Co. No. 1 Carmen Cavazos de Carricitos, Share 115, San Salvador del Tule Grant, a semi-wildcat, was preparing to run production test on an 8,000-foot gas-distillate sand. The sand was cored at 7,970-90 feet and the hole was bottomed at 8,004 feet, and 75.8-inch o.d. oil string was cemented atop the sand at 7,971 feet. Plugs were being drilled out Saturday.

That general purchasing power will rise. Therefore, for the immediate period ahead I am frankly an optimist. As for the long swing, the period after the war when the world faces the results of this terrific destruction, this I will discuss later.

In southwestern Hidalgo County, the discovery well of the new Nichols fields, Royal Oil & Gas Co. No. A-1 Yturria Town & Imp. Co., Por. 43, a mile east of production in the old Samfordyce field, was recompleted and brought into production for the second time. In order to control excessive gas pressure, original perforations were cemented and casing was re-perforated with 12 shots at 3,498-3,502 feet. The well gauged three barrels hourly on 1-3/4 inch tubing choke with 800 pounds tubing working pressure and 1,100 pounds closed-in casing pressure.

No new locations have been announced for the Nichols area thus far, although Phillips Petroleum Co. bought 300 acres north and east of the discovery well last week at a reputed price of \$15,000.

At the northwest extremity of the Sullivan City field in extreme southeastern Starr County, Baldrige & King's No. 1 Garcia Lane & Livestock Co., Por. 100, Camargo Jurisdiction, was abandoned dry at total depth of 4,526 feet.

About five miles north of the big Rincon field in eastern Starr County, Sun Oil Co. No. 2 Mateo Saenz, Survey 80, about 1,700 feet north of the No. 1 Saenz, was bottomed at 4,605 feet while reaming down at 4,346 feet. Operators recovered 450 feet of oil with 60 pounds pressure on 15-minute drill stem test of sand cored at 4,393-4,407 feet. It was not known how much deeper the well will be drilled.

The sand cored in the No. 2 Saenz was a new sand for the area, since the discovery sand in the Sun No. 1 was at 5,400 feet, the second Vicksburg production ever found in the Lower Rio Grande Valley area. The conditions as indicated by the two Saenz tests thus far is characteristic of the big Rincon field, where at least nine producing sands have been found thus far.

A mile west of the North Rincon field, which in turn is three miles north and a little west of Rincon production, Harvey Oil Co. No. 1 R. J. Moore, in the west half of Survey 513, was abandoned dry at total depth of 5,016 feet.

At the east edge of the Rincon field, 1,600 feet east of easternmost production and 8,800 feet east of main production in the field, W. R. Davis, Inc. No. 1 Harry Seyfried, Survey 928, was reported making hole but no information was available. The test was originally scheduled for 5,500 feet. It is a highly important semi-wildcat for the east side of the Rincon area.

McALLEN—At least four new producers were assured for Lower Rio Grande Valley proved fields Saturday as development continued steadily in twice as many areas.

Two new producers were being completed in the Rincon field in eastern Starr county, while the Kelsey field in southwestern Brooks county and the Sullivan City field in southwestern Hidalgo each added a new producer. New wells were due in the Colorado field in western Jim Hogg.

The new Rincon producers assured were W. R. Davis, Inc. No. B-37 Slick Estate and the No. B-38 Slick Estate. The No. B-37 Slick, Survey 486, in the southwest part of the field, was flowing half oil and half salt water through casing perforations (116 shots) at 4,146-68 feet while cleaning on quarter-inch tubing choke with 400 pounds tubing working pressure and 600 pounds closed-in casing pressure. Total depth was 4,373 feet and 7-inch o.d. casing was cemented at 4,210 feet.

The No. B-38 Slick Estate, Survey 486, was bottomed at 4,457 feet and 7-inch o.d. casing was set at 4,185 feet. Casing probably will be gun-perforated in the 4,100-foot sand for production test.

In the Kelsey field, Humble Oil and Refining Co. No. 75 J. C. McGill, on the north edge of the producing area in La Blanca Grant, southwestern Brooks county, gauged 116 barrels daily on 7-64 inch tubing choke with 350 pounds tubing working pressure and 600 pounds closed-in casing pressure. Sand was cored at 4,738-48 feet.

Also on the north edge of the field, Humble's No. 76 McGill, La Blanca Grant, was drilling past 2,500 feet.

Humble has staked location for the No. 20 Kelsey-Bass in the southeast part of San Rafael Grant, Jim Hogg county. It will be one location south of the Humble No. 3 Kelsey-Bass, second producer completed in the field.

In the Sun field in northeastern Starr county, Sun Oil Co. No. C-2 Geo. H. Speer, Survey 235, was still having trouble while testing through casing perforations (9 shots) at 4,640-42 feet.

In the Sullivan City field in southwestern Hidalgo county, Phillips Petroleum Co. No. 1 Tomas (Villareal) Flores, was the newest producer. It is located in Tract 236, Por. 39, Reynosa Jurisdiction. Through casing perforations (30 shots) at 4,103-08 feet, the well made 96 barrels daily on 1-8 inch tubing choke with 250 pounds tubing working pressure and 800 pounds closed-in casing pressure.

On the northeast edge of the producing area at Sullivan City, John Messenger's No. A-1 V. G. Chapa, Tract 238, Por. 40, Reynosa Jurisdiction, was drilling past 2,750 feet to test the upper sands around 3,400 feet.

Phillips Petroleum's No. 2 Tomas (Villareal) Flores, Tract 236, Por. 39, Reynosa Jurisdiction, was making hole around 3,000 feet on inside location.

In the Boyle field in southern Starr, Milam Drilling Co. was rigging up to spud Sun Oil Co. No. 1 Juan de Dios Vela, Share 2-A, Por. 92, Camargo Jurisdiction. The test is a south offset to Borsodi Petroleum Co. No. 2 Vela, recently completed as a producer in the south part of the field.

Borsodi Petroleum's No. 3 Vela, Share 2-A, Por. 92, Camargo Jurisdiction, was flowing half oil and half salt water through casing perforations (116 shots) at 4,146-68 feet while cleaning on quarter-inch tubing choke with 400 pounds tubing working pressure and 600 pounds closed-in casing pressure. Total depth was 4,373 feet and 7-inch o.d. casing was cemented at 4,210 feet.

DRIVE BEGINS ON ROLL CALL

50 At Mission Start Campaign Tuesday

MISSION — Approximately 50 civic workers will start the annual Red Cross Roll Call in Mission Tuesday morning, seeking memberships in their respective districts after a "kick-off" breakfast at the Cactus Tea Room, at 7:45 a.m. Plans for the local campaign have been outlined by chairmen J. C. Thompson and Mrs. Vernon B. Hill.

More importance is placed on the need for the Red Cross funds this year than for several years, because of the expansion of home service work brought on through the national defense program.

Chairmen and committee members of various districts in Mission and the outlying area were appointed this week. They are: Leo Marcell, Mission schools; A. B. Martin, La Joya, Sam Fordyce, Sullivan City, Abrams, and Penitas; Mrs. J. A. Gillett, rural.

On Mrs. Gillett's committee are Mesdames Gertrude Carson, Ray D. Goodwin, Leo Marcell, Eugene Walthall, George Van Slyck, Glen Abney, Jr., Willard Ferguson and E. B. Zey.

Business District

In the business district the enrollment will be directed by chairman Thompson, assisted by William Bredlove, D. W. Cott, C. F. Spikes, Weeks Martin, Rev. Allen G. Roe, Joe T. Cook, E. E. Marburger, H. S. Anderson, F. W. Dooley, Lee Friesen, Floyd West, Jr., Rev. E. R. McWilliams, and L. H. Ramey.

In the residence sections, workers are Mesdames H. H. Rankin, Sr., Julius Franki, F. W. Dooley, R. T. Daniel, James Wood, George Boyle, H. F. Cunningham, H. F. Richards, E. W. Halstead, B. F. McKee, Charles Langston, T. H. Armstrong, H. H. Ewing, J. F. Honey, L. G. Plyler, S. R. Greer, W. T. Gibbs, C. M. Parkhill, A. A. Bentzen, J. E. Walsh, Joe T. Cook, E. R. McWilliams, A. J. Whittlesey, C. B. Amyx, C. F. SoRelle, Herbert Mehl, J. H. Marcell, Leon H. Brown, R. M. Winn, W. R. Blalock, John W. Griffin, Perry Wright and J. C. Ruble.

Pharr Girl Scouts Help Poppies Sale In Saturday Drive

PHARR—The Pharr Girl Scouts will again sell poppies Saturday for the Veterans of Foreign Wars, according to announcement made here by the Girl Scout captain, Mrs. June Avery. There will be poppy stands in the downtown sections of both Pharr and San Juan, with the Girl Scouts in charge.

About \$56 worth of poppies were sold here last year by the Pharr Girl Scouts, with all the proceeds going to the Foreign Wars Veterans. "Buy a Poppy and Help Those Who Have Helped Preserve America" will be the Girl Scouts slogan for the sales drive.

False Economy Said Followed On Bridge

TACOMA, Wash.—(P)—Clark W. Eldridge, chief engineer of the Tacoma Narrows bridge which collapsed Thursday, said Friday that state highway engineers had protested the design of the structure but it was built as it was in the interests of economy.

American Participation Would Make It 30-Year War, General Dawes Tells Club; U. S. Materials, Men Wanted

CHICAGO—(P)—United States participation in the European conflict probably would make it a "30 year war," in the opinion of Gen. Charles G. Dawes, vice president in the Coolidge administration and former ambassador to Great Britain.

He contended that "certain elements of our population are luring us into the war to crush Hitler."

"Sending war materials to Europe will be followed by sending our men over there—it will be inevitable," General Dawes said in an address to the 17th Engineers Club.

"Our entry into the war will probably lengthen it to a 30-year war. England has indicated that she cannot pay cash for all the material she needs. We are asked to be allies to supply that."

REVIVAL VOTE TOTALS ARE SOARING

National Count May Hit 50,000,000

WASHINGTON—(P)—The total of votes cast for President Roosevelt and Wendell L. Willkie in Tuesday's election mounted to 48,238,461 in the latest unofficial tabulation, indicating that the final presidential count, covering also minor party candidates, would be close to 50,000,000.

The final 1936 total was 45,647,117. The latest tabulation showed that President Roosevelt received 26,361,762 votes and Willkie 21,876,719 in 120,620 of the country's 127,245 voting units making Mr. Roosevelt's plurality 4,485,043.

The electoral vote standing remains unchanged with the president having 449 electoral votes from 38 states and Willkie 82 from 10 states.

'JONES FOR SECRETARY'

AUSTIN—(P)—J. E. McDonald, state commissioner of agriculture, said Friday the people of Texas should request the president to appoint Rep. Marvin Jones as secretary of agriculture.

SEEK REMAINS OF DEAD GIRL

Janitor Admits He Killed Child

NEW YORK—(P)—Police technicians sifted small quantities of furnace ashes Saturday in a search for charred bone fragments that would establish a corpus delicti in the slaying and cremation of 10-year-old Genevieve Connolly.

Thomas Conroy, 38-year-old building superintendent, confessed that he choked the child and burned her body in a furnace because he feared the girl might tell her mother he had kissed her, Assistant District Attorney Sylvester Ryan said.

Medical Examiner Charles Hochmann said only a few particles had been found which "may prove to be bits of charred bone," but "I am afraid it will be extremely difficult to make certain now."

The blue-eyed, red-haired girl had been missing two days when Conroy, a native of the same county in Ireland from which the Connolly's came, broke down and declared, "I want to get this off my conscience."

Brownsville Lowers Tax Rate To \$1.80

BROWNVILLE—City commissioners here Friday night gave final passage to a measure reducing the city tax rate from \$2.50 to \$1.80.

General discussion was held regarding city finances, and second reading on an ordinance to give license to the Brownsville Transportation Company for a new route to Los Fresnos and environs.

Cost of the Washington monument was \$1,300,000.

Current Films

"FOREIGN CORRESPONDENT" is one of the most thrilling and timely motion picture releases in recent months. It is a romantic drama filled with mystery and intrigue with Joel McCrea, Laraine Day, Herbert Marshall, George Sanders and Robert Benchley in featured roles.

The story reveals the adventure of the intrepid newsmen who cover the European war front for America to listen to in news broadcasts and to read in its daily newspapers. Joel McCrea is cast as the foreign correspondent who falls in love with the lovely daughter of the head of a great peace movement, who turns out to be Hitler's number one agent operating under the guise of the peace society.

"Foreign Correspondent" is booked for current showing Sunday and Monday at both the Arcadia Theatre in Harlingen and the Palace Theatre in McAllen; Tuesday and Wednesday at the State Theatre in Mercedes and at the Ritz Theatre in Weslaco, Thursday and Friday.

"ARISE, MY LOVE" AT CAPITOL

CLAUDETTE COLBERT and Ray Milland share co-starring honors in the screen's romantic drama "Arise, My Love," booked for current showing Sunday and Monday at the Capitol Theatre in Brownsville.

The story of "Arise, My Love" tells of a young American aviator, who has been fighting with the Loyalists in Spain, is a prisoner of the Franco forces, and is condemned to be shot. Suddenly he learns that his wife has charmed the Spanish high command so efficiently that he has been pardoned, in order that he may go home with the appealing petitioner.

Since he has no wife, he is baffled . . . but appreciative when the "wife" who is a pretty American newspaper girl on the trail of a big news story. They barely get to England as the Nazi war machine gets under way to roll over Europe.

"DOWN ARGENTINE WAY" IS MUSICAL

THE SCREEN'S new musical extravaganza "Down Argentine Way," starring Don Ameche, Betty Grable and Carmen Miranda features eight song hits and is produced in Technicolor.

The romance between Don Ameche and Betty Grable covers 6,000 miles from the staid atmosphere of Westchester to the alluring Argentine. The story concerns the son of a wealthy South American family who is sojourning in America for the purpose of selling some of his father's choice horses. But horses become irrelevant when Don Ameche meets beautiful Betty Grable. Four catchy new songs written for the picture are: "Two Dreams Met," "Down Argentine Way," "Nenita" and "Sing To Your Senorita," while Carmen Miranda renders, as only she can, "Bambu," "Mamae Eu Quero," "Toujours En Madrid" and "South American Way"—the numbers she sang in "Streets of Paris."

"Down Argentine Way," is booked for current showing Sunday and Monday at the Rivoli Theatre in San Benito and at both the Arcadia Theatre in Harlingen and the Capitol Theatre in Brownsville, Thursday, Friday and Saturday.

"STRIKE UP THE BAND," AT STATE

MICKEY ROONEY and Judy Garland, plus Paul Whiteman and his orchestra at its rhythmic best are to be seen in "Strike Up The Band," booked for current showing Sunday and Monday at the State Theatre in Mercedes.

New song hit in "Strike Up The Band" include "Our Love Affair," "Nobody," "My Wonderful One," "Drummer Boy" and the theme number, "Strike Up The Band."

The picture is one of the outstanding hits of the new fall season and is in answer to public demands for a romantic musical starring the popular Mickey Rooney and Judy Garland. The featured supporting cast in addition to Paul Whiteman includes June Preisser, William Tracy and Larry Nunn.

Charm Of Southwest Seen In 'Rangers Of Fortune'

Capitol Opens With Robin Hood Theme For MacMurray

The charm, the chivalry and the explosive drama of the old Southwest are brought to the screen in "Rangers of Fortune," starring Fred MacMurray, Albert Dekker and Gilbert Roland as a trio of desert marauders.

The three are a combination of Robin Hood's gang and the Three Musketeers—thieves, rogues, scoundrels, or knights on horseback as the occasion demands.

Fresh from a scrape with Mexican border troops they bump into a situation in the little town of Santa Marta that fits their particular talents. A small newspaper publisher, fighting a land grabbing gang, has been assaulted and forced out of business. The battling trio take over for him, and issue a defiance to the land robbers.

In the course of their adventures, Fred MacMurray becomes romantically involved with Patricia Morrison. The publisher's little grand-daughter, Betty Brewer, abets the romance and proves important in finally establishing the guilt of Joseph Schildkraut as the leader of the gang.

"Rangers of Fortune" is booked for showing Tuesday and Wednesday at both the Capitol Theatre in Brownsville and the Ritz Theatre in Weslaco Wednesday and Thursday at the Rivoli Theatre in San Benito and at the State Theatre in Mercedes, Thursday and Friday.

'Mexico' Subject Of March Of Time

The latest March of Time which is scheduled for showing Tuesday and Wednesday at the Ritz Theatre in Weslaco pictures the part Mexico's twenty million people will play in American hemisphere defense.

Mexico today faces a dilemma, the March of Time film shows, because her leaders realize that cooperation with the U. S. in hemisphere defense is the only way in which Mexican independence can be preserved.

New Comedy Booked

Dick Powell and Joan Blondell share co-starring honors in the screen's new comedy-drama "I Want A Divorce," booked for showing Tuesday and Wednesday at the Arcadia Theatre in Harlingen.

Gloria Jean Stars

Gloria Jean, Hugh Herbert and Robert Slack are co-starring in "A Little Bit Of Heaven," booked for showing Tuesday only at the Rivoli Theatre in San Benito and Tuesday and Wednesday at the Palace Theatre, McAllen.

Ramparts We Watch At Weslaco And McAllen

War Picture Rates Attention Of The Movie Critics

When a motion picture is acclaimed by critics, government officials, and news commentators alike as "America's most important feature picture," it rates universal attention. When that same movie is afterwards super-charged by the addition of breath-taking sequences from the notorious Nazi propaganda film, "Baptism of Fire," it becomes an event of unique importance to American theatre goers.

The picture is "Ramparts We Watch," booked for current showing Sunday and Monday at the Ritz Theatre in Weslaco and at the Palace Theatre in McAllen, Thursday, Friday and Saturday.

An absolutely new kind of picture, "The Ramparts We Watch," was inspired by the disastrous trend of world events. Recreating the story of America in the great crisis of World War I, it also was designed to reveal the forces of aggression which were plunging the world once more into war.

After tremendous difficulties the March of Time has finally brought to the American screen "The Ramparts We Watch" as it was originally planned—a thrilling re-creation of the sweep of world history from 1914 to 1940 and what it means to Americans and to America's future.

Bob Burns Starred In Riotous Comedy

Bob Burns and the homespun philosophy of radio's Uncle Ezra, tuned to good old-fashioned mountain music come to the screen in "Comin' Round the Mountain," booked for showing Monday and Tuesday at the Rialto Theatre in Harlingen.

"Comin' Round the Mountain" tells the story of the feudin' Blowers and the Beagles, and of an itinerant salesman who happens to overhear a jam session of the Blowers' "one family" orchestra consisting of bazookas, conga liquor jugs and fiddles. He contrives to find them a sponsor for a radio program to save the little five-water from going off the air.

'Dulcy' Scheduled

Ann Sothern, outstanding screen favorite, brings new laughs to audiences in her latest comedy, "Dulcy," scheduled for showing Friday and Saturday at the Rivoli Theatre in San Benito.

The picture outlines the exploits of a modern young woman who has a heart of gold and a faculty for getting everyone she meets into trouble. Ian Hunter, Roland Young and Billie Burke are cast in featured supporting roles.

SOVIET-AXIS MEET POINTS TO PACT

Italy's Crack Division Trapped

15,000 MEN OF CENTAUR UNIT FACE DEATH

Many Surrender For Position Hopeless

LONDON (Sunday)—Italy's crack Centaur Division of 15,000 men trapped by Greek troops in the Pindus Mountains were reported annihilated, a Reuters British news agency dispatch from Athens said today.

Two infantry regiments and one of artillery formed the Italian division cut off from the main Fascist forces.

A great number of the trapped men were reported to have been drowned in a flooded mountain gorge swollen by heavy rains, while others perished from hunger and cold, the dispatch said.

Heavy Greek forces seeking the destruction of the Italian division scaled 6,000-foot mountain ridges. Women from neighboring villages aided them in hauling their armament up the mountain sides the Athens report said.

From Athens Greek sources said the Fascist troops were without food and with lines of supply cut.

Military informants said hundreds of the division's men and its commanding general already had been taken prisoner.

The Greeks said the Italians, in attempting to take a road leading southward to the strategic Greek town of Ioannina, had gone so deep into the mountains as to permit a break in their own communications.

Big Italian guns and much war material were said to have been dumped into a ravine to prevent their seizure.

All along the 100-mile front there was action Saturday, and the heaviest fighting yet seen was reported from the Korinta sector, where the Greeks appeared to be slowly pushing back the invaders.

BRITISH SINK FRENCH SUB

Craft Had Attacked English Warship

LONDON—The British Admiralty announced Saturday night that the French submarine Poncelet had been sunk in an engagement with British naval forces off French equatorial Africa.

The admiralty denied flatly a Vichy announcement that a British naval squadron had shelled Libreville or that light British ships aided the landing of "Free French" troops near there.

A communique issued by the admiralty said the only naval engagement the British naval squadron had been concerned in was "resisting an attempt by the French submarine Poncelet to sink a British warship without warning."

The Poncelet, the admiralty said, was forced to come to the surface as a result of "retaliatory action" and then was scuttled by its own crew.

All members of the crew were saved, the communique said.

The 1,730-ton Poncelet was one of France's large and successful "Redoubtable" class. She was built in 1929 at Lorient, now a Nazi-held "invasion port" on the French coast, and carried a crew of 67.

Island Is Abandoned By British Forces

SHANGHAI—The British navy was officially reported to have abandoned Lukang island off Shanghai peninsula, which it used as a base for summer maneuvers, for the duration of the European war.

Japanese marines landed on the island several weeks ago after the Japanese-sponsored Chinese regime at Nanking had declined to recognize renewal of a 10-year lease granted the British by Generalissimo Chiang Kai-Shek.

Stock Exchanges To Observe Armistice

NEW YORK—The New York Stock Exchange, curb exchange, cotton exchange, the Chicago Board of Trade, and all other principal securities and commodity markets in the United States and Canada will be closed Monday in observance of Armistice Day.

Livestock markets will remain open.

Murder Jury Spends Holiday In Jail

Case Unsettled, So Jurors Ordered To Stay On Job Until Tuesday

EDINBURG—The twelve good men and true who will hear testimony and bring in a verdict in the state's case against Manuel Reyna of Edinburg, charged with the slaying of his wife here September 1, will spend their Armistice holiday in—of all places—the Hidalgo county jail.

Judge Bryce Ferguson Saturday morning heard reports from both the state and defense that at least two witnesses in the case were ill.

The judge called the jurymen into the box. He explained the circumstances, adding that it was probable testimony could not start before Tuesday. The jurymen's faces may have dropped, but the judge went right ahead to tell them that, although they must be confined to the jury's quarters in the jail, they may read newspapers and magazines and listen to the radio.

It was all over within a few moments.

A deputy sheriff escorted them back to their quarters in the jail, where they had been waiting since the jury was completed Friday from a list of about 125 veniremen.

There they will remain until Tuesday.

Judge Ferguson did tell them, also, that he hoped the case could be completed by Thursday night or Friday afternoon.

COLLAPSE OF SMU STANDS INJURES 34

Temporary Bleachers Fall During Game

DALLAS, Tex.—(AP)—At least 34 persons were injured, some seriously, when temporary bleachers buckled and collapsed during the Texas A. & M.-Southern Methodist football game here Saturday.

The stand folded in the center and gradually settled, tumbling 1,200 persons out of their seats and piling many of them on top of each other. Some were trapped when their legs were caught beneath the crumbling seats.

Ambulances screamed to the edge of the playing field and many of the injured, some of them on hastily improvised plank stretchers, were loaded in and taken to several different hospitals.

Cops Chasing Boys

Policemen who abandoned a race with a group of youngsters who had crashed the gate to aid in untangling the mass of humanity and folded seats, said they did not believe any of the injuries would prove fatal, although several persons had back injuries.

Many were bruised when they were tossed from their seats, and others suffered broken legs.

So intent was the crowd on the ball game and on the chase between policemen and gate crashers, that many did not see the collapse. The crowd totaled 27,000. The game was halted temporarily when spectators surged from the scene of the collapse at the south end of the field to the edge of the playing field. The bleachers caved in during the second period of the game.

Describes Collapse

Miss Lena Hardcastle of Garland, Tex., who was slightly injured, said the stands seemed to settle and shiver before buckling beneath the weight of the hundreds of overflow spectators for the southwest grid headline of the day.

Miss Edith Goepfinger of Tulsa, Okla., said she "seemed to be floating through space."

"Of course I did not realize what was happening," she said. "At first I ended up beneath a pile of people. The seats had been erected to care for the anticipated overflow crowd."

2ND WILLACY WELL BROUGHT IN SATURDAY

Oil Located 18 Miles From Raymondville

RAYMONDVILLE—Second oil produced in Willacy county history was reported here Saturday, after test being drilled by Carter and Rubenstein Company near Willamar in eastern Willacy county, blew in suddenly and unexpectedly Thursday night.

The test, on land owned by Porfirio Garcia, was being drilled for Pan American Company and for a number of majors, according to report, and though it is a "tight" well, with no information being given by operators, the test was believed to be at about 7,800-foot depth when it began producing oil.

The well is located about 18 miles southeast of Raymondville and about 16 miles northeast of Lyford. Drillers began operations on the test something over two months ago.

Pressure was reported unofficially at about 780 pounds, with the well, until choked off, producing low gravity oil, reported at 33 to 38 gravity.

According to the best information available, operators had brought in salt water, and had cemented and shut down preparatory to re-shooting; then had sent out after swabbing materials when the well came on quarter-inch choke, throwing oil all over the immediate vicinity of the well before it could be shut off.

First producer in Willacy was Shell's La Sal Vieja test, five miles west of Raymondville, which produced good grade crude for several months in the fall of 1936 before being shut down, reportedly because of salt water seepage.

RAF BOMBERS HIT MUNICH BEER CELLAR

Hitler Escapes By Bare Minutes

By The Associated Press

LONDON—British bombs exploded Friday night on the Munich beer hall where Adolf Hitler exalted his Nazi old guard, in far-away northern Italy and upon many another vital center of the Axis' war effort, qualified sources announced Saturday.

A whole series of explosives—"A stick"—was declared by the British Press Association to have started a big fire in the Munich cellar, where all the top command of the Nazi revolution had assembled with Hitler to hear him declare that Germany would never quit without victory.

Bombed "By Mistake"

The Press Association punctiliously described this hit as an inadvertence; said the stick had overshot its mark. The air ministry's official communique was even more restrained. It announced: "A strong force of RAF bombers attacked railway stations and goods (freight) yards in the city of Munich."

Despite this official reserve, the press and public exulted that the Royal Air Force had kept Hitler's speech off a scheduled broadcast; had carried its bombs 600 miles to the city that is the very homeland birthplace of Nazism.

Spectacular Night

All this was but part of a spectacular night's work—one of the mightiest in scope yet made in the British aerial counter-offensive.

British pilots flew 1,600 miles to assault an airplane factory in Turin, Italy, and a magnetite works at Milan; others smashed heavily again at the German submarine base of Lorient on the French coast.

Still others smote oil refineries, factories, airdromes, freight yards and ports in Germany, in Holland, in France—at Gelsenkirchen and Frankfurt, Nuernberg and Amsterdam; Hamm; Soest, Osnabruck, Duisburg, the hook of Holland, Stuttgart, Saarbruecken, Le Havre and other cities.

John Hamilton Quits Job With GOP Party To Resume Practice

WASHINGTON—(AP)—John Hamilton resigned Saturday as executive director of the Republican national committee, a post he has held since Joseph W. Martin became national chairman last July.

He gave no reason for his resignation in a letter to the committee. However, Martin, accepting the resignation, wrote that "I can appreciate fully your desire to retire and resume your business career."

Almazan Aide Back For Duty With Army

MEXICO CITY—(AP)—General Jose Mijares Palencia, one of the principal aides of General Juan Andreu Almazan, presented himself to the war ministry Saturday for orders and told newspapermen he was "out of politics."

Mijares Palencia, former governor of Puebla state helped direct Almazan's unsuccessful presidential campaign. He was one of two ranking Almazanistas who had not answered army summonses to report for active duty.

4,000 Workers Mexico May Dismiss Oil Field Labor

MEXICO CITY—(AP)—A government commission of three experts proposed dismissal of 4,000 of 18,000 workers as a means of reducing operating expenses of Mexico's debt-ridden oil industry, it was learned Saturday night.

The move would trim the operating cost annually 22,000,000 pesos (\$4,000,000 U. S.).

President Cardenas, it was reported, may use the commission's proposal as a basis for a decree reorganizing the industry before he leaves office on November 30.

TRANSPORT VESSEL SUNK

'Empress Of Japan' Is Bombed From Air

NEW YORK—(AP)—Bombing by German planes of the 26,032-ton liner Empress of Japan, a British transport, about 300 miles west of Ireland was reported Saturday by a correspondent of Domei, Japanese news agency.

The correspondent told of the attack in a wireless message to his New York office from the Japanese liner Fushimi Maru. (No information was available in London or Ottawa.)

Hit Disables Engines

The Fushimi Maru had picked up an SOS from the Empress of Japan which said a direct hit had disabled her engines, the Domei correspondent said. The Japanese ship, carrying several hundred Japanese home from Britain, left Galway, Ireland, Nov. 7 for Japan by way of Bermuda and the Panama Canal. Domei said the attack occurred in latitude 53.54 north, longitude 14.14 west, approximately the same area where the 42,348-ton Empress of Britain, flagship of the Canadian Pacific's Atlantic fleet, was crippled by German bombers Oct. 26 and sunk two days later by a Nazi submarine with a loss of 45 persons.

Cost \$7,500,000

The Empress of Japan, former flagship of the Pacific fleet of the Canadian Pacific Steamship Company, was built in 1930, cost \$7,500,000 and had accommodations for 1,212 passengers. She formerly ran between Vancouver, Honolulu, Japan and China ports and Manila.

She was converted into a troopship at Hongkong last April and in July arrived at Manila with 1,640 British women and children who had left Hongkong when the situation there became serious.

The liner 644 feet long, set a trans-Pacific speed record of 8 days, 6 hours and 27 minutes in 1930, and a month later broke the Honolulu-Yokohama record.

Alexander Turns In Appeals Court Job

WACO—(AP)—Judge James P. Alexander, newly elected chief justice of the supreme court, Saturday mailed to Gov. W. Lee O'Daniel his resignation as associate justice of the 10th Court of Civil Appeals at Waco.

The resignation was timed to coincide on January 1 with his assumption of the unexpired term of the late Chief Justice C. M. Cureton.

Queen Elizabeth Is Being Prepared For Transport Service

NEW YORK—(AP)—Waterfront reports that the 85,000-ton British liner Queen Elizabeth would sail Monday or Tuesday to serve as a troopship were strengthened as the ship hummed with activity and a diver went down to determine the amount of silt deposited on her bottom.

Carpenters ripped off bulkheads to make room for bunks, food supplies were taken aboard and machinery was tested.

The Queen Elizabeth, the world's largest liner, arrived last March after a wartime run across the Atlantic.

US Making No Move As Yet In Sinking

WASHINGTON—(AP)—Secretary Hull said Saturday that the United States planned no action in connection with the sinking of the American freighter City of Rayville pending a complete investigation.

The reply to questions the Secretary of State said preliminary information indicated that the vessel had been struck by a floating mine, but that the complete circumstances had not been determined.

FD Proclaims Thanksgiving Nov. 21

Two-Thirds Of States Change To New Date

WASHINGTON—(AP)—President Roosevelt Saturday proclaimed Thursday, November 21 as Thanksgiving Day and declared that in these times of calamity and sorrow elsewhere in the world "may we give thanks for our preservation."

It was the second time the chief executive had set Thanksgiving a week earlier than the customary last Thursday in November, which this year falls on November 28. In 1939 he said it was done to benefit merchants by providing a longer interval between the Thanksgiving and Christmas holidays.

Two-thirds of the states have signified they will observe the November 21 date this year. Governors of these 16 states have announced adherence to the traditional date—November 28: Arkansas, Connecticut, Florida, Kansas, Iowa, Massachusetts, Maine, Nevada, Oklahoma, New Hampshire, North Carolina, Rhode Island, Pennsylvania, South Dakota, Tennessee and Vermont.

Analysis Of Business

Immediate Boom Seen

Stock Markets Reflect Conditions, Send Sales Soaring; Inflation Expected

By FRANK MacMILLAN

NEW YORK—(AP)—The country's business men this week turned backs on the national elections and eyes forward to the huge arms program, while Wall Street staged a buying drive in securities and key commodities that added billions of dollars to quoted values.

With the bitter political contest out of the way, and the country in a mood in which industrialists and bankers joined politicians in a call to national unity, the business community appeared to visualize clearly for the first time, the implications of the tremendous sums of levied or borrowed money which will go into the defense effort in coming months.

The great farm crops, wheat, cotton, livestock; the industrial staples, rubber, lead and the like, joined with stocks and bonds in an upsurge late in the week, after a day of hesitation following the election.

Snapping attention sharply back to the war goods program and the unprecedented financial steps which will be necessary to accomplish it, was the revelation in Washington Thursday by Secretary of the Treasury Morgenthau of the first phases of the fiscal program of President Roosevelt's third term.

CHAMBERLAIN NEAR DEATH

Wife Is Suddenly Called To Side

LONDON (Sunday)—(AP)—Mrs. Neville Chamberlain, wife of Britain's seriously ill former prime minister, was called suddenly to his bedside at midnight (5 p. m. CST).

Official word at 2 a. m. (6 p. m. C S T) however, was that the condition of the man who led Britain through the Munich crisis and announced her entry in to the war still was "unchanged."

Mrs. Chamberlain, who disclosed Friday that Chamberlain is gravely ill, had remained at the bedside of her 71-year-old husband throughout the afternoon and until 9 p. m. when she left her home to go eight miles to the village.

The urgent message called her back after only three hours of rest.

406 Officers Finish New Combat Course

WASHINGTON—(AP)—The War Department reported Saturday that a "milestone in the history of American military education" that 406 officers had completed a new course of combat training which is to be given 8,000 men annually.

The group completed a concentrated rifle and heavy weapons company course at the infantry school, Fort Benning, Ga., which is intended to fit them to command troops on the battlefield.

Nazi Raiders Return To Siege Of London

LONDON—(AP)—(Sunday)—German raiders returned to the aerial assault on London shortly before dawn today after subjecting the empire capital to a heavy attack early Saturday night and then giving Londoners a few hours of peace and uninterrupted sleep.

The customary nightly air raid tapered off around midnight to a period of extraordinary quiet and the "all clear" was given.

British Submarine Is Considered Lost

LONDON—(AP)—The admiralty announced Saturday night the submarine H49 is overdue and considered lost. The H-49 was of 440 tons and carried a normal complement of 22 men.

TURKEY SAYS SHE'LL FIGHT DESPITE PACT

Molotoff Will Visit Berlin Shortly

By The Associated Press

Disclosures that the Soviet Premier-Foreign Commissar Vyacheslav Molotoff will visit Berlin shortly brought a quick declaration Sunday from informed Turkish quarters that Turkey will fight "if vitally threatened" regardless of the outcome of Axis talks with her friend and neighbor, Russia.

Turkey received the news of Molotoff's impending conversations with German officials—and presumably Italy's Foreign Minister Count Ciano—with grave misgivings, and Ankara quarters said Turkey hoped for "benevolent" Russian neutrality in the developing Balkan warfront. Count Ciano is expected to go to Berlin next week, Rome circles said.

Bulgaria May Fall

Bulgaria has been considered by many observers as likely to swing publicly into the Axis camp opening the way for a German sledgehammer attack on Turkey and Greece to aid Italy's thus far apparent failure to crack Greek defenses.

If Bulgaria makes any move against Turkey it will be "considered sufficient cause for war," Turkish quarters said.

Anxiety about Turkey's status has been observed in London quarters since that country failed to go to the aid of her Greek neighbor and because of reported Axis pressure on Russia to keep Turkey out of the camp of her avowed ally, Britain.

Turkey steadfastly has sought to avoid Russian displeasure in her stand against the Axis, but reports from Sofia and other Balkan quarters intimated Germany and Italy were attempting to "talk turkey" with Russia on division of spheres of influence in the Balkans and the Near East.

Turkey Is Involved

Turkey had no doubt that her position would form a major topic in the German-Russian-Italian talks, since she guards the strategic Dardanelles and bars the way to an Axis drive to knock out the British Mediterranean forces.

Rumania opened the first fissure in Balkan union by permitting German troops unofficially estimated at numbering 270,000 to enter. The Turkish press believed Bulgaria would open the "second breach," and Yugoslavia sent more troops to her Albania-Greek frontier in a desperate effort to remain neutral and keep the Greek-Italian fight from spilling into her territory.

LUMBER KING KIRBY DIES

Long Illness Fatal To Houstonian

HOUSTON—(AP)—John Henry Kirby, 80, Houston lumberman and financier, died at his home at 10:10 p. m. Saturday night after a long illness.

He was chairman of the board of the Kirby Lumber Company although active management of the company was in the hands of others.

Mr. Kirby built up one of the largest lumber businesses in the country.

Territorial Dispute May Affect Whalers

OSLO—(Via Berlin)—(AP)—An expert on the Antarctic foresaw difficulties ahead for Norwegian whalers as the result of possible sovereignty disputes arising out of Chile's claim to a wedge of Antarctic territory.

Prof. Adolf Hoel said such disputes might hamper Norwegian whalers operating in the vicinity of the Falkland islands, which are near the Chilean claim.

Panamanian Leaves With Gas For Japan

GALVESTON—(AP)—The Panamanian tanker Panamanian, loaded with 65,000 drums of gasoline for Japan, left Galveston harbor Saturday afternoon after numerous delays in its sailing.

A hitch in obtaining government authorization to depart and an engine room accident, in addition to other incidents, kept the tanker laid up until Saturday.

Dope Seized

Marihuana Is Found In Harlingen

HARLINGEN—Two Mexican women and one Mexican man were arrested by officers here Saturday afternoon, and are expected to be charged in county court Tuesday with possession of marihuana. The officers also arrested another man, confiscating a gallon of mescal Saturday.

The officers, Liquor Control Board Agent W. C. Terry, Customs Officer Francis Scott, and County Traffic Officer Collis Thompson, said the two men and the woman first arrested had a pound of marihuana seed in their possession when taken into custody. News and picture of earlier seizures on Page 7.

PARISH SETS SERVICE FOR NEW EDIFICE

St. Anthony's Church Dedicated Monday

HARLINGEN — Dedication of the new \$35,000 St. Anthony's Catholic church, recently completed, will be staged here Armistice Day, with the ceremony to begin at 10:30 a. m. His Excellency E. B. Ledvina, Bishop of Corpus Christi, assisted by The Very Rev. Esteban de Anta, O.M.I., and the Very Rev. Y. Tymen, deans of the Brownsville and Mission Ecclesiastical districts, respectively, blessing the building.

The Psalms and Litany will be chanted by the priests. Solemn High Mass in honor of St. Anthony will follow, with the Rev. A. Antonine, the pastor, and for whom the church was named, as the celebrant. Assisting will be the Rev. Charles Serodes, O.M.I., deacon; The Rev. B. W. Daugherty, sub-deacon; and The Rev. Theophilus, master of ceremonies. The sermon will be delivered by Bishop Ledvina. The School of the Oblate Novices of Mission will sing the Mass "De Angelis."

At the Solemn Benediction of the Blessed Sacrament, to be held at 4:30 p. m., the singing will be furnished by a choir directed by Mrs. James D. Ward of San Benito and Mrs. S. R. Jennings of Harlingen.

Visiting Priests

The Rev. Walter Arnold of San Antonio, Provincial of the Oblate Order, will be present, accompanied by many priests of the Province. Also present will be Father Burns, instructor of St. Anthony's College for Priests, located at San Antonio, as well as a number of students of the college, which was founded and named in honor of Father Antoine of the Harlingen church.

Barbecue dinner and supper will be served on the grounds next to the church immediately following the celebration of the Mass, and again after the Benediction. Preparations have been made by Fred Keppers, in charge of the barbecue, to serve as many as 2,500 persons.

Mission Architecture

The church, named in honor of Father Antoine, is of Mission style architecture, built by E. Walsh of Mission at corner of Harrison and Tenth. Stanley Bliss of Harlingen and Corpus Christi, is the architect.

Cornerstone ceremonies were held on September 29, the 57th anniversary of the date on which Father Antoine took his priestly vows. He was ordained a priest in December, 1887. Ground was broken on May 30, Father Antoine's 78th birthday.

Church Seats 402

The new church has seating capacity of 402 persons in the main body of the church. It is of brick construction with red tile roof and tile floor, indirect lighting and medium light oak pews. The exterior conforms with the Mission design of architecture. The building is 120 feet long and 61 feet at the wings.

Future plans for the church property include construction of a parochial school and other buildings, according to Larry Powers, chairman of the church building committee. Other members of the committee are Menton Murray, Fred Keppers, S. R. Jennings, J. J. Murray, Lloyd Bogart, Mrs. Ellen Gaffney and Father Antoine.

Speakers buried past differences and pledged future unity. (Staff Photo.)

ROTARY HEARS FRED NEWLAND

Attorney Urges U. S. Defense Support

HARLINGEN — The "Armistice has not failed," Fred Newland, Harlingen attorney, said here Friday in a talk before the Rotary Club. "Let the spirit of American defense be in every heart."

Newland prefaced his remarks on Armistice by lamenting the allegation that he was "not the second, but sixth" speaker to be asked to appear.

Peace Not Solved

"We did not solve the problem of world peace in the last Armistice or the last peace," Newland said. "It is questionable whether we can create a definite and lasting peace while there are dictators men who strive to become dictators." He said he had always backed a preparedness program extensive enough to command the respect of all nations.

"The possibilities for what has happened have been apparent for years. The defense program is a vital thing that must become a vital part of the American life. America is together, I have no fears for the solidarity of the United States in the future. We are closer than since the World War. Our national consciousness has come to the surface," the speaker said.

Hope Of Future

"The hope of the future lies in a free public school system and a free spirit. The spirit of the Armistice is manifested in the defense program. Let the spirit of defense be in every heart."

Dr. John Crockett, resigned member, was elected to honorary membership. Luncheon on November 22 will be moved up to November 21, for an intercity luncheon to be held at San Benito.

GUARD STARTS DUTY TUESDAY

36th Division Will Be At Camp Bowie

BROWNWOOD — (AP) — Major General Claude V. Birkhead, commander of the 36th Division, said Saturday night members of the general staff would go on duty in San Antonio Tuesday to prepare for removal of the division to Brownwood's quarters.

The 14th Quartermaster Regiment will leave Austin on November 28 and division headquarters will move here December 2, the commanding officer said.

Advance detachments and the supply companies of each regiment will leave their home stations on December 1 and the main body of troops will leave their home stations on December 4.

A total of 12,000 men will begin complete training on December 9. The total will be increased to 18,000 men by volunteers, General Birkhead said.

In addition to Texas National Guardsmen, 7,500 regular army troops and the 11th Cavalry of the Iowa National Guard will be quartered here.

Realtors Meet

Entertainment For Tourists Talked

HARLINGEN — Committee from the Harlingen Real Estate Board to work with the city and chamber of commerce in providing entertainment for tourists here this winter was announced Saturday after a meeting of 28 realtors this week.

Paul Carruth, Joe Penny, W. B. Shaw, W. B. Buford and Keith McCune were named to the good-will and entertainment committee. J. J. Willingham, president, said the board would also contact merchants here to provide benches at Shady and beauty spots over town.

He said a number of local realtors would attend the banquet at Weslaco November 18 in honor of Sen. Rogers Kelley, and Representatives Homer Leonard, A. J. Vale and Augustine Celaya.

FRUIT FIESTA VALLEY-WIDE

Leaders Plan Citrus Show At Mission

MISSION — Emphasis will be placed on the Valley-wide scope of the exhibit of citrus at the eighth annual Texas Citrus Fiesta, to be held in Mission, January 17-19, it was announced by Vance H. Glasgow, general chairman of the citrus celebration.

In outlining plans for the citrus exhibit, Glasgow pointed out that the fiesta will be the only celebration in the Valley this winter that will seek to draw attention especially to the Valley's greatest industry. Since the Valley Mid-Winter Fair will not be held, the fiesta will be of more importance than ever to show winter visitors the best examples of Valley citrus.

In each Valley community from Brownsville to Mission, a committee will be appointed to assist in assembling fruit which will be picked up by a committee from the Mission celebration.

Discussing the plans Saturday, Glasgow issued a plea to citrus men throughout the Valley to assist in the celebration, either by volunteering to serve on the committee from their respective home communities or by offering fruit to those committees to be displayed. Assistance from those identified with the citrus industry in all parts of the Valley will be necessary to make the display a complete success, he said.

D. L. Rankin, chairman of the citrus exhibit, announced that he expected to name the Valley committee next week.

CRASH VICTIM IN HOSPITAL

Edinburg Girl Said Still In Danger

EDINBURG — A 19-year-old Edinburg girl, Ramona Cantu, remained unconscious at the County-City Hospital here Saturday while three other girls were recovering from injuries all received in an auto crash on State Highway 107 near La Blanca, east of Edinburg, at 6:45 p. m. Friday.

County Highway Patrolman Walter Lysinger said the car driven by Miss Cantu and occupied by Misses Mercedes, Paula and Inez Benavidez, all of Edinburg, plunged from the highway during a heavy rain and plowed into a ditch on the north side of the road.

Miss Cantu's injuries were not detailed by hospital attendants. Her condition was considered serious. Two other escapees in the crash, a 4:30 p. m. Friday on Highway 107 near Roth road, west of Edinburg. Cars driven by Gordon L. Reis of Buffalo, N. Y., and Stanley Conklin of Edinburg figured in the crash and both were damaged. Lysinger reported.

CAMACHO WINS BRIGADE POST

President's Brother Is Advanced

REYNOSA, Mexico — General Maximino Camacho, brother of President-Elect Manuel Avila Camacho, has been promoted to a general of brigade in the Mexican army, according to information received here Saturday.

General Maximino, the present governor of the state of Puebla, was promoted from the rank of division of brigade. He is to leave the governor's post Feb. 5, to be succeeded by Gonzalo Bautista, the governor-elect.

Observers said here the governor may assume a high post in the cabinet of Avila Camacho after the latter is inaugurated as president Dec. 1. The ministry of national defense was one of the posts mentioned.

The promotion to a full general of division was approved by President Lazaro Cardenas and General Augustin Castro, minister of national defense.

According to dispatches from Mexico City, the new president will not include former chief executives in his new cabinet. Former presidents who have been mentioned for ministries were Porfirio Gil and Abelardo Rodriguez, but Avila Camacho was understood to oppose inclusion of the men in his cabinet.

Captain Gustavo P. Serrano, former engineer with Mexican section of the International Boundary Commission and minister of communications under President Ortiz Rubio, is reported to be the choice for minister of foreign relations, succeeding Eduardo Hay, Ramon Beteta, graduate of the University of Texas, Austin, is expected to retain his post as sub-secretary of foreign relations or to accept a special commission.

Captain Waldo Romo Castro, private secretary for General Avila Camacho for the past six years, is expected to retain that post when the general is inaugurated.

Callier Makes New Third Straight Day

HARLINGEN — Everything happens to S. F. (Fritz) Callier, Jr., and so he gets his name in the paper for the third straight day.

Callier, written about and his picture snapped for the paper because he was the first Harlingen volunteer for military training under the national defense act, had a fire at his place at 901 E. Monroe early Saturday afternoon.

Some clothes caught fire, so when it began to look like Callier wouldn't be able to put it out by himself, he called the fire department. Fire Chief Jake Childress jumped in his chemical truck and hustled out there. But Childress never did cut off his motor, for when the truck reached the house Callier stepped out in the yard and wig-wagged that everything was o. k. and under control.

LOT CLEAN-UP BEING SOUGHT

Area Beautification Efforts Urged

MCALLEN — With inauguration of the annual beautification contest for the Rose Cup, vacant lot owners should clean up their property to improve McAllen's chance of winning the trophy. City Inspector Henry Mallau said Saturday.

"If non-resident owners are unable to clean up their lots, neighbors will have to join in and do the work themselves," Mallau said. "I, for one, am willing to pitch in to help beautify the city of McAllen. We've been letting other Valley cities take the Rose Cup because their clean-up campaigns have been more thorough than ours."

Mallau said some lots handled by real estate men needed cleaning, and he urged them to have the work done, declaring the value would be enhanced.

The inspector said Ray's Camp on North 18th street and Humphrey's Camp on the West Highway are being remodeled to meet requirements of the state department of health. He said all others in the city are meeting the requirements.

STAMPS FOR WIRE

Telegraph Company Has Novel Plan

HARLINGEN — Students off at college, draftees taking military training and tourists will have less excuse than ever for failing to keep in touch with their home, office or friend, as the result of a new policy adopted by Western Union in issuing telegraph stamps.

Travelers and others may buy \$2.50 or \$5.00 books of stamps which may be used in paying for telegraph messages, according to G. E. Osborn, local Western Union superintendent.

The stamp will have the same advantages as traveler's checks since they can be carried with less hazard of loss than cash. Books of stamps can be given by parents to children at college and as gifts by others as well. They will be handy in many ways, Osborn said.

A likeness of Samuel F. B. Morse, inventor of the telegraph, is on the first issue of stamps and other persons identified with history of telegraphy will be honored in succeeding years. Stamps are issued in denominations of one, two, five, ten and 25 cents.

Small Texas Farmers Overpay 1940 Loans

DALLAS — (AP) — Small farmers of Texas to whom the Farm Security Administration has made rehabilitation loans have overpaid their matured installments by more than 43 per cent during the current fiscal year, Regional Director C. M. Evans announced Saturday.

He said that \$2,247,661 had been paid from June 30 to November 11 on installments aggregating \$1,563,734.

NEFF SPEAKER ON ARMISTICE

Baylor Head Slated At San Benito

SAN BENITO — Pat M. Neff, president of Baylor University and former governor of Texas, will speak at the First Baptist church at a special Armistice service at 11 a. m. Sunday and will be the principal speaker at the main Armistice program at the stadium at 11 a. m. Monday.

John Prentiss, chairman of the church services, will introduce the speaker. Special music will include a solo, "God Bless America," by Ralph Cisne of Brownsville, accompanied at the piano by Mrs. Robert Hamlin of San Benito. The San Jackson Post No. 111, American Legion, will attend this service in a body.

Sunday afternoon, an informal public reception will be held from 3 p. m. to 5 p. m. at the Stonewall Jackson hotel in honor of Mr. Neff. Mr. and Mrs. Frank S. Robertson are co-chairmen of the reception and will be assisted in receiving by representatives of the First Baptist church and the American Legion members and their wives. The former governor has many friends in the Valley and all are invited to attend the informal reception as is the general public.

HOLIDAY SERVICE

San Benito Observes Thanksgiving

SAN BENITO — An outdoor Thanksgiving service will be held at the high school stadium at 10 a. m. November 28 sponsored by the San Benito Chamber of Commerce. It was announced by E. W. Franke, chairman of the civic affairs committee.

Committees to arrange details for this observance appointed by General Chairman Franke are: Decorations, Mrs. Claude L. Atkins, chairman; assisted by Mrs. J. C. Tucker, Mrs. Ralph Asar and Mrs. James D. Ward; Speaker and prayer, Lee Roy Crawford, chairman; Rev. L. J. Rode and Dr. Hugh Robertson, Chairman of finance, Rev. C. S. McKinney assisted by Rev. G. Look Into The Records

This Home-Owned Business Training Institution has successfully and efficiently served Harlingen and its adjacent territory for five years.

The thorough practical training we offer at reasonable prices to those seeking positions in the Business World, provides the student with not only proficient skill, and general knowledge of business practices, but also instills into their minds the highly important feature of a high standard of moral living.

Positive evidence of our ability to give this type of training, is shown by the fact that the Business Man has learned to depend on us to adequately fill his needs.

These needs are carefully studied, and if future developments call for any additional branch of service, the need will be promptly supplied.

15,000 ARE TO SEE KENEDY GAP CLOSED

Raymondville Plans December 17 Fete

RAYMONDVILLE—Plans are being made for entertaining 15,000 persons when completion of the Kennedy county highway and the irrigation district is celebrated here December 17.

"A celebration as large as that will take the wholehearted support of everyone in Willacy county to make it a success," said Nat Wetzel at a meeting of citizens at the Tulsa Cafe where the event was discussed by local citizens. Wetzel was one of the prime movers in getting the highway built.

A bus will leave Orange Monday, December 16, bringing reporters and other newspaper representatives to the celebration. An overnight stop will be made at Corpus Christi and the group will arrive here on day of the celebration at expense of the Union Bus Line.

District Completed

Completion of the Willacy county irrigation district will be celebrated at same time as closing of the gap in the Hug-the-Coast highway. Local residents are sending out invitations to attend the celebration in all their business and personal mail.

Wetzel Director

Wetzel, who is director of the Hug-the-Coast Highway Association, has interviewed every governor and highway commissioner since 1920 on behalf of the highway. Full cost of the highway from Orange to Brownsville is estimated at \$22,000,000 and is regarded as important from the standpoint of national defense.

Lutheran Orphans

Valley Churches To Aid War Refugees

HARLINGEN—Members of the Lyford and Harlingen Lutheran Churches will join in special services at the Grace Lutheran Church in Harlingen Sunday night, to co-operate in the national campaign to aid Lutheran foreign missions orphaned by the war.

The service, in the church at 401 E. Jackson, will begin at 7:45 p.m. Rev. J. C. A. Plenninger, Harlingen pastor, will present the cause of Lutheran World Action, and Rev. E. P. Roden of the Lyford church will preach the Reformation—Festival sermon.

Effort is being made by the church nationally to raise \$500,000, with which to sustain the foreign missions for a year, this being the minimum required. If the fund is raised, Lutheran World Action will maintain 38 of the 47 non-American Lutheran missions in the world serving 800,000 people.

Doris Duke Leaves Husband For Hawaii

LOS ANGELES—(AP)—Doris Duke Cromwell, the heiress, says her marriage to James H. R. Cromwell, former minister to Canada, is over—but she has no plans for a divorce. "I've separated from my husband," she told reporters as she boarded a liner for Honolulu Friday night. "Yes, it's permanent. I am going to my home in Hawaii for an indefinite stay."

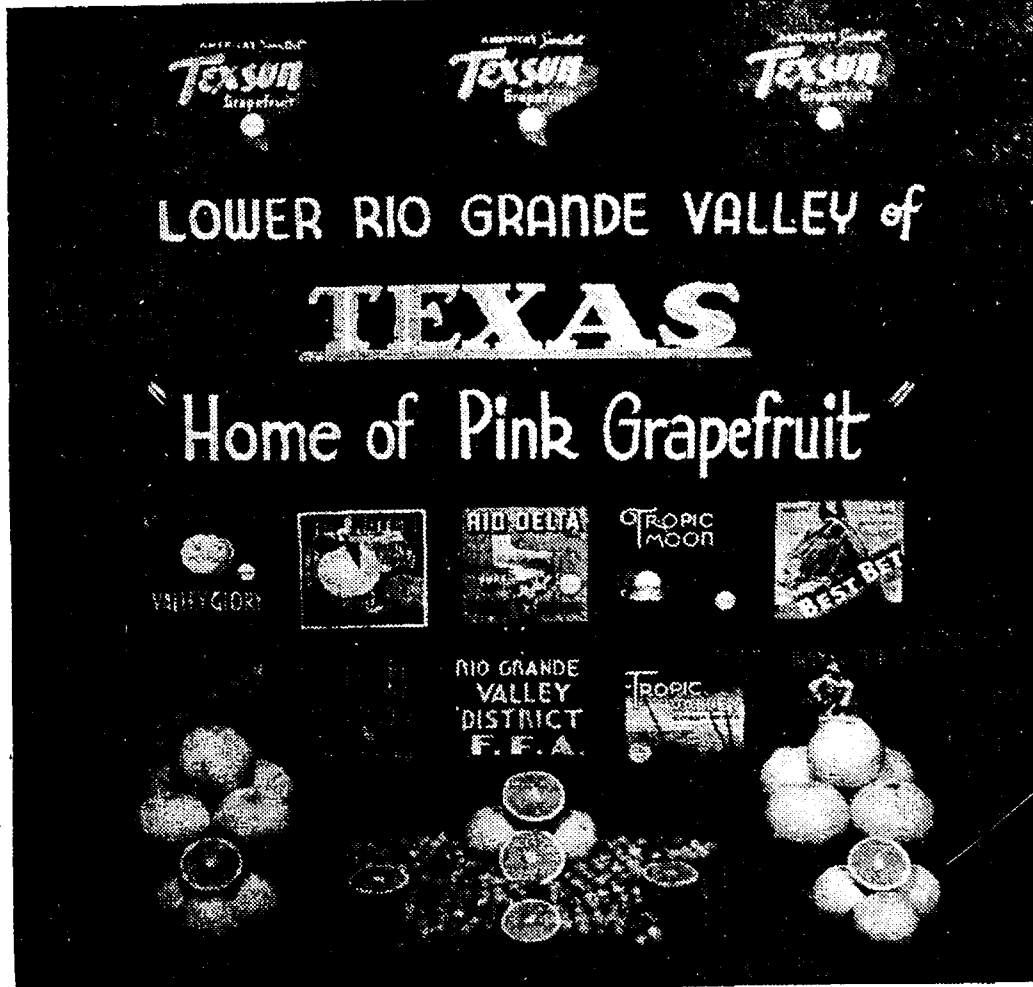

Former GOP Editor Passes In Missouri

CHICAGO—(AP)—Charles Dillon Morris, 73, former editor and publisher of the St. Joseph, Mo., Gazette and later assistant to the chairman of the Western Railways committee on public relations, died in a hospital here Friday night. For many years he was active in Republican politics in Missouri, serving as chairman of the state central committee in two campaigns and running as a candidate for governor in another.

Valley Exhibits Featuring Prize Citrus Fruit

This Weslaco community citrus exhibit won first place at the annual South Texas Livestock and Agricultural Show in Kingsville on Oct. 30.

This display of Lower Rio Grande Valley pink grapefruit will be set up in convention headquarters for the annual convention of Future Farmers of America next week in Kansas City. Eldon B. Smith, general manager of Hidalgo and Cameron Counties Water Control and Improvement District No. 1, left Friday with two members from the Weslaco and Mercedes chapters of the FFA to attend the convention.

4 Valley Boys Now At Kansas City

MERCEDES—Four Mercedes and Weslaco FFA boys and Mr. and Mrs. Eldon B. Smith left Friday afternoon to attend the National Convention of the Future Farmers of America at Kansas City next Monday, Tuesday, Wednesday and Thursday. They will also attend the American Royal Livestock Show which is being held in Kansas City during the same days. The Mercedes-Weslaco FFA chapters, with the cooperation of local fruit packers and the chambers of commerce of the two towns, are also sponsoring an attractive exhibit of Texas grapefruit, which will be shown in the exhibit hall of the American Royal Livestock Show. This exhibit features pink grapefruit and is designed to more thoroughly acquaint northern people with the excellent quality of this Valley product.

Ralph Powell and James Van Burkelo are attending the National FFA convention and the American Royal Livestock Show as guests of the Mercedes Chamber of Commerce which is providing the trip expenses for these two Mercedes representatives. The Weslaco FFA boys, who are making this trip at the expense of Weslaco sponsors, are Keith McMullen and Rayford Barnett. Eldon B. Smith, who is in

Hitler Hired Physician Who Threw Him Out Of His Quarters Because He Made Too Much Noise Heiling Around

DALLAS—(AP)—A visiting Eastern physician Saturday claimed to be probably the only living man who ever "bounced" Adolf Hitler and got away with it. He is Dr. John Gelbert of New York, a naturalized German-born physician, who said he was Hitler's personal medical attendant from 1924 to 1927.

Gotham CIO Council Asks Lewis Resign

NEW YORK—(AP)—The executive board of the New York state CIO council wants John L. Lewis to resign his CIO leadership, as he said he would do if President Roosevelt won re-election. A statement issued for the council's executive board by Gustave A. Strobel, president, after a meeting Friday, said election results constituted a "complete repudiation" of Lewis and demanded that he make good his promise to step down as CIO president at the national convention in Atlantic City Nov. 18.

charge of the Kansas City tour, is president of the Rio Grande Valley Livestock Show which will stage its second annual exhibition of livestock on March 20, 21 and 22.

While practicing medicine in Munich in 1923, Gelbert explained, dead and wounded from a nearby riot were brought to his quarters. Hitler, then comparably unknown, rushed through the door, shouted "Heil Hitler," and demanded to know the nature of the riot victims' last words. "He made so much noise and got so much in the way that I shoved him out the door on the seat of his pants," the doctor recounted.

After the incident, Gelbert said, Hitler endeavored to win the doctor's patronage and employed him as his personal physician until Gelbert left Germany for a series of international travels.

LONDON RAID SHORT LIVED

Attack Tapers Off In Sunday Quiet

LONDON (Sunday)—(AP)—The customary German air raid on London opened with a heavy assault Saturday night but tapered off early Sunday morning into a period of extraordinary quiet and even the distant anti-aircraft guns fell silent. It had been for a time a thunderous attack—loosed at the earliest hour yet known here—and bombers had approached in relays from several directions, others striking simultaneously at northern England, Wales and the Midlands.

So heavy was the gunfire during the evening that big, solid buildings were shaken by the concussion. One plane shot down in southeast London demolished two houses, and was believed thus to have trapped at least two people, in its descent. Another night raider was reported shot down at Cornwall. The "raid-ers passed" signal was given after midnight.

Two daylight thrusts at London Friday were turned back with comparatively little damage here, save for the destruction of several business buildings.

The word "reitor" was coined by the National Association of Real Estate boards as a name by which to designate its members.

Fellowship Dinner Set At St. Alban's

FOUR VALLEY TOWNS ENTER BEAUTY RACE

Rose Cup Will Go To 1940 Winner

McALLEN — Four Valley cities have entered the annual beautification and clean-up drive for the Rose Cup award in a competition sponsored by the Valley Garden clubs and the Valley Secretaries association, local chamber officials announced Saturday.

The deadline for entering the contest is Wednesday, November 13. The entrance fee for cities of 5,000 or more is \$2.50 and for those under 5,000 \$1. The money is to be sent to the McAllen chamber of commerce, which is acting as treasurer of the campaign.

The annual contest was inaugurated by the late Julia Cameron Montgomery to make the Valley a more attractive place not only for its own residents but also for tourists.

The judging is to be done during the second week in December, and the winner will be announced shortly thereafter. The winner will receive the \$100 sterling silver Rose Cup for a year. If any money from the entrance fees is left over after expenses of judging have been paid, the sum will go to the winning city.

Present holder of the cup is Pharr. Edinburg won the previous year.

Plan Colony

Lower California Is To Be Settled

MEXICO CITY—(AP)—A group of senators who recently interviewed President-elect General Manuel Avila Camacho reported Saturday that he planned to sponsor a movement to colonize the territory of Baja California and would invite Mexicans now living in the United States to participate if they desired.

The government has announced many Mexican residents across the border have applied for permission and economic aid to return to the republic because they were out of employment in the United States.

The rugged territory of Baja California, which extends south from California, is one of the most sparsely settled in Mexico.

National Plan Of Defense Means Larger Red Cross

Harlingen Meets Need For Added Service With Roll Call Drive Nov. 11 To 30

HARLINGEN—The mobilization of man power for national defense will demand increased Red Cross services to the armed forces of America, R. C. Pryor, chairman of the Red Cross chapter in Harlingen, declared Saturday. These services, he pointed out, stem directly from the Congressional charter of the American Red Cross which is a mandate to every local chapter and branch of the organization.

Fortunately, Pryor added, these services are so well organized nationally and locally that they are capable of rapid extension. Cost of the necessary extension of activities on behalf of service men will be met, as in the past, from membership contributions. This year the American Red Cross conducts its roll call of members in Harlingen from November 11-30, he said. E. M. Crockett is roll call chairman.

"The war service of the American Red Cross," he announced, "has representatives at 77 field offices and hospitals, contacting the various elements of the armed forces at some 800 points. In the past more than 53,000 soldiers, sailors, marine and coast guardsmen or their families were aided in solving all kinds of problems arising from economic, illness and social causes.

Mitigate Worry
"This Red Cross activity is based on a recognized medical principle that anxiety, fear and other temporary mental disturbances tax the morale of able-bodied men and retard recovery for the sick. The removal or mitigation of the cause of such worry by the Red Cross is a definite contribution to recovery

Uncle Sam Wastes No Time Putting His Men To Work, Valley Flier Finds, Trains In Hawaii Now

Sam Bishop, La Feria Tells Of Trip To Islands

Editor's Note: The following letter is from Sam Bishop, son of A. L. Bishop, La Feria, and grandson of J. J. Bishop, county official, and relates his experiences en route to his training base with the 78th Pursuit Squadron, Wheeler Field, Hawaii. It is reprinted for the interesting manner in which it is written, and because it shows Uncle Sam is wasting no time putting his men to work.

Dear Mama and Dad:
To give a detailed account of this trip to Frisco and by boat to Honolulu, and to relate all the experiences and describe all the sights and scenery would take days.
Unfortunately we are as busy as the proverbial cat on the corrugated tin shed so I will have to crowd you the brief outline of

Japs Take Bank

Chinese Institution Is Seized

SHANGHAI—(AP)—Japanese took over control of the head office of the Central Bank of China Saturday and cleared another formidable hurdle in their path to complete domination of Shanghai.

The move followed their acquisition of control through their Nanjing regime of Chinese courts in the French concession Friday.

The bank was established almost a decade ago by the present Chinese government at Chungking as the financial backbone of the government's finances and its control of the nation's currency.

Financial circles stated that, as a result of negotiations with settlement authorities, the Japanese were taking over the property and were preparing to open a new bank.

the past few weeks into a short letter.
At 8 p. m. on Monday I left La Feria and drove into Dallas, stopping in San Antonio long enough to pick up Charlie Taylor and eat lunch. He and I spent the night with Johnny O'Keefe in Dallas and proceeded to Tulsa the next afternoon. We spent Tuesday night there and saw many old friends and acquaintances of primary days.

Charlie got his car out of storage there the next day and we drove to Wichita, Kan., where taking Highway 40 due west. That night we stopped at a tourist camp in western Kansas. The next day we drove through Denver and stopped for the night at another tourist camp. That day we drove in some gorgeous mountain scenery for we were in the heart of the Rockies.

We were eager to get on to Frisco and complete sailing arrangements so we made but few stops, proceeding on over the continental divide, stopping on its peak long enough for a cup of hot coffee for the temperature was 55 degrees.

Night In Nevada
Friday we drove to a small town in Nevada, grabbed a night's rest, and went to Salt Lake City, Utah. We intended to spend the balance of the afternoon and night there but itchy feet had us on the road again in a couple of hours. We hardly stopped then until we drove into Frisco late Saturday night.

We went directly to Fort Mason near the docks and got a room and a well earned night's rest. From noon Sunday to Thursday at 11 a. m. we took in San Francisco and the Exposition on Treasure Island in the bay. We visited Chinatown, Fisherman's Wharf, International Settlement, and various points of interest therein. Some time we spent at Hamilton Field, just out of Frisco, where about 50 of our classmates are stationed.

Thursday at noon all passengers went aboard the Republic and we began acquainting ourselves with the boat. It is the largest of the army transports and including the crew and troops aboard there were 2300 of us who steamed beneath the Golden Gate Bridge headed out to sea at dusk Thursday evening, the 18th.

Acquires Sea Legs
The first night and day at sea everyone was busy acquiring sea legs and the principle topic of conversation was "that peculiar dizzy feeling in the stomach." However, with the exception of the third day when we had a moderately heavy sea, the crossing was smooth and only a few suffered from sea sickness.

We passed the time playing shuffle-board on the decks, cards in the smoking room or reading in the social room. The fifth night out we had a dance and all aboard were in a gay mood. Every night there were two movies shown and these drew a lot of interest. They were shown above decks and it was a thrill to sit in the cool breeze with only the stars above and see a picture show while the ship gently rolled and swayed on to Hawaii.

Thursday morning the 26th we docked in Honolulu harbor at about 8 a. m. A large orchestra was playing Aloha (which I have

Gordon Griffin Will Speak At Mission

McALLEN—Candidates and members of the Mission-McAllen council of the Knights of Columbus are invited to attend the covered dish supper at 7:30 p. m. Sunday at the Mission hall.

Gordon Griffin, McAllen attorney, will be the principal speaker. Families of council members are invited to attend.

The day's program will be opened Sunday morning with all candidates and knights receiving holy communion in a body at the Sacred Heart Catholic Church here at 7:30 o'clock mass. At 8:30 o'clock breakfast will be served to the group in the parish hall.

learned means hello, goodbye and several other things) and the dock was lined with people loaded with flower leis which we soon had around our necks. The air was filled with the sweet odor of flowers, music, laughter and cheerful greetings. Off to our right was Waikiki Beach where figures could be seen riding surf boards. To our left was Pearl Harbor where at least 50 sleek naval boats could be seen.

Island All Green
All over the island was greenery, beautiful palms and flowers. In the distance mountains loomed up with trees and vegetation growing solidly even on the very peaks. The beauty of the islands is really something to behold.

The 29 of us in the Air Corps were escorted about town by a number of officers from Wheeler Field who took us to the Royal Hawaiian Hotel on Waikiki Beach for a few rounds of drinks to get acquainted. Needless to say we all felt right at home immediately with such a reception.

At mid-afternoon we arrived at Wheeler Field, 20 miles from Honolulu, nestled in between two low mountain ranges, midst pineapple and sugar cane fields and bordered by banyan trees and coconut palms. It is a beautiful field, large and clean, with a personnel of splendid officers and men.

The next day we realized our holiday was over for we went right to work reading technical orders on the pursuit ships and studying their characteristics. Thirteen of us were assigned to the 78th Pursuit Squadron, 12 to the 19th and four to the 86th observation. We have had but little time for play since but have

managed a beach party and a swim at Waikiki.

We are already practicing dog-fighting in fast single-seat pursuit fighters fully equipped with machine guns and ammunition. Soon we will begin firing practice at low targets and green targets. You may rest comfortably for the 18th pursuit group of Hawaii is a fighting unit that is ready, and 78th Squadron I can point to with pride as being an efficient and potent unit of our flying defense. Those of us in Hawaii are the best training and the best planes that can be had, so in the face of any eventuality we can do more than hold our own. A wildcat will suffer the very little injury in a fight with a coyote so put any fears to the contrary out of your minds when hostilities begin.

We have nice quarters, two of us to an apartment. However, we have to furnish them at our own expense and furniture here is at a scandalous price. Charlie Taylor and I have an apartment together and find it very comfortable. We take our meals at the club.

Due to present duties and intensive training here I won't be able to spend any time with courses in the University of Hawaii but may be able to do so later. It is a nice school and has a beautiful campus. It would truly be a wonderful opportunity.

Later I will write more in detail and tell you about the people here when I have observed them and the islands more closely. My car arrived without a scratch and is running perfectly.

Write soon.
Love to all,
Sam.

ESPEJO WINS BOOK TROPHY

McAllen Annual Is First In Valley

McALLEN — El Espejo, yearbook published by the McAllen high school, received the first cup ever to be awarded to an annual by the Valley High School Press Conference at the Brownsville meeting last week.

A silver loving cup was presented by A. A. Hargrove of Brownsville to Bernie Gwynn, 1940 editor of El Espejo, the edition which won the award. Assisting Hargrove as judges were Miss Jamie Lee Green of Harlingen and Mynatt Smith of McAllen.

The McAllen book had a total rating of 800 points, 15 over that of the Brownsville annual. The books were judged on artistic appearance, physical appearance and general effect.

The Brownsville meeting was attended by 22 students and three sponsors from McAllen. It was announced that hereafter, awards given at the fall banquet would be for yearbooks only. Those given at the spring banquets will be for outstanding weekly papers and work of individuals. The Weslaco chapter of Quill and Scroll invited the press conference to hold the spring banquet at Weslaco.

Grace Delamater, Logan Cockrum and Johnnie Earl Suttle were the first McAllen high school students ever to be initiated into the Quill and Scroll Society by the candle light ceremony at a meeting of the Valley High School Press Conference Nov. 5, conducted by the Mercedes chapter.

Quill and Scroll is an honorary journalism organization.

Sweden To Examine "Grapes Of Wrath"

STOCKHOLM—(AP)—A government board began deliberations Saturday to determine whether the United States motion picture "Grapes of Wrath" is Communist propaganda.

Editors of Svenska Bladet complained that the film, which depicts the hardships of midwest migratory workers in California, was "so definitely Communist in tendency that one is astonished it is allowed."

BUENOS AIRES—(AP)—The newspaper La Nacion urged Saturday that Argentina contest Chile's claim to Antarctic territory between 53 and 90 degrees west longitude. (The Chilean ministry of foreign affairs claimed the territory November 6, pointing out that Chile planned to exploit any possible oil and coal deposits found there.)

Winner Cancels Debt As Election Result

a four inch line from El Tanque field in Starr county to Rio Grande City where four 1,000-barrel storage tanks have been erected at a railroad loading rack in order to load tank cars.

Since the Rincon pool has been producing at the rate of about 18,000 barrels of oil per month, new shipping facilities and outlets for its crude have become necessary. The Davis surplus, above present pipeline capacity, is to be handled by tank cars to the port here.

Both Caremon and Hidalgo counties have granted an application of Davis interests for oil, gas and water pipelines and it has been indicated that construction of the line will be pushed to early completion.

According to information available here, the Davis interests sold half of a certain portion of its interests in the Rincon field to the Continental Oil Company.

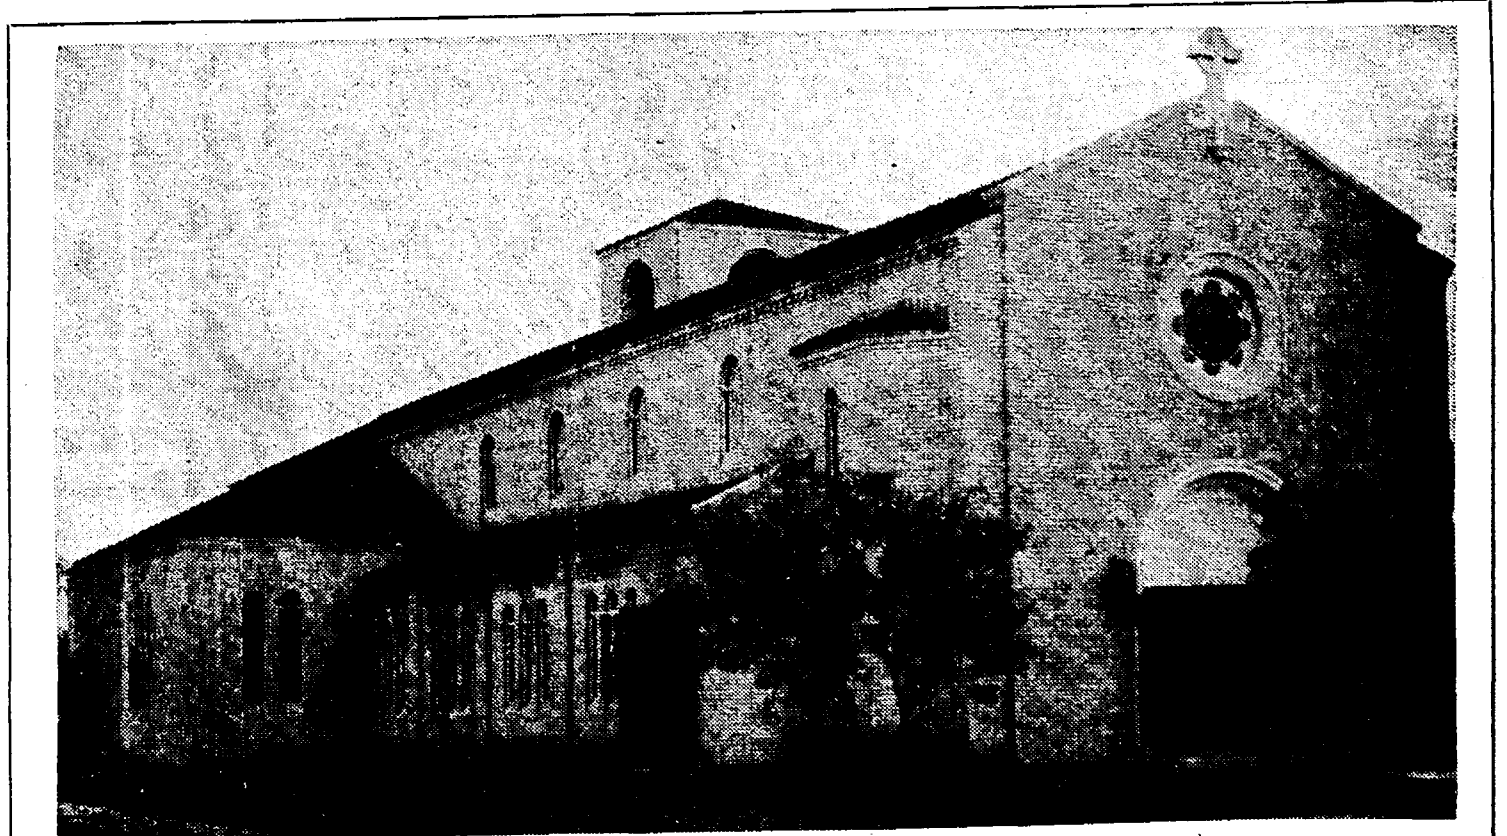

Port interests took this to mean that there will be more extensive development in that particular section since Continental will begin early drilling operations and Davis, Inc., will continue developing the remaining lands at the present rate.

Jarrin' John Shows Power Despite Mud

Two Late Breaks Help Cadets

DALLAS.—(AP)—Irrespressible Jarrin' John Kimbrough and the mud-battered Texas Aggies blew through the mud, the rain and Southern Methodist Saturday to nail down their eighteenth successive football triumph, 19-7.

The Methodists, unbeaten themselves until Saturday afternoon's spectacular scrap, didn't give in until the final four minutes of the game. The Aggies wrapped up their ball game with a sorely-needed third touchdown.

Old No. 39, the runaway All-America fullback, and a spindly-legged kid named Bill Conatser beat back the Methodists. First it was Kimbrough, then it was Conatser as the Aggies inched on toward football immortality before 27,500 fans.

John kept busy. Twenty-two times this giant from the West Texas cattle country burrowed through the Methodist line, gaining 103 yards and personally accounting for the Aggies' second touchdown with a one-man assault of 30 yards on eight consecutive carries.

Conatser's incredible kicking of a dripping ball, his punt returns and a burst through the Methodist line for the first Cadet touchdown filled in when Kimbrough wasn't on center stage.

Power was the weapon the Aggies used. Only five times did they pass, and only two of them were complete for 22 yards. It was the 171 yards by ground that hurt.

Ray Mallouf, from Oklahoma, was the Methodist menace, throwing 33 passes that netted 166 yards. Out in front, 13-7, but being threatened continuously, the Aggies settled everything on two breathless breaks in the last four minutes.

End Bill Buchanan spilled the ball from Mallouf's hands on the S. M. U. 26. End Jim Sterling recovering on the S. M. U. 14. Kimbrough drove to the Methodist one on three slashes and then fumbled.

On the kickoff, Jim Thompson, the Aggies' great linebacker and blocker, dived at Mallouf's swinging foot, blocked the kick and End Jim Sterling dived six feet through the air on the loose ball in the end zone for a touchdown. Marion Pugh missed the point.

Four minutes after the opening kickoff the Aggies had splashed for a touchdown—a touchdown set up by Conatser's marvelous 61 yard kick that slid out on the Methodist one-yard line.

Preston Johnston wobbled his return kickoff on the Methodist 33. Marion Pugh flipped a 17-yard pass to End Bill Buchanan on the Methodist 16. Jim Thompson made it to the Methodist eight, Kimbrough powered on to the two and Conatser belted over right tackle for the touchdown.

Pugh made good on his tenth consecutive conversion point of the season.

Soon after the second period opened the crowded temporary bleachers collapsed, spilling hundreds of fans in the mud behind the goal line. Many were hurt, and ambulances drove to the sidelines. Many were carried out.

Mallouf started firing after a kick exchange. From the Aggie 33 he cut loose with an archer that Jim Thompson batted high into the air. Stumbling across the goal line, reserve back Bobby Brown fell into the end zone, snuggled it close for a touchdown.

Johnston kicked the tying point. It was Conatser's brilliant 37-yard punt return from his own 28 stripe that started Big Jarrin' roaring for the second Aggie touchdown. He took off from the S. M. U. 30 and eight times butted and jolted the Methodists with his 222 pounds. The eighth was a touchdown—and Pugh missed the kick.

Austin Man Named To Library Board

AUSTIN.—(AP)—Governor W. Lee O'Daniel announced appointment of A. C. Bull, Austin, banker, to be a member of the Texas Library and Historical Commission, succeeding John H. Payne of Austin, resigned. Payne recently was appointed a member of the board of the Lower Colorado River Authority.

MISSING: ONE HEAD—Camera angle played a trick on this Camden, N. J., football player, for it lopped off his head. Actually, he's leaning back to catch a pass, which Joe Werner (rear) intercepted, for Collinswood high school.

Rice Owls Post Conference Win Over Razorbacks

Bob Brumley Scores One Touchdown

FAYETTEVILLE, Ark.—(AP)—Up and coming Rice Indians felled the Arkansas Razorbacks Saturday, 14 to 13, in a homecoming game witnessed by 7,000 spectators.

Mystery team of the Southwest Rice kept its conference slate clean by scoring in the first and last quarters and turned in a minor upset for the day.

Fullback Jay Lahon of Arkansas fumbled in the first and big Fred Hartman, Rice tackle, pounced on the ball on the Arkansas 19. Halfback Whitlock Zander skipped 14 yards and a moment later plunged over for the touchdown from the two. Price place-kicked the extra point.

The second Rice touchdown was scored by Halfback Bob Brumley from the Arkansas two, after little Gene Keel started a midfield drive with a 13-yard gallop, followed by a 12 yard pass he fired into the arms of Ray Zimmerman, a substitute wingman. A fifteen yard penalty for unnecessary roughness on the ball on the Razor five, where Brumley pounded over in four tries.

Brumley added the Rice extra point from placement.

Arkansas scored a fumble on the Rice 16. Halfback Harold Hamberg shot a 22-yard pass to End Howard Hickey, who was in the end zone. Simpson converted for the extra point from placement.

Rice meets undefeated Texas A. & M. next week.

Arkansas passed 23 times and completed five for 65 yards. Rice tossed ten times and completed one for 12 yards, but the one good aerial merely won the ball game.

Threatening weather dampened all homecoming events, causing postponement of the parade for the first time in history, and the battle was played under dark clouds, but the contest was one of the best ever played in Fayetteville and the 7,000 fans were given a treat.

The lineups:

Redskins Play Panthers Monday

DONNA.—In the only game on the Rio Grande Valley schedule, the Donna Redskins and Weslaco Panthers met here Armistice Day in their annual grid battle that promises to be just that according to reports from each training camp.

The Redskins are still smarting under a defeat handed them by the Mission Eagles and the Panthers have been in a bad mood ever since they were nosed out by the La Feria Lions. It is quite likely that the eleven will let off steam in the meeting here Monday.

A win by Donna would give them a pretty good hold on second place in District 40-A standings as they have won three conference games while losing one. A Weslaco win would give the Panthers a 500 in the standings as they have a couple of losses against a single win.

Coach Ivo Schoppe of the Indians has sent his charges through some stiff practice drills in preparation for the Armistice Day scrap and Coach Bill Cummings of the Panthers has done the same thing. Each mentor reports that their teams will be fit and ready to give the expected large crowd plenty of football thrills.

The game is scheduled to start at 2:30 o'clock.

Northwestern Beats Illinois 32 To 14

EVANSTON, Ill.—(AP)—The upset game of the Western Conference football season was in the making for 45 thrilling minutes Saturday before Northwestern exploded its dynamite in the final period to come from behind and defeat Illinois, 32 to 14.

Trailing 14-13 at the start of the last period, the Wildcats struck with terrific force on the ground to register three touchdowns, wear down the tiring Illini and turn the game into a rout. The fifth victory of the season for Northwestern was witnessed by 35,000 spectators.

Only two out of 16,000 British soldiers were known to have escaped alive in the annihilation of the British army in Khyber Pass in 1842.

Longhorns Chalk Up Win Over Stubborn Baylors

By RAY NEUMANN

AUSTIN.—(AP)—On the line-smashing drives of fullback Pete Layden, who scored both touchdowns the University of Texas Longhorns battled to a 13-0 triumph over a stubborn Baylor University team here Saturday.

The victory was the Steers' second to two defeats in Southwest Conference play.

Able assisted by Jack Crain who got off several spine-tingling runs in spite of slippery footing, Layden crashed through the tough Baylor line for Texas' touchdowns in the first and final periods.

A crowd of 15,000 watched Malcolm Kutner, rangy Texas end, block a Baylor punt to spark the Longhorn's first drive. Vernon Martin sub back recovered on the Bear 18.

Layden passed to Kutner who was nailed on the Bruin 11, then plowed through for four and finally crashed through right tackle to score standing up. Crain kicked the extra point.

Shortly after the last period started, Layden raced wide for 27 and Noble Doss plunged twice to place the ball on the Bear 42. A Steer penalty cost 15 but Crain worked it back to the Baylor 47.

Then Layden shot a long one sideways to Doss who was downed on the Bear 29. Crain cracked left tackle for 13, a pass lost ground and it was Layden again who ripped over guard to the Bruin 7 and first down.

It took him two tries to plunge over for the marker. Crain's placement for point was blocked by Center Bob Nelson who turned in a great game for the losers.

Texas gained 145 yards rushing to the Bruins' 115 and 69 by the pass route to their opponents 44. Baylor tried 18 aerials and completed four to 23 and six for the Longhorns. The Bruins returned kicks for an aggregate of 99 yards while the Steers got 77.

End Jack Lummus and Guard Pat Miekler were shining lights in a hard fighting Baylor line while wingmen Jesse Hawthorne and Kutner, Center Glenn Jackson and Tackle Stanley Mauldin starred among Longhorn forwards.

Lineups and summary:

Baylor Pos. Texas Russell.....L.E..... Flanagan; Anderson.....L.T..... Williams; Haley.....L.G..... Dawson; Nelson.....C..... Jackson; Miekler.....R.G..... Garret; Gocholt.....R.T..... VANDY 20; SEWANEE 0

NASHVILLE, Tenn.—(AP)—Vanderbilt chalked up its first Southeastern Conference victory of the season Saturday under the tutelage of Coach Henry (Red) Sanders, crushing a scrapping but outclassed Sewanee Tiger, 20 to 0.

Some 7,000 well-bundled spectators witnessed the 48th renewal of this traditional battle which failed to produce the fireworks that usually accompany it.

The Commodores scored in the first, second and third periods and fended off the game but futile thrusts of the Tigers handily.

Falcons Wallop Warriors 25-12

SAN BENITO.—The Los Fresnos Falcons defeated the Santa Rosa Warriors, 25 to 12, on the high school gridiron here Saturday night and virtually clinched the six-man championship of the Rio Grande Valley.

Macone and Williams were outstanding for Los Fresnos and Todd and Schulzen turned in a fine game for Santa Rosa.

The lineups:

Santa Rosa Pos. Los Fresnos Kirschner.....L.E..... Graybill; Kloeppeling.....C..... Leeper; Vaughn.....R.E..... Bates; Snyder.....Q.B..... Watson; Schulgen.....R.H..... Williams; Todd.....F.B..... Macomo.

Detroit Titans Use Placekick To Beat Frogs

Last Quarter Boot Turns Trick

By GEORGE STAUTER

DETROIT.—(AP)—Ted Pavelec, 208-pound tackle, made good one of three field goal attempts to provide the University of Detroit Titans with a 3 to 0 victory in their inter-sectional clash with Texas Christian University Saturday.

The big lineman's placement boot sailed high and true through the crossbars from the 25-yard line with six minutes of play remaining in the final period after the Titans had bobbled numerous scoring opportunities.

Only a few seconds before, Detroit had driven deep into Texas Christian territory and Pavelec, with fourth down and eight yards to go, unsuccessfully attempted to break the deadlock with a placement from the 23-yard line.

The Titans, dropped from the unbeaten ranks last week by Tulsa University, outplayed the Horned Frogs in all but passing, but had to rely on a break to pull the game out of the fire.

That came midway of the final period when Harry Groth, sub halfback, recovered an enemy fumble on the TCU 20-yard line. Three plays, interspersed by a penalty, set Detroit back to the 25 and Pavelec came out of the line to try his specialty once more.

His kick was low, but officials ruled both teams offside and he tried again. This time he was successful and the Titans went ahead to stay as they kept Texas Christian in its backyard the rest of the way despite the latter's last minute aerial offensive.

Before the final period the Titans were in TCU territory a half dozen times, once retiring as far as the 16-yard line only to have a fourth down pass fall incomplete in the end zone.

In the third period Al Goodrich, sub fullback, ran 46 yards to TCU's goal line but the Titans were penalized for holding and lost the gain.

The Southern's biggest touchdown threat came in the second period when a drive that began with an intercepted pass carried to the Detroit 18. It ended with a fourth down pass falling incomplete.

The lineups:

Texas Christian Pos. Detroit C. Sparks.....L.E..... Keating; L. Pugh.....L.T..... Rice; Crawford.....L.G..... R. Pugh; Alexander.....C..... Banons; Shover.....R.G..... McAnical; Adams.....R.H..... Pavelec; Roach.....R.E..... Toepler; Gillespie.....Q.B..... Link; Bierman.....L.H..... A. Chesquiere; Ware.....R.H..... Keene; Smith.....F.B..... Johnson.

Score by periods: Texas Christian.....0 0 0—0; Detroit.....0 0 3—3.

Detroit scoring: goal from field, Pavelec (placement).

City Of Palms Golf Tourney Starts Today

Fast Field To Tee Off At McAllen

M. P. Wilson Takes Medal Honors

McALLEN—Inauguration of the First Annual City of Palms golf tournament at the McAllen Country Club Sunday morning will attract one of the fastest fields in South Texas.

The sun broke through low hanging rain clouds Saturday, and the course will be in perfect condition for the match play amateur tournament, declared Pro Tucker Bowles.

There will be four flights—championship, first, second and third, with trophies, golf equipment and merchandise as prizes.

The championship players will start teeing off in foursomes at 8:00 a. m. Sunday, with contestants in the other divisions following at five-minute intervals. Bowles will act as starter, assisted by James Hall, Mission pro, and Burt Johnson, Raymondville pro.

The tournament was opened officially Saturday night with a "Calcutta Pool" and dance at the clubhouse, with a large crowd in attendance. The pairings were drawn Saturday night, after all qualifying scores were entered.

There will be 16 players in four of the flights and eight in another. Finals in the championship division will be played Tuesday over 36 holes, while finals in the other flights are scheduled Monday over 18 holes.

The list of prizes follows: Medalist—Glass rain jacket. Championship—First place, 28-inch trophy; runner-up, combination parasol-stand.

First flight—First, 24-inch mahogany and sun-glo trophy; runner-up, combination parasol-stand.

Second flight—First, plaque, silver figure on wooden base; runner-up, \$30 set of three registered woods.

Third flight—First, 8-day Gilbert clock, surrounded by golf figure; runner-up, \$30 set of registered woods.

The five players who post the highest qualifying scores will be given chicken dinners by the White Elephant. Prizes donated by other merchants include: Gift box for men, Young Drug Company; shirt, Baum's; leather jacket, J. C. Penney Company; fountain pen, Reese Jewelry; golf shoes, Vallonia Mercantile; case of beer, Magnolia Beer Company; one quart of whiskey, Hi-Wa Liquor Store; rain jacket, Man's Shop; box of cigars, O'Neal Specialty Company; wash, grease and polish job, Buggus Motor Sales; ash tray set, Whalen's; "blind prize," McAllen Drug Company; case of soft drinks, McAllen Coca-Cola Company; 10 gallons of gasoline, Martin and Martin Garage.

The merchandise prize will be awarded for the highest scores on three blind holes, longest drive, three birdies, most pars, most bogies, the player from the city farthest from McAllen, and others.

The tournament pairings and tee-off schedule:

Sooners Defeat Jayhawks 15-0 On Muddy Grid

Scores Posted In Final Quarter

By HAROLD CLAASSEN

LAWRENCE, Kans.—(AP)—A pair of punt-drunk Big Six football teams sloshed up and down a muddy field three and a half quarters Saturday before Oklahoma struck twice to defeat Kansas, 15 to 0.

For more than three-fourths of the way kicking the soggy ball was the best attacking weapon. Then in the final period, Oklahoma forgot that it was raining—even if the soaked 4,000 spectators couldn't—and began passing.

A shovel pass behind the line of scrimmage from Huel Hamm to Orville Mathews, netted the first touchdown, and the same combination worked the slippery oval to scoring territory a few minutes later with Johnny Martin plunging from four yards out. Mathews, one of the Big Six's fastest men in or out of a football uniform, swung around his own left end after catching the pass on the Kansas 41 and kicked for the West sidelines. A tremendous block by Marvin Whitely opened up a passage way and the youngster splashed to the counting station.

Kansas, beaten 53 to 0 by Nebraska three weeks ago, surprised by holding the rugged Sooners at bay until the final period. At the end of the first quarter Kansas took the ball on downs on its own 1 foot line and again in the third a fumble on the three helped them out.

But every time the Jayhawks got in too deep, the kicking of Don Pollock helped them out and it wasn't until he was benched with an injury at the start of the final session that Oklahoma could score.

However, it was the same way each time that Kansas dug into Oklahoma and with Jack Jacobs, also injured and removed in the late stages of the game, Kansas threatened on its own power, making distinct scoring posture in the second and again at the start of the fourth. A screened pass play in which P. Hall tossed to Jake Fry, brought the Jayhawks deep into Oklahoma holdings in the second but the Kansas couldn't get the ball past the enemy's 32.

Late in the third when the homecoming hosts recovered the Sooner fumble on the three they began a march that carried to the Oklahoma 20 and Chet Gibbons, their star dropkicker came. His effort, the second play of the fourth period, was short and from then on the battle was all Oklahoma.

Martin leading Big Six scorers, smashed into the Kansas forwards 32 times for a total of 132 yards as Oklahoma stuck to straight football until the last period. The Sooners also completed six of eight passes, five of them behind the line of scrimmage tosses. Officials were forced to dry the ball after most every play and Don Pierce, bespectacled Kansas center, spent half his time cleaning his glasses and the other half dumping Sooner ball carriers.

PITT 6; CARNEGIE TECH 0
PITTSBURGH.—(AP)—Highly favored Pitt barely eked out a 6-0 win over Carnegie Tech Saturday in the 27th renewal of their back-yard grid rivalry.

The Panthers took advantage of two costly Tartan injuries in the third stanza and marched 72 yards for their counter. Edgar Jones skirted end for eight yards and a touchdown after alternating with big George Kneum in line up. A ball down the field, Mike Sekela's kick for extra point went wide.

1:05—Dr. I. J. Burk, McAllen, vs. E. E. Wagner, Alamo, M. Leone, Los Angeles, vs. Bill Whalen, McAllen.

Minnesota Gophers Beat Michigan Wolverines 7-6

By EARL HILLIGAN

MINNEAPOLIS, Minn.—(AP)—Michigan's citadel of football crashed in the mud and rain of Memorial Stadium Saturday—levelled by mighty Minnesota on one sudden, stormy 80-yard charge by a great Gopher back, Bruce Smith.

Minnesota, racing on toward the Western Conference title and a shot at national honors, won the battle 7 to 6 before 63,894 rain-soaked and nerve wracked spectators. And to win, the Gophers had to come from behind—doing just that on Smith's brilliant 80-yard touchdown sprint in the second period after Michigan had taken a six point lead on a touchdown pass by Tom Harmon earlier in the quarter.

Smith's great game-breaking run, a remarkable performance on a turf soaked by a rain which fell throughout the duel, came with breath-taking suddenness late in the second period.

The Gophers, seconds after halting a Michigan touchdown bid, had possession on their own 20. On the first play Smith flashed off left tackle, swung toward the sidelines and was away for the touchdown, which gave Minnesota its sixth straight win of the season and its seventh straight win over Michigan in this famed "Little Brown Jug" series.

Substitute Joe Mernik, whose toe beat Northwestern last Saturday, calmly kicked the point after touchdown—and that was the game, Michigan—with its brilliant Harmon still a great back in defeat—gave the victors one of the most stubborn battles they've ever had before bowing in defeat. The Wolverines, after they had gone ahead on Harmon's touchdown pass to Forest Evashevski and then watched Harmon miss the try for point by inches, never gave up. They threatened to the final two minutes, perfect a first period duel which saw both Harmon and Minnesota's George Franck stage a great punt-battle, the huge crowd—largest in Gopher history—was treated to a great second-quarter skirmish. A Michigan drive of 86 yards carried the Wolverines to the Minnesota 32, Harmon on fourth down, slipped with a big hole ahead of him and it was Minnesota's ball.

The Gophers kicked out and seconds later Harmon returned the boot, the ball going out on the Minnesota six yard marker. On the first play Bill Daley fumbled, Bob Westfall recovering for Michigan on the Minnesota 5. After two plays had gained two yards, Harmon jaunted to his left, then fired a perfect pass to Evashevski, who took the touchdown toss in the end-zone corner. And a minute later Harmon, who had successfully made 12 after touchdown points previously this season, missed this time, the ball fading to the left of the up-riggers.

Dr. Edward O. Fitch of Houston arrived Saturday morning via Eastern Airlines, and others expected during the day by automobile included Emil Mueller of San Antonio, L. H. Safford of Houston, and L. F. Worthington of Wharton.

Tulsa U. Trims Catholic 12-6
TULSA, Okla.—(AP)—With N. A. Keithley's slippery skipping the shining light of a gray and soggy day, the Tulsa University Hurricanes overpowered Catholic University 12 to 6 Saturday.

Keithley brought the 5,400 customers to their feet time and again as he twisted and slithered his way down the field. In the fourth period, he counted the winning touchdown for the Hurricanes, thrice ploughing over Catholic's left tackle to score from the 11.

"Pistol Pete" Sachon, quarterback for Catholic, did his share of side-stepping for the Cardinal crew, and his punting against Gene Dobbbs, the Nation's third ranking punter, put the Hurricanes in several holes.

The first two periods of the game were as gray and dull as the low-hanging overcast. The field was soggy from a cold morning mist and the two teams resorted largely to punting tactics.

In the third period, Tulsa staged a 67-yard march from the kickoff to score. Starting at the 34, little Jimmy Vickers snaked his way to the Cardinals' 45. Dobbbs started his passes working, adding a smash of his own through tackle for good measure, and Tulsa rolled up to the Catholic 9.

Fighting Irish Have Too Much For Midshipmen

Navy Loses Contest Late In Scrap

By WHITNEY MARTIN

BALTIMORE.—(AP)—The Navy's anti-aircraft guns jammed late in the fourth quarter Saturday and the Fighting Irish of Notre Dame continued their victorious march with a 13 to 7 victory in a game which for the final 15 minutes kept 63,000 spectators in a pop-eyed frenzy.

The Midshipmen had come from behind midway in the final quarter to take a 7 to 6 lead on a 30-yard touchdown spring by Wes Gebert, followed by a successful conversion by Bob Leonard, and the nearly 1,000 blue-coated Midshipmen went wild.

Then it happened, and a dazed, befuddled Navy team still is rubbing incredulous eyes. Starting on their 22, the Irish opened up their air attack. First it would be Steve Juzwik passing to Saggau, then Saggau passing to Steve Juzwik, then Saggau passing to Bob Harrove, or Ray Elbi.

They reached the Navy four, then saw their drive suddenly bog down as a Navy team which knew not when to quit. Fourth down found the Irish back of their seven, but the expected pass failed to materialize. Instead Saggau skipped wide around his right end and crossed the goal standing up. Mill Piepl placed-kicked the goal which ended all Navy hopes.

Notre Dame had taken a six point lead late in the first period when Saggau, drifting back from the 32, shot the ball far down the field to Bob Dove, who sprinted past Bill Chip to take the ball in the end zone. Gene Flatthamm crashed through to block Harrove's try for the extra point.

That was the extent of the Notre Dame threat until that flying attack in the waning minutes, but Navy beat a steady tattoo on the Notre Dame goal before it finally opened the door.

What appeared to be the turning point came in the final period when Gebert had returned a Notre Dame punt 14 yards to the Navy 39. A pass, Gebert to Lars Wanggaard, carried to the Notre Dame 26, from where Gebert and Sherwood Werner started battering the Irish line.

That drive ended on the Notre Dame one, but Gebert returned the punt 11 yards to the Irish 30, and on the second play he sliced on his left tackle and made a crazy, stuttering run for a touchdown.

That tied it up, and blond little Bob Leonard was rushed into the game. He kicked the extra point and bounced right out again.

Coaches Applaud Twelve-Man Game Tried At Santone

SAN ANTONIO, Tex.—(AP)—The Twelfth Man got in the football game Saturday and they let him play quarterback, bless his heart. But he couldn't take it, so they put in a substitute.

Each side played twelve men—just like they said in their advertisement—but the best they could do was gum things up in a 6 to 6 tie.

Old Mose Simms, coach, business manager, extra ticket taker and shepherd of the traveling St. Mary's Rattlers of San Antonio, and Os Doenges, ditto, of Oklahoma City University, were the twelfth men.

Their jobs were to call signals on offense—sort of carry the boys over the rough spots. Before the game was over the fans wondered if the boys weren't carrying those two old men.

Neither starred. They just grunted and wheezed and heaved. Then, tongues lolling and backs aching at the half, both quit cold and sent in subs.

Maybe it doesn't make much difference to the keepers of records, but this was the first open and above board 12-man-to-the-team game in the nation.

Mose's boys scored first, on Curtis Sandig's 80-yard touchdown run in the first quarter.

Os' boys hit their lick in the fourth period. Big Bill Harris ran, passed and kicked the team to a spot where he pitched a touchdown pass to End Gabe Williams to knot the score.

"Like it? You're darned right I like it," enthusiastically affirmed Coach Os Doenges of Oklahoma City University after his team's 12-man football game experiment with Coach Mose Simms' St. Mary's University Rattlers at Alamo Stadium Saturday afternoon ending in a 6-6 tie.

"Why, we made more yardage in the first half than we have been able to make in any full game all year," Doenges went on, practically bubbling over. "And do you know why? Look at that boy over there. (Pointing to Halfback John Machi). He played his best ball game of the year Saturday. He's been calling our plays all season and worried himself all the time about field strategy. Saturday he just cut loose and played himself some football. St. Mary's threw four passes in the first half, and he intercepted three of them."

"And it's a faster game. We had a muddy field Saturday that slowed up the going considerably, and the two teams still ran off approximately 150 plays, despite the fact that Oklahoma City doesn't have enough reserve strength to keep fresh men in all the time. With two complete team running in and out, I believe the total could run close to 200 plays easily. Pep, I'm for it, and not because it was my idea. The colleges are going to have to do something in the near future to speed up the going, or the pros will be taking over the national football spotlight."

Coach Mose Simms of the Rattlers was also in accord with the idea but believed that it should be worked gradually, rather than at one jump. "You know as well as I do that the rules committee wouldn't hop on anything like that all of a sudden. About all that we can expect in the way of a concession in the next year or two is to have a substitute be permitted to talk in the huddle, as it now is in basketball. The ball game belongs to the boys, and if there is going to be a 12th man on the field, it should be another player, like we did the second half Saturday. Doenges used his regular center, Melvin Decker at his strategic post the second half, and I alternated C. E. Lyle and Roy Holbrook. As you know, we two coaches did the signal calling the first half."

"All in all, the 12th man has a decided advantage over a regular quarterback. If you have ever been tackled right hard in a rough game, you can appreciate that a quarterback can't come up from a hard tackle or block with his head absolutely clear. The 12th man in back of the offense gets to see the defensive situation as a unit and how it develops. Consequently, he can plan his offense well in advance, as a definite series."

The name "Old Glory" was given to the American flag by Captain William Driver of Salem, Mass.

Three 'Top' Grid Teams Beat Tough Opposition

By HERB BARKER

NEW YORK.—(AP)—Minnesota, Texas A. and M. and Stanford hurled formidable opposition in their sweep toward sectional football championships Saturday but other unbeaten leaders, particularly in the East, suffered severe losses in prestige.

Minnesota, clashing with Michigan in a struggle of unbeaten, untied giants before a record crowd of 63,894 at Minneapolis, hammered out a 7-6 victory and virtually clinched the Western Conference championship. Texas A. and M. met its most dangerous Southwest Conference rival, Southern Methodist, and won 19-7. Stanford, intercollegiate football's most amazing outfit this season, overcame Washington's 10-0 lead and tripped the Huskies, 20-10, to gain an apparent stranglehold on the Pacific Coast title and a berth in the Rose Bowl New Year's Day.

Minnesota Rallies
Minnesota, scoring its sixth successive triumph in a gruelling schedule, saw Michigan gain an early lead on Tommy Harmon's pass to Forest Evashevski, but came back to tie on Bruce Smith's brilliant 80-yard touchdown run and to win on Joe Mernik's place-kick for the extra point. Harmon's try for point after Michigan's score had gone wide. The Gophers now have only Purdue and Wisconsin ahead and will be heavily favored to beat both.

Texas A. and M.'s victory over Southern Methodist represented the Aggie's 18th successive triumph and left them in an excellent spot to annex their second successive Southwest Conference crown, a feat never previously accomplished. Jarring John Kimbrough and Bill Conaser were the main-springs in the Aggie attack.

Pete Kmetovic's fleet back, was the hero of Stanford's thrilling decision over Washington before 65,000. After Washington had gained its 10-0 lead, Kmetovic took a pass from Frank Albert for the first Stanford touchdown, and in the fourth quarter, applied the clincher by intercepting a Washington pass and racing 45 yards for another touchdown.

Meanwhile other unbeaten teams were having their troubles. Although Michigan and Southern Methodist also were beaten, Penn State was tied and Cornell, Boston College, Lafayette and Notre Dame were none too impressive in victory.

Cornell Has Trouble
Its passing attack pretty well checked, Cornell had to fight every inch of the way in beating Yale, 21-0. Boston College found the going tough in winning from Boston University, 20-13.

In the Southwest Conference, Rice won its second straight conference victory from Arkansas, 14-7, and meets Texas A. and M. next. Texas triumphed over Baylor, 13-0.

Tulane Loses
Jimmy Nelson's kicking paved the way for Alabama's 12-6 victory over Tulane as other Southeastern Conference engagements saw Florida upset Georgia, 18-13; Kentucky trounce Georgia Tech, 26-7; Mississippi State turn back Louisiana State, 22-7; and Vanderbilt blank Sewanee, 20-0. Auburn's fine play whipped Clemson of the South-eastern Conference, 21-7, with Dick McGowan showing the way. Tennessee, unbeaten and untied, ran up a 40-0 count on Southwesters of Memphis.

Davidson held Duke to a 13-13 score for one half and then succumbed, 46-13. Wake Forest rallied to whip North Carolina State, 20-14; Virginia Tech overpowered Furman, 38-21; and Richmond upset North Carolina, 14-13. South Carolina halted Kansas State, 20-13.

Surprises marked the Far Western program as Oregon trounced U. S. L. A., 18-0 and California overturned Southern California, 20-7. Oregon State ran up a 21-0 count on Washington State.

Utah buried Wyoming, 24-7; Denver walloped Brigham Young, 9-0, and Colorado State nipped Utah State, 13-12, in Big Seven contests.

Citrus Week Proclaimed By O'Daniel

**JAN. 17 TO 25
SET AS DATE
FOR FESTIVAL**

**Coincides With Area
Fete At Mission**

MISSION—Citrus Week has been proclaimed by Governor W. Lee O'Daniel for January 17 to 25, coinciding in part with the annual Mission Citrus Fiesta scheduled for January 17 to 19, fiesta chairman pointed out Saturday.

The Associated Press quoted the governor in a dispatch from Austin Saturday saying that because of the importance of the industry to Texas, that he proclaimed Citrus Week, January 17 to 25, and urged citizens to create a great home market for the fruit.

Pointing out that the utility value of the industry in Texas is approximately \$50,000,000, the governor said Texas grapefruit and oranges have won a reputation throughout the world because of superior quality.

The governor is continuing a custom initiated several years ago in designating a Citrus Week coinciding with the Mission fiesta. He sampled Valley grapefruit during his campaign two years ago and has been a frequent booster of the Texas citrus industry since in radio broadcasts and otherwise.

Valley shippers are expected to receive a wide distribution of grapefruit and oranges in the state during Citrus Week taking advantage of the publicity being received as a result of the governor's proclamation.

Fund Campaign Xmas Decorations At McAllen Planned

McALLEN—Junior chamber of commerce workers expect to finish raising money for the downtown Christmas decorations during the week. President Bill Ely said Saturday.

Some workers completed their work last week, and the remainder is expected to be finished in a few days. Ely expects final reports by Friday, November 15.

Part of the decorations have been purchased and are on their way to McAllen. The decorations will consist of bismarck rope from La Crosse, Wis., the long greens, lights and bells. There will be a 25-foot revolving Christmas tree on the chamber of commerce lawn.

Merchants on Main street for the first three blocks north of the highway are asked to donate 25 cents a linear foot for the decorations.

In a telegram to Roger W. Babson, Massachusetts statistician and candidate for president on the Prohibition party ticket, Mr. Roosevelt said:

"My heartfelt thanks for your message of congratulation. I shall welcome your co-operation and the co-operation of all citizens in giving the country those 'four great years' which you mention, best wishes for your continued health and happiness."

Damage Suit Moved To Hidalgo County

EDINBURG—Trial of a \$5,750 damage suit filed by Mrs. Robert Gartner of Houston against the Cortez Hotel Company was transferred here Saturday from 55th district court at Houston where it was filed recently. The transfer was made at the request of the hotel firm.

The petition alleges Mrs. Gartner and her husband were guests at the hotel August 5, 1939, and that Mrs. Gartner touched a loose electrical wire, the shock throwing her to the floor and injuring her.

Judge Rogers Blalock in 93rd district court will hear the case.

Death Of Missourian Is Labeled Mystery

GALENA, Mo.—(AP)—Sheriff L. H. Coin said Saturday the fatal burning of Frank Arend, Galena merchant, remained a mystery.

Arend died in an Aurora, Mo., hospital early Friday after he was found severely burned beside his motor car near Galena a few hours earlier.

Relatives told the sheriff Arend had \$265 the night before he was burned but only a few cents were found in his burned clothing.

Jones Is Surprised At McDonald's Idea

BROWNWOOD, Tex.—(AP)—Rep. Marvin Jones (D-Tex.) of Amarillo took time out from a fishing trip at Lake Brownwood to express surprise at Friday's suggestion by State Commissioner of Agriculture J. E. McDonald that Texans should reappoint Jones secretary of agriculture.

He refused definite comment except to say he had accepted an appointment to the U. S. Court of Claims. The appointment was confirmed by the Senate and becomes effective Jan. 3 when Jones' congressional term ends, he explained.

Employment throughout most of the world showed gains in 1939.

Seven Orange Trees Near Edinburg Oldest In Area

**Laguna Seca Legend Of Catholic Priest
Inspires Valleyite To Write Poem**

BROWNSVILLE—Inspired by a legend which says that seven mighty orange trees standing on her grandfather's Laguna Seca ranch, 20 miles north of Edinburg, are the oldest citrus trees in Texas, Sister Mary Berchmans, a Catholic nun here, has written a poem about the trees entitled "Where The Valley Got Its Magic."

The "legend of Laguna Seca" says that nearly 85 years ago one of the Oblate Fathers, the circuit riders of the old days, who had urged his weary horse from the cathedral at Brownsville to the Laguna Seca ranch, carried with him an orange as a gift to a little child on the ranch.

The child ate the orange, and the Padre planted the seed from which the seven mighty orange trees grew and still stand as a monument to the circuit rider's kind deed, according to the story.

They are located on the Laguna Seca ranch, which is one of the oldest inhabited ranches on the border. The original 75,000 acres granted by the King of Spain to Macedonio Vela, grandfather of Sister Mary Berchmans, was held intact by the family almost 100 years.

Sister Mary Berchmans' 80-year-old aunt, Miss Carlota Vela, is present owner of the ranch, which, through partitions and sales has now dwindled to only a few thousand acres.

Miss Vela says the seven orange trees have always borne fruit.

Sister Mary Berchmans' poem to the trees follows:

WHERE THE "VALLEY" GOT ITS
"MAGIC"

"Twas the "Padre" and the "Magic" in the "Valley" long ago,
As they rode upon their missions
Mid our ranches, to and fro,
In this land, along whose border
Rio Grande's waters flow.

Now that "Magic" which they planted
In our citrus fruits doth glow,
And if to Laguna Seca
In your travels you should go,
You would see our "marajal"
Standing proudly in a row.

Would you like to hear the story
Of those ancient orange trees?
Then hearken to the whisperings
Of their branches and their leaves,
As they rustle and they murmur
In our "Magic Valley" breeze.

There have been some seventy harvests
Since this "ranchito" that you see
First became the "hacienda"
Of the Vela family.

Now we count five generations
Of that great old family tree.

The offspring of the earliest
Were but children, so I've heard,
When there came a weary Oblate,
Riding circuit for his Lord.

And he, at Laguna Seca,
Stopped to preach the Master's Word.

From the Mother Church at Brownsville
He had traveled o'er the land,
And he bore, as was his custom,
Presents for the children band.

Now this day it was an orange,
Shining golden in the sun,
And the seeds were duly planted
When the simple feast was done.

By the "Padre" tired and weary,
And a happy little one,
And to clasp his kindly hand.

See that old "vaguero," seated
In the shadow of the trees,
He remembers well their planting,
Saw the "Padre" on his knees,
And the little child beside him,
Laughing gaily in the breeze.

He has often told the story,
How he watched the seedlings grow,
And, a child, with other children,
Ate the golden fruit below.

And grew with those orange trees,
Which light up our "Magic Valley,"
And its products, day by day,
But which shines with special splendor
On our citrus fruits' array.

Do you see those rings around them?
"Looks like concrete," did you say?
They were "marajal" for his Lord,
Made of hardened, sun-baked clay,
And they've guarded these, our veterans,
Oh! For many and many a day.

Now, if you think the citrus fruit
To a ripe old age can grow,
Then, so, plant yourself an orchard
Of these fruit-trees, row on row!
Enjoy their springtime crown of white
And their harvest's golden glow.

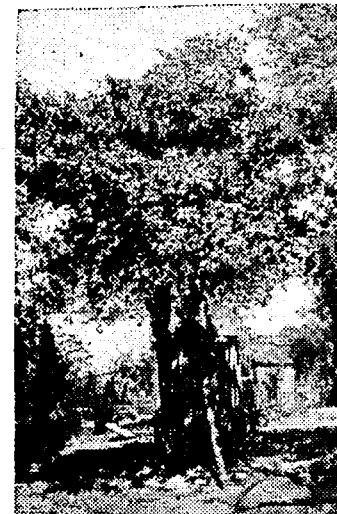

But none can beat these time old trees,
Standing bravely 'gainst time's tide,
Rich in blossoming and fruiting,
With their branches spreading wide,
Our Valley's "Citrus Pioneers"
Old Laguna Seca's Pride.

HEARING SET ON JOB TAXES

**Stable Payrolls To Be
Favored**

AUSTIN—(AP)—Whether Texas employers will save an estimated \$10,000,000 in unemployment compensation taxes next year hung in balance as state officials prepared for a hearing in Washington November 25.

Notification of the hearing was received by the Texas Unemployment Compensation Commission from the Federal Social Security Board which must approve the tax-saving amendments, passed by the legislature more than a year and a half ago, if they are to become effective January 1 as the lawmakers intended.

The amendments, rewarding employers for stable payrolls, provide a system whereby instead of the universal three per cent levy, employers would pay rates from one-half of one per cent by half per cent steps up to four per cent, depending on "experience ratings."

"Only a small number of employers who have had highly unstable payrolls," said Orville S. Carpenter, director for the commission, "would be subject to increased contributions. The remainder would have their rates scaled down."

Texas lawmakers approved the amendments in order to balance tax income with benefit outgo to unemployed. Only about half the taxes collected have been paid out to jobless, Texas having accumulated more than \$50,000,000 as a cushion against possible unemployment.

Border Travel

**Dr. Bonner In Valley
From Mexico**

McALLEN—Dr. Leighton Bonner of Mexico City, president of the Pan American Travel conference, was in McAllen Friday on one leg of a trip through the United States to stimulate travel to Mexico.

Dr. Bonner is to return in January and he will show colored motion pictures of Mexico and will lecture on the Southern Republic.

The showings will be free. The McAllen chamber of commerce will assist him in planning programs for other Valley cities, who are asked to contact the local organization if they want the pictures.

The travel director while in the Valley also conferred with Chorro Days officials at Brownsville about getting duchesses from from Mexican cities for that annual event.

STATE WANTS BUILDING MEN

**Need For Carpenters
Is Said Urgent**

BROWNSVILLE—The Texas Employment Service is "beating the bushes" in search of carpenters—and lots of carpenters.

The army is building new barracks at Fort Bliss to take care of the increases being made in the army and is in bad need of carpenters. Applicants for jobs need not read blue prints and need not be journeymen carpenters, but they must be experienced carpenters able to put out a day's work and must furnish their own tools.

The job will be good for four months and 48 hours each week, according to W. B. McFarland, manager of the Brownsville office of the Texas State Employment Service.

All applicants will be referred to the El Paso office, McFarland said. Either union or non-union men will be accepted. There is no age limit.

Anyone interested is urged to contact the nearest employment office and arrangements will be made for reference to Fort Bliss. Transportation to the job must be furnished by the applicant.

Red Cross Officers Confer On Classes

BROWNSVILLE—Conference on life saving, accident prevention and highway first aid were under way Saturday between local Red Cross officials and E. C. Palistead, special representative for the national staff of the American Red Cross.

Mr. Palistead has been assigned Texas in that work. Clarence Colgin, chairman of the local Red Cross chapter, and highway traffic officers are co-operating in the work. Classes are to be organized in life saving, accident prevention and highway first aid.

VALLEY LAND SALE LISTED

**\$50,000 Is Paid For
Hidalgo Acreage**

EDINBURG—Several hundred acres of land formerly owned by the American Rio Grande Land and Irrigation Company of Merced, Calif., have been sold under a trustee's deed to E. P. Greenwood of Dallas at a price of \$50,000. The deed was filed in the Hidalgo county clerk's office Saturday. The total acreage involved was listed only in scores of separate parcels.

R. J. MacBean, vice president and trust officer of the Republic National bank of Dallas, executed the deed.

The deed pointed out that a trust indenture from the American Rio Grande firm had been signed over to the Dallas bank December 31, 1937, to secure notes totalling \$1,215,000. Federal court at Brownsville later approved an amendment providing for sale by trustee of property included in the indenture in even the American Rio Grande firm defaulted in payment of taxes. Over half of the holders of the notes asked for foreclosure action against some of the land recently, and it was placed on sale October 1, 1940, at which time Greenwood's \$50,000 bid was accepted.

The land included farm lots, tracts and other parcels in the North Casallas District subdivision, Casillas Heights subdivision, Campacus addition subdivision, Adams Tract subdivision and West Tract subdivision, all in Hidalgo county near Mercedes. A number of tracts of floodway land are included in the sale.

Gulf Pilots Visit

**Fly To Brownsville
From Colombia**

BROWNSVILLE—G. W. Brockson and H. O. Seymour, stationed with the South American Gulf Oil Company at Barranquilla, Colombia, flew into Brownsville Thursday night and expect to leave Sunday morning for Burbank, Calif.

The two pilots are flying a Lockheed 12 to the Lockheed factory at Burbank. The plane, which has been used for biminy transportation in Colombia, is being transferred to the United States for use out of New York City, they said.

Attempting to fly from the Panama Canal zone to Brownsville in one day, the fliers were forced back to Tampico, Mexico, by bad weather 75 miles south of here Wednesday.

Brockson will return to Colombia by commercial airlines from Burbank, and Seymour will remain in the United States.

Suits Dismissed In Tax Campaign

EDINBURG—Dismissal of 12 suits brought by the Pharr-San Juan Independent School district against as many defendants for collection of delinquent taxes has been ordered in 93rd district court here. The dismissal orders were placed on file Saturday. The district has been active in delinquent tax collections through filing of scores of suits in recent months.

HARLINGEN, McALLEN, BROWNSVILLE, TEXAS. SUNDAY, NOVEMBER 10, 1940

Pretty Event In Weslaco Honors Bride

WESLACO — Outstanding in the week's social affairs was the lovely bridal shower given by Mrs. Frank Koester and Mrs. Frances Jackson at the former's home Wednesday afternoon to honor Mrs. John O. Wood. The reception rooms were beautifully decked with roses.

Guests were received by the hostesses, honoree, and Mrs. H. H. Kirkpatrick, Miss Clare Markowky, and Miss Elory Kornfuer of Harlingen all of whom wore pretty autumn corsages with their formal frocks.

Mrs. J. C. Pike had charge of the guest book. Others in the house party were Mesdames Gordon Potts, Ordell Roberson, I. R. Stahl, Glen Hoel, Paul Meyer, J. C. Pike, Dick Watkins, and Rankin Kennedy.

The refreshment table, laid with a handsome lace cover, emphasized the Thanksgiving theme in its elaborate decoration and also noted the bride's place in the center. White tapers lent a mellow glow to the arrangement.

Mrs. Kennedy and Mrs. Farris Wells presided at the silver coffee service the first hour and Mrs. Watkins and Mrs. B. L. Harrington, Jr., were in charge the second hour.

Nearly 80 guests called from four until six o'clock.

Miss Bourne Home

BROWNSVILLE — Miss Nannie Bourne has returned from Lawrence, Kansas, where she visited her sister, Mrs. R. M. Copenhaver, and Kansas City, and Dallas, where she was the guest of friends. Miss Bourne was away about six weeks.

Club Votes To Assist In Child Aid

LA FERIA — Mrs. H. W. Voiers and Mrs. V. L. Roland were hostesses Thursday afternoon at the home of Mrs. Voiers for the meeting of the 20th Century Club. Pink and red roses in crystal containers were placed about the room while in the dining hall an arrangement of fall blossoms was used.

Mrs. Voiers, president, conducted the business session when the group voted to assist with the purchase of 200 liver oil and calcium for underprivileged children in the community.

Mrs. M. E. Mitchell, chairman of the social committee, announced the Thanksgiving luncheon would be on November 21 at Halliburton's.

Mrs. C. H. Ritter gave the report of the Valley Federation meeting at San Juan.

Mrs. J. B. Smith, chairman of ticket sales for the Clare Tree M. for shows for children, reported that she had sold 66 tickets.

Mrs. A. L. Todd was in charge of the afternoon's program and presented a panel discussion. She was assisted by Mrs. J. G. Cochran and Mrs. H. F. Harren. The topic was "For Women Only" and marriage and its problems was the chief subject.

The hostess served date cake with whipped cream and coffee to 15 members.

The Garden Club will meet Monday at 3 p. m. at the club house for the monthly business session.

Mrs. H. H. Clausen, president, has announced.

McAllen Visitors Celebrate Joint Birthday Party

McALLEN — Although far from home the birthdays of Mrs. R. C. Thomas of Cadillac, Mich., and W. C. McCullough of Stafford, Kan., were celebrated at the Samson Trailer Court last week with as much merriment as if the guests had been neighbors all of their lives.

A covered luncheon in the community hall with a beautiful birthday cake as the highlight of the occasion was served at noon. Guests enjoyed music and a general "get acquainted" session in the afternoon.

Present for the party were Mr. and Mrs. Thomas and son, Jack, of Cadillac, Mich.; Mr. and Mrs. W. C. McCullough, Stafford, Kan.; Mr. and Mrs. Ingersoll, Stamford, Mich.; Mr. and Mrs. Charles Butler, McAllen; Mr. and Mrs. J. W. Faller, Omaha, Neb.; Mr. and Mrs. F. S. Macauley, Burbank, Calif.; Mr. and Mrs. T. F. Morgan, Huntington, W. Va.; Mr. and Mrs. Harry Orchard, Detroit, Mich.; Mr. and Mrs. C. D. Samson and daughters, Phyllis and Doris.

Husbands Honored By Class Courtesy

PHARR — A delightful covered dish supper, honoring their husbands was enjoyed by the Fidelity Matrons' Class of the Baptist church Tuesday night, in the recreational rooms of the Educational building. Red roses formed the effective decorations.

Paul Snowden of McAllen, was guest artist and gave a number of readings and vocal solos.

Those present were Mrs. J. T. Johnson of Junction City, Ark.; Mr. and Mrs. John Carr of Elsa, Mo. and Mrs. Paul Snowden of McAllen, Messrs. and Mesdames E. E. Clark, Wesley Linn, Lee Doty, A. B. Fields, Earl Caldwell, Sr.; J. W. Ballard, Joe McFarland, Ernest Green, L. R. Sims, A. J. Flowers, W. O. Yates, Mesdames C. B. Phillips, J. B. Hancock, Misses Sylvia Lea Jones, Yvonne Fields, Fatsie Lea Ballard, and Doris Yates, Earl Caldwell, Jr. and Leo Yates.

Mothers Club Sets Meet For Wednesday

WESLACO — The Mothers Club of Stephen F. Austin will meet at the Stephen F. Austin Auditorium Wednesday, November 13 with Mrs. S. L. Riddle, president, in charge.

The program will include patriotic songs by pupils of the school in Pharr and in music.

GUESTS IN LYFORD — Mr. and Mrs. Edwin Spies and Robert Spies of Austin County, Texas are visiting with Mr. and Mrs. Emil Spies.

Miss Freddie Jackson, upper left photo, was pledged to the Tri Delta sorority at the opening of the fall session at Southwestern University, Georgetown, where she is a sophomore. Miss Jackson, daughter of Mr. and Mrs. F. G. Jackson of Harlingen, had her freshman year at Brownsville Junior College. She has been chosen as one of the honorees for the annual Christmas dance to be given by the Valley Club at Texas A. & M. College during the holidays. (Holbrook Studio.)

Mrs. Gustin Garrett of Raymondville, pictured above, is a bicycling enthusiast, and was caught by the photographer as she started for a spin in the spring-like air of a perfect Valley fall morning. (Staff Photo.)

Mrs. Herbert Koepke (left) and Mrs. Jack Scott, both of Raymondville, (shown above) were snapped as they were leaving the home of Mrs. Scott for a meeting of the Raymondville Women's Club of which they are enthusiastic members.

Thoughts of pre-holiday activity are already crowding out all else these days for Miss Louise Fristoe of McAllen (pictured at the upper right). She is the second of Mr. and Mrs. H. M. Fristoe's daughters and an active member of the Sub-Deb Club. Her club is busy at work planning a dance for the city's younger set at the McAllen Country Club November 23. Proceeds will be the Sub-Debs contribution to the McAllen Bundles for Britain Unit. Miss Fristoe will serve on the refreshment committee. (Art-Craft Photo.)

Beautiful Church Rites Will Be Read At Noon Sunday In San Benito

(See Picture, Page 2)

SAN BENITO — Widespread interest of a very large circle of friends is surrounding the marriage of Miss Lucille Mann, daughter of Mr. and Mrs. A. Mansur, and Anthony E. Kashoury of Victoria, which will be celebrated this noon at 12:30 o'clock in All Saints Church. Rev. John P. Phillips of Harlingen will officiate.

An autumn setting is being created for the church vows, with chrysanthemums in fall shades predominating in floral decoration. Floor baskets of gold and bronze chrysanthemums mingled with colorful autumn leaves are to be placed at either side while vases of the blossoms will rest on the altar which will hold lighted candles.

Garlands of fern with chrysanthemums are to be wound about the rails and around the columns and floor baskets of the shaggy blooms will outline the aisle at the church entrance.

Jimmie Bowie will sing "Because" as the pre-nuptial solo with Mrs. H. Hagedorn playing his accompaniment.

Maid of honor will be Miss Katherine Hyak of Victoria, and Mrs. George B. Taylor, sister of the bride, will be matron of honor.

Miss Hyak is wearing a princess style dress of cinnamon brown with dark brown collar and cuffs of velvet. Her accessories are brown and her off-the-face hat is brown with a veil. Talisman roses form her corsage.

Mrs. Taylor has chosen a dress of light weight wool in khaki green made princess style and worn with a coat of matching green finished with red fox collar and pockets. Her corsage of Talisman roses accents the copper shades.

For her wedding, Miss Mansur has chosen a beautifully styled model in Indian penny velvet made with shirred yoke and sleeves and full skirt. Fastening the front yoke are gold clips with green settings. Her hat of cactus green felt is trimmed with gold clips and green settings and worn with brown veil. Her gloves of moss green are suede and her shoes of bronze gabardine are trimmed in bronze kid.

The bride will carry a white prayer book with white sweetheart roses on the cover of white satin ribbon and will wear an orchid for her corsage. She will enter the church with her father.

Maurice Hyak of Victoria, a cousin of the groom, will be best man.

Mrs. Mansur, mother of the bride, is wearing a simple dress of green crepe made with front fullness and complemented with an amber necklace and gold off the face hat. Her accessories are brown and her corsage of bronze and gold chrysanthemums.

After the ceremony, a reception will be held at the home of the bride's parents where bronze and gold chrysanthemums have been lavishly placed in floor baskets and vases. Only relatives and a few close friends will be guests.

Bridal white is reflected in appointments for the table, which is laid with lace, and has white chrysanthemums for centerpiece. The three-tiered bride's cake is all white, decorated with silver bells and encircled by sprays of maiden-hair fern dotted with white chrysanthemum blossoms. Flanking the cake are tall white tapers in crystal holders.

Assisting in serving the cake and frozen dessert moulded in bridal design will be Misses Zella and Katherine Hyak of Victoria.

Miss Mildred Hommel is to have charge of the bride's book.

The couple will leave in the early afternoon on a wedding trip to Detroit, Mich., and will later establish a home in Victoria.

The bride is going away costume is a black wool redingote. Pockets of the dress made of cutwork embroidery have red trim and the princess coat has a black Persian lamb collar that extends the entire length of the coat and around the hem. Her accessories are black.

Among out of town guests for the wedding are Mr. and Mrs. Lewis Hyak of Victoria, uncle and aunt of the bridegroom, and Misses Zella and Katherine Hyak, and Maurice Hyak.

The bride, a resident of San Benito since childhood, has been honing with a large number of interesting pre-nuptial events since announcement of her engagement a few weeks ago.

VISIT IN LOUISIANA — Mr. and Mrs. R. P. Cherry are visiting in Louisiana.

Miss Shaw Honored By Hostess Pair

BROWNSVILLE — Miss Eleanor Shaw, a charming visitor here from St. Louis, Missouri, houseguest of her sister, Mrs. Joe K. Wells, and Mr. Wells, was complimented Thursday morning when Mrs. R. A. Porter and Mrs. G. D. Sutton were hostesses at the Porter home. The event was a morning coffee, with special friends of the honoree attending.

In the living room, arrangements of huge white pom pom chrysanthemums and of lavender chrysanthemums created a lovely setting. Roses were used on the sun-porch tables.

The coffee table, laid in the dining room, held one of the most unusual and artistic centerpieces seen in recent events. Small white daisy chrysanthemums formed a daisy outlined with the long, flat leaves of the rubber tree.

Presiding at the table was Mrs. E. M. Works, and assisting in hostess duties were Mrs. Larry Lightner, Mrs. M. P. McNair, Mrs. Drew Patterson and Mrs. Dean Porter.

Harlingen Delegate Attends Convention Held In New Orleans

HARLINGEN — Miss Myrtle Benedict left Thursday for New Orleans to attend the regional conference of the National Convention of Business and Professional Women's Clubs which meets November 11. Miss Benedict will have part on the convention program and will share in the business sessions as a representative of the Harlingen Business and Professional Women's Club.

'Las Cantadores' Is Name Chosen By New Choral Group

WESLACO — "Las Cantadores" meaning "women singers," was the name chosen by the newly organized Women's Choral club when members met at Music Center Tuesday night in the weekly practice night directed by Rood Barringer of the high school music department.

The group met from eight until ten o'clock and practice new music at each meeting. Plans are under way for a recital to be held soon, in cooperation with high school clubs.

Wedding In Willacy Claims Much Interest

RAYMONDVILLE — An event of considerable interest in Willacy county was the marriage on Wednesday of Mrs. Mildred S. Widmann of Audubon, New Jersey to Thomas Edwin Halpin.

The marriage service was read by the Reverend Maurice C. Yeargan in the Presbyterian church. Traditional church music was played softly at the service.

The bride, who is a guest in the home of Mr. and Mrs. C. G. Brandt, was attractive in a smart jet coat dress with cutwork collar and cuffs, a fashionable off-the-face hat, and wore black accessories. She carried a prayer book.

After a brief trip away Mr. and Mrs. Halpin will be at home in Raymondville.

Mrs. Henry Link Is Hostess To Club

WESLACO — Mrs. Henry Link entertained the members of the Wednesday luncheon club at the Round Inn followed with an afternoon of games.

Vases of yellow chrysanthemums effectively decorated the table, and following the playing Mrs. C. Burt McKeehan and Mrs. Jimmie Sutphen were winners of scores.

Mrs. Jack Zillafro and Mrs. J. L. Couch were out of club guests present.

Hosts At Dinner

The Los Fresnos Parent-Teacher association in a meeting Wednesday, voted to assist the 40 and 8 of San Benito in furnishing calcium and cod liver oil to undernourished children in the local schools.

Superintendent E. D. Kraner, program leader for the afternoon, introduced John Barron of Brownsville who spoke on practical education. He emphasized the importance of radio in the modern schools and pointed out the advantages of the Los Fresnos schools in utilizing programs from the radio schools of the air.

White House Thanksgiving To Be Quiet

Traditional Events Shadowed By War

WASHINGTON—(AP)—The war abroad has cast its shadow over the traditionally brilliant official White House social season and is changing the personal Thanksgiving holiday plans of the President and Mrs. Franklin D. Roosevelt.

Mrs. Roosevelt in her first post-election press conference announced that official entertaining would be curtailed and condensed. The formal schedule will be out this week-end.

No diplomatic reception—usually the opening event on the calendar and considered the nation's most brilliant social event—will be held this year. Likewise the diplomatic dinner will be stricken from the schedule as it was last year.

The reception was held last December. Mrs. Roosevelt said it would not be held this year "because of war conditions in Europe and the feeling it might be embarrassing for members of the diplomatic corps here."

Mrs. Roosevelt said she and the President would spend Thanksgiving at the White House or at Hyde Park, N. Y., because Warm Springs, Ga., where the chief executive has had his turkey the last several years, "is too far away."

Mrs. Wiech Hostess To Junior Club

BROWNSVILLE—Mrs. Jack Wiech was hostess to members of the Junior Self-Culture club when two speakers were heard in a program and business session Thursday afternoon.

Mrs. Charles Mathers talked on "Prominent Women of the Texas, giving highlights of the careers of pioneer women, and of women in the professional and club fields. Mrs. Maurice Pipkin read a paper prepared by Mrs. F. Davis Cromack of the Texas Federation of Women's clubs. In this, Mrs. Cromack gave the highlights of the constitution, a brief history of the body, and explained the flower and symbols.

The new sponsor, Mrs. Randall Mathers, was welcomed by the members.

Mrs. Pipkin was appointed historian. Reports of the Valley Federation meeting were given by Mrs. Milton Overstreet, and of the Brownsville Federation meeting by Mrs. Jack Mace. At the meeting of the local Federation November 16, the club will be in charge of the program, with Miss Betty Rockwell in charge of arrangements for the club. All members of the club will assist in the city-wide Red Cross roll call.

The resignation of Mrs. L. Thurmond Krueger, who is now residing in Corpus Christi, was accepted with regret.

Especially effective decorations in the patriotic motif were noted. Red hibiscus blooms, white carnations, and the flower of the blue shell vine were the chosen flowers and these were arranged in patriotic design, a motif repeated in the refreshment course.

Attending the session were Mesdames Jack Mace, Frank Mathers, Charles Mathers, Harvey E. Nickols, Oran W. Neck, Milton Overstreet, Maurice Pipkin, George W. Putznat, J. Gordon White, and Miss Betty Rockwell.

The next meeting will be held November 21 at the home of Mrs. White.

Making Of Cheese Topic For Program

LYFORD—Cheese making and uses of cheese were the topic for the program for the Stillman Home Demonstration Club at the regular meeting Wednesday at the Stillman clubhouse. Mrs. C. O. Carter presided over the short business meeting.

Miss Mary Sue Hardage, Mrs. W. A. Cooley, and Mrs. Carter gave a very interesting demonstration of the making of cheese and its uses.

Cheese dishes were served with cookies and coffee to seven club members and eight visitors. Two new members were added to the club.

Assembly singing was led by Mrs. Donald Shearer, McAllen with Miss Martha Louise Swenson, Edinburg, serving as accompanist.

Music club groups from McAllen, La Feria, Mission, Harlingen, Weslaco, Alamo, Edinburg, and Mercedes were presented in group singing. Individual junior musicians having part on the program included:

Hidalgo-Starr Counties' Nurses Arrange Annual District Conference

McALLEN—Nurses from District No. 14, comprising Hidalgo and Starr counties, will assemble here next Thursday for their annual institute to be held at City Hospital.

Anna Louise Dietrich of El Paso, state secretary, will preside at the meetings which will open with a conference of the board of directors at 10 a. m.

She will be assisted by Mrs. Neal of Harlingen, district president, and Mrs. Ola Moss of McAllen, district secretary.

Approximately 60 nurses comprise the district's membership. Student nurses, however, are invited to attend.

The morning's board of directors conference will be followed by a meeting of Miss Dietrich with the alumnae group, staff nurses and private duty nurses.

A luncheon at 12:30 p. m. at the Casa de Palmas Hotel has been arranged for noon-hour intermission. Highlighting the day's sessions will be the address at 4:30 p. m. by Miss Dietrich, "Educating the Nurse," in which she will outline how low-salaried nurses can take educational courses to stimulate their earning capacity. The afternoon session will open at 1:30 p. m. There will be no evening meeting.

A question box on district, state and American Nursing Association matters will also be held.

ON FIRST VALLEY VISIT
PHARR—Mr. and Mrs. Lee Stevens, and Mr. and Mrs. C. C. Ainsworth and two small daughters Lila Faye and Beverly, of McAllen, Oklahoma, arrived Wednesday for a months visit in the Valley and Mexico. This is their first visit to the Rio Grande Valley.

Two Talkers Heard By Self-Culture

BROWNSVILLE—Two speakers were heard at the Wednesday afternoon meeting of the Self-Culture club at the home of Mrs. E. E. Dickason.

Giving the program were Mrs. C. A. Manahan, who talked on "The Home Beautiful," and Mrs. E. T. Yates, who spoke on "American Homes of Yesterday and Today."

In her topic, Mrs. Manahan brought out the fact that building of home is going forward in the United States in a movement shared by all states and sections of the country. Mrs. Manahan stated that these homes were uniformly of good design, and gave as a reason for the increased building greater national purchasing power, and plentiful mortgage money.

In her discussion of her topic, Mrs. Yates compared the lighthouse of yesterday with the streamlined houses of today. She contrasted the family life of early days when the grandmothers were arbiters in the home to the grandmothers of later years. She traced the declining influence of grandmothers in the lives of their families to the World War period. She contrasted also the mothers of yesterday in their clothes and their work with the mothers of today.

Roll call was answered with thrift habits. The members welcomed for the first time since the beginning of the club year, their president, Mrs. R. E. Green, who has been unable to attend because of a foot injury.

Mrs. Randall Mathers was named delegate to the State Federation meeting in Austin.

Attending the session were Mesdames V. L. Conrad, R. E. Green, Homer L. Fitch, J. J. Kemmy, C. A. Manahan, Randall Mathers, Nathan Moore, R. Roy Ruff, Charles C. Stewart, C. W. Watson, E. T. Yates, H. L. Yates, Miss Ella Evans, members, and Mrs. D. P. Gay, Jr., a guest.

The next meeting will be held in two weeks with Mrs. Mathers.

Visit Of Pioneer

RAYMONDVILLE—Mrs. Mary Elizabeth White of Redwood City, California and her nephew Malcolm Cossett are guests of Mrs. J. P. Brenner. This is their first visit to the Valley since they left ten years ago.

In 1908 Dr. and Mrs. H. A. White came to Raymondville to make their home. The first hospital in this section was a small frame building near the present Baptist church. Dr. White and Dr. J. E. Whaley were the physicians and surgeons, the only practitioners at that time.

Mrs. White organized the first study club of which Mrs. S. L. Gill was president. The first year book—treasured in the archives of the club now known as the Raymondville Woman's Club—was made by Dr. White because he wrote such a beautiful hand.

Mrs. White and Mr. Cossett are widely known over the Valley and many friends are making them welcome.

Historical and geographical records disclose Niagara Falls is moving backward at the rate of two and a half feet a year.

Mission Unit Inaugurates Forum Plan

Club Groups Asked To Share Discussion

MISSION—Development of a well-informed public opinion on international affairs and the promotion of better international understanding is the objective of a proposed inter-club open discussion group proposed by the Mission branch of the American Association of University Women.

Invitations have been issued an extensive list of mission organizations, asking that each appoint a representative if the club desires to participate in the forum. Response to the invitations has been gratifying, it was reported this week by Miss Alice Frad, president of the A. A. U. W., and Mrs. G. W. Roark, chairman of the international relations committee of the unit.

Each Club Invited

An outline of the plan for the forum was sent to each club, listing the dates and topics to be discussed. Programs will take the form of panel discussions and will be closed to all except the representatives sent by the respective clubs.

To be held at the Mission Public Library at 8 p. m., on the dates set, the respective programs will be: December 5—America's Choice Today (An attempt to clarify American foreign policy); February 5—The Challenge to Our Foreign Policy in the Far East; April 10—Seeking Security in the Western Hemisphere.

Co-ordination Aim

Representatives will also have the opportunity of discussing the work of their various clubs in the international relations field and consideration will be given to the practicability of coordinated work to avoid duplication.

In the invitation sent the clubs, stress was made on the fact that while current international tensions tend to place emphasis on emergency measures, the plan proposed seeks to give weight to the slower educational process of action based on study and understanding as necessary to build a firm foundation for lasting world peace.

Dance Is Party For Two Schools

McALLEN—Fun and informal was the dinner dance students of the McAllen and Weslaco business colleges staged last week at the Casa de Palmas Hotel.

Dinner was served in the De Maxey room to about 100 guests. Floral decorations on the long tables matched in colors the pretty frocks the women wore.

Mrs. Paul T. Vickers of McAllen acted as toastmaster to introduce the program numbers and several of the distinguished guests. She paid particular homage to Mrs. Velma Hazelwood, owner of the two schools.

Included on the program were: Military tap dance by Miss Jean Seales; readings, "The Lost Golf Ball" and "An Evening Idyll," Bart Melton of Pharr; trombone solos, including "The World is Waiting for the Sunrise," "I'll See You in My Dreams," and "Where Was I?" by Frank Grabree; vocal solos, "Cross Town," "I'll Never Smile Again," and "We Three" by David Calvin.

After the dinner and program the group danced in the Spanish Room.

Benefit Party Set Tuesday

HARLINGEN—Plans for a benefit games party Tuesday at 8 p. m. above Junkin's Furniture Store were made at the meeting of the Harlingen Garden Club Thursday at the Woman's Building. Everyone is invited to share in the evening of games, the proceeds to be used to aid in financing the city-wide beautification program which the Garden Club is carrying out.

Mrs. L. R. DuBois, president, was in charge when reports were received from Mrs. Junkin on the cleanup and improvement program; Mrs. A. J. Pollard as reporting delegate from the Valley Federation of Women's Clubs; and Mrs. J. H. Powell regarding the gas refund project to aid the library.

Feature of the afternoon was a talk by Dr. Vivian Amidon, a guest, on the healthful effect of gardening.

Final arrangements were made for the dinner Friday night honoring Mrs. Ralph Conselyea of Houston when city officials and representatives from several garden clubs were present.

Mission Girl Is Honored On Birthday

MISSION — Outdoor games were planned for the guests who were invited Friday evening to help Louise Truitt celebrate her tenth birthday when her mother, Mrs. A. L. Truitt, entertained in her honor. Balloons were distributed as favors.

Mrs. Sim Jones assisted Mrs. Truitt in hostess duties when the birthday cake was served with ice cream. A pink and green color theme was chosen for the appointments of the refreshment course. The invited guest list included Helen Henriksen, Rogers Blalock, Flann Keathley, Gracie Graham, Margaret Peterson, Wallace Bennett, Teddy Jones, Delores Findley, Charlotte Gibbs, Martha Lou Whitehead, James Holley, Bill Truitt and the honoree.

Games awards were presented to Mrs. C. Forsman of McAllen and Mrs. O. R. Bolmgren after the afternoon of bunco arranged for the entertainment of members of the Pastime Club when they met Tuesday afternoon at the home of Mrs. E. J. Walker. Mrs. F. P. Eckroat, as program chairman, arranged the diversion.

Mrs. Walker chose bouquets of roses for decorations about the rooms where she received her guests.

Mrs. A. R. Schuelke was hostess for the meeting Tuesday of the Mission Garden Club.

Mrs. George Godfrey of Weslaco, guest speaker, talked on bulb-planting in the Valley. Certain types of bulbs have proven successful in the Valley, although they have not come into wide use in home gardening, the speaker explained. Among those are the iris, ranunculus and narcissus. Mrs. Godfrey said, as she urged gardeners to adopt them for their planting.

Presbyterians Hosts At Informal Supper For Episcopalians

RAYMONDVILLE — The Woman's club building was the scene of a pleasant supper on Thursday evening when the Presbyterians entertained the Episcopalians at an informal evening get-together.

The Reverend Robert Martin of the Epiphany in Raymondville, spoke on "Unity." The speaker said "Unity" did not mean "uniformity" for nothing would be more dull or uninteresting than having just one visible church; but "unity" in the sense of professing Christians acting Christ-like.

Fall flowers beautifully arranged in ivory pottery made the banquet tables and room a pretty setting for the fellowship.

Mrs. Esther Kerr, accompanied by Mrs. Vera L. Beck, played two charming violin solos.

The Reverend M. C. Yeorgan, minister of the First Presbyterian Church was toast master.

Mrs. S. L. Gill and Mrs. C. J. Scott welcomed guests at the door.

Valley A. A. U. W. Leaders Assist In Establishing New Unit In Monterrey

Exchange Of Visits Between Two Groups Planned As Part Of International Program

MISSION — Organization of a branch of University Women in Monterrey, Mex., will be effected this week-end in that city through the assistance of members of the Mission Branch of American Association of University Women. Three members of the latter unit who left Saturday for Monterrey to take part in the formation of the new unit are Miss Alice Frad, president; Mrs. George Roark, international relations chairman; and Miss Mildred Nelson, delegate.

The assistance being given by the Valley unit is an international gesture being done at the suggestion of the national headquarters of the Mexican and American Federations of university women.

The three Mission women will be in Monterrey through Monday to give their aid to the new unit as consultants. Mrs. Roark has made one trip to Monterrey at the invitation of prospective members to extend offers of cooperation and assistance as a gesture of friendship from the Mission unit.

A second phase of the international gesture will be the invitation to be extended the new branch to send a committee from Monterrey to be entertained in the Valley. It is expected that the exchange visits will become an annual custom.

Both the American and Mexican associations of university women are members of the international organization known as the I.E.U.W. in which university women from all over the world are coordinated.

The British federation is another unit of the international group and it is through them that members of Mission branch have answered an appeal for funds and aid in refugee work. Tentative arrangements have been completed for bringing British refugee children, sons and daughters of the British university women, to the Valley to be given homes for the duration of the war.

Senior of the two Valley branches of the A.A.U.W., the Mission unit has mapped an active year in their international relations work. One of the most important phases is the sponsorship of the formation of an inter-club open discussion group to meet during the winter and spring to discuss international affairs. Plans for the forum were mapped this week in a letter sent to club presidents by Miss Frad.

Cabinet members present were Mary Claire Gossage, G. R. president; Anna Mae Flowers, Pauline Bennett, Mary Emma Parish, Mae Marie Buckner, Virginia Mae Maddux, Helen Walker, Gracie Dean Thayer, Jo Ann Emery and the sponsor, Mrs. Peterson.

ALAMO — Miss Cora Hilton was hostess to the monthly party of the Proximo Sunday school class on Friday. It was a covered dish dinner.

Whale oil is used in lubricating fine mechanisms, such as watches.

Mrs. Sudlow Delphian Topic Leader

BROWNSVILLE — Mrs. W. B. Sudlow was leader of the lesson on "The Conquistadores" at the Thursday morning meeting of the Alpha Study club at the home of Mrs. R. A. Hightower. The lesson was in line with the general topic for the year, South America.

During the business session presided over by Mrs. Marshall Watson, president, plans were made to attend the Valley Delphian Council of Halliburton's in La Feria next morning with a luncheon at noon. Two members, Mrs. Jack Wiech and Mrs. Frank Lallier will be on the program.

Fifteen members, and three visitors, Mrs. Kate Youree, Mrs. R. N. Curry, and Mrs. W. J. Bertke, attended.

The next meeting will be held in two weeks at the Hightower home.

Patriotic

PATTERN 4612 By ANNE ADAMS

Fashion gives three cheers for the "stars and stripes" this year! A patriotic mood perfectly illustrated by Pattern 4612, which Anne Adams has designed for the American housewife. The optional stars-and-stripes design embroidered on the revers and pocket-band are done from an easy transfer motif, with directions included in the Sewing Instruction. Make them in red and blue on white contrast for a patriotic color scheme. And match the revers and pocket-band with cuffs and perhaps even a belt of crisp white. The simple-to-make frock is in just three main pieces (see open diagram) with darts for nice fit. The sleeves may be long or short.

Pattern 4612 is available in women's sizes 34, 36, 38, 40, 42, 44, 46, 48, and 50. Size 36 takes 4 1/4 yards 35 inch fabric and 5-8 yard contrast. Send fifteen cents in coins for this Anne Adams pattern. Write plainly size, name, address and style number.

Send your order to Valley Morning Star, Pattern Department, 243 West 17th St., New York, N. Y.

Next Game Anticipated At A. & I.

By CARL CHILTON, JR.

Students at A. & I. are looking forward in anticipation to the week end of November 16, when a special train will run from Kingsville to San Antonio, carrying A. & I. boosters to the game between the Javelinas and St. Mary's, which will have a direct bearing on the conference race.

A good start has been made by the members of the Student Council to sell the required 200 tickets before the special train is assured.

The train is scheduled to leave Kingsville early Saturday morning, arrive at San Antonio around noon, and will return to Kingsville Saturday night after the game. The nominally priced tickets are going fast, and a large crowd is expected to follow the Javelinas to the game.

After the Stephen F. Austin game this weekend, the St. Mary's game and a contest with West Texas State in Amarillo are the two remaining games of the Javelina schedule. If the A. & I. team can cap these tilts, it will close out a very successful season, with the only defeat being at the hands of A. & M. last year's national champions, and Rice Institute, who beat A. & I. 9-6 the last five seconds of play.

A. & I. played a prominent part in entertaining the some two hundred FSA workers who convened in Kingsville last week for a two day rodeo and stock show held in connection with the annual Home-makers and Farmers Short Course.

The celebration opened with a parade which went from the Kingsville business district out to the college. This parade was led by the A. & I. band, and included floats representing several campus organizations. Several A. & I. clubs provided concession stands and sandwiches throughout the festival. The A. & I. band provided music for the rodeo on Thursday and Friday nights.

Weslaco and Edcouch-Elsa represented the Valley with fine exhibits.

A large increase in music activities and students at A. & I. have caused the beginning of construction of an addition of six new practice rooms and two new studios for the music conservatory.

Valley students play an important part in the music activities at A. & I., having good representations in the A Cappella Choir, Male Chorus, Campus Choir, and Band.

In the nationally famous Cappella Choir there are seven Valley singers. These are Rose Parton, Alamo; Ava Sue Martin and Jack Pate, Harlingen; Vernon Schliska, Pharr; Betsy Kidder, Mercedes; Clinton Schmeling, Brownsville; and George Shimek, Santa Rosa.

All of the boys are singing in the Male Chorus, along with Richard Rowe of McAllen. All eight of these Valley singers are in the Campus Chorus, from which the singers for the other two organizations are selected. The high quality of the Valley singers is noted in the fact that all of them were selected for either the A. Cappella Choir, Male Chorus, or both.

In the instrumental part of the A. & I. music program, eleven Valley students are playing in the A. & I. band.

These are Hazel Jackson, Sebastian; Clayton and Frank Dodd of Raymondville; Dora Hager and Betsy Kidder of Mercedes; Ella Beth Melton, Bessie Rhinehart, and Vernon Schliska, Pharr; Betty Platt, Alamo; Harvey Prichard of Donna; and Carl Chilton, Jr., of Port Isabel.

The Texas College of Arts and Industries received national recognition this week by providing the general headquarters of the first annual convention of the American Recycling Association. This convention brings to the A. & I. campus most of the outstanding men in the natural gas field in the United States, some of whom have traveled two thousand miles to be here.

A. & I. is referred to as "The Natural Gas Engineering School in Nature's Laboratory." It is ideally situated for such a convention, being in the middle of one of the world's greatest natural gas sections.

Proof of the publicity that A. & I. and South Texas as a whole got from the convention is shown in the requests of the following natural gas and oil journals to publish the proceedings of the meeting: American Gas Journal, Oil and Gas Journal, and Oil Weekly and International Oil.

Visitors Are Honored At McAllen

McALLEN — Approximately 65 tourists attended the first tourist meeting of the season when William G. Olson, president, called the group together in the community hall at the Samson Trailer park Thursday afternoon.

Mrs. Blanch Doster played for the group to sing state and patriotic songs. Mr. Olson welcomed the visitors and extolled the wonders of the Lower Rio Grande Valley by reciting a poem written about the Valley by Mr. Knudson of Minnesota while he was here last winter. Each guest introduced himself and told in a few words the most interesting places visited during the past summer.

Fourteen tourists registered for the beginners Spanish class and 18 for the knitting and sewing club with an equal number interested in shuffleboard, bridge, 500, pinocle, Chinese checkers and the dramatic arts club.

Mrs. Mary Cordell announced meetings of the Hobby club would start at an early date. The club has been asked to make an entry in the State Fair of Texas next year.

BROWNSVILLE—The Fort Brown chapter, Daughters of the Texas Republic, will gather Saturday at Landrum's at 12:45 o'clock for a luncheon and program meeting.

Luncheon And Tea Given For Delegates, Guests At Convention

McALLEN—To lend further interest to the annual convention of the eighth district, Texas Federation of Music Clubs held here Friday, the McAllen Music Club was hostess for a noon luncheon and an afternoon tea of particular charm.

The two parties climaxed the fall season's annual convention events for 125 delegates who attended the gathering here.

Honored especially were Mrs. Fred Gillette, Houston, national chairman of student musician contests and president of the Lone Star district of the national federation; Mrs. C. A. Washmon, Harlingen, state board member; Wilfred St. Clair Fisher, Mission, state chairman of artistic presentation; Mrs. Effie Roe, Alamo, state chairman of music in the home; and Mrs. H. O. Schiebel, Edinburg, state chairman of motion picture music.

The decorations at the luncheon in the Spanish room, for which the McAllen Music Club was hostess, featured cleverly the wooden theme—the symbol of the federation's fifth, or traditionally wooden anniversary.

At the places of the honored guests, set at the main table, from which radiated other tables, stood dainty imported French vases, violin shaped, in keeping with the central motif, "My Heart Is A Silent Violin," about which the entire luncheon theme revolved. Wilfred St. Clair Fisher, the only man state official here, received as a gift a violin shaped ash tray.

Most effective were the table decorations — dainty wooden violin place favors for each guest. They were miniatures of the large fiddle filled violins at each table's edge. A riot of gaily colored fruits was artistically piled in the violins. Mingled fruit tones of yellow, orange, russet and deep wine were an attractive mixture. Contrasting with the yellow and green organdie table cloths were a series of tiny sprays of duranta berries and kumquats placed with waxen leaves along the table's length.

The tea at 5 p.m. closed the day's sessions. Again held in the Spanish room at the hotel, the decorative scheme this time was woven with dashing touch around the club bouquet of green and white. A huge bouquet of great, white shaggy chrysanthemums, white duranta and minute mums filled a large silver tureen to grace the tea table. From the base of the arrangement sprays of fern spilled almost the length of the table, laid with a white organdie overcloth on linen, handpainted with pastel toned floral sprays. The flower arrangement was flanked by two large silver candelabra, each bearing five white lighted tapers.

Mrs. C. A. Marshall was hostess for the refreshments, served in the dining nook, further carrying out

in tasty detail the green and white colors.

Mrs. Orville Cox and Mrs. G. Aubrey Thomas poured with Mrs. Thornton Thacker and Mrs. Charles Holland assisting. These club members, too, complimented the white and green touch in their attractive tea dresses.

Other members of the local club acted as hostesses for the large gathering of tea guests. Smart fall corsages topped their chic fall tea frocks. Mrs. Scott Dougherty, president of the McAllen Music Club, received guests with Mrs. Gillette and Mrs. H. E. Hager, Mercedes, president of the district federation.

Active members of the McAllen club include Mesdames Lester Barnum, M. C. Brown, J. H. Burnett, Orville I. Cox, R. D. Cox, Jr., Scott Dougherty, William Doyle, Howard Faulkner, O. A. Fogelberg, George C. Fox.

Mesdames W. T. Hartley, H. J. Hall, Faye Jones, H. W. Kreidler, Ray Losh, Leverett Leonard, C. C. Pope, J. S. Roe, Donald M. Sherer, L. W. Senseney, D. Carl Skinner, Thornton Thacker, G. Aubrey Thomas, L. C. Wurtz, Harry Young and Jack Young.

Club Plans Exhibit For Fiesta Grande

PHARR — Mrs. Clyde DeWitt was hostess Wednesday afternoon to the North Pharr Home Demonstration club.

Mrs. R. A. Grimes, club president, was in charge of the business session when plans were made for an educational exhibit at the Weslaco Birthday celebration.

During the social hour, Mrs. J. O. Jameton showed colored transparencies of scenes in Mexico, made during the Jameton's summer vacation. A delightful monologue on a "Chicken Dinner" was given by Mrs. C. T. Sipes. Various games were also enjoyed.

A salad course and coffee were served to four guests and the following club members: Miss Ethel Warnocke, Mesdames Russell Arnold, J. B. Crumb, L. Dreibelbis, Roy Dreibelbis, Fred Eastwood, C. E. Giles, R. A. Grimes, J. W. Haggard, J. O. Jameton, A. A. Slayton and C. E. Sipes.

"Sharing a Message" was the program study for the Tuesday evening meeting of the Wesleyan Guild at the home of Mrs. M. D. Shelby. Leader was Mrs. Jake Clark, with Mrs. L. L. Warden, Sr.; Mrs. Levele Spencer and Miss Letha Mae Allen, assisting.

Plans were discussed for a Christmas bazaar to be held December 8 at the Kiwanis club building.

A social hour was held during which refreshments were served.

Mrs. Jack Gollightly was hostess for a regular meeting of the American Legion Auxiliary at her home Tuesday evening. Plans were made for the auxiliary's annual Thanksgiving dinner to be held November 19, at the home of Mrs. H. L. Murphy in West Pharr.

Rev. C. E. Wheat, newly appointed pastor of the First Methodist church, was honored with an old fashioned covered dish supper Wednesday night, in the assembly room of the annex building. Following the supper, group singing in unison was enjoyed. About 30 attended.

Reception, Dinner Given In Harlingen

HARLINGEN—Outstanding social event of the weekend in Harlingen was the reception given by the Music Lovers Club Thursday evening at the home of Mr. and Mrs. Claude Carter which marked the opening of the annual convention of the Eighth District, state music convention held in McAllen Friday.

Honor guests were artists who were presented in the fine arts program and state and district officers.

Lovely chrysanthemums were placed about the reception rooms.

Greeting guests at the door were Mrs. Carter, Mrs. H. E. Hager, Mercedes, district president, and Mrs. Fred A. Gillette, Houston, member of the national music board.

In the house party were board members of the hostess club including Mrs. Charles A. Washmon, president.

Lovely yellow chrysanthemums graced the refreshment table where Mrs. S. R. Jennings poured coffee and Mrs. Ben Johnson served individual cakes.

The yellow color theme prevailed at the dinner given earlier in the evening at the Reese-Wil-Mond Hotel with members of the district board attending. Large chrysanthemums in the chosen color formed the centerpiece and smaller pom-pom chrysanthemums were scattered along the table length.

NOVEMBER OPENS the fiesta season in the Valley and from now on folks will be fretting about how the weather's going to be on Armistice Day, Dia Grande, Fiesta Grande, and so on through Charro Days.

San Benito, which has the reputation for rain with every celebration, got extra attention from the weatherman most of the week before the start of the annual Armistice Week observance.

This doesn't make the sponsors any more confident of fair weather for the parade and other events Monday and thereafter.

PRE-ELECTION campaigning and excitement may be past history for most folks, but federated club women of Texas are near the wind-up of what probably has been the hottest campaign for state president in the past 25 years.

Outcome of balloting during the state convention in Austin next week is a matter of vital interest to hundreds of club women over the state, not excepting the Rio Grande Valley.

Contest over the election to the presidency has been exceptionally active due to efforts of friends of Mrs. J. W. Walker of Plainview and Mrs. O. H. Carlisle of Houston, both nominated for the post.

The result will be known Thursday night.

IS THE FASHION in dancing different in the Valley than in other sections, and if so in what way?

A young co-ed from the Valley attending a university in a western state was cut in on more than a dozen times recently during a college dance and was quite pleased thereby since they danced so well together. She'd noticed the style of dancing followed by students there was slightly different, a little less fluid, than in vogue in the Valley.

When they could spare time from dancing for a little conversation, she asked the usual question and—yes, it was different.

He was from the Lower Rio Grande Valley of Texas.

RAINY WEATHER the past several days, no doubt, has resulted in starting a goodly number of cutting beds.

Probably the most cuttings will come from bougainvillea, hibiscus and turks cap.

Whether you need more plants or not, it's not a bad idea to root some cuttings and give to the neighbors, use for Christmas gifts or maybe plant along the alleys.

Plantings of turks cap to border alleys would add immeasurably to their appearance and would require no care after root systems were established.

THE NATIVE turks cap, not widely planted because of its ragged habit of growing, is ideal for growing against a woven fence.

The branches must be twined from time to time through the stem wires but will continue to grow straight up and eventually make a gorgeous screen of green six feet tall perpetually dotted by small red blossoms and fruits.

By including chili quipines (wild bird peppers) in the plantings close against the fence and making a low border of native salvia and the wild hibiscus at the base, a red flowering hedge will be created to give satisfaction every month in the year.

The salvia blossoms close at noon-time so such a "red fence" is redder in the morning than in the afternoon. Wild salvia is a little touchy about being transplanted, but once started multiplies rapidly from seed. Wild turks plant is easily propagated from cuttings, grows slowly, and blossoms almost continuously.

CARISSA, now gorgeous with clusters of golden blossoms of a slightly more intense yellow than the better known esperanza, grows readily and rapidly from seed.

Carissa blossoms only in October-November, but will flower the first year if given plenty of water.

It's likely that these shrubs would be ideal for planting along irrigation ditches or fence rows.

If low-pruned carissa bushes were alternated with the wild aceratum that was perfectly gorgeous in Cameron county woods a couple of weeks ago, folks would go driving just to look at the flower fences.

THE WILD aceratum also offers a perfect color analogy for purple bougainvillea; it's difficult to understand why virtually no one has made any effort to domesticate it, except that when it's not in flower no one but a botanist can identify it.

At this writing Mrs. Consueva hasn't started pointing out to Valley folks the importance of preserving their birthrights of unusual flora in arboreums or parks.

But, having seen her in action at the state garden club convention four years ago, and knowing a little of conservation work she has started in different parts of the state, we feel safe in predicting that at least one Valley community will be starting an arboreum of some sort before long.

Setting aside a good-sized tract of uncleared Valley land, rich with a wide variety of native vegetation, long has been the dream of members of the Valley Nature Club. Maybe Garden Club women will bring it to realization. More power to them.

Artist Given Recognition For Carving

Making Plaques Opens New Field

HARLINGEN—Carving, a recently adopted hobby by Mrs. R. E. Buckles, former Harlingen woman now residing in Corpus Christi, has turned into a fascinating and also profitable enterprise. Mrs. Buckles is a former president of the Rio Grande Valley Art League and has won prizes at the Mid-Winter Fair and other exhibits for her paintings and also for wood carvings.

Her carving during her Harlingen residence reflected her interest in Old Mexico and presented art work of exceptional interest.

Her major interest for the past several weeks has been the carving of a series of plaques which she has been commissioned to do for a lodge in a Kerrville game preserve. Mrs. Buckles admits she works frequently from eight to ten hours a day at her task but she enjoys it all. She has never had lessons in carving but she knows every step perfectly from the selecting the right idea and material to the final process of shellacking the plaque for drying.

Often when she is making a large plaque, Mrs. Buckles will make a small one to serve as a scale for obtaining exactly the right balance. The letters are burned with an electric needle. Coloring is done with oil paints.

To date Mrs. Buckles has completed 10 plaques for the Kerrville lodge.

Her wood carvings are attracting considerable attention in artist circles and recently her picture with one of the large plaques and a feature story about her and her work appeared in the Sunday section of the Corpus Christi Caller Times.

Mrs. Buckles is the sister of Mrs. Tom Foster of Harlingen and the daughter of Mrs. F. H. McCormack.

He was from the Lower Rio Grande Valley of Texas.

Mrs. Rike Is Hostess In Weslaco

WESLACO—Mrs. Zeb Rike was hostess to the Junior Literary Review club Thursday night at her home with Miss Dorothy Hager presenting a review of "Modern American Paintings" as the program feature.

Fall flowers decorated the living rooms and the hostess served a delicious salad course.

During the business in charge of the president, Mrs. Frances Jackson, plans were discussed for entering a model in the Fiesta Grande Style Show, and Mrs. Louis Hartwig was appointed club reporter.

Mrs. A. C. Henriksen entertained the San Souci club Thursday afternoon. Fall flowers were attractively placed with a cheerful yellow predominating in the color tones.

Mrs. W. Fincher was in charge of the games with Mrs. C. A. Cox, Mrs. Doris Davis and Mrs. David Anderson winners of contests.

The hostess served a sweet course with coffee.

Plans were discussed for the Christmas party.

Mr. and Mrs. Ferris Wells were hosts to the Christian Church Sunday school teachers and officers Thursday night at their lovely new home.

During the business period Superintendent Wells presided and Mrs. Dick Norton was elected to serve as secretary.

A round table discussion of interest was held with Mrs. T. B. Tackett giving a message of "Thanksgiving."

Later he 17 members enjoyed games of ping pong. The hostess served a delicious refreshment course.

Two Gatherings Set Tuesday By Presbyterian Units

BROWNSVILLE—Presbyterian women have scheduled two meetings this week though the regular meeting of the auxiliary has been postponed on account of Armistice Day.

Tuesday evening, the Evening circle of the auxiliary will meet at the home of Mrs. Henry C. Marsh, 1529 Garfield, at 8 o'clock. El Buies Bible class will meet for a covered dish supper the same evening at 6:30 o'clock at the home of Mrs. Nellie T. Kee, 1233 W. Levee street.

Mummies And Jungles Sources For Fashions For Milady This Winter

By ADELAIDE KERR
AP Feature Service Writer

Ruth Reeves, textile designer and winner of a 1940 Guggenheim fellowship, will fly to South America this October "to take a nose dive into living materials" for modern textile designs.

What she brings back from a year's tour down South America's coast may mean something new and different in dapples, carpets or clothes for you before the end of 1941. For Miss Reeves, one of the United States' leading textile experts and the first to win a Guggenheim fellowship, expects to translate the ideas she gets from ancient Inca and Peruvian culture into the last word in modern textiles. She's a creator of both weaves and design patterns.

Like A Watermelon
Traveling in a commercial airliner or on a burro's back, she intends to scoop up information in marketplaces or museums, in ruins or jungles for impressions in color, weaving or design.

Miss Reeves is going to make her first stop in Quito, Ecuador, for a study of Indian weaving and pottery and some sores into village marketplaces which, she says, yield creative ideas as a watermelon gives up seeds. After that she is going to make headquarters in Lima, Peru, working in museums, studying textiles that antedate Cortez and making at least one trip to study jungle flora and fauna. She hopes to have the good luck to examine some mummy's wrappings which she says are textile goldmines.

A study of the architecture, furniture, silver and textiles of the conquistadore period, a trip to the ruins of Lake Titicaca for ideas on space relations and a journey to Patagonia for a look at tattooed natives are all on the schedule.

No stipulations blind Miss Reeves as to the use she shall make of the material she gleans. But if she reacts as she did after a trip to Guatemala on a Carnegie Institute fellowship in 1934 things like this may be the result: Richly textured striped rugs inspired by the kerchief used by a peasant to carry eggs to market, wools for women's suits whose weaves stem from those

of a mummy's wrappings, and printed cotton for a summer sports frock whose bright pattern idea harks back to a native marketplace. Ruth Reeves loves people and their problems and she says the best ideas spring from them.

Here's what she's going to use for clothes on her trip. One tweed suit with a topcoat to match, three sweaters, two cotton seersucker blouses (no ironing needed), one pair of riding breeches, lingerie and an evening gown (very gorgeous—for embassy dinners and such). That's all. The rest of her luggage will hold casels, brushes, sketch pads and paint.

Back of Miss Reeves' interest in textiles and Indians lies the influence of a grandfather-preacher and a New York newspaper man. The grandfather was responsible for the family's move to Redlands, Calif., where Miss Reeves was born, and where she caught his zeal in championing the Indian's cause.

Years later the newspaper man pushed her—a raw art school recruit—into the textile exhibit of the New York Museum and Natural History and told her to "look and learn."

Miss Reeves looked and learned so well that she switched her am-

Mrs. Scott To Assist At Election

Valley Delegates To Convention

RIO GRANDE CITY—Mrs. Florence J. Scott left today for Austin to attend the annual convention of the Texas Federation of Women's Clubs convening in the Federation Headquarters this week.

As Chairman of the Department of American Citizenship and member of a special committee on Pan-American Relations, Mrs. Scott will attend the meeting of the Board of Directors on Monday.

She has been named by the president, Mrs. Joseph W. Perkins, Supervisor of the Election, and will serve in this capacity on Thursday, at which time the bi-annual election of officers takes place.

HARLINGEN SENDS LARGE DELEGATION

HARLINGEN—A rather large delegation of Harlingen women will be in Austin as delegates and as guests at the annual convention of the Texas Federation of Women's Clubs which opens Tuesday in Austin.

Mrs. Glenn Miller, Mrs. W. B. Pitts and Mrs. F. T. Neary are official delegates from the Fine Arts, Affiliates, and Harlingen Study Clubs, respectively. Others who will attend include Mrs. Ben H. Sanders, who is state exhibit chairman, Mrs. P. G. Greenwood, and Mrs. J. H. Powell.

MRS. LAUDERDALE VALLEY DELEGATE

MERCEDDES—Mrs. Henry D. Lauderdale will be in Austin during the coming week for the state convention of Texas Federated clubs. She is the official representative of the Valley Federation of Women's clubs of which she is first vice president.

Pastor, Wife Honored By Open House

WESLACO—Colorful fall flowers made an especially inviting setting when a reception was held in the social rooms of the Methodist church Tuesday night to honor Rev. and Mrs. Bishop, the new pastor and his wife.

F. O. Barr introduced the honored couple.

A musical program was presented by Don Ransom, Jr., Robert Jardeaux, Irene Yoder, Millicent Yoder, and Jean Donaldson.

Brief talks were made by Rev. Wendell Carr of the Christian church; Rev. Robert A. Martin of Grace Episcopal; and Father Casady and father Hoag of the St. Joan of Arc Catholic church.

The refreshment table reflected beautiful fall shades in elaborate decoration. Mrs. Judson Friday and Mrs. T. W. Glass served punch with Mrs. L. M. Gallion, president of the Woman's Society of Christian Service, and members assisting during the evening.

At the close of the school of instruction given by the president, in behalf of the Donna and Weslaco lodges, Mrs. Estep of Donna presented from painting pictures to designing textiles. After study at the Art Student's League in New York she went to Paris for six years' work at the Academie Moderne and then returned to America. After her trip to Guatemala in 1934-35 she became national superintendent of the Index of American design of the Federal Art Project.

She is the wife of Donald Baker, craftsman and painter, and the mother of three daughters—7 to 15—whom she will leave in the care of a friend, when she leaves for South America.

Heads Texas Rebekahs

Mrs. Voyed E. Howard (left), president of the Rebekah Assembly of Texas, is being much entertained during her visit in the Valley. She was accompanied on her tour by Mrs. Gene Lawless of Marshall. (Kerr Studio.)

Visiting Rebekah Officers Honored By Valley Groups

WESLACO—Mrs. Voyd Howard of El Paso, president of the Rebekah Assembly of the State of Texas who has been making her official visit to Valley lodges with Mrs. Gene Lawless of El Paso was honored

with Mrs. Lawless Wednesday night, when Weslaco and Donna Rebekahs were hostesses in the I.O.O.F. Hall in Weslaco, about 75 were present.

Officers receiving with the visiting officers were Mrs. E. I. Emmons, chairman of credential committee of the State Assembly, Mrs. C. S. Salzgiver of Harlingen, member of the Finance committee of State Assembly, and Mrs. Joe Spears, San Benito, deputy, and Mrs. A. A. Snelhen, deputy.

The lodge hall was beautifully decorated with matching glazed black basket of zinnias placed near the piano in tiered effect, tall floor baskets of roses and other low arrangements of gorgeous autumn looms about the hall.

Emblematic scarfs placed on the different stations were centered by pink flowers in green crystal holders.

Mrs. Howard was presented with a lovely corsage of pink roses tied with matching ribbon and Mrs. Lawless a lavender corsage of tiny mums tied with lavender ribbon.

At the close of the school of instruction given by the president, in behalf of the Donna and Weslaco lodges, Mrs. Estep of Donna presented

ented gifts of crystal to the honoree and to Mrs. Lawless.

The reception room of the hall was attractive with many colorful blossoms, and the long refreshment table was laid in white and centered with an exquisite arrangement of pink roses in crystal with pink tapers in crystal candelabra.

The refreshments emphasized the Rebekah colors of pink and green in ribbon sandwiches, open face sandwiches, and pink and green mints, and white cake squares iced in white and topped with pink rose buds.

Mrs. Howard left the Valley for Houston Saturday, planning to visit lodges at Corpus Christi and Kingsville en route and later to Dallas and Fort Worth. She will be at her home December 2.

'Skeedaddle' Forms Topic For UDC

Mrs. L. B. Holland Chosen As Member

BROWNSVILLE—At the November meeting of the Magruder-Ford chapter of the United Daughters of the Confederacy Thursday morning at the home of Mrs. Fanny D. Putnegal, Mrs. Harbert Davenport was in charge of the program.

Mrs. Davenport told of the famous "skeedaddle" of the Federals in June 27, 28 and 29, 1864 as told by the historiographer of General F. J. Herron. This account was taken from an original Rip Ford manuscript in an Austin museum. Colonel Rip Ford commanded the southern forces.

Mrs. H. G. Willis presided at the session when Mrs. Lloyd Barclay Holland of Mission was elected to membership.

A letter of thanks from Mrs. S. C. Tucker, librarian at the high school was read. This was for books donated by the chapter, as its contribution to Book Week to be celebrated next week at the school. The books were all by Gwen Bristow, "Deep Summer," "Handsome Road," and "This Side Glory."

Junior Book Club Hears New Review

McALLEN—One of the season's most recent best selling novels was reviewed for the Junior Book club Thursday night when the group met with Miss Sarah Chidlow at the home of her parents, Mr. and Mrs. T. J. Chidlow.

The book, "Ask Me Tomorrow," by Jack Casan, was reviewed by Miss Catharine Melton of Pharr.

Members who attended the meeting were Misses Lucille Montgomery, Ruby Maddox, Betty Burkhardt, Catharine Melton, Mary Virginia Polk, Verlyn Bonner, Mary Anne Wall, Margaret Hogan, Jerry Ferguson and Mrs. Max Maule. Miss Wall will give the book review for the next meeting to be held with Miss Melton at Pharr November 21.

Fitting Cure For Problem Of Figures

By AMY PORTER
AP Feature Service Writer

It's maddening when shopping to see a perfect dress and have to say, "Yes, I like it, but not for me. My figure..."

The thing to do is to take your figure into the corset department and see what can be done about it. There are few figures so bad they can't be molded to tolerably pleasant lines with the right foundation garments.

Consider the excellent new uplift brassieres. They really are new, in principle and effect. If you are one of those who just order a bandeau in your size without trying it on, you've a lot to learn about foundations, 1940 style.

Let Edith Lances, designer of brassieres, tell you about her experience. It's typical of the figure difficulties of many women.

Remember the days of the boyish figure? In those days Miss Lances, like many other girls, wore the tightest brassiere she could find, attempting to deny the existence of feminine curves.

She succeeded in flattening her bosom—permanently. And when the boyish had passed, there she was with strained ligaments and an unlovely silhouette.

She could sew a little, so she experimented at making a remedial brassiere for herself, and produced what she believes was the first uplift bra in America.

'Sculptural' Design

"My original product was fearful," Miss Lances recounts. "I tried tightening the shoulder straps but the discomfort was agonizing. The straps cut and I developed a ligament cramp."

"Then I realized my theory was wrong. A bra should not pull up from above, it should lift up from below."

Working along this line, she designed her "sculptural bra." It un-pushed her figure so much her friends asked her to design brassieres for them. Now she's one of the best-known makers of custom bras in the business.

Growing Industry

Miss Lances' is not the only success story in the foundation field. The industry has developed tremendously within the past five years, revising women's figures for greater comfort and beauty, and, according to the National Retail Dry Goods Association, totaling up the steepest year-in, year-out profit of any department in a retail store.

Such success must be earned. Only a competent woman—or a very beautiful woman—will fail to investigate the figure benefits to be found in new-style foundations.

Bible Group Is Honored

McALLEN—Vases of pink roses, yellow and white chrysanthemums and golden tinted grasses decorated Mrs. I. G. Cook's home Thursday afternoon when she was hostess to the Edna E. Leslie Bible class of the First Methodist Church for their regular monthly session.

On the program Mrs. Donald Shearer sang two numbers, "Thanks Be To God," and "Looked In Your Garden." Mrs. Clyde Aylesworth reviewed one of the currently favorite books, "Reaching for the Stars."

Refreshments were served to Mesdames W. L. Wickline, D. H. Motley, L. B. Coleman, Floyd Lush, Alfred Myers, Luther Pullin, George Wiederhold, J. K. Hooks, C. L. Gilbertson, M. C. Forsman, F. H. Hamner, L. L. Sherbert, E. D. Mathis, John K. Gamble, Cecil Jones, E. W. Pile, Ralph Kier, George Edwards, Geo. C. Fox, Arthur Wiley, Edna E. Leslie, Olney Dean, J. E. McLaughlin, Clyde Aylesworth, O. S. Hervey, L. E. Wagner, Murrie Borman, Magu Rowe, Glen Threlter, Cordell West, Eva Morgan, Don Sherer, R. L. Harris, A. C. Hambrick and the hostesses.

Night Meeting Held By Weslaco P.-T.A. To Familiarize Parents With School

WESLACO—Night meeting of the Weslaco Parent-Teacher Association observed Wednesday at the high school in Weslaco was an important link in the year's program designed to promote better understanding between parents and teachers. Fred Kay was in charge of the interesting meeting.

Mrs. N. V. Sidener presided when reports of committees were received. Outstanding was the report by Mrs. M. R. Hufty of the finance committee stating that the carnival held Halloween night netted a total of \$146.50.

During the evening members and visitors called in the different class rooms. In the home economics department, which was decorated with fall blooms, refreshments were served from a table which had a horn of plenty centerpiece.

RIO HONDO CARNIVAL NETS OVER \$200

RIO HONDO — The Rio Hondo P.-T. A. penny carnival, an annual event staged last week-end, netted approximately \$200 from the carnival and queen's race. Mrs. Peggy Watson, finance chairman, was in charge.

Peggy Sue Carpenter was crowned queen and Tommy Howland was her escort. The setting for the coronation was an elaborate garden scene.

UNIT TO PURCHASE SCHOOL SUPPLIES

ALAMO—The November meeting of the Alamo Grammar School, P.-T. A. was held on Wednesday.

A panel discussion on "What are we doing in our homes to make good citizens of our children?" was given by Mrs. Pierce Wyckoff, Mrs. Howard Smith, Mrs. Clement Williams, Mrs. Harry Barritt and Mrs. Floyd Swallow.

The society voted to set aside a small fund to buy school supplies for underprivileged children in the school.

Education week was emphasized. The room count award went to the fifth grade.

BAND AND LIBRARY TO BE FOR PROGRAM

EDCOUCH — Clyde C. Hand, director of the Edcouch-Elsa band, will be program chairman when the Edcouch-Elsa Parent-Teacher meets Nov. 12 in the high school auditorium and will present the band in a concert. In observing Book Week, May Elizabeth Gilbert, librarian of the high school will give a short program on books.

Mr. Hand will talk on "Meet Our Band."

Real Gems Expert Says Not Costly

By AMY PORTER
AP Feature Service Writer

In this season of jewelry, many women think they must buy either thousand dollar diamonds and sapphires, or else junk.

But there are genuine gems for sale between \$4 and \$100. These are the semi-precious stones—glittering diamond-like zircons, rich ruby-like garnets, bottle green peridot sometimes called "evening emeralds," and many others.

Herbert Whitlock, jewel expert at the American Museum of Natural History, believes that only "price snobbery" makes women blind to the inexpensive beauty of semi-precious gems.

"What is lovelier than jade in all shades?" he asks. "What is more fascinating than an Alexandrite which appears to be leaf green in daylight and raspberry red at night?"

Other semi-precious gems are tourmaline, carnelian, topaz, amethyst—all worthy of satin-lined cases and high regard from the woman willing to select a gem because she loves its color and cut, rather than because of price.

Mrs. Ransome Talker For Arts Review

BROWNSVILLE—Mrs. Rufus Ransome was program leader for the meeting of the Literature and Arts Review club Friday morning at the home of Mrs. C. S. Eidman.

Mrs. Ransome gave an excellent criticism of the author, Theodore Dostievsky, in his autobiography, Brothers Karamazov, of the time in which he lived, and of its influence on the literature of that time. The book was written in 1867.

Guests at the meeting were Miss Eleanor Shaw of St. Louis, Missouri, Mrs. H. F. Vallhorn and Mrs. M. E. Carroll of San Benito. Members attending were Mesdames Joe K. Wells, James A. Maxwell, Jr., F. W. Hofmorkel, George J. Toland, R. A. Porter, C. J. Studeman, Winship Hodge, Edward McChesney, Joe Vivier, Jr., Rufus Ransome, Thurman A. Kinder, Jr., Howard L. Cummins, Joseph C. Jordan, James L. Abney, Penrose W. Hirst, James L. Renfro, Hubert R. Hudson and G. D. Sutton.

At the next meeting, Mrs. Sutton will be program leader.

Harbert Davenport Talks On National Defense For PTA

BROWNSVILLE—Harbert Davenport gave an interesting address for members of the high school and junior high school Parent-Teacher Association Thursday afternoon at the school.

He chose for his topic National Defense, and reviewed all of the wars in which the United States has participated from the time of George Washington. He also outlined the measures taken for national defense.

Mrs. Clyde Tandy presided at the session.

The next meeting will be held the first Thursday in December, December 5, at 3:30 o'clock, in room 208 on the second floor of the high school.

TRAVIS MEETING IS POSTPONED

HARLINGEN—Because Monday, November 11, is a school holiday, regular meeting of the Wm. B. Travis P.-T. A. has been postponed for two weeks and the November meeting will be held at 3:30 p. m. Monday, November 18. Mrs. W. S. Moothart is president.

MRS. JENSEN INJURED

ALAMO—Mrs. Albert Jensen was slightly injured on Thursday when the car in which she was riding with Mrs. Dick Winn collided with that driven by Arthur Benetti, at the corner of School and West streets. Both cars were badly damaged, but the other occupants were not injured.

First Woman Drafted For U. S. Defense Council Knows What Public Wants

By SIGRID ARNE
AP Feature Service Writer

WASHINGTON—In April, 1917, Harriet W. Elliott, political science teacher at the woman's college of the University of North Carolina, had invited Dr. Anna Howard Shaw, lecturer and women's leader, to address her students. But when Dr. Shaw arrived, Miss Elliott handed her a telegram. It read: "You come to Washington immediately to direct women's participation in the defense program?" Woodrow Wilson," Dr. Shaw took the next train.

This spring, it was Miss Elliott who was the first woman drafted: President Roosevelt chose her as the only woman member of his new national defense council.

A vigorous campaigner in recent years for peace and arbitration, she declares "Defense is now our hope of peace."

That's more than brave words with her, say her friends. She never stops with words. She's been delving into public affairs ever since she studied at Hanover College in Hanover, Ind.

She helped organize the first group of suffragettes in North Carolina. Soon she was lecturing on many issues: Free textbooks, better teachers, more schools. Now she speaks to as many men's groups as women's, and North Carolina men usually ask her advice before starting drives to influence public opinion.

She doesn't look the part. She is shorter than average, round, and big blue eyes. She enjoys golf, swimming and the out-of-doors. She's 66 but you're surprised to learn that if you have just seen her go through 18 hours' running at a political convention.

Harriet Was Named

She attended both the '32 and '36 Democratic conventions as a delegate-at-large. In '36 the convention voted to put women alternates on the platform committee. It was the

first time in American history that women had helped write a political platform.

As soon as the resolution was passed, North Carolina's governor yelled across his delegation on the floor: "Harriet, we're going to make you the first woman named." They caucused right there and in two minutes Harriet was named.

She's always a little surprised when people speak as though men and women have different responsibilities toward their country. She says government is living. Women certainly have an equal responsibility, and should take equal interest and equal duties.

She's gone a long way toward that goal. She's a teacher, yes. But she has helped organize 30,000 Democratic women into discussion groups, served on the North Carolina social service conference, the relief administration and the Conference of Southern Governors, to name a few of her activities.

Tell Her Grandchildren

She doesn't even teach political science the usual way. She starts each day's class with the morning newspaper. She supposes the telephone call from President Roosevelt was a practical demonstration for her students of day-to-day political science. It happened this way:

Miss Elliott and her secretary were both out when the call came so a student answered, "Sorry, Miss Elliott isn't here."

"It is President Roosevelt calling," said the operator.

The youngster dropped the phone like a live wire, raced into the college corridor and shouted: "President Roosevelt wants Miss Elliott! I think I heard his voice. Oh, I can tell my grandchildren."

Miss Elliott thinks she probably will.

Germany and Japan are reported to be combining cellulose, starch and sugars from the ordinary potato into high explosives."

Fine Arts Topic For Study Club

BROWNSVILLE—Fine Arts in America was the topic for members of the Brownsville Study club members when they met Thursday afternoon at the home of Mrs. J. A. Walker.

Mrs. Herman B. Jeffery and Mrs. W. M. Stovall were leaders of the program. Mrs. Jeffery talked on the progress and recognition of American art in the past 100 years, and Mrs. Stovall discussed Fine Arts in the South. Mrs. Stovall stated that most of the early schools originated in the South, and told of the oldest woman's college in the world, Wesleyan College for Women at Macon, Georgia.

The members welcomed two new members, Mrs. W. T. Hunt and Mrs. Louis A. Bauer, Jr.

The next meeting will be held November 21 at the home of Mrs. R. A. McKee.

Attending the session were Mesdames W. M. Coleman, J. Harrison Diltz, Harry L. Faulk, L. C. Fife, R. R. Fife, Sam D. Hughton, Herman B. Jeffery, Sam L. Lockwood, B. B. McDonald, C. L. Parnell, Charles C. Stewart, W. M. Stovall, J. A. Walker, and Joe Wheeler.

Clubs Meet During Week

HARLINGEN—Programs reflecting national and world trends have been planned for meetings of Harlingen club groups during the coming week.

Monday at 3 p. m. the Rio Grande Valley Art League will meet with Mrs. Joe Wood for a program and monthly art exhibit.

Wednesday's meeting of the Fine Arts Club will emphasize the contribution of women to bettering the status of the underprivileged. Mrs. Van R. Wiggins and Mrs. Morris Chaudoin will be speakers. The subject will be "Women Lighting the World's Darkness."

At their regular meeting Thursday Study Club members will spend a literary hour in a program entitled "Vista of the Printed Page." Mrs. Menton Murray will discuss current women's magazines; Mrs. Wm. L. Trammell will give a book review; and Mrs. J. T. Foster will exhibit new and old books.

Babson Says
3RD TERM WIN
TO OPEN WAY
FOR OTHERS
U. S. Faces 'Swifter'
Years Ahead

By ROGER W. BABSON
BABBON PARK, Mass.—The political war is over. Franklin D. Roosevelt has been re-elected by a majority of the people. Perhaps the most unfortunate feature of the election is the opening of the way for other presidents to attempt a third term. However, business has been relieved of the pulling and hauling which the prolonged campaign engendered and which served as a serious brake. We can now forget politics, settle down and back to work. Roosevelt in a united drive for prosperity and defense.

"Democracy" Out The Window
Armament will be the biggest industry in our history. Government, management, and labor are fusing their maximum efforts to create the greatest Defense Program the world has seen. They will try to remove the inefficiencies of our Democratic System encourages in the operation of private industry. Democracy, as a system, functions best in fair weather. In this national emergency we will shelve many of our most prized rights and privileges. Easy-going methods are not out for the next two years at least. If we are to first defend ourselves against aggressive nations and secondly, make our proper role in world leadership after this war is over, we must be armed.

We must be ready to back words with action. If adequately prepared, we will minimize the risk of being dragged into war. Mr. Roosevelt knows this. He plans now to put the U. S. A. on a complete security basis. Mr. Roosevelt's idea to organize the Armament Program along the lines of a huge new corporation. Its Board of Directors will be a small group of men representing the industrial, financial, and labor factors necessary to streamline and provide 100 per cent efficient operation.

What About Bureaucracy?
Much of the bureaucracy which marked eight years of New Deal will be scrapped. The Wagner Act, the S. E. C., and other agencies may quietly be curbed. With the National Defense Advisory Committee as a base, the President will bring together, as operating heads of the Defense Program, the best brains of the country. Knudsen and Stettinius will probably be retained, but other top men selected by a committee. The National Relations Board will be re-organized to routine in which it can function without disrupting production. The S. E. C. can do an administrative job in enforcing the Securities and Exchange Act. It will not be permitted to become a disruptive weapon against our markets in the hands of economic radicals. There will be a czar of prices, probably Defense Commissioner Henderson.

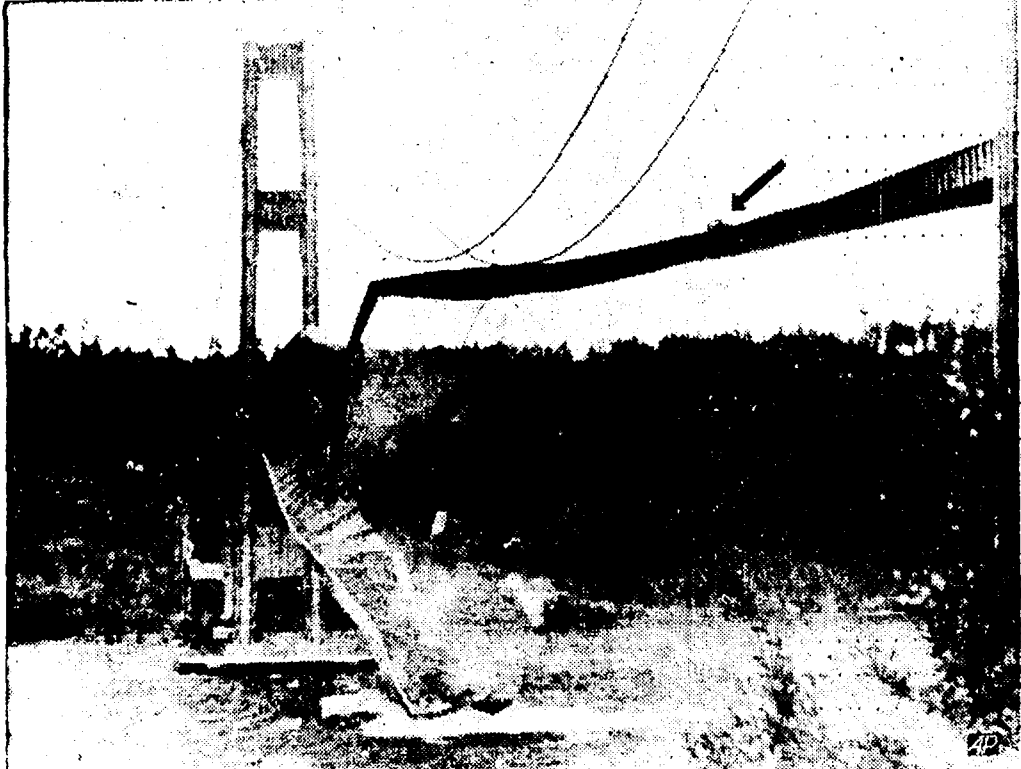

Jesse Jones may control the purse-strings of the reorganized Defense Program. As Federal Loan Administrator, this has been his most important task to date. He is one of the ablest men in Washington. He is not a New Dealer but has the respect of even the radicals of the official Roosevelt family. Continued pressure in the Cabinet is the more reason why I am optimistic. Thus, in place of far-flung inefficient bureaucracy, will come a Board of Directors of the National Welfare. Their sole job will be to bring the Defense Program in all its aspects from the blueprint to the functioning state.

Business Deserves A New Deal
The Third Roosevelt Administration must meet the justified criticism that both the New Deal and the President personally have been mercilessly hostile to business. Mr. Willkie's election would have placed the business men of America enthusiastically behind his Administration from the very start. Mr. Roosevelt is suspected to be unfriendly to business and private property. Hence, one of his first tasks to reassure the American business man and investor that he will not continue the theories and attacks of the last eight years at the expense of the Defense Program. If defense is to be speeded up, Mr. Roosevelt must place business experts, and not social reformers, in key positions.

All talk of bringing the budget even faintly into line with national income is out. Billions are pouring down the sluiceways of the national production channels. Some time there will be a fearful reckoning. When the day comes the economic sins of the past eight years will come home to roost. But meanwhile, spending for our defense is a prime necessity in a war-torn world. We must pay the price if we are to remain secure. It would be the same if Mr. Willkie had been elected. Only under Mr. Roosevelt, does spending will be more lavish and less offset by some checks and balances than would have been the case under Mr. Willkie. Inflation will be the spectre at the feast—but inflation still lies on the distant horizon and is today a cloud no larger than a man's hand.

Congress The Balance Wheel?
Many still believe that one check on Mr. Roosevelt may be the Congress. He may find in the House a combination of Republicans and disident Democrats sufficient to prevent any attempts by him to give such powers as belong in the legislative branch. Congress will follow the President in the interests of National Defense, but Congress may not advocate in favor of the White House, even though the Congressional vote is in his favor. Farmers will continue to receive subsidy checks, but they will be smaller. Unemployment will diminish. Compulsory arbitration will become more common. Every business will be stimulated by the billions pouring into industry. This means

JUST AS GIGANTIC BRIDGE COLLAPSED

A huge section of the Tacoma Narrows bridge, Tacoma, Wash., goes plunging 190 feet into Puget Sound as the structure broke up. There was no loss of life. Arrow points to car abandoned by Leonard Coatsworth, Tacoma News Tribune reporter, who was forced to crawl to safety. The car ultimately went down with a section of the bridge.

Four New Producers Assured For Valley
In Proven Fields; Wildcats Are Active

McALLEN—Drill stem or production tests in two important Lower Rio Grande Valley wildcats gave promise of more important developments Saturday while wildcatting throughout the area slumped slightly after months of steady drilling and almost as steady discoveries of new areas.

In eastern Wilkey County, where deep tests have been drilled almost continuously for more than three years without a strike, Pan-American Production Co. was running a second production test in its No. 1 Porfirio Garcia, Share 13, San Juan de Carrizito Grant, in the Willamar community. The well was drilled to 9,002 feet and casing was cemented around 8,675 feet. Drill stem test was run after casing was run-perforated at 8,645-70 feet, but the only recovery was 4,600 feet of salt water.

Operators then plugged back and were reported testing through casing perforations in sand cored somewhere around 7,762-79 feet. The upper eight feet of this section was reported to have been mostly sand with shale streaks while the lower nine feet was sandy shale. The well has been drilled as a "tight" hole, accounting for the lack of detailed information.

Pan-American has staked location for the No. 1-B Willamar Community Lease, which is about 1,015 feet north and a little east of the No. 1 Garcia, and which also is in Share 13, San Juan de Carrizito Grant. Staking of this location lends more credence to reports of important developments in the No. 1 Garcia. This test is headed for 9,000 feet.

In southwestern Cameron County about six miles southwest of Port Isabel, Pure Oil Co. No. 4 Gateway Newberry, Shelton Survey, has pits dug and was rigging up for a 9,000-foot hole. Falcon-Seaboard Drilling Co. of Houston has the contract. This is the sixth deep wildcat drilled in the same area, and points to the obvious importance of the Valley section of the Texas Gulf Coast as a vast new area yet to be developed.

In northeastern Hidalgo County, Humble Oil & Refining Co. No. 1 American Life Insurance Co., Lot 1, Block 23, Mo-Tex Subd., Las Mesenas Grant, was drilling in shale at 8,218 feet. No shows of any importance have been recorded in the hole thus far.

On the north edge of the producing area in the San Salvador field in central Hidalgo, Gulf Star Oil Co. No. 1 Carmen Camacho de Carrizito, Share 115, San Salvador del Tule Grant, a semi-wildcat, was preparing to run production test on an 8,000-foot gas-distillate sand. The sand was cored at 7,970-90 feet and the hole was bottomed at 8,004 feet, and 7-5-8-inch o.d. oil string was cemented atop the sand at 7,971 feet. Plugs were being drilled out Saturday.

that general purchasing power will rise. Therefore, for the immediate period ahead I am frankly an optimist. As for the long swing, the period after the war when the world faces the results of this terrific destruction, this I will discuss later.

McALLEN—At least four new producers were assured for Lower Rio Grande Valley proved fields Saturday as development continued steadily in twice as many areas.

Two new producers were being completed in the Rincon field in eastern Starr county, while the Kelsey field in southwestern Brooks county and the Sullivan City field in southwestern Hidalgo each added a new producer. New wells were due in the Colorado field in western Jim Hogg.

The new Rincon producers assured were W. R. Davis, Inc., No. B-37 Slick Estate and the No. B-38 Slick Estate. The No. B-37 Slick, Survey 486, in the southwest part of the

DRIVE BEGINS

50 At Mission Start
Campaign Tuesday

MISSION — Approximately 50 civic workers will start the annual Red Cross Roll Call in Mission Tuesday morning, seeking memberships in their respective districts after a "kick-off" breakfast at the Cactus Tea Room, at 7:45 a.m. Plans for the local campaign have been outlined by chairman J. C. Thompson and Mrs. Vernon B. Hill.

More importance is placed on the need for the Red Cross funds this year than for several years, because of the expansion of home service work brought on through the national defense program.

Chairmen and committee members of various districts in Mission and the outlying area were appointed this week. They are: Leo Martell, Mission schools; A. B. Martin, La Joya; Sam Fordyce, Sullivan City; Abrams, and Penitias; Mrs. J. A. Gillett, rural.

On Mrs. Gillett's committee are Mesdames Gertrude Carson, Ray D. Goodwin, Leo Marcell, Eugene Walthall, George Van Slyck, Glen Abney, Jr., Willard Ferguson and E. B. Zey.

Business District
In the business district the enrollment will be directed by chairman Thompson, assisted by William Breedlove, D. W. Cott, C. F. Spies, Weeks Martin, Rev. Allen G. Roe, Joe T. Cook, E. E. Marburger, H. S. Anderson, F. W. Dooley, Lee Frieson, Floyd West, Jr., Rev. E. R. McWilliams, and L. H. Ramey.

In the residence sections, workers are Mesdames H. H. Rankin, Sr., Julius Franki, F. W. Dooley, R. T. Daniel, James Wood, George Boyle, H. F. Cunningham, H. F. Richards, E. W. Halstead, B. F. McKee, Charles Langston, T. H. Armstrong, H. H. Ewing, J. F. Honey, L. G. Pyle, S. R. Greer, W. T. Gibbs, C. M. Parkhill, A. A. Benard, J. E. Walsh, Joe T. Cook, E. R. McWilliams, A. J. Whitlsey, C. B. Amyx, C. F. SoRelle, Herbert Melch, J. H. Marcell, Leon H. Brown, R. M. Winn, W. R. Blalock, John W. Griffin, Perry Wright and J. C. Ruble.

PHARR—The Pharr Girl Scouts will again sell poppies Saturday for the Veterans of Foreign Wars, according to an announcement made here by the Girl Scout captain, Mrs. June Avery. There will be poppy stands in the down town sections of both Pharr and San Juan, with the Girl Scouts in charge.

About \$56 worth of poppies were sold here last year by the Pharr Girl Scouts, with all the proceeds going to the Foreign Wars Veterans. "Buy a Poppy and Help Those Who Have Helped Preserve America" will be the Girl Scouts slogan for the sales drive.

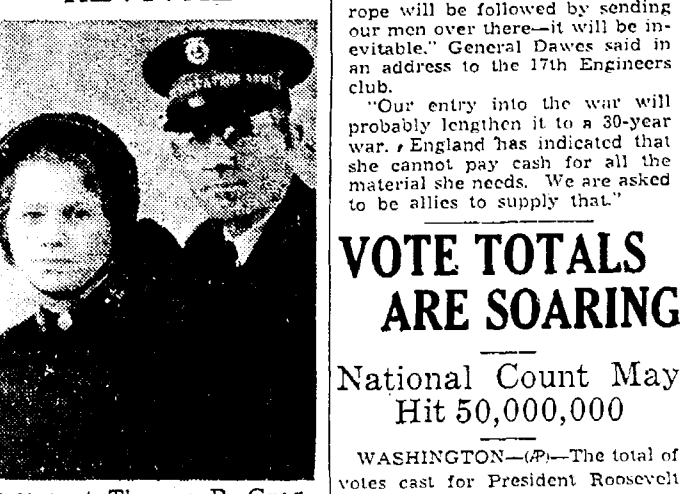

American Participation Would Make
It 30-Year War, General Dawes Tells
Club; U. S. Materials, Men Wanted

CHICAGO—(P)—United States participation in the European conflict probably would make it a "30 year war," in the opinion of Gen. Charles G. Dawes, vice president in the Coolidge administration and former ambassador to Great Britain.

He contended that "certain elements of our population are luring us into the war to crush Hitler."

"Sending war materials to Europe will be followed by sending our men over there—it will be inevitable," General Dawes said in an address to the 17th Engineers club.

"Our entry into the war will probably lengthen it to a 30-year war," England has indicated that she cannot pay cash for all the material she needs. We are asked to be allies to supply that."

Adjutant Thomas B. Gregory and Mrs. Gregory of the Corpus Christi Salvation Army post will conduct the ten-day revival which began Friday in that church here and over Texas. Captain Ellen Lynn and Captain Faith Evans of the Harlingen post have exchanged places with Adjutant and Mrs. Gregory for the revival.

SEEK REMAINS
OF DEAD GIRL
Janitor Admits He
Killed Child

NEW YORK—(P)—Police technicians sifted small quantities of furnace ashes Saturday in a search for charred bone fragments that would establish a corpus delicti in the slaying and cremation of 10-year-old Genevieve Connolly.

Thomas Conroy, 38-year-old building superintendent, confessed that he choked the child and burned her body in a furnace because he feared the girl might tell her mother he had kissed her. Assistant District Attorney Sylvester Ryan said.

Medical Examiner Charles Hochmann said only a few particles had been found which "may prove to be bits of charred bone," but "I am afraid it will be extremely difficult to make certain now."

The blue-eyed, red-haired girl had been missing two days when Conroy, a native of the same county in Ireland from which the Connolly's came, broke down and declared, "I want to get this off my conscience."

Brownsville Lowers
Tax Rate To \$1.80

BROWNVILLE—City commissioners here Friday night gave final passage to a measure reducing the city tax rate from \$2.50 to \$1.80.

General discussion was held regarding city finances, and second reading on an ordinance to give license to the Brownsville Transportation Company for a new route to Los Fresnos and environs.

Cost of the Washington monument was \$1,300,000.

Current Films

"FOREIGN CORRESPONDENT" is one of the most thrilling and timely motion picture releases in recent months. It is a romantic drama filled with mystery and intrigue with Joel McCrea, Laraine Day, Herbert Marshall, George Sanders and Robert Benchley in featured roles.

The story reveals the adventure of the intrepid newsmen who cover the European war front for America to listen to in news broadcasts and to read in its daily newspapers.

Joel McCrea is cast as the foreign correspondent who falls in love with the lovely daughter of the head of a great peace movement, who turns out to be Hitler's number one agent operating under the guise of the peace society.

"Foreign Correspondent" is booked for current showing Sunday and Monday at both the Arcadia Theatre in Harlingen and the Palace Theatre in McAllen; Tuesday and Wednesday at the State Theatre in Mercedes and at the Ritz Theatre in Weslaco, Thursday and Friday.

"ARISE, MY LOVE" AT CAPITOL

CLAUDETTE COLBERT and Ray Milland share co-starring honors in the screen's romantic drama "Arise, My Love," booked for current showing Sunday and Monday at the Capitol Theatre in Brownsville.

The story of "Arise, My Love" tells of a young American aviator, who has been fighting with the Loyalists in Spain, is a prisoner of the Franco forces, and is condemned to be shot. Suddenly he learns that his wife has charmed the Spanish high command so efficiently that he has been pardoned, in order that he may go home with the appealing petitioner.

Since he has no wife, he is baffled . . . but appreciative when the "wife" who is a pretty American newspaper girl on the trail of a big news story. They barely get to England as the Nazi war machine gets under way to roll over Europe.

"DOWN ARGENTINE WAY" IS MUSICAL

THE SCREEN'S new musical extravaganza "Down Argentine Way," starring Don Ameche, Betty Grable and Carmen Miranda features eight song hits and is produced in Technicolor.

The romance between Don Ameche and Betty Grable covers 6,000 miles from the staid atmosphere of Westchester to the alluring Argentine.

The story concerns the son of a wealthy South American family who is sojourning in America for the purpose of selling some of his father's choice horses. But horses become irrelevant when Don Ameche meets beautiful Betty Grable. Four catchy new songs written for the picture are "Two Dreams Met," "Down Argentine Way," "Nenita" and "Sing To Your Senorita," while Carmen Miranda renders, as only she can, "Bambule," "Mamae Eu Quero," "Toujours Em Madrid" and "South American Way"—the numbers she sang in "Streets of Paris."

"Down Argentine Way" is booked for current showing Sunday and Monday at the Rivoli Theatre in San Benito and at both the Arcadia Theatre in Harlingen and the Capitol Theatre in Brownsville, Thursday, Friday and Saturday.

"STRIKE UP THE BAND," AT STATE

MICKEY ROONEY and Judy Garland, plus Paul Whiteman and his orchestra at its rhythmic best are to be seen in "Strike Up The Band," booked for current showing Sunday and Monday at the State Theatre in Mercedes.

New song hits in "Strike Up The Band" include "Our Love Affair," "Nobody," "My Wonderful One," "Drummer Boy" and the theme number, "Strike Up The Band."

The picture is one of the outstanding hits of the new fall season and is in answer to public demands for a romantic musical starring the popular Mickey Rooney and Judy Garland. The featured supporting cast in addition to Paul Whiteman includes June Preisler, William Tracy and Larry Nunn.

Charm Of Southwest Seen In 'Rangers Of Fortune'

Capitol Opens With Robin Hood Theme For MacMurray

The charm, the chivalry and the explosive drama of the old Southwest are brought to the screen in "Rangers of Fortune," starring Fred MacMurray, Albert Dekker and Gilbert Roland as a trio of desert marauders.

The three are a combination of Robin Hood's gang and The Three Musketeers—thieves, rogues, scoundrels, or knights on horseback as the occasion demands.

Fresh from a scrape with Mexican border troops they bump into a situation in the little town of Santa Marta that fits their particular talents. A small newspaper publisher, fighting a land grabbing gang, has been assaulted and forced out of business. The battling trio take over for him, and issue a defiance to the land robbers.

In the course of their adventures, Fred MacMurray becomes romantically involved with Patricia Morison. The publisher's little grand-daughter, Betty Brewer, abets the romance and proves important in finally establishing the guilt of Joseph Schildkraut as the leader of the gang.

"Rangers of Fortune" is booked for showing Tuesday and Wednesday at both the Capitol Theatre in Brownsville and the Ritz Theatre in Weslaco Wednesday and Thursday at the Rivoli Theatre in San Benito and at the State Theatre in Mercedes, Thursday and Friday.

'Mexico' Subject Of March Of Time

The latest March of Time which is scheduled for showing Tuesday and Wednesday at the Ritz Theatre in Weslaco pictures the part Mexico's twenty million people will play in American hemisphere defense.

Mexico today faces a dilemma, the March of Time film shows, because her leaders realize that cooperation with the U. S. in hemisphere defense is the only way in which Mexican independence can be preserved.

New Comedy Booked

Dick Powell and Joan Blondell share co-starring honors in the screen's new comedy-drama "I Want A Divorce," booked for showing Tuesday and Wednesday at the Arcadia Theatre in Harlingen.

Gloria Jean Stars

Gloria Jean, Hugh Herbert and Robert Stack are co-starring in "A Little Bit of Heaven," booked for showing Tuesday only at the Rivoli Theatre in San Benito and Tuesday and Wednesday at the Palace Theatre, McAllen.

Ramparts We Watch At Weslaco And McAllen

War Picture Rates Attention Of The Movie Critics

When a motion picture is acclaimed by critics, government officials, and news commentators alike as "America's most important feature picture," it rates universal attention. When that same movie is afterwards super-charged by the addition of breath-taking sequences from the notorious Nazi propaganda film, "Baptism of Fire," it becomes an event of unique importance to American theatre goers.

The picture is "Ramparts We Watch," booked for current showing Sunday and Monday at the Ritz Theatre in Weslaco and at the Palace Theatre in McAllen, Thursday, Friday and Saturday.

An absolutely new kind of picture, "The Ramparts We Watch," was inspired by the disastrous trend of world events. Recreating the story of America in the great crisis of World War I, it also was designed to reveal the forces of aggression which were plunging the world once more into war.

After tremendous difficulties the March of Time has finally brought to the American screen "The Ramparts We Watch" as it was originally planned—a thrilling re-creation of the sweep of world history from 1914 to 1940 and what it means to Americans and to America's future.

'Dulcy' Scheduled

Ann Southern, outstanding screen favorite, brings new laughs to audiences in her latest comedy, "Dulcy," scheduled for showing Friday and Saturday at the Rivoli Theatre in San Benito.

The picture outlines the exploits of a modern young woman who has a heart of gold and a faculty for getting everyone she meets into trouble. Jan Hunter, Roland Young and Billie Burke are cast in featured supporting roles.

Bob Burns Starred In Riotous Comedy

Bob Burns and the homespun philosophy of radio's Uncle Ezra, tuned to good old-fashioned mountain music come to the screen in "Comin' Round the Mountain," booked for showing Monday and Tuesday at the Rialto Theatre in Harlingen.

"Comin' Round the Mountain" tells the story of the feudin' Blowers and the Beagles, and of an itinerant salesman who happens to overhear a jam session of the Blowers' "one family" orchestra consisting of bazoocas, corn liquor jugs and fiddles. He contrives to find them a sponsor for a radio program to save the little five-water from going off the air.

SOVIET-AXIS MEET POINTS TO PACT

Italy's Crack Division Trapped

15,000 MEN OF CENTAUR UNIT FACE DEATH

Many Surrender For Position Hopeless

LONDON (Sunday)—Italy's crack Centaur Division of 15,000 men trapped by Greek troops in the Pindus Mountains were reported annihilated, a Reuters news agency dispatch from Athens said today.

Two infantry regiments and one of artillery formed the Italian division cut off from the main Fascist forces.

A great number of the trapped men were reported to have been drowned in a flooded mountain gorge swollen by heavy rains, while others perished from hunger and cold, the dispatch said.

Heavy Greek forces seeking the destruction of the Italian division sealed 6,000-foot mountain ridges between neighboring villages and them in hauling their armament up the mountain sides the Athens report said.

From Athens Greek sources said the Fascist troops were without food and with lines of supply cut. Military informants said hundreds of the division's men and its commanding general already had been taken prisoner.

The Greeks said the Italians, in attempting to take a road leading southward to the strategic Greek town of Ioannina, had gone so deep into the mountains as to permit a break in their own communications.

Big Italian guns and much war material were said to have been dumped into a ravine to prevent their seizure.

All along the 100-mile front there was action Saturday, and the heaviest fighting yet seen was reported from the Korinth sector, where the Greeks appeared to be slowly pushing back the invaders.

BRITISH SINK FRENCH SUB

Craft Had Attacked English Warship

LONDON (Sunday)—The British Admiralty announced Saturday night that the French submarine Poncelet had been sunk in an engagement with British naval forces off French equatorial Africa.

The admiralty denied flatly a Vichy announcement that a British naval squadron had shelled Libreville or that light British ships aided the landing of "Free French" troops near there.

A communiqué issued by the admiralty said the only naval engagement the British naval squadron had been concerned in was "resisting an attempt by the French submarine Poncelet to sink a British warship without warning."

The Poncelet, the admiralty said, was forced to come to the surface as a result of "retaliatory action" and then was scuttled by its own crew.

All members of the crew were saved, the communiqué said.

The 1,730-ton Poncelet was one of France's large and successful "Redoutable" class. She was built in 1930 at Lorient, now a Nazi-held "invasion port," on the French coast, and carried a crew of 67.

Island Is Abandoned By British Forces

SHANGHAI (Sunday)—The British navy was officially reported to have abandoned Lukang island off Shanghai peninsula, which it used as a base for summer maneuvers, for "the duration of the European war."

Japanese marines landed on the island several weeks ago after the Japanese-sponsored Chinese regime at Nanking had declined to recognize renewal of a 10-year lease granted the British by Generalissimo Chiang Kai-Shek.

Stock Exchanges To Observe Armistice

NEW YORK (Sunday)—The New York Stock Exchange, curb exchange, cotton exchange, the Chicago Board of Trade, and all other principal securities and commodity markets in the United States and Canada will be closed Monday in observance of Armistice Day.

Livestock markets will remain open.

Murder Jury Spends Holiday In Jail

Case Unsettled, So Jurors Ordered To Stay On Job Until Tuesday

EDINBURG—The twelve good men and true who will hear testimony and bring in a verdict in the state's case against Manuel Reyna of Edinburg, charged with the slaying of his wife here September 1, will spend their Armistice holiday in—of all places—the Hidalgo county jail.

Judge Bryce Ferguson Saturday morning heard reports from both the state and defense that

at least two witnesses in the case were ill.

The judge called the jury into the box. He explained the circumstances, adding that it was probable testimony could not start before Tuesday. The jury members' faces may have dropped, but the judge went right ahead to tell them that, although they must be confined to the jury's quarters in the jail, they may read newspapers and maga-

zines and listen to the radio.

It was all over within a few moments.

A deputy sheriff escorted them back to their quarters in the jail, where they had been waiting since the jury was completed Friday from a list of about 125 veniremen.

There they will remain until Tuesday.

Judge Ferguson did tell them, also, that he hoped the case could be completed by Thursday night or Friday afternoon.

2ND WILLACY WELL BROUGHT IN SATURDAY

Oil Located 18 Miles From Raymondville

RAYMONDVILLE—Second oil producer in Willacy county history was reported here Saturday, after test being drilled by Carlier and Rubenstein Company near Willamar in eastern Willacy county, blew in suddenly and unexpectedly Thursday night.

The test, on land owned by Porfirio Garcia, was being drilled for Pan American Company and for a number of majors, according to report; and though it is a "tight" well, with no information being given out by operators, the test was believed to be at about 7,800-foot depth when it began producing oil.

The well is located about 18 miles southeast of Raymondville and about 18 miles northeast of Lyford. Drillers began operations on the test something over two months ago.

Pressure was reported unofficially at about 780 pounds, with the well, until choked off, producing low gravity oil, reported at 33 to 36 gravity.

According to the best information available, operators had brought in salt water, and had cemented and shut down preparatory to re-shooting; then had sent out after swabbing materials when the well came on quarter-inch choke, throwing oil all over the immediate vicinity of the well before it could be shut off.

First producer in Willacy was Shell's La Sal Vieja test, five miles west of Raymondville, which produced good grade crude for several months in the fall of 1936 before being shut down, reportedly because of salt water seepage.

John Hamilton Quits Job With GOP Party To Resume Practice

WASHINGTON (Sunday)—John Hamilton resigned Saturday as executive director of the Republican national committee, a post he has held since Joseph W. Martin became national chairman last July.

He gave no reason for his resignation in a letter to the committee. However, Martin, accepting the resignation, wrote that "I can appreciate fully your desire to retire and resume your business career."

Almazan Aide Back For Duty With Army

MEXICO CITY (Sunday)—General Jose Mijares Palencia, one of the principal aides of General Juan Andreu Almazan, presented himself to the war ministry Saturday for orders and told newspapermen he was "out of politics."

Mijares Palencia, former governor of Puebla state helped direct Almazan's unsuccessful presidential campaign. He was one of two ranking Almazanistas who had not answered army summonses to report for active duty.

4,000 Workers Mexico May Dismiss Oil Field Labor

MEXICO CITY (Sunday)—A government commission of three experts proposed dismissal of 4,000 of 18,000 workers as a means of reducing operating expenses of Mexico's debt-ridden oil industry, it was learned Saturday night.

The move would trim the operating cost annually 22,000,000 pesos (\$4,000,000 U. S.).

President Cardenas, it was reported, may use the commission's proposal as a basis for a decree reorganizing the industry before he leaves office on November 30.

TRANSPORT VESSEL SUNK

'Empress Of Japan' Is Bombed From Air

NEW YORK (Sunday)—Bombing by German planes of the 26,032-ton liner Empress of Japan, a British transport, about 300 miles west of Ireland was reported Saturday by a correspondent of Domei, Japanese news agency.

The correspondent told of the attack in a wireless message to his New York office from the Japanese liner Fushimi Maru. (No information was available in London or Ottawa.)

Hit Disables Engines The Fushimi Maru had picked up an SOS from the Empress of Japan which said a direct hit had disabled her engines, the Domei correspondent said. The Japanese ship, carrying several hundred Japanese home from Britain, left Galway, Ireland, Nov. 7 for Japan.

New York office said the attack occurred in latitude 53.54 north, longitude 14.14 west, approximately the same area where the 42,348-ton Empress of Britain, flagship of the Canadian Pacific's Atlantic fleet, was crippled by German bombers Oct. 26 and sunk two days later by a Nazi submarine with a loss of 45 persons.

Cost \$7,500,000 The Empress of Japan, former flagship of the Pacific fleet of the Canadian Pacific Steamship Company, was built in 1930, cost \$7,500,000 and had accommodations for 1,212 passengers. She formerly ran between Vancouver, Honolulu, Japan and China ports and Manila.

She was converted into a troopship at Hongkong last April and in July arrived at Manila with 1,640 British women and children who had left Hongkong when the situation there became serious.

The liner 644 feet long, set a trans-Pacific speed record of 8 days, 6 hours and 27 minutes in 1930, and a month later broke the Honolulu-Yokohama record.

Alexander Turns In Appeals Court Job

WACO (Sunday)—Judge James P. Alexander, newly elected chief justice of the supreme court, Saturday mailed to Gov. W. Lee O'Daniel his resignation as associate justice of the 10th Court of Civil Appeals at Waco.

The resignation was timed to coincide on January 1 with his assumption of the unexpired term of the late Chief Justice C. M. Cureton.

5 'Overage' Vessels Enroute To Canada

NEWPORT, R. I. (Sunday)—Five "overage" destroyers, believed among the last of the 50 traded by the United States to Great Britain in exchange for naval and air bases, took on supplies here Saturday.

The vessels, which arrived Friday, presumably were en route to Canada.

COLLAPSE OF SMU STANDS INJURES 34

Temporary Bleachers Fall During Game

DALLAS, Tex. (Sunday)—At least 34 persons were injured, some seriously, when temporary bleachers buckled and collapsed during the Texas A. & M.-Southern Methodist football game here Saturday.

The stand folded in the center and gradually settled, tumbling 1,200 persons out of their seats and piling many of them on top of each other. Some were trapped when their legs were caught beneath the crumpling seats.

Ambulances screamed to the edge of the playing field and many of the injured, some of them on hastily improvised plank stretchers, were loaded in and taken to several different hospitals.

Cops Chasing Boys Policemen who abandoned a race with a group of youngsters who had crashed the gate to aid in untangling the mass of humanity and folded seats, said they did not believe any of the injuries would prove fatal, although several persons had back injuries.

Many were bruised when they were tossed from their seats, and others suffered broken legs.

So intent was the crowd on the ball game and on the chase between policemen and gate crashers, that many did not see the collapse. The crowd totaled 27,000. The game was halted temporarily when spectators surged from the scene of the collapse at the south end of the gridiron to the edge of the playing field. The bleachers caved in during the second period of the game.

Miss Lona Hardcastle of Garland, Tex., who was slightly injured, said the stands seemed to settle and shiver before buckling beneath the weight of the hundreds of overflow spectators for the southwest grid headline of the day.

Miss Edith Goepfinger of Tulsa, Okla., said she "seemed to be floating through space."

"Of course I did not realize what was happening," she said. "At first I was intent on watching the game. I ended up beneath a pile of people."

The seats had been erected to care for the anticipated overflow crowd.

Queen Elizabeth Is Being Prepared For Transport Service

NEW YORK (Sunday)—Waterfront reports that the 85,000-ton British liner Queen Elizabeth would sail Monday or Tuesday to serve as a troopship were strengthened as a ship hummed with activity and a diver went down to determine the amount of silt deposited on her bottom.

Carpenters ripped out bulkheads to make room for bunks, food supplies were taken aboard and machinery was tested.

The Queen Elizabeth, the world's largest liner, arrived last March after a wartime run across the Atlantic.

US Making No Move As Yet In Sinking

WASHINGTON (Sunday)—Secretary Hull said Saturday that the United States planned no action in connection with the sinking of the American freighter City of Raleigh pending a complete investigation.

The reply to questions the Secretary of State said preliminary information indicated that the vessel had been struck by a floating mine, but that the complete circumstances had not been determined.

FD Proclaims Thanksgiving Nov. 21

Two-Thirds Of States Change To New Date

WASHINGTON (Sunday)—President Roosevelt Saturday proclaimed Thursday, November 21 as Thanksgiving Day and declared that in these times of calamity and sorrow elsewhere in the world "may we give thanks for our preservation."

It was the second time the chief executive had set Thanksgiving a week earlier than the customary last Thursday in November, which this year falls on November 28. In 1939 he said it was done to benefit merchants by providing a longer interval between the Thanksgiving and Christmas holidays.

Two-thirds of the states have signified they will observe the November 21 date this year. Governors of these 16 states have announced adherence to the traditional date—November 28: Arkansas, Connecticut, Florida, Kansas, Iowa, Massachusetts, Maine, Nevada, Oklahoma, New Hampshire, North Carolina, Rhode Island, Pennsylvania, South Dakota, Tennessee and Vermont.

Analysis Of Business

Immediate Boom Seen

Stock Markets Reflect Conditions, Send Sales Soaring; Inflation Expected

NEW YORK (Sunday)—The country's business men this week turned backs on the national elections and eyes forward to the huge arms program, while Wall Street staged a buying drive in securities and key commodities that added billions of dollars to quoted values.

With the bitter political contest out of the way, and the country in a mood in which industrialists and bankers joined politicians in a call to national unity, the business community appeared to visualize clearly for the first time, the implications of the tremendous sums of levied or borrowed money which will go into the defense effort in coming months.

The great farm crops, wheat, cotton, livestock, the industrial staples, rubber, lead and the like, joined with stocks and bonds in an upsurge late in the week, after a day of hesitation following the election.

Snapping attention sharply back to the war goods program and the unprecedented financial steps which will be necessary to accomplish it, was the revelation in Washington Thursday by Secretary of the Treasury Morgenthau of the first phases of the fiscal program of President Roosevelt's third term.

CHAMBERLAIN NEAR DEATH

Wife Is Suddenly Called To Side

LONDON (Sunday)—Mrs. Neville Chamberlain, wife of Britain's seriously ill former prime minister, was called suddenly to his bedside at midnight (5 p. m. CST).

Official word at 2 a. m. (6 p. m. CST) however, was that the condition of the man who led Britain through the Munich crisis and announced her entry in to the war still was "unchanged."

Mrs. Chamberlain, who disclosed Friday that Chamberlain is gravely ill, had remained at the bedside of her 71-year-old husband throughout the afternoon and until 9 p. m. when she left her home to go eight miles to the village.

The urgent message called her back after only three hours of rest.

Man, Wife Die From Car Crash Injuries

DALLAS (Sunday)—Jim Montgomery, 61, and his wife, 52, both of Ennis, were killed Saturday in an auto-truck collision four miles south of Ennis on Highway 75.

406 Officers Finish New Combat Course

WASHINGTON (Sunday)—The War Department reported Saturday that a "milestone" in the history of American military education, that 406 officers had completed a new course of combat training which is to be given 8,000 men annually.

The group completed a concentrated rifle and heavy weapons company course at the Infantry school, Fort Benning, Ga., which is intended to fit them to command troops on the battlefield.

Nazi Raiders Return To Siege Of London

LONDON (Sunday)—German raiders returned to the aerial assault on London shortly before dawn today after subjecting the empire capital to a heavy attack early Saturday night and then giving Londoners a few hours of peace and uninterrupted sleep.

The customary nightly air raid tapered off around midnight to a period of extraordinary quiet and the "all clear" was given.

British Submarine Is Considered Lost

LONDON (Sunday)—The admiralty announced Saturday night the submarine H49 is overdue and considered lost. The H-49 was of 440 tons and carried a normal complement of 22 men.

TURKEY SAYS SHE'LL FIGHT DESPITE PACT

Molotoff Will Visit Berlin Shortly

By The Associated Press

Disclosure that the Soviet Premier-Foreign Commissar Vyacheslav Molotoff will visit Berlin shortly brought quick declaration Sunday from informed Turkish quarters that Turkey will fight "if vitally threatened" regardless of the outcome of Axis talks with her friend and neighbor, Russia.

Turkey received the news of Molotoff's impending conversations with German officials—and presumably Italy's Foreign Minister Count Ciano—with grave misgivings, and Ankara quarters said Turkey hoped for "benevolent" Russian neutrality in the developing Balkan warfront. Count Ciano is expected to go to Berlin next week, Rome circles said.

Bulgaria May Fall

Bulgaria has been considered by many observers as likely to swing public opinion in the Axis camp opening the way for a German sledgehammer attack on Turkey and Greece to aid Italy's thus far apparent failure to crack Greek defenses.

If Bulgaria makes any move against Turkey it will be "considered sufficient cause for war," Turkish quarters said.

Anxiety about Turkey's status has been observed in London quarters since that country failed to go to the aid of her Greek ally and because of reported Axis pressure on Russia to keep Turkey out of the camp of her avowed ally, Britain.

Turkey steadfastly has sought to avoid Russian displeasure in her stand against the Axis, but reports from Sofia and other Balkan quarters intimated Germany and Italy were attempting to "talk turkey" with Russia on division of spheres of influence in the Balkans and the Near East.

TURKEY IS INVOLVED

Turkey had no doubt that her position would form a major topic in the German-Russian-Italian talks, since she guards the strategic Dardanelles and bars the way to an Axis drive to knock out the British Mediterranean forces.

Rumania opened the first fissure in Balkan union by permitting German troops unofficially estimated at numbering 270,000 to enter. The Turkish press believed Bulgaria would open the "second breach," and Yugoslavia perhaps the third.

Yugoslavia's mountain troops for the Albanian-Greek frontier in a desperate effort to remain neutral and keep the Greek-Italian fight from spilling into her territory.

LUMBER KING KIRBY DIES

Long Illness Fatal To Houstonian

HOUSTON (Sunday)—John Henry Kirby, 80, Houston lumberman and financier, died at his home at 10:10 p. m. Saturday night after a long illness.

He was chairman of the board of the Kirby Lumber Company although active management of the company was in the hands of others.

Mr. Kirby built up one of the largest lumber businesses in the country.

Territorial Dispute May Affect Whalers

OSLO (Via Berlin)—An expert on the Antarctic foresaw difficulties ahead for Norwegian whalers as the result of possible sovereignty disputes arising out of Chile's claim to a wedge of Antarctic territory.

Prof. Adolf Hoel said such disputes might hamper Norwegian whalers operating in the vicinity of the Falkland islands, which are near the Chilean claim.

Panamanian Leaves With Gas For Japan

GALVESTON (Sunday)—The Panamanian tanker Panamanian, loaded with 65,000 drums of gasoline for Japan, left Galveston harbor Saturday afternoon after numerous delays in its sailing.

A hitch in obtaining government authorization to depart and an engine room accident in addition to other incidents, kept the tanker laid up until Saturday.

PRESIDENT INDUCTED

ABILENE (Sunday)—Don Heath Morris was formally inducted into the office of president of Abilene Christian College Saturday at a homecoming day ceremony witnessed by 2,000 persons.

PARISH SETS SERVICE FOR NEW EDIFICE

St. Anthony's Church Dedicated Monday

HARLINGEN — Dedication of the new \$35,000 St. Anthony's Catholic church, recently completed, will be staged here Armistice Day, with the ceremony to begin at 10:30 a.m. His Excellency E. B. Ledvina, Bishop of Corpus Christi, assisted by The Very Rev. Esteban de Ariza, O.M.I., and the Very Rev. Y. Tymen, dean of the Brownsville and Mission Ecclesiastical districts, respectively, blessing the building.

The Psalms and Litany will be chanted by the priests. Solemn High Mass in honor of St. Anthony will follow, with The Rev. A. Antonine, the pastor, and for whom the church was named, as the celebrant. Assisting will be The Rev. Charles Scuderi, O.M.I., donor; The Rev. B. W. Daugherty, sub-deacon; and The Rev. Theophilus, master of ceremonies. The sermon will be delivered by Bishop Ledvina. The Schola of the Oblate Novices of Mission will sing the Missa "De Angelis."

At the Solemn Benediction of the Blessed Sacrament, to be held at 4:30 p.m., the singing will be furnished by a choir directed by Mrs. James D. Ward of San Benito and Mrs. S. R. Jennings of Harlingen.

Visiting Priests

The Rev. Walter Arnold of San Antonio, Provincial of the Oblate Order, will be present, accompanied by many priests of the Province. Also present will be Father Burns, instructor of St. Anthony's College for Priests, located at San Antonio, as well as a number of students of the college, which was founded and named in honor of Father Antoine of the Harlingen church.

Barbecue dinner and supper will be served on the grounds next to the church Monday, immediately following the celebration of the Mass, and again after the Benediction. Preparations have been made by Fred Keepers, in charge of the barbecue, to serve as many as 2,500 persons.

Mission Architecture

The church, named in honor of Father Antoine, is of Mission style architecture, built by J. E. Walsh of Mission at corner of Harrison and Tenth. Stanley Bliss of Harlingen and Corpus Christi, is the architect.

Cornerstone ceremonies were held on September 29, the 37th anniversary of the date on which Father Antoine took his priestly vows. He was ordained a priest in December, 1847. Ground was broken on May 30, Father Antoine's 70th birthday.

Church Seats 402

The new church has seating capacity of 402 persons in the main body of the church. It is of brick construction with red tile roof and tile floor, indirect lighting and medium light oak pews. The exterior conforms with the Mission design of architecture. The building is 120 feet long and 61 feet at the wings.

Future plans for the church property include construction of a parochial school and other buildings, according to Larry Powers, chairman of the church building committee. Other members of the committee are Menton Murray, Fred Keepers, S. R. Jennings, J. J. Murray, Lloyd Bogart, Mrs. Ellen Gaffney and Father Antoine.

GUARD STARTS DUTY TUESDAY

36th Division Will Be At Camp Bowie

BROWNWOOD — (AP) — Major General Claude V. Birkhead, commander of the 36th Division, said Saturday night members of the general staff would go on duty in San Antonio Tuesday to prepare for removal of the division to Brownwood's Camp Bowie.

The 11th Quartermaster Regiment will leave Austin on November 28 and division headquarters will move here December 2, the commanding officer said.

Advance detachments and the supply companies of each regiment will leave their home stations on December 1 and the main body of troops will leave their home stations on December 4.

A total of 12,000 men will begin complete training on December 9. This total will be increased to 18,000 men by volunteers, General Birkhead said.

In addition to Texas National Guardsmen, 7,500 regular army troops and the 11th Cavalry of the Iowa National Guard will be quartered here.

Nurses Institute To Be Conducted

McALLEN — The Nurses Institute of the Valley will meet at the McAllen Municipal Hospital Thursday, November 14, from 10 a. m. to 4:30 p. m. Miss Carrie Olson of McAllen, key nurse, announced Saturday.

Miss Olson has received notice that a national Red Cross worker from Austin will speak at the institute. She urged all nurses possible to be present for the session.

Methodist Services Set By New Pastor

HARLINGEN — Rev. Porter M. Caraway, new pastor of the First Methodist Church here, will talk on "An Exalted Nation" and "The Gift and Its Return" at Sunday services. Special messages in song and sermon have been prepared in observance of Armistice. Rev. Caraway said. The church school will convene at 9:45 a. m. with a class for every age.

They Bury The Hatchet

Mayor Louis Witte is shown at the microphone in the photo above at San Benito's "Bury The Hatchet" bonfire of Willie literature Saturday night on the Missouri Pacific right-of-way in the business district. W. W. Housewright, member of the electoral college, Chamber of Commerce Manager William Richards and J. Perrin Willis, local GOP leader during the campaign, also spoke. Speakers buried past differences and pledged future unity. (Staff Photo.)

ROTARY HEARS FRED NEWLAND

Attorney Urges U. S. Defense Support

HARLINGEN — "The Armistice has not failed," Fred Newland, Harlingen attorney said here Friday in a talk before the Rotary Club. "So let the spirit of American defense be in every heart."

Newland prefaced his remarks on Armistice by lamenting the allegation that he was "not the second, but sixth," speaker to be asked to appear.

"We did not solve the problem of world peace in the last Armistice or the last peace," Newland said. "It is questionable whether we can create a definite and lasting peace while there are such men who strive to become dictators." He said he had always backed a preparedness program extensive enough to command the respect of all nations.

"The possibilities for what has happened have been apparent for years. The defense program is a vital thing that must become a vital part of the American life. America is together. I have no fears for the solidarity of the United States in the future. We are closer than since the World War. Our national consciousness has come to the surface," the speaker said.

Hope Of Future

"The hope of the future lies in a free public school system and a free spirit. The spirit of the Armistice is manifested in the defense program. Let the spirit of defense be in every heart."

Dr. John Crockett, resigned member, was elected to honorary membership. Luncheon on November 22 will be moved up to November 21, for an intercity luncheon to be held at San Benito.

Realtors Meet

Entertainment For Tourists Talked

HARLINGEN — Committee from the Harlingen Real Estate Board to work with the city and chamber of commerce in providing entertainment for tourists here this winter was announced Saturday after a meeting of 28 realtors this week.

Paul Carruth, Joe Penny, W. B. Shaw, W. B. Bradford and Keith McCashe were named to the good-will and entertainment committee. J. J. Williamson, president, said the board would also contact merchants here to provide benches at Shady and beauty spots over town. He said a number of local realtors would attend the banquet at West-lac November 18 in honor of Senator Rogers Kelley, and Representatives Homer Leonard, A. J. Vale and Augustine Celaya.

Valley Student To Take Reserve Post

HARLINGEN — William Dayton Durham of Harlingen has accepted appointment in the Officers' Reserve Corps as a second lieutenant, field artillery, according to war department announcement Saturday, contained in an Associated Press dispatch from Washington.

Young Durham, grandson of Mrs. J. M. Longfellow of Harlingen, is a 1937 graduate of the Harlingen high school, and at present is a student in Brownsville Junior College.

Church To Feature Peace In Services

BROWNVILLE — Peace, international understanding and good will are to be stressed in Armistice events Monday at the Church of the Advent.

The services have been planned by the woman's auxiliary, as has been the case annually since 1919. Holy Communion will be held at 9:30 a. m. and will be followed by a commemoration at 11 a. m. A Litany service of intercession at 5 p. m.

BROWNSVILLE LISTS TAXES

City Has 20-Year Valuation Law

BROWNSVILLE — With the lowest real estate and personal property valuations in 20 years, the Brownsville city tax roll is well along toward completion, and should be finished in another three weeks, according to a statement Saturday by John B. Puckett, city cash and tax collector.

Valuations for 1940 have been set at \$6,140,105, the lowest since 1919 when they were fixed at \$5,197,305. Valuations have declined steadily from the high point of \$18,528,905. The 1940 estimate is \$5,059,470 for real estate and \$1,080,635 on personal property.

Delinquent taxes, some dating back to 1919, were estimated Friday at \$500,000. Delinquent taxes must be settled by March 11 to avoid suit, Mr. Puckett said. Settlement of old taxes can be made only upon payment of current taxes. The tax rate for 1940 has been fixed at \$1.80.

AUSTIN SETS CANCER TALK

Mrs. Volney Taylor To Preside

BROWNSVILLE — Mrs. Volney W. Taylor of Brownsville, state commander of the Texas division of the Women's Field Army for the Control of Cancer, will preside at a division luncheon in Austin Wednesday at 12:30 p. m. honoring Dr. Leonard A. Scheele of Bethesda, Md. The luncheon will be held at the Driskill Hotel.

Dr. Scheele is associated with the National Cancer Institute at Washington. He has done research work in epidemiology and treatment of cancer by means of X-ray and radium therapy.

He has also served as consultant to several states in the development of cancer control programs. Mrs. Taylor is one of the nine national deputy commanders of the field army, her territory including Texas, New Mexico and Arizona. A large number of women captains in the field army are expected to attend the luncheon from various Texas counties.

Lead Against Kansas Governor Piles Up

TOPEKA, Kan. — (AP) — Most of Kansas' 105 counties completed their official canvasses of last Tuesday's election vote Saturday without materially changing the close governorship race.

The lead of W. H. Burke, Democrat, over Gov. Payne Ratner, Republican, was boosted by more than 500 votes in official returns from nine counties late Saturday, putting him more than 2,500 ahead.

Hundreds Look For Missing 2-Year-Old

CARTERSVILLE — (AP) — Hundreds of men tramped the rough, pine covered hills of this North Georgia rural section in search of two-year-old Murray Upshaw, Jr., missing since Friday noon from his farm home 13 miles north of here.

Heavy frost covered the ground in that section early Saturday and temperatures were near the freezing mark.

The child, son of Mr. and Mrs. Murray Upshaw, was last seen playing with his dog in the yard surrounding his parents home.

Son Of Rockefeller Gets Questionnaire

NORTH TARRYTOWN, N. Y. — (AP) — Local draft board 746 has mailed questionnaires to the first 50 registrants on its list and No. 10 went to Nelson A. Rockefeller. The son of John D. Rockefeller, Jr., is President Roosevelt's coordinator of commercial and cultural relations between American republics. He is married.

FRUIT FIESTA VALLEY-WIDE

Leaders Plan Citrus Show At Mission

MISSION — Emphasis will be placed on the Valley-wide scope of the exhibit of citrus at the eighth annual Texas Citrus Fiesta, to be held in Mission, January 17-19, it was announced by Vance H. Glasgow, general chairman of the citrus celebration.

In outlining plans for the citrus exhibit, Glasgow pointed out that the fiesta will be the only celebration in the Valley this winter that will seek to draw attention especially to the Valley's greatest industry. Since the Valley Mid-Winter Fair will not be held, the fiesta will be of more importance than ever to show winter visitors the best examples of Valley citrus.

In each Valley community from Brownsville to Mission, a committee will be appointed to assist in assembling fruit which will be picked up by a committee from the Mission celebration.

Discussing the plans Saturday, Glasgow issued a plea to citrus men throughout the Valley to assist in the celebration, either by volunteering to serve on the committee from their respective home communities or by offering fruit to those committees to be displayed. Assistance from those identified with the citrus industry in all parts of the Valley will be necessary to make the display a complete success, he said.

D. L. Rankin, chairman of the citrus exhibit, announced that he expected to name the Valley committee next week.

President's Statement

Dr. Humphrey Lee, president of S.M.U., issued a statement on the accident saying:

"The fall of some sections of the south end zone seats during the S.M.U.-A. & M. game is a matter of deepest regret to everyone connected with Southern Methodist University."

"An investigation is already begun to determine the cause of the accident."

"All that can be said at the moment is that the athletic officials had these stands carefully inspected and approved three times by insurance company representatives, as well as by members of their own staff."

"In addition, 400 more seats were provided than sold so that there would not be overcrowding."

Game Is Halted

The game was stopped for about five minutes after the stands went down. It was resumed from mid-field before many in the unseated crowd had climbed down to the muddy ground.

Brownsville suffered a broken leg. Others who received leg fractures but were released from Baylor Hospital were Stollmack and Mrs. J. T. Corcoran. Virginia Brown and Mrs. Leatherman, who suffered bruises, were released. Mr. and Mrs. Abney, with leg fractures, remained under treatment.

Billie Cummings, at first thought to have suffered a severe back injury, received instead a severe back sprain and will remain under hospital care for a day or two, the attending physician said, there was no fracture, he said.

Mrs. Clayton, who suffered internal injuries, was removed to the Florence Nightingale maternity section of Baylor Hospital.

To Mr. and Mrs. H. T. Coonrod of San Benito, on the birth of a son weighing seven pounds, nine ounces, Friday noon at the Valley Baptist Hospital. The boy has been named Phillip Wayne.

CRASH VICTIM IN HOSPITAL

Edinburg Girl Said Still In Danger

EDINBURG — A 19-year-old Edinburg girl, Ramona Cantu, remained unconscious at the County-City Hospital here Saturday while three other girls were recovering from injuries all received in an auto crash on State Highway 107 near La Blanca, east of Edinburg, at 6:45 p.m. Friday.

County Highway Patrolman Walter Lysinger said the car driven by Miss Cantu and occupied by Misses Mercedes, Paula and Inez Benavidez, all of Edinburg, plunged from the highway during a heavy rain and plowed into a ditch on the north side of the road.

Miss Cantu's injuries were not detailed by hospital attendants. Her condition was considered serious.

Two men escaped injury in a crash at 4:30 p.m. Friday on Highway 107 near Roth road, west of Edinburg. Cars driven by Gordon L. Reis of Buffalo, N. Y., and Stanley Conklin of Edinburg figured in the crash and both were damaged, Lysinger reported.

Methodists Finish Their Conference

Session Saturday

HOUSTON — (AP) — Committee reports and other business matters were discussed Saturday at the final business meeting of the Texas conference of the Methodist church. Bishop A. Frank Smith conducted a memorial service for ministers and ministers' wives, who died during the past year.

The conference will end Sunday with the announcement of ministers' appointments for 1941.

Catholics Ask More Aid Given England

NEW YORK — (AP) — Signed by ten more prominent Catholics, headed by Archbishop Joseph Schrembs of Cleveland, a second statement urging the United States government to give all possible aid to Great Britain was issued Saturday.

The statement, similar to one issued by the group Oct. 28, condemned Hitlerism as "ruthless and without honor."

Vessel Is Prepared For Army Transport

WASHINGTON — (AP) — War Department officials said Saturday it hoped to put the former freight ship West Segovia, now undergoing repairs at Galveston, Tex., into service as an army freight transport by the end of this month.

The West Segovia, a 10,698-ton vessel acquired from the Maritime Commission, is one of the 13 ships being added to the army's present fleet of transports.

CAMACHO WINS BRIGADE POST

President's Brother Is Advanced

REYNOSA, Mexico — General Maximino Camacho, brother of President-Elect Manuel Avila Camacho, has been promoted to a general of brigade in the Mexican army, according to information received here Saturday.

General Maximino, the present governor of the state of Puebla, was promoted from the rank of division of brigade. He is to leave the governor's post Feb. 5, to be succeeded by Gonzalo Bautista, the governor-elect.

Observers said here the governor may assume a high post in the cabinet of Avila Camacho after the latter is inaugurated as president Dec. 1. The ministry of national defense was one of the posts mentioned.

The promotion to a full general of division was approved by President Lazaro Cardenas and General Augustin Castro, minister of national defense.

According to dispatches from Mexico City, the new president will not include former chief executives in his new cabinet. Former presidents who had been mentioned for ministries were Portes Gil and Abelardo Rodriguez, but Avila Camacho was understood to oppose inclusion of the men in his cabinet.

Captain Gustavo P. Serrano, former engineer with Mexican section of the International Boundary Commission and minister of communications under President Ortiz Rubio, is reported to be the choice for minister of foreign relations, succeeding Eduardo Hay, Remon Beteta, graduate of the University of Texas, Austin, is expected to retain his post as sub-secretary of foreign relations or to accept a special commission.

Captain Waldo Romo Castro, private secretary for General Avila Camacho for the past six years, is expected to retain that post when the general is inaugurated.

Callier Makes New Third Straight Day

HARLINGEN — Everything happens to S. F. (Fritz) Callier, Jr., and so he gets his name in the paper for the third straight day.

Callier, written about and his picture snapped for the paper because he was the first Harlingen volunteer for military training under the national defense act, had a fire at his place at 901 E. Monroe early Saturday afternoon.

Some clothes caught fire, so when it began to look like Callier wouldn't be able to put it out by himself, he called the fire department. Fire Chief Jake Childress jumped in his chemical truck and hustled out there. But Childress, for when the truck reached the house Callier stepped out in the yard and wig-wagged that everything was o. k. and under control.

LOT CLEAN-UP BEING SOUGHT

Area Beautification Efforts Urged

McALLEN — With inauguration of the annual beautification contest for the Rose cup, the city's should clean up their property to improve McAllen's chance of winning the trophy. City Inspector Henry Mallau said Saturday.

"If non-resident owners are unable to clean up their lots, neighbors will have to join in and do the work themselves," Mallau said. "I, for one, am willing to pitch in to help beautify the city of McAllen. We've been letting other Valley cities take the Rose cup because their clean-up campaigns have been more thorough than ours."

Mallau said some lots handled by real estate men needed clearing, and he urged them to have the work done, declaring the value would be enhanced.

The inspector said Ray's Camp on North 18th street and Humphrey's Camp on the West Highway are being remodeled to meet requirements of the state department of health. He said all others in the city are meeting the requirements.

Interpreting The War News

Civilians Are Losers

Their Toll Far Higher Than Armies; Morale Of Axis Powers Indicated Not So Good

By KIRKE L. SIMPSON

Military losses in Europe's war are insignificant compared to World War figures, but civilian casualties may do more to reshape world destiny and restrain the war urge of all national leaders in the future than battles by armies, navies or airplanes.

A day of grim reckoning with public opinion must come with an ever mounting and already appalling toll of non-combatant loss of life and limb being paid as the price of this war.

More than 21 million soldiers were killed or maimed in the World War, but its civilian fatalities were not great. There are as yet no authentic comparable figures for this war. There can be no doubt, however, that military losses, even including those of the Sino-Japanese conflict, are as strikingly low as civilian casualties are terribly high.

PASTOR QUILTS AT RIO HONDO

Rev. W. F. Craig Is To Leave Nov. 24

REV. W. FRANCIS CRAIG

RIO HONDO—Rev. W. Francis Craig, minister of the Community church for the past four years, has accepted a pastorate of the Christian church and will resign during the morning service here today. He came to Rio Hondo immediately after his graduation from Vanderbilt University, Nashville, Tenn.

During his pastorate, one-third of the present membership of the church has been added to the church roll; extensive improvements have been made to the parsonage, church building, and grounds; and the church indebtedness has been practically paid in full.

Reverend Craig's leadership has extended beyond this community and he is known throughout the Valley. During 1939 he was president of the Christian Ministers Association which includes the Protestant ministers of this area. Reverend Craig will preach his farewell sermon Sunday, November 24 and with Mrs. Craig, will begin work in his new pastorate December 1.

Rat Poison Case

Advice Draws Farmer Three Year Term

TULSA, Okla.—A letter to a Texas woman urging that she feed her husband daily doses of rat poison resulted in a three-year federal prison sentence for John Lovett, 58, Locust Grove farmer.

Lovett, who pleaded guilty to a charge of violating postal laws, told Federal Judge Royce H. Savage he had hoped the Texas woman would accept his advice and marry him when her husband had succumbed.

Officers said the woman's husband opened the letter and turned it over to postal authorities.

Net Increase Shown In Stock Of Crude Oil Now In Storage

WASHINGTON—The bureau of mines reported stocks of domestic and foreign crude petroleum at the close of the week ended Nov. 2 totaled 263,820,000 barrels, a net increase of 1,074,000 barrels compared with the previous week's level. Stocks of domestic oil increased barrels for the week and foreign crude decreased 341,000 barrels.

Daily average production for the week was 3,480,000 barrels or a decrease of 160,000 barrels compared with the previous week's level. Runs to stills averaged 3,535,000 barrels daily, compared with 3,565,000 barrels for the preceding week. Daily average imports were 107,000 barrels, a decrease of 16,000 barrels during the week.

Score Proposal For Giving Willkie Job

DALLAS—E. B. Germany, chairman of Vice President Garner's campaign for the Democratic presidential nomination, said he acted as an individual in proposing Wendell Willkie as chairman of the National Defense Commission. His action brought protests from Texas Democrats and was followed by an invitation to Secretary Ickes to attend a victory dinner for Speaker Sam Rayburn at Dallas.

ARMISTICE ON BORDER QUIET

Brownsville Plans Flag Ceremony

BROWNSVILLE — Brownsville will spend a quiet Armistice day, with only a Legion flag raising ceremony and breakfast scheduled.

The local Legionnaires will meet at 7:30 a.m. Monday in front of the Chamber of Commerce for the flag raising. Immediately after they will breakfast at the White Kitchen.

Most of the post members are planning to attend the Valley-wide Armistice observance at San Benito later in the morning.

Brownsville merchants late Saturday morning agreed to close Armistice day, joining with the banks.

British Deny Nazi Ship Losses Claim

LONDON—(P)—British claims to have almost as much merchant shipping space as she had when the war began, despite German air, surface and submarine raiders, but officials acknowledged their concern over the destruction wrought and threatened by Germany's counter-blockade.

NEW TOURIST EVENTS SET FOR McALLEN

Tuesday Is Busy Day For Visitors

McALLEN—Tuesday will be a big day for tourists in McAllen, with five events on the calendar planned by the McAllen chamber of commerce tourist department.

The meetings will be held at Legion hall on South Main street. The Spanish club will meet with Mrs. Christina Guerra at 9:30 a. m.; the Sewing and Knitting club at 10 a. m.; and the musicians and dancers at 11:30 a. m.

Those who are interested in Mexican food will have lunch together at El Rancho Grande and at 2 p. m. bridge, checkers and pinocle will be played. All visitors and tourists are invited to attend.

Seven tables of "bingo" players opened the tourist party last Friday in the A. B. C. Trailer Camp community hall for the second party of the season. Winners in the games included Fred Kurtz, W. E. Kerke, Albert Woomer, Mrs. Albert Woomer, William G. Olson, Mrs. L. G. O'Toole, Mrs. F. Morgan, Mrs. W. F. Gerke, T. F. Sitton and Miss Helen Bishop.

W. Olson scored high in the contract bridge with T. F. Sitton running a close second and T. F. Morgan low score. W. G. Olson scored high in the auction bridge games with Mrs. W. G. Olson holding low score. Winners in the checker games included Miss Doris Lee Goforth, Mrs. Loretta Woomer and Mrs. S. E. Donohue.

Men Are Lashed

Prisoners Whipped In Delaware

WILMINGTON, Del.—(AP)—Three prisoners cringed under the lash in the New Castle county workhouse Saturday as Warden Elwood H. Wilson delivered 20 blows to each man.

William Bell, 24, who pleaded guilty to a breaking and entering charge, fell to his knees several times and begged for mercy. He must also serve a four year prison term.

The third man, James E. Johnson, 28, pleaded guilty to an attempt to wreck a Pennsylvania railroad train near Stanton, Del. last July 8, and will serve a 10-year sentence.

Rev. Carver Speaks On Sect's Teaching At Baptist Service

HARLINGEN—Real teachings of the Jehovah Witnesses sect will be outlined in a talk by Rev. E. Douglas Carver, pastor, at the Sunday evening service at the First Baptist Church here.

Rev. Carver will speak on "Is The Church Really Falling?" at the morning service, Miss Imogene Oler will sing Kipling's "Recessional," by de Koven, and Foster Tebbe at the organ will play Olanson, by Cooke, Pastoral, by Morart and March Fertilized by Wacks.

Musical for Sunday night service will include Agnide Vesperale, Page: Cantilene, Fauks, and an Armistice solo by Mrs. J. S. Chastain, "There Is No Death," by O'Hara.

Cast Is Selected For McAllen Play

McALLEN—Don Irwin, McAllen high school play director, has announced the cast for the 1941 senior class.

Players will be Dauphine Mahoney as Pansy, Elaine, self sacrifice; Leonard, Charles, self sacrifice; Gaylord Duckworth, the villain; Johnnie Earl Sutto as Fairfax Kissberg, the hero; Katherine O'Neill and Phyllis Sampson as the heroine's sisters; and Hilda Chaffetz as Dorothy Bullock, Fred Pierce as Hilary Paine, Logan Cockrum as the butler, Jeanette Followell as Beatrice Hudnutt, Helen Parish as Amelia, Mary Eileen Reis as Hedda, Barrington, and Harold Pope as Basil Barrington.

Title of the play is "For Her Child's Sake," a stark meller-drammer.

Monopolies Charged In Mexican Debates

MEXICO CITY—(AP)—A drive was under way Saturday against business monopolies which it was charged during an extended debate in the Chamber of Deputies, increase the cost of living and fatten on political protection.

Greater government control of prices and limitation of the price fixing power of monopolies was recommended by various speakers who said a "directed economy" was proper in a democracy because it could be manipulated for the benefit of the people.

Rio Grande Yachters Select Commodore

BROWNSVILLE—Dean Porter was named commodore of the Rio Grande Yacht club at an election meeting here Friday night.

Knox Smith, San Benito, was named vice-commodore; Dr. Charles Calderon, rear commodore, and Dave Abelman, secretary-treasurer. Directors are Ed Pitt, Maurice Edlstein, Tom Barber, Joe Jordan and Cuban Monsees.

BAPTISTS SET STATE PARLEY

Houston Is Scene Of Annual Meeting

HOUSTON—(AP)—Approximately 15,000 messengers representing Texas Baptists will meet here Saturday for an enlarged program to meet changed world and state conditions incident to the war when their general convention assembled November 12-15.

Steps to be taken by Texas Baptists to take advantage of the "unprecedented opportunity and obligation" of the times will be suggested by Dr. R. C. Campbell of Dallas, executive mission secretary, in his annual report.

Appropriation of \$25,000 to be used in establishing and maintaining religious centers near army training camps in Texas will be among the proposals made to the convention, which will be urged also to become increasingly aware of world-wide opportunities for Christian service to peoples crushed by the circumstances of war.

Emphasis will be placed also on mission opportunities to be realized immediately in Central and South America, and on home missions in the United States and its possessions.

An enlarged budget will be proposed. A committee of 150 headed by Dr. George W. Truett of Dallas, is expected to propose that \$1,200,000 be raised in 1941 and increased annually for five years until an annual budget of \$1,800,000 a year is reached.

Additional funds asked will likely mean a stepped-up tempo of work among foreign-born residents of Texas, and among Negroes. The convention will be preceded by the annual meetings of the laymen and the women, which maintain organizations correlated to the convention. Both sessions begin Monday.

Mexican Labor Union To Aid US Smelters

MEXICO CITY—(AP)—The Confederation of Mexican Workers (CTM) Saturday pledged full "economic and moral support" to 4,000 employees of the United States-owned mines and smelters in Nueva Rosita, Coahuila state, who have been on strike for several weeks.

The CTM Mexico's principal labor organization, said it would intervene directly in the strike if no settlement was reached before November 25.

Model Plane Notes

By GARVER MURRAY

WELL, everything is ready for the big contest, except the weather, and I hope it clears up. We didn't set a rain date, but maybe we can make some kind of arrangements later.

Everywhere I have gone lately the boys are hard at work putting the finishing touches to their models, and I hope they remember to check their weights. If you have to add weight at the last minute, you might throw your model off balance, and I am going to see to it that if you do add weight, when you weigh in, you keep it there during your flights.

In the Class A, atom powered ships must weigh 7.8 ounces minimum. Ohlsson '19's 15.8 ounces, Madewell's 11.2 ounces. In Class B, Brown 'E' powered ships must weigh 23.2 ounces, Ohlsson '23's 18.6 ounces. In Class C, Brown 'D' powered ships must weigh 48.1 ounces, Super Cyclone 31.8 ounces, Mighty Midlet 36 ounces, Ohlsson '60's 48.3 ounces, Sky Chief 45 ounces, Synco Ace 45.1 ounces, Tom Thumbs 36 ounces. And if you boys have any motors not listed, and desire to know the minimum weight requirements, get in touch with me.

There will be plenty of room at San Benito for cars and spectators, the VFW will be in charge of parking the meet, so please obey these men. Mr. Bob Collins is the field judge in charge of the meet. Mr. S. E. Tilton will have charge of the public address system and will give a ward picture of the events. I want to ask the co-operation of all Valley modelers to help make our "visitors" feel at home. Some of you boys are careless in launching your models, and I want to ask YOU to "please" look where your model is going before releasing it, and DON'T launch it into the spectators. People like to watch these models take off, but they don't like to have to outrun them.

Phil Atteberry reports that his boys in Mercedes are going to be on hand, and that he will have a new job to show us, if he doesn't have to work. Mr. Gooch is going after Class "A" and "B", so you boys better watch out. Bo Scott is all ready for a chance at the Class "C" prizes, and says "Let the best model win." Scotty Bowlin has already spent his prize money—that is, if he wins—good luck, Scotty. We should have

about four "snailplanes" entered from the Valley, and I hope they can give our visitors a good race. I know the boys coming down from Corpus will give some stiff competition.

Bill Younklin says he has his stunt event worked out now, so we should really see something. His brother, Jimmy, is still confident of placing in the Class "A". Power to you, Jimmy. I hope you do. Wayne Cole has had so many things cut into his model building that he can't finish his "Mercury" in time—should have worked sooner, Jimmy. Tolly at San Benito will have his "Wodgy" out, and if it acts like it did before, he better enter it in the stunt event.

We will have a lot of newcomers out, and I hope they don't get discouraged if they don't make a showing. It takes a lot of practice in both building and flying before you get a winner, then sometimes you wonder.

I didn't get a written report this week from the Tri-City Club, but I have "heard" that they are all busy putting everything in or-ounce. I have heard that they are all busy putting everything in or-ounce. I have heard that they are all busy putting everything in or-ounce. I have heard that they are all busy putting everything in or-ounce.

Bring your folks along, and let's show them how it's done.

Adios.

Bomb Appeaser

Nazi Raiders Strike Near Chamberlain

LONDON—(AP)—It was learned Saturday that within the past fortnight German bombs have fallen within the grounds of the 18th Century house in Hampshire where former Prime Minister Chamberlain lies gravely ill.

One dropped barely 40 yards from the house which is set in a lonely wooded estate with no near neighbors.

A member of the household said that "he is very low and death might come in a minute or a year."

Nearly one-tenth of Maine's area is water.

Inventive Chinese Devise Baskets Of Bamboo To Detonate Bombs Dropped By Jap Air Raiders; Idea Is Feasible

SAN FRANCISCO—(AP)—A bamboo basket to catch bombs, designed by inventive Chinese to protect their more important buildings from Japanese air raiders, was described here by Willys R. Peck, counselor of the United States Embassy, Chungking, China.

Peck, en route to Washington from his station at the often-

bombed Chinese capital, said the bamboo defense was one of the most ingenious war devices in use today.

"Wherever they have a valuable building," Peck explained, "the Chinese raise a three-story bamboo framework above it and load all three floors with cut bamboo."

"When a bomb hits, it is harmlessly detonated, and does not destroy the structure beneath."

Three Airlines Seeking Mexico-Laredo Routing

BROWNSVILLE—Two airlines have been given permission to operate between Mexico City and Nuevo Laredo, and a third is making survey flights over the same route.

The latest to be given permission by the Mexican ministry of com-

munications is the "Compania Aeronautica Francisco Sarabia." This is the company formerly operated by the Mexican ace, Francisco Sarabia, who was killed while taking off from Washington.

Previously the ministry had granted the same permission to American Airlines which is now trying for American CAA approval to extend its lines from Dallas to the border to connect with the proposed route in Mexico.

If American passes CAA muster on this point, it will be the second U. S. line operating outside of the country. Pan American is the only one with this status at present. American Air Export has permission to operate trans-Atlantic but has not begun its service as yet.

To further complicate the Mexico City-Laredo situation, Compania Mexicana de Aviacion, a Pan American subsidiary, is running survey flights over the same route and is expected to obtain permission for regular service.

Pan American now operates two services out of Mexico, one coming up the east coast to Brownsville, and the other up the west coast to Los Angeles.

Tacoma Bridge Sign Torn Down After It Collapses

TACOMA, Wash.—(AP)—Collapse of the Tacoma Narrows bridge Thursday brought prompt action from one Tacoma firm.

Within an hour after the central span plunged into Puget Sound, workmen were tearing down the firm's sign, located on a highway approaching the bridge.

The sign proclaimed the firm was "as secure as the Narrows Bridge."

COTTON TOTAL IS UNCHANGED

Estimate Said Only Slightly Lower

AUSTIN—(AP)—Prospective production of Texas cotton changed very little in October and the November 1 estimate of 3,380,000 bales was only slightly lower than the forecast of October 1.

The agricultural marketing service of the U. S. Department of Agriculture reported the November 1 estimate compared with final production of 2,846,000 bales last year, and average production of 3,876,000 bales for the 10-year period ending in 1938.

The estimated lint yield per acre was 185 pounds, compared with 160 pounds in 1939 and 149 pounds for the 10-year average.

Favorable harvesting conditions prevailed generally in October and ginning progressed rapidly.

STEINWAY—

"The Instrument Of The Immortals"

The Steinway, which everywhere is recognized as the piano par excellence, is the product of many years experience. It is made by expert craftsmen who are carefully trained in Steinway's own shops. Each worker feels that he plays an essential part in the making of the world's foremost musical instrument and therefore gives his very best. The Steinway shops are NOT notable examples of mass production. Rather, carefulness, thoroughness and precision are emphasized.

BROWNSVILLE VOTERS BUSY

Will Ballot 3 Times Next Month

BROWNSVILLE—Two and perhaps three elections face residents of Brownsville and the Navigation district during December.

First to the ballot will be the Brownsville Navigation district which must elect three commissioners on December 8. This will require voting only in the Brownsville Navigation district.

Four days later, on December 7, the recently created Cameron County Road District No. 1 is slated to hold its referendum on a proposal to issue \$365,000 in bonds to build a road from Cavazos to Olmito to the port.

The third December election, which will be called off by Road District No. 1's bonds carry, would come late in the month, probably around Christmas time. This will be a Cameron County Road District "A" special election to determine if it should issue \$365,000 in bonds to build a road from La Paloma to Barreda to the port.

Missionary Dies As Wife And Children Killed By Robbers

KUNMING, China—(AP)—Injuries received when robbers attacked his mission and killed his wife and child caused the death of Alfred Max Bernheim, 56, of Spokane, Wash., the U. S. consulate was notified.

Mrs. Bernheim, 36, and their 11-year-old son, David, were killed outright and another child slightly wounded in the attack Thursday upon the newly built mission a half-mile from Kunming.

The Bernheims came to China about five years ago, as missionaries of the Philadelphia Church Association.

The Knights of Columbus was organized in Connecticut in 1852.

15,000 ARE TO SEE KENEDY GAP CLOSED

Raymondville Plans December 17 Fete

RAYMONDVILLE—Plans are being made for entertaining 15,000 persons when completion of the Kennedy county highway and the irrigation district is celebrated here December 17.

"A celebration as large as that will take the wholehearted support of everyone in Willacy county to make it a success," said Nat Wetzel at a meeting of citizens at the Tulsa Cafe where the event was discussed by local citizens. Wetzel was one of the prime movers in getting the highway built.

A bus will leave Orange Monday, December 16, bringing reporters and other newspaper representatives to the celebration. An overnight stop will be made at Corpus Christi and the group will arrive here on day of the celebration at expense of the Union Bus Line.

District Completed

Completion of the Willacy county irrigation district will be celebrated at same time as closing of the gap in the Hug-the-Coast highway.

Local residents are sending out invitations to attend the celebration in all their business and personal mail.

Wetzel Director

Wetzel who is director of the Hug-the-Coast Highway Association, has interviewed every governor and highway commissioner since 1920 on behalf of the highway. Full cost of the highway from Orange to Brownsville is estimated at \$22,000,000 and is regarded as important from the standpoint of national defense.

Lutheran Orphans

Valley Churches To Aid War Refugees

HARLINGEN—Members of the Lyford and Harlingen Lutheran Churches will join in special services at the Grace Lutheran Church in Harlingen Sunday night, to cooperate in the national campaign to aid Lutheran foreign missions orphaned by the war.

The service, in the church at 401 E. Jackson, will begin at 7:45 p.m. Rev. J. C. A. Pennington, Harlingen pastor, will present the cause of Lutheran World Action, and Rev. P. P. Rodene of the Lyford church will preach the Reformation-Festival sermon.

Effort is being made by the church nationally to raise \$500,000, with which to sustain the foreign missions for a year, this being the minimum required. If the fund is raised, Lutheran World Action will maintain 38 of the 47 non-American Lutheran missions in the world serving 800,000 people.

Doris Duke Leaves Husband For Hawaii

LOS ANGELES—(P)—Doris Duke Cromwell, the heiress, says her marriage to James H. R. Cromwell, former minister to Canada, is over—but she has no plans for a divorce. "I've separated from my husband," she told reporters as she boarded a liner for Honolulu Friday night. "Yes, it's permanent. I am going to my home in Hawaii for an indefinite stay."

DELEGATES GO TO FFA MEET

4 Valley Boys Now At Kansas City

MERCEDES—Four Mercedes and Weslaco FFA boys and Mr. and Mrs. Eldon B. Smith left Friday afternoon to attend the National Convention of the Future Farmers of America at Kansas City next Monday, Tuesday, Wednesday and Thursday. They will also attend the American Royal Livestock Show which is being held in Kansas City during the same days.

The Mercedes-Weslaco FFA chapters, with the cooperation of local fruit packers and the chambers of commerce of the two towns, are also sponsoring an attractive exhibit of Texas grapefruit which will be shown in the exhibit hall of the American Royal Livestock Show. This exhibit features pink grapefruit and is designed to more thoroughly acquaint northern people with the excellent quality of this Valley product.

Ralph Powell and James Van Burkelo are attending the National FFA convention and the American Royal Livestock Show as guests of the Mercedes Chamber of Commerce which is providing the trip expenses for these two Mercedes representatives. The Weslaco FFA boys, who are making this trip at the expense of Weslaco sponsors, are Keith McMullen and Rayford Barnett. Eldon B. Smith, who is in

Hitler Hired Physician Who Threw Him Out Of His Quarters Because He Made Too Much Noise Heiling Around

DALLAS—(P)—A visiting Eastern physician Saturday claimed to be probably the only living man who ever "bounced" Adolf Hitler and got away with it. He is Dr. John Gelbert of New York, naturalized German-born physician, who said he was Hitler's personal medical attendant from 1924 to 1927.

Gotham CIO Council Asks Lewis Resign

NEW YORK—(P)—The executive board of the New York state CIO council wants John L. Lewis to resign his CIO leadership, as he said he would do if President Roosevelt won re-election. A statement issued for the council's executive board by Gustave A. Strobel, president, after a meeting Friday, said election results constituted a "complete repudiation" of Lewis, and demanded that he make good his promise to step down as CIO president at the national convention in Atlantic City Nov. 18.

charge of the Kansas City tour, is president of the Rio Grande Valley Livestock Show, which will stage its second annual exhibition of livestock on March 20, 21 and 22.

While practicing medicine in Munich in 1923, Gelbert explained, dead and wounded from a nearby riot were brought to his quarters. Hitler, then comparably unknown, rushed through the door, shouted "Heil Hitler," and demanded to know the nature of the riot victims' last words.

"He made so much noise and got so much in the way that I shoved him out the door on the seat of his pants," the doctor recounted. After the incident, Gelbert said, Hitler endeavored to win the doctor's patronage and employed him as his personal physician until Gelbert left Germany for a series of international travels.

LONDON RAID SHORT LIVED

Attack Tapers Off In Sunday Quiet

LONDON (Sunday)—(P)—The customary German air raid on London opened with a heavy assault Saturday night but tapered off early Sunday morning into a period of extraordinary quiet and even the distant anti-aircraft guns fell silent. It had been for a time a thunderous attack—loosed at the earliest hour yet known here—and bombers had approached in relays from several directions, others striking simultaneously at northern England, Wales and the Midlands.

So heavy was the gunfire during the evening that big, solid buildings were shaken by the concussion. One plane shot down in southeast London demolished two houses, and was believed thus to have trapped at least two people, in its descent. Another night raider was reported shot down at Cornwall. The "raid-ers passed" signal was given after midnight.

Two daylight thrusts at London Friday were turned back with comparatively little damage here, save for the destruction of several business buildings.

The word "realtor" was coined by the National Association of Real Estate boards as a name by which to designate its members.

Fellowship Dinner Set At St. Alban's

GEORGIA TOT LOST 2 DAYS

Hundreds Search For Child And Dog

CARTERSVILLE, Ga.—(P)—Commissioner Lon Sullivan of the state highway patrol ordered "look-out" notices broadcast Saturday night when hundreds of woodsmen and CCC boys failed to find two-year-old Murray Upshaw, Jr., missing since Friday noon.

Sullivan said state police were put on watch "just in case it should be a kidnaping." He added that circumstances in the case were such as to discount that theory.

Through the rough, pitted hills, searchers extended their hunt today in a systematic probing of underbrush.

The child vanished a few minutes before noon Friday. With him was a small white dog, Nickie. Both had been playing in the back yard of their farm home 13 miles north of here.

Wife Was Fat No Longer Attractive Lost Husband's Love

The above headlines appeared in a New York newspaper in connection with a divorce trial that had attracted wide attention: "She was a beautiful woman" one witness testified, "but she got fat and is not attractive any more."

Thousands of women are getting fat and losing their appeal just because they do not know what to do. If you are fat, how would you like to lose it and at the same time gain in physical charm and attractiveness—more energy—greater activity?

Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take 1-2 teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast and keep it up for thirty days. Cut out pastries and fatty meats and go light on potatoes, butter, cream and sugar. Then weigh yourself and see how many pounds you have lost.

A bottle of Kruschen Salts will last you for 4 weeks and costs but little. Ask Brownsville Agents—Den-Russ Prey, McKay's Pharmacy, Harlingen Agents—Day Drug Co., Central Drug Store, McAllen Agent—Farmer Drug Store or any druggist for a bottle of Kruschen, plain or new effervescent—sparkling—pleasant—and start today to lose fat. Satisfaction guaranteed or money back.

FOUR VALLEY TOWNS ENTER BEAUTY RACE

Rose Cup Will Go To 1940 Winner

McALLEN — Four Valley cities have entered the annual beautification and clean-up drive for the Rose Cup award in a competition sponsored by the Valley Garden clubs and the Valley Secretaries association, local chamber officials announced Saturday.

The deadline for entering the contest is Wednesday, November 13. The entrance fee for cities of 5,000 or more is \$2.50 and for those under 5,000 is \$1. The money is to be sent to the McAllen chamber of commerce, which is acting as treasurer of the campaign.

The annual contest was inaugurated by the late Julia Cameron Montgomery to make the Valley a more attractive place not only for its own residents but also for tourists.

The judging is to be done during the second week in December, and the winner will be announced shortly thereafter. The winner will receive the \$100 sterling silver Rose Cup for a year. If any money from the entrance fees is left over after expenses of judging have been paid, the sum will go to the winning city.

Present holder of the cup is Pharr. Edinburg won the previous year.

Plan Colony

Lower California Is To Be Settled

MEXICO CITY—(AP)—A group of senators who recently interviewed President-elect General Manuel Avila Camacho reported Saturday that he planned to sponsor a movement to colonize the territory of Baja California and would invite Mexicans now living in the United States to participate if they desired.

The government has announced many Mexican residents across the border have applied for permission and economic aid to return to the republic because they were out of employment in the United States. The rugged territory of Baja California, which extends south from California, is one of the most sparsely settled in Mexico.

New England Delays Call For 1st Draft

BOSTON—(AP)—Declaring that "barriers aren't going up as rapidly as we had hoped," Major General James A. Woodruff, commanding the First Army Corps area, has announced the New England's second draft call scheduled for December 2 had been postponed.

It now was expected that the call would be made early in January.

National Plan Of Defense Means Larger Red Cross

Harlingen Meets Need For Added Service With Roll Call Drive Nov. 11 To 30

HARLINGEN—The mobilization of man power for national defense will demand increased Red Cross services to the armed forces of America, R. C. Pryor, chairman of the Red Cross chapter in Harlingen, declared Saturday. These services, he pointed out, stem directly from the Congressional charter of the American Red Cross which is a mandate to every local chapter and branch of the organization.

Fortunately, Pryor added, these services are so well organized nationally and locally that they are capable of rapid extension of activities on behalf of service men who be met, as in the past, from membership contributions. This year the American Red Cross conducts its roll call of members in Harlingen from November 11-30, he said. E. M. Creckett is roll call chairman.

"The war service of the American Red Cross," he announced, "has representatives at 77 field offices and hospitals, contacting the various elements of the armed forces at some 800 points. In the past year more than 53,000 soldiers, sailors, marine and coast guardsmen and their families were aided in solving all kinds of problems arising from economic, illness and social causes.

Mitigate Worry
"This Red Cross activity is based on a recognized medical principle that anxiety, fear and other temporary mental disturbances tax the morale of able-bodied men and retard recovery for the sick. The removal or mitigation of the cause of such worry by the Red Cross is a definite contribution to recovery."

Uncle Sam Wastes No Time Putting His Men To Work, Valley Flier Finds, Trains In Hawaii Now

Sam Bishop, La FERIA Tells Of Trip To Islands

Editor's Note: The following letter is from Sam Bishop, son of A. L. Bishop, La FERIA, and grandson of J. J. Bishop, county official, and relates his experiences en route to his training base with the 78th Pursuit Squadron, Wheeler Field, Hawaii. It is reprinted for the interesting manner in which it is written, and because it shows Uncle Sam is wasting no time putting his men to work.

Dear Mama and Dad:
To give a detailed account of this trip to Frisco and by boat to Honolulu, and to relate all the experiences and describe all the sights and scenery would take days.

Unfortunately we are as busy as the proverbial cat on the corn rugated in shed so I will have to crowd only the brief outline of

Japs Take Bank

Chinese Institution Is Seized

SHANGHAI—(AP)—Japanese took over control of the head office of the Central Bank of China Saturday and cleared another formidable hurdle in their path to complete domination of Shanghai.

The move followed their acquisition of control through their Nanjing regime of Chinese courts in the French concession Friday.

The bank was established almost a decade ago by the present Chinese government at Chungking as the fountainhead of the government's finances and its control of the nation's currency.

Financial circles stated that, as a result of negotiations with settlement authorities, the Japanese were taking over the property and were preparing to open a new bank.

the past few weeks into a short letter.
At 8 p. m. on Monday I left La FERIA and drove into Dallas, stopping in San Antonio long enough to pick up Charlie Taylor and eat lunch. He and I spent the night with Johnny O'Keefe in Dallas and proceeded to Tulsa the next afternoon. We spent Tuesday night there and saw many old friends and acquaintances of primary days.

Charlie got his car out of storage there the next day and we drove to Wichita, Kan., there taking Highway 40 due west. That night we stopped at a tourist camp in western Kansas. The next day we drove through Denver and stopped for the night at another tourist camp. That day we drove in some gorgeous mountain scenery for we were in the heart of the Rockies.

We were eager to get on to Frisco and complete sailing arrangements so we made but few stops, proceeding on over the continental divide, stopping on its peak long enough for a cup of hot coffee for the temperature was 55 degrees.

Night In Nevada

Friday we drove to a small town in Nevada, grabbed a night's rest, and went to Salt Lake City, Utah. We intended to spend the balance of the afternoon and night there but itchy feet had us on the road again in a couple of hours. We hardly stopped then until we drove into Frisco late Saturday night.

We went directly to Fort Mason near the docks and tot a room and a well earned night's rest. From noon Sunday to Thursday at 11 a. m. we took in San Francisco and the Exposition on Treasure Island in the bay. We visited Chinatown, Fisherman's Wharf, International Settlement, and various points of interest therein. Some time we spent at Hamilton Field, just out of Frisco, where about 50 of our classmates are stationed.

Thursday at noon all passengers went aboard the Republic and we began acquainting ourselves with the boat. It is the largest of the army transports and including the crew and troops aboard there were 2300 of us who steamed beneath the Golden Gate Bridge headed out to sea at dusk Thursday evening, the 19th.

Acquires Sea Legs

The first night and day at sea everyone was busy acquiring sea legs and the principle topic of conversation was "that peculiar dizzy feeling in the stomach." However, with the exception of the third day when we had a moderately heavy sea, the crossing was smooth and only a few suffered from sea sickness.

We passed the time playing shuffle-board on the decks, cards in the smoking room or reading in the social room. The fifth night out we had a dance and all aboard were in a gay mood. Every night there were two movies shown and these drew a lot of interest. They were shown above decks and it was a thrill to sit in the cool breeze with only the stars above and see a picture show while the ship gently rolled and swayed on to Hawaii.

Thursday morning the 26th we docked in Honolulu harbor at about 8 a. m. A large orchestra was playing Aloha (which I have

learned means hello, goodbye and several other things) and the dock was lined with people loaded with flower leis which we soon had around our necks. The air was filled with the sweet odor of flowers, music, laughter and cheerful greetings. Off to our right was Waikiki Beach where figures could be seen riding surf boards. To our left was Pearl Harbor where at least 50 sleek naval boats could be seen.

Island All Green

All over the island was greenery, beautiful palms and flowers. In the distance mountains loomed up with trees and vegetation growing solidly even on the very peaks. The beauty of the islands is really something to behold.

The 29 of us in the Air Corps were escorted about town by a number of officers from Wheeler Field who took us to the Royal Hawaiian Hotel on Waikiki Beach for a few rounds of drinks to get acquainted. Needless to say we all felt right at home immediately with such a reception.

At mid-afternoon we arrived at Wheeler Field, 20 miles from Honolulu, nestled in between two low mountain ranges, midst pineapple and sugar cane fields and bordered by banyan trees and coconut palms. It is a beautiful field, large and clean, with a personnel of splendid officers and men.

The next day we realized our holiday was over for we went right to work reading technical orders on the pursuit ships and studying their characteristics. Thirteen of us were assigned to the 78th Pursuit Squadron, 12 to the 19th and four to the 88th observation. We have had but little time for play since but have

managed a beach party and a swim at Waikiki.

We are already practicing dog-fighting in fast single-seat pursuit fighters fully equipped with machine guns and ammunition. Soon we will begin firing practice at low targets and green targets. You may rest comfortably for the 18th pursuit group of Hawaii is a fighting unit that is ready, and 78th Squadron I can point to with pride as being an efficient and potent unit of our flying defense. Those of us in now will have the best training and the best planes that can be had, so in the face of any eventuality we can do more than hold our own. A wildcat will suffer very little injury in a fight with a coyote so put any fears to the contrary out of your minds when hostilities begin.

We have nice quarters, two of us to an apartment. However, we have to furnish them at our own expense and furniture here is at a scandalous price. Charlie Taylor and I have an apartment together and find it very comfortable. We take our meals at the club.

Due to present duties and intensive training here I won't be able to spend any time with courses in the University of Hawaii but may be able to do so later. It is a nice school and has a beautiful campus. It would truly be a wonderful opportunity.

Later I will write more in detail and tell you about the people here when I have observed them and the islands more closely. My car arrived without a scratch and is running perfectly.

Write soon.

Love to all.

Sam.

ESPEJO WINS BOOK TROPHY

McAllen Annual Is First In Valley

McALLEN — El Espejo, yearbook published by the McAllen high school, received the first cup ever to be awarded to an annual by the Valley High School Press Conference at the Brownsville meeting last week.

A silver loving cup was presented by A. A. Hargrove of Brownsville to Bernie Gwynn, 1940 editor of El Espejo, the edition which won the award. Assisting Hargrove as judges were Miss Jamie Lee Green of Harlingen and Mynatt Smith of McAllen.

The McAllen book had a total rating of 800 points, 15 over that of the Brownsville annual. The books were judged on artistic appearance, physical appearance and general effect.

The Brownsville meeting was attended by 22 students and three sponsors from McAllen. It was announced that hereafter, awards given at the fall banquet would be for yearbooks only. Those given at the spring banquet will be for outstanding weekly papers and work of individuals. The Weslaco chapter of Quill and Scroll invited the press conference to hold the spring banquet at Weslaco.

Grace Delamater, Logan Cockrum and Johnnie Earl Suttle were the first McAllen high school students ever to be initiated into the Quill and Scroll Society by the candle light ceremony at a meeting of the Valley High School Press Conference Nov. 5, conducted by the Mercedes chapter.

Quill and Scroll is an honorary journalism organization.

Davis To Move Oil By Rail While Building Port Line

BROWNSVILLE — Pending construction of a Starr county-Brownsville port pipeline, the W. R. Davis, Inc., tank farm here will supply the Valley Pipe Line by moving 2,500 barrels daily to the port by rail tank cars. The rail movement will begin Tuesday.

The Davis firm already has built

a four inch line from El Tanque field in Starr county to Rio Grande City where four 1,000-barrel storage tanks have been erected at a railroad loading rack in order to load tank cars.

Since the Rincon pool has been producing at the rate of about 18,000 barrels of oil per month, new shipping facilities and outlets for its crude have become necessary. The Davis surplus, above present pipeline capacity, is to be handled by tank cars to the port here.

Both Caramon and Hidalgo counties have granted an application of Davis interests for oil, gas and water pipelines and it has been indicated that construction of the line will be pushed to early completion.

According to information available here, the Davis interests sold half of a certain portion of its interests in the Rincon field to the Continental Oil Company.

Port interests took this to mean that there will be more extensive development in that particular section since Continental will begin early drilling operations and Davis, Inc., will continue developing the remaining lands at the present rate.

Sweden To Examine "Grapes Of Wrath"

STOCKHOLM—(AP)—A government board began deliberations Saturday to determine whether the United States motion picture "Grapes of Wrath" is Communist propaganda.

Editors of Svenska Bladet complained that the film, which depicts the hardships of midwest migratory workers in California, was "so definitely Communist in tendency that one is astonished it is allowed."

Argentina May Argue Claim To Antarctic

BUENOS AIRES—(AP)—The newspaper La Nacion urged Saturday that Argentina contest Chile's claim to Antarctic territory between 53 and 90 degrees west longitude.

The Chilean ministry of foreign affairs claimed the territory November 6, pointing out that Chile planned to exploit any possible oil and coal deposits found there.

Barbecue Dinner AND SUPPER

Will be served on the grounds adjacent to the church, under a big tent, immediately following the celebration of the Mass which begins at 10:30 a. m., and again after the Benediction of the Blessed Sacrament, which will be held at 4:30 p. m. Every kind of barbecued meat will be served with all the trimmings that make a real barbecue dinner. Preparations are being made by Fred Keepers, in charge of the barbecue, to feed some 2500 people. All fellow citizens of the Valley and South Texas are cordially invited to honor this occasion by their presence and make this a memorable day for the congregation of St. Anthony's Church of Harlingen, and its beloved pastor and rector of the church, Father Antoine.

Republican Solon Warns Against 'Rubber Stamp Congress' For U. S.

URGES UNITY BUT NOT OF AXIS TYPE

Vandenberg Proposes Close 'Vigilance'

WASHINGTON (AP)—Declaring that there must be no "rubber stamp unity" in Congress, Senator Vandenberg (R-Mich.) said Saturday that Republicans had a duty to maintain "critical vigilance" toward administration actions.

The Michigan senator told reporters that both major parties should drop partisan politics in the interest of "total preparedness," but added:

"We do not want unity in the sense of totalitarian government in which the voice of all opposition is silenced."

Adjournment Argued
It appeared, meantime, that the first post-election dispute in Congress would be over the question of adjournment. Democratic spokesmen have talked of possibly adjourning on November 18.

Representative Martin of Massachusetts, the House Republican leader, said, however, that he would object to ending the session "as long as there is any emergency."

It was joined in this attitude by Vandenberg, who said Congress should stay in session and work out some solution for the financial problems of the defense program.

The proposal by Secretary Morgenthau for a \$15,000,000,000 or \$20,000,000,000 increase in the national debt limit "is not an answer," the senator said.

"It is merely a palliative—and not much of that. More and evermore borrowing is not a 'plain'; it is a creeping suicide."

Warns Of Inflation
Vandenberg said the sharp upturn on the stock market after the Morgenthau announcement was a "prompt red light signal" of the dangers of "inflation on the one hand and bankruptcy on the other."

The senator said his party, although it lost the presidency, was not required to surrender its principles nor to suspend its critical vigilance.

"On the contrary," he said, "it is required to vigorously represent more than 21,000,000 voters who just gave its presidential nominee the largest vote ever achieved by us there were two mandates—not just one—in the recent election returns."

Domestic Policies To Stay Unchanged
DALLAS, Tex.—(AP)—Rep. Wright (D-Texas) of Texas announced today that the next session of Congress, convening in January, will continue the nation's domestic policies of the past seven years.

He said, however, that he does not expect Congress to pass much additional reform legislation—if any.

The two city officers are shown labelling the respective containers, for future identification concerning which mescal came from which raid. (Staff Photo.)

BOOK WEEK IS TO BE MARKED

New Volume Displays At Library Here

By MRS. GERALD MCKENNA
HARLINGEN—National Book Week, observed continuously for 21 years in the second week of November, will be observed this week at the Harlingen Public Library in displays of new books and in contest features.

This year's motto of Children's Book Week takes on a timely cheerfulness, Good Books—Good Friends. In good books there exists for every child a happy company, to be summoned at will, whose influence is likely to last a lifetime. Most adults can recall the time, perhaps the place, where they read some book that became a real influence in their lives. With the idea of learning what books are long-remembered, patrons of the library will be asked during Book Week to list their favorite book and the book most enjoyed during the past year.

Other special features for the observation of Book Week at the library include two book quizzes, one for children from 6 to 14 years, and the other, titled "Election in Bookville," should be of interest to high school students and adults. Prizes will be given for the children's book quiz to be held at 4 o'clock, Thursday, November 14, at the library.

New Books
A new civil service study book received at the library the past week is that for Border Patrolmen. Another book of interest to men is "Captain Lee Hall of Texas" by Dora Neill Raymond, daughter of former Judge Henry Hart Neill of the San Antonio Court of Appeals. This spirited biography of a dashing figure of the west in the middle years of the last century was written as the result of the author's meeting Mrs. Isham Keith, daughter of Captain Hall, and seeing his documents and papers.

For the readers of Anne Morrow Lindbergh's books, her latest, "The Wave of the Future," a Confession of Faith, is now available at the library.

Archaeology Book
An interesting group of new books in the religious section include four by Dr. Harry Rimmer, a popular author among this group of readers. His new book, "Dead Men Tell Tales," a masterful summary of discoveries in the field of archaeology in the Bible lands, is the fourth of a series of books now in the library.

"The New Testament and the Laws of Evidence," "The Theory of Evolution and the Facts of Science," and Rimmer's latest book, "The Prayer Perfect" are ready for circulation.

Books by Dr. Arno C. Gaeblein received recently are: "The Prophet Saint Paul," "The Hope of the Ages," "Conflict of the Ages," "Listen God Speaks," and "World Prospects."

New Rental Books
New books in the rental section, all listed in the compilation "What America is Reading" are as follows:

"Europe in the Spring," Clare Boothe, said to be one of the most revealing books about World War II yet written. Miss Boothe is a first-hand account of the battle-lines.

"You Can't Go Home Again," Thomas Wolfe, a novel which might be described as the adventures of an honest man in search of truth.

"Tassels on Her Boots," Arthur Train, is a light novel having New York City in the high, wide, and handsome days of Boss Tweed and his "ring" as a setting.

"Count Ten," Hans Otto Storm, a psychological novel which recounts the growth of a human being to the full stature of man's estate as a social being.

"Foundation Stone," Lellah Warren.

Valley Beautiful

Winter Blooming Annuals

By GEORGE H. PLETCHER, Jr.

THIS COOL cloudy weather is an ideal time to transplant your flower seedlings from the seed bed to the desired location, or if you have planted direct into your garden without using flats or seedbeds it is a good time to thin congested areas and fill in the skips.

It isn't too late to plant seed but September and October are more desirable as a long blooming period can be obtained.

Many good gardeners make regular small plantings every two or three weeks to insure continuous blooming. Most flowers will bloom for three or four months by keeping old blooms removed but the first three or four weeks the flowers are of superior quality.

In our Rio Grande Valley annual flower seed can be sown from September 1 to February 1. The time necessary to produce blooms is the most vital factor in building a harmonious garden always full of beauty.

Listed in the average time required for blooming are some of our leading annuals:

Calendulas, 90 days; sweet peas, 90 days; marigolds, 60 days; hyacinth candytuft, 45 days; snapdragon, 100 days; gladioli, 70-120 days, depending on varieties.

Of course weather conditions and soil play vital parts.

(Next week: Lawn Maintenance.)

VALLEY FETES LEGISLATORS

Wallace Scott Speaks At Realtors Meet

HARLINGEN—Wallace Scott of Austin, the state securities commissioner, will be one of the featured speakers the night of November 18 at a banquet to be given in honor of the Valley's state legislators at the Cortez Hotel in Weslaco, by Valley real estate men. The banquet is being sponsored by the Rio Grande Valley Real Estate Association.

Scott is expected to discuss high points of the real estate dealer licensing act. As securities commissioner he has charge of administration and enforcement of the law.

Appreciation for the work done during the last session of the legislature on real estate legislation, by Senator Rogers Kelley and Representatives Homer Leonard, Augustine Celaya and A. J. Vale, is reason for the banquet, according to Keith McCance, of Harlingen, president of the association.

There are now more than 300 licensed real estate dealers in the Valley, McCance said, adding that other Valley men closely connected with the real estate business, such as representatives of government agencies, bankers, landowners, lawyers, material men, loan agents and abstractors, should feel free to attend.

Accommodations will be limited, so those wishing tickets should not delay, McCance said, adding they will be 75 cents each. Tickets can be secured from any official of the association, or from the following directors: F. G. Karle, Mercedes; William Southwell, Elsa; Sid Berly, Harlingen; L. W. Pratt, San Benito; Gerald McKenna, Harlingen; Larry Powers, Harlingen; George Lochrie, Raymondville; and Elmer Johnson, Harlingen.

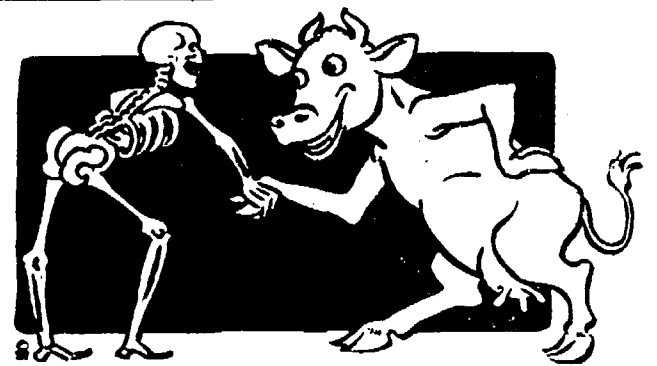

Also from C. H. Colgin and A. K. Black, president and secretary, respectively, of the Brownsville board; C. H. Swallow, Jr., and G. C. Rankin of the McAllen board; and J. J. Williamson and Reuben Herren of the Harlingen board.

Radio Broadcast To Explain Draft Plan
AUSTIN—(AP)—The questionnaire and classification process will be explained in a network (Texas state) broadcast from Austin at 4:30 p. m. Tuesday.

Participants will be Lieut. Col. D. B. Burns of the state selective service man power division and Adam E. Johnson, chief clerk of Travis county draft board No. 1.

4 HELD AFTER LIQUOR RAID

Contraband Seized By Police Here

(See Picture at left)
HARLINGEN—City officers raided four residences in West Harlingen early Saturday morning, accompanied by customs officers, arresting three Mexican women and one Negro man, and seizing over seven gallons of mescal. It was another in a series of raids that have been frequent in recent weeks in this vicinity.

City Officers Harold Crossett and Joe Alvarez staged the raids, about 2 a. m. Saturday, accompanied by Customs Officers Francis Scott and Ed Hahn.

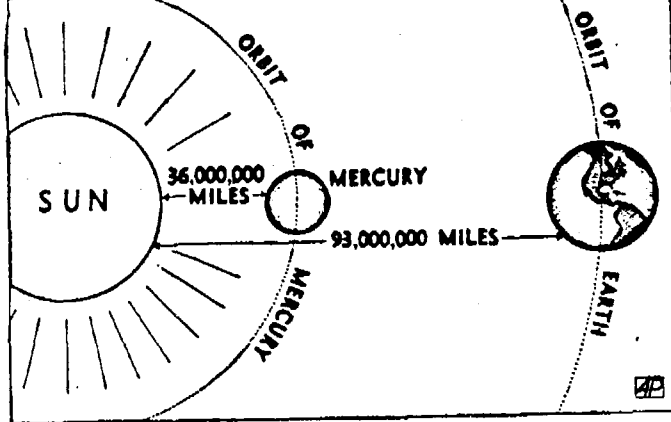

One of the three women was turned over to the two federal officers by Crossett and Alvarez, and is expected to face federal charge. It was stated by officers the woman was already under federal bond on similar charge.

The Negro man was placed in custody Saturday of W. C. Terry, state liquor control board agent. The two other women may face county court charges, officers said. No charges against any of the four had been filed Saturday.

Montana's Weather Is Two Below Zero
HELENA, Mont.—(AP)—Montana's first sub-zero weather of the season arrived during the night on the heels of a light snow storm which spread over the northwest.

At Cut Bank the mercury dropped to two below.

Nov. 11: Mercury Vs. Sun

At 3:49 p. m. (EST) on Armistice Day a tiny dot will appear on the edge of the sun. It will be the planet Mercury. If you have a small telescope you can watch it travel across the sun. Such passage of a planet between the sun and the earth is called a transit. It's the same thing that happens when there's an eclipse except that the planets are so far away they don't blot out the sun as the moon does. Astronomers from Hayden Planetarium of the American Museum of Natural History in New York plan to observe the transit from the ground and from an airplane. It will be their last good chance until 1973. The transit will last five hours.

ITALY SCORES SWISS NATION

Says British Planes Not Halted

BERN, Switzerland.—(AP)—Italy turned the wrath of her press and radio on troubled Switzerland Saturday for alleged "indifference to the flight of British bombing planes over neutral Swiss territory en route to Italian objectives."

But, asked some Swiss newspapers, if the Axis cannot stop British night raiders in their three-hour flight over German-occupied territory, how can the Swiss be blamed for not halting them when they are over Swiss territory only half an hour?

The Italian complaints came almost simultaneously with prolonged air raid alarms Friday night in Bern, Geneva and other Swiss cities.

The Swiss high command charged in a communique Saturday that British warplanes had violated Swiss air space "many times" during the night flying southeastward over the Italian frontier.

Valley Football

It was another of those typical Rio Grande Valley football weekends and gridiron fans were treated to some fine games last Thursday and Friday despite the fact all games were played on wet gridirons.

Naturally the results are going to cause considerable talk and many arguments. If one cares to jump up as to the exact number of first downs made by Edinburg and Brownsville in their conference game at Edinburg, Brownsville 8; Edinburg 6. But there is quite a difference of opinion on first downs.

The Brownsville Herald gave Edinburg 11 and Brownsville two; the Edinburg Review gave Edinburg 11 and Brownsville one; the Valley Morning Star gave Edinburg 11 and Brownsville none.

Incidentally there is nothing official about first downs as recorded by sports writers yet it is a bit odd that three scribes, all of them experienced, would differ.

We have been unable to locate the field judge of the Brownsville-Edinburg game to learn the OFFICIAL number of first downs credited to each team. He is the fellow who keeps the official record of first downs and 20-yard penetrations in all conference games. Just to keep the records straight we will pass on the information we obtain from the field judge of that particular game.

The race for the Valley's Class AA championship is clearing up some but the final outcome will not be known until the final whistle blows in the Harlingen-Brownsville game scheduled at Harlingen, November 22.

At the present time the Harlingen Cardinals are leading with three wins and no losses; the Brownsville Eagles are in second place with a couple of victories and one defeat; the McAllen Bulldogs are in third place with one win and one loss; the Edinburg Bobcats are in fourth place with one win and a couple of losses; and the San Benito Greys are trailing the pack with three losses and no wins.

McAllen has two conference games yet to play and the other four teams making up the south zone district one each.

The Class AA picture is simply this—If Brownsville wins over Harlingen and McAllen wins both their remaining games, there will be a three-way tie for the title and the district committee should McAllen lose one of the two games remaining in their schedule, they will be out of the running along with Edinburg and San Benito. If Harlingen comes through with a win over Brownsville, the Red Birds will have a clear claim for the title.

All of which leads one to assume that the Brownsville-Harlingen game will be quite a contest and one that should furnish grid fans with enough thrills to last for quite a spell.

And don't overlook the McAllen-Edinburg contest to be played in Edinburg, November 22. It's sure to be a dilly.

Johnny McNabb and his Lyford Bulldogs are receiving deserved congratulations for winning the Valley's Class B championship.

Taking over the head coaching job this season, Johnny came up with a fine team, one capable of giving any Class B opponent plenty of trouble. Being a retiring sort of fellow, Johnny refuses to take any credit for winning the title. Says the boys won it and that he was just around giving a little help when needed.

We add our congratulations to those of every other Valley grid fan.

So far as the race for top honors in District 40-A, Bob Martin's Mission Eagles just about have the flag wrapped up and put away. These Eagles are not the type team to make any claims on the district championship yet for they have two more conference games to play. When they have it clinched, then they will hear them let out a victory yell.

Donna and Mercedes are tied for second place in the district standings and each has a couple of games remaining on their schedules. They have hopes of winning them both and should Mission make a slip and lose one of their remaining games, there would be a scramble to see who emerged winner of the district.

A glance at the full season standings of Valley teams, reveals the fact that the Harlingen Cardinals are the only unbeaten team in this section, having posted seven wins in seven games played.

These standings also show the Cardinals the leading team on defense with only 13 points scored against them. McAllen ranks second in this department with 20 points scored by the opposition and Brownsville is third due to holding their opponents to 37 points.

Jarrin' John Shows Power Despite Mud Two Late Breaks Help Cadets

By FELIX R. McKNIGHT

DALLAS — (P)—Irrespressible John Alec Kimbrough and the marauding Texas Aggies blew through the mud, the rain and Southern Methodist Saturday to nail down their eighteenth successive football triumph, 19-7.

The Methodists, unbeaten themselves until Saturday afternoon's spectacular scrap, didn't give in until the final four minutes when the Cadets wrapped up their ball game with a sorely-needed third touchdown.

Old No. 39, the runaway All-America fullback, and a spindly-legged kid named Bill Conster beat back the Methodists. First it was Kimbrough, then it was Conster as the Aggies inched on towards football immortality before 27,500 fans.

John Kept Busy

Twenty-two times this giant from the West Texas cattle country burst through the Methodist line, gaining 103 yards and personally accounting for the Aggies' second touchdown with a one-man assault of 30 yards on eight consecutive carries.

Conster's incredible kicking of a dripping ball, his punt returns and a burst through the Methodist line for the first Cadet touchdown filled in when Kimbrough wasn't on center stage.

Power was the weapon the Aggies used. Only five times did they pass, and only two of them were complete for 22 yards. It was the 17 yards by ground that hurt.

Ray Malouf, from Oklahoma, was the Methodist menace, throwing 33 passes that netted 166 yards.

Out in front, 13-7, but being threatened continuously, the Aggies settled everything on two breathless breaks in the last four minutes.

End Bill Buchanan spilled the ball from Malouf's hands on the S. M. U. 26. End Jim Sterling recovering on the S. M. U. 14. Kimbrough drove to the Methodist one on three slashes and then fumbled.

Malouf recovering.

On the kickoff, Jim Thomason, the Aggies' great linebacker and blocker, dived at Malouf's swinging foot, blocked the kick and End Jim Sterling drove six feet through the air on the loose ball in the end zone for a touchdown. Marion Pugh missed the point.

Four minutes after the opening kickoff the Aggies had splashed for a touchdown—a touchdown set up by Conster's marvelous 61 yard kick and laid out on the Methodist one-yard line.

Preston Johnston wobbled his return kickoff on the Methodist 33. Marion Pugh flipped a 17-yard pass to End Bill Buchanan on the Methodist 16. Jim Thomason made it to the Methodist eight. Kimbrough powered on to the two and Conster belted over right tackle for the touchdown.

Pugh made good on his tenth consecutive conversion point of the season.

Soon after the second period opened the crowded temporary bleachers collapsed, spilling hundreds of fans in the mud behind the South goal line. Play was stopped while fans surged on the field and ambulances drove to the sidelines. Many were carried out.

A kick exchange. From the Aggie 33 he cut loose with an archer that Jim Thomason batted high into the air. Stumbling across the goal line, reserve back Bobby Brown fell into the wild ball, snuggled it close for a touchdown.

Johnston kicked the tying point. It was Conster's brilliant 27-yard punt return from his own 28 stripe that started Big Jaw's roaring for the second Aggie touchdown. He took off from the S. M. U. 30 and eight times butted and jolted the Methodists with his 222 pounds. The eighth was a touchdown—and Pugh missed the kick.

Linesups and summary:

Texas Aggies Pos. Tunnell, Pannell, LT, Pasqua, Fawcett, Vaughn, C, Pope, Henke, RG, Simes, Routt, RT, Keeton, Henderson, QB, Mullenger, Conster, QB, H. Miller, Kimbrough, FB, Campbell.

Rice Owls Post Conference Win Over Razorbacks

Bob Brumley Scores One Touchdown

FAYETTEVILLE, Ark. —(P)—Up and coming Rice Institute fumbled the Arkansas Razorbacks Saturday, 14 to 7 in a homecoming game witnessed by 7,000 spectators.

Mystery team of the Southwest, Rice kept its conference slate clean by scoring in the first and last quarters and turned in a minor upset for the day.

Fullback Jay Lahon of Arkansas fumbled in the first and big Fred Hartman, Rice tackle, pounced on the ball on the Arkansas 19. Halfback Whitlock Zander skipped 14 yards and a moment later plunged over for the touchdown from the two. Price place-kicked the extra point.

The second Rice touchdown was scored by Halfback Bob Brumley from the Arkansas two after little Gene Keel started a midfield drive with a 13-yard gallop, followed by a 12 yard pass he fired into the arms of Ray Zimmerman, a substitute wingman. A fifteen yard penalty for unnecessary roughness put the ball on the Porker five, where Brumley pounded over in four tries. Brumley added the Rice extra point from placement.

Arkansas scored a fumble on the Rice 16. Halfback Harold Hamberg shot a 22-yard pass to End Howard Hickey, who was in the end zone. Simington converted for the extra point from placement.

Rice meets undefeated Texas A. & M. next week.

Arkansas passed 23 times and completed five for 85 yards. Rice lost ten times and completed one for 12 yards, but the one good aerial merely won the ball game.

Threatening weather dampened all homecoming events, causing postponement of the parade for the first time in history, and the battle was played under dark clouds, but the contest was one of the best ever played in Fayetteville and the 7,000 fans were given a treat.

Redskins Play Panthers Monday

DONNA—In the only game on the Rio Grande Valley schedule the Donna Redskins and Weslaco Panthers meet here Armistice Day in their annual grid battle that promises to be just that according to reports from each training camp.

The Redskins are still smarting under a defeat handed them by the Mission Eagles and the Panthers have been in a bad mood ever since they were nosed out by the La Feria Lions. It is quite likely that the eleven will let off steam in the meeting here Monday.

A win by Donna would give them a pretty good hold on second place in District 40-A standings as they have won three conference games while losing one. A Weslaco win would give the Panthers a 50-0 in the standings as they have a couple of losses against a single win.

Coach Ivo Schoppe of the Indians has sent his charges through some stiff practice drills in preparation for the Armistice Day scrap and Coach Bill Cummins of the Panthers has done the same thing. Each mentor reports that their teams will be fit and ready to give the expected large crowd plenty of football thrills.

The game is scheduled to start at 2:30 o'clock.

Northwestern Beats Illinois 32 To 14

EVANSTON, Ill. —(P)—The upset game of the Western Conference football season was in the making for 45 thrilling minutes Saturday before Northwestern exploded its dynamite in the final period to come from behind and defeat Illinois, 32 to 14.

Trailing 14-13 at the start of the last period, the Wildcats struck with terrific force on the ground to register three touchdowns, wear down the tiring Illini and turn the game into a rout. The fifth victory of the season for Northwestern was witnessed by 35,000 spectators.

Longhorns Chalk Up Win Over Stubborn Baylors

By RAY NEUMANN

AUSTIN—(P)—On the line-smashing drives of fullback Pete Layden, who scored both touchdowns the University of Texas Longhorns battled to a 13-0 triumph over a stubborn Baylor University team here Saturday.

The victory was the Steers' second to two defeats in Southwest Conference play.

Able assisted by Jack Crain who got off several spine-tingling runs in spite of slippery footing, Layden crashed through the tough Baylor line for Texas' touchdowns in the first and final periods.

A crowd of 15,000 watched Malcolm Kutner, rangy Texas end, block a Baylor punt to spark the Longhorn's first drive. Vernon Martin sub back recovered on the Bear 18.

Layden passed to Kutner who was nailed on the Bruin 11, then plowed through for four and finally crashed through right tackle to score standing up. Crain kicked the extra point.

Shortly after the last period started, Layden raced wide for 27 and Noble Doss plunged twice to place the ball on the Bear 42. A Steer penalty cost 15 but Crain worked it back to the Baylor 47.

Then Layden shot a long one sideways to Doss who was downed on the Bear 29. Crain cracked left tackle for 13, a pass lost ground and it was Layden again who ripped over guard to the Bruin 7 and first down.

It took him two tries to plunge over for the marker. Crain's placement for point was blocked by Center Bob Nelson who turned in a great game for the losers.

Texas gained 145 yards rushing to the Bruins' 115 and 69 by the pass route to their opponents 44. Baylor tried 18 aerials and completed four to 25 and six for the Longhorns. The bruins returned kicks for an aggregate of 99 yards while the Steers got 77.

End Jack Lummus and Guard Pat Mickle were shining lights in a hard fighting Baylor line while wingmen Jesse Hawthorne and Kutner, Center Glenn Jackson and Tackle Stanley Mauldin starred among Longhorn forwards.

VANDY 20; SEWANE 0
NASHVILLE, Tenn. —(P)—Vanderbilt chalked up its first Southeastern Conference victory of the season Saturday under the tutelage of Coach Henry (Red) Sanders, crushing a scrapping but outclassed Sewanee Tiger, 20 to 0.

Some 7,000 well-bundled spectators witnessed the 49th renewal of this traditional battle which failed to produce the fireworks that usually accompany it.

The Commodores scored in the first, second and third periods and fended off the game but futile thrusts of the Tigers handily.

The game dragged for a time until a desperate Washington eleven started to gamble near the close. Backed up deep in his own territory, and the ball on the 33 yard line, McAdams threw a pass far to one side. Little Kmetovic, fleet footed and elusive, raced in, caught the ball and went down the side lines for the third touchdown. Albert's kick on the try for point was blocked but with only a few minutes to go.

Detroit Titans Use Placekick To Beat Frogs

Last Quarter Boot Turns Trick

By GEORGE STAUFER

DETROIT—(P)—Ted Pavelec, 208-pound tackle, made good one of three field goal attempts to provide the University of Detroit Titans with a 2 to 0 victory in their inter-sectional clash with Texas Christian University Saturday.

The big lineman's placement boot sailed high and true through the crossbars from the 25-yard line with six minutes of play remaining in the final period after the Titans had bobbled numerous scoring opportunities.

Only a few seconds before, Detroit had driven deep into Texas Christian territory and Pavelec, with fourth down and eight yards to go, unsuccessfully attempted to break the deadlock with a placement from the 23-yard line.

The Titans, dropped from the unbeaten ranks last week by Tulsa University, outplayed the Horned Frogs in all but passing, but had to rely on a break to pull the game out of the fire.

That came midway of the final period when Harry Groth, sub halfback, recovered an enemy fumble on the TCU 20-yard line. Three plays, interspersed by a penalty, set Detroit back to the 25 and Pavelec came out of the line to try his specialty once more.

His kick was low, but officials ruled both teams offside and he tried again. This time he was successful and the Titans went ahead to stay as they kept Texas Christian in its backyard the rest of the way despite the latter's last-minute aerial offensive.

Before the final period the Titans were in TCU territory a half dozen times, once getting as far as the 16-yard line only to have a fourth down pass fall incomplete in the end zone.

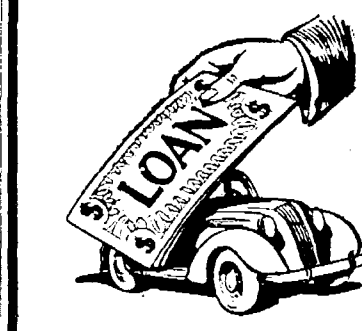

In the third period Al Goodrich, sub fullback, ran 46 yards to TCU's goal line but the Titans were penalized for holding and lost the gain. The Southern's biggest touchdown threat came in the second period when a drive that began with an intercepted pass carried to the Detroit 18, it ended with a fourth down pass falling incomplete.

City Of Palms Golf Tourney Starts Today

Fast Field To Tee Off At McAllen

M. P. Wilson Takes Medal Honors

McALLEN—Inauguration of the First Annual City of Palms golf tournament at the McAllen Country Club Sunday morning will attract one of the fastest fields in South Texas.

The sun broke through low hanging rain clouds Saturday, and the course will be in perfect condition for the match play amateur tournament, declared Pro Tucker Bowles.

There will be four flights—championship, first, second and third, with trophies, golf equipment and merchandise as prizes.

The championship players will start teeing off in foursomes at 8:00 a. m. Sunday, with contestants in the other divisions following at five-minute intervals. Bowles will act as starter, assisted by James Hall, Mission pro, and Burt Johnson, Raymondville pro.

The tournament was opened officially Saturday night with a "Cattail Pool" and dance at the clubhouse, with a large crowd in attendance. The pairings were drawn Saturday night, after all qualifying scores were entered.

There will be 16 players in four of the flights and eight in the other flights in the championship division will be played Tuesday over 36 holes. Their finals in the other flights are scheduled Monday over 18 holes.

The list of prizes follows: Medalist—Glass rain jacket. Championship—First place, 28-inch trophy; runner-up, combination parol-stand.

First flight—First, 24-inch mahogany and sun-glo trophy; runner-up, combination parol-stand. Second flight—First, plaque, silver figure on wooden base; runner-up, \$30 set of three registered woods.

Third flight—First, 8-day Gilbert clock, surmounted by golf figure; runner-up, \$30 set of registered woods.

The five players who post the highest qualifying scores will be given chicken dinners by the White Elephant, donated by other merchants include:

Gift certificates for men: Young Drug Company; shirt, Baum's; leather jacket, J. C. Penney Company; fountain pen, Reese Jewelry; golf shoes, Valley Mercantile; case of beer, Magnolia Beer Company; one quart of whiskey, Hi-Wa Liquor Store; rain jacket, Man's Shop; box of cigars, O'Neil Specialty Company; wash, grease and polish job, Beggs Motor Sales; ash tray set, Whalen's; blind prize, McAllen Drug Company; case of soft drinks, McAllen Coca-Cola Company; 10 gallons of gasoline, Martin and Martin Garage.

The merchandise prize will be awarded for the highest scores on three blind holes, lowest score on three blind holes, longest drive, most birdies, most pars, most bogies, the player from the city farthest from McAllen, and others.

Sooners Defeat Jayhawks 15-0 On Muddy Grid

Scores Posted In Final Quarter

By HAROLD CLAASSEN
LAWRENCE, Kans.—(AP)—A pair of punt-drunk Big Six football teams sloshed up and down a muddy field three and a half quarters Saturday before Oklahoma struck twice to defeat Kansas, 13 to 0.

For more than three-fourths of the way kicking the soggy ball was the best attacking weapon. Then in the final period Oklahoma forgot it was raining—even if the soaked 4,000 spectators couldn't—and began passing.

A shovel pass behind the line of scrimmage from Huel Hamm to Orville Mathews, netted the first touchdown, and the same combination worked the slippery oval to scoring territory a few minutes later with Johnny Martin plunging from four yards out. Mathews, one of the Big Six's fastest men in or out of a football uniform, swung around his own left end after catching the pass on the Kansas 41 and kicked for the West sidelines. A tremendous block by Marvin White opened up a passage way and the youngster splashed to the counting station.

Kansas, beaten 53 to 2 by Nebraska three weeks ago, surprised by holding the rugged Sooners at bay until the final period. At the end of the first quarter Kansas took the ball on downs on its own 1 foot line and added in the third a fumble on the three helped them out.

But every time the Jayhawks got in too deep, the kicking of Don Pollom helped them out and it wasn't until he was benched with an injury at the start of the final session that Oklahoma could score.

However, it was the same way each time that Kansas dug into Oklahoma and with Jack Jacobs, also injured and removed in the late stages, crashed booming punts down the field. Kansas threatened on its own power, making distinct scoring gesture in the second and again at the start of the fourth. A scored pass play in which I. Hall tossed to Jake Fry, brought the Jayhawks deep into Oklahoma holdings in the second but the Kansas couldn't get the ball past the enemy's 32.

Late in the third when the homecoming hosts recovered the Sooner fumble on the three they began a march that carried to the Oklahoma 20 and Chet Gibbons, their star dropkicker came. His effort, the second play of the fourth period, was short and from then on the battle was all Oklahoma.

The leading Big Six scorer, smashed into the Kansas forwards 32 times for a total of 132 yards as Oklahoma stuck to straight football until the last period. The sooners also completed six of eight passes, five of them behind the line of scrimmage tosses. Officials were forced to dry the ball after most every play and Don Pierce, bespectacled Kansas center, spent half his time cleaning his glasses and the other half dumping Sooner ball carriers.

Minnesota Gophers Beat Michigan Wolverines 7-6

By EARL HILLIGAN
MINNEAPOLIS, Minn.—(AP)—Michigan's citadel of football crashed in the mud and rain of Memorial Stadium Saturday—levelheaded by Minnesota on one sudden, by Gopher back, Bruce Smith.

Minnesota, racing on toward the Western Conference title and a shot at national honors, won the battle 7 to 6 before 63,894 rain-soaked and nerve wracked spectators. And to win, the Gophers had to come from behind—doing just that on Smith's brilliant 80-yard touchdown sprint in the second period after Michigan had taken a six point lead on a touchdown pass by Tom Harmon earlier in the quarter.

Smith's great game-breaking run, a remarkable performance on a turf soaked by a rain which fell throughout the duel, came with breath-taking suddenness late in the second period.

The Gophers, seconds after halting a Michigan touchdown bid, had possession on their own 20. On the first play Smith flashed off left tackle, swung toward the sidelines and was away for the touchdown which gave Minnesota its sixth straight win of the season and its seventh straight win over Michigan in this famed "Little Brown Jug" series.

Substitute Joe Mernik, whose best Northwestern last Saturday, calmly kicked the point after touchdown—and that was the game. Michigan—with its brilliant Harmon still a great back in defeat—gave the victors one of the most stubborn battles they've ever had before bowing in defeat. The Wolverines, after they had gone ahead first of the semi-annual trips to the Valley.

Since that time, the golfers have been making the semi-annual trip here for the past six years, on Armistice Day and in the spring of each year.

They played 27 holes apiece at the Country club Saturday. The same procedure will be followed Sunday and Monday, and all will leave Monday night for their respective homes.

Arriving Saturday by special Missouri-Pacific car were Bill Stroube of Corsicana, E. D. O'Quinn and Will E. O'Quinn of Beaumont, B. C. Roberts of Wharton, and Dave Aus-tin, Ed G. Boyler, Joe Beasley, J. H. Foster, J. H. Garrett, Dr. Ghent Graves, R. L. Jacobs, Sam R. Law-ter, L. W. Matteson, W. E. Mon-teith, Irwin Nelms, Edgar L. Pear-son, A. E. Riedel, James W. Rock-well, G. L. Childress and Judge A. E. Ammerman, all of Houston.

E. F. Gossett, R. A. Irwin, H. W. McCormick, Hudson Atwell, R. J. Jackson and F. M. Hutchinson, all of Houston, and E. P. Hutchinson of Memphis, Ark., arrived Friday by Missouri-Pacific.

Fighting Irish Have Too Much For Midshipmen

Navy Loses Contest Late In Scrap

By WHITNEY MARTIN
BALTIMORE—(AP)—The Navy's anti-aircraft guns jammed late in the fourth quarter Saturday and the Fighting Irish of Notre Dame continued their victorious march with a 13 to 7 victory in a game which for the final 15 minutes kept 63,000 spectators in a pop-eyed frenzy.

The Midshipmen had come from behind midway in the final quarter to take a 7 to 6 lead on a 30-yard touchdown spring by Wes Gebert, followed by a successful conversion by Bob Leonard, and the nearly 1,000 blue-coated Midshipmen went wild.

Then it happened, and a dazed, befuddled Navy team still is rubbing incredulous eyes.

Starting on their 22, the Irish opened up their air attack. First it would be Steve Juzwik passing to Saggau, then Saggau passing to Steve Juzwik, then Saggau passing to Bob Hargrove, or Ray Elbi.

They reached the Navy four, then saw their drive suddenly bogged before a Navy team which knew not when to quit. Fourth down found the Irish back of their seven, but the expected pass failed to materialize. Instead Saggau skipped wide around his right end and crossed the goal standing up. Milt Piepl placed-kicked the goal which ended all Navy hopes.

Notre Dame had taken a six point lead late in the first period when Saggau, drifting back from the Navy 32, shot the ball far down the field to Bob Dove, who sprinted past Bill Chip to take the ball in the end zone. Gene Flattamm crashed through to block Hargrove's try for the extra point.

That was the extent of the Notre Dame threat until that flying attack in the waning minutes, but Navy beat a steady tattoo on the Notre Dame goal before it finally opened the door.

What appeared to be the turning point came in the final period after Gebert had returned a Notre Dame punt 14 yards to the Navy 39. A pass, Gebert to Lars Wanggaard, carried to the Notre Dame 26, from where Gebert and Sherwood Werner started battering the Irish line.

Coaches Applaud Twelve-Man Game Tried At Santone

SAN ANTONIO, Tex.—(AP)—The Twelfth Man got in the football game Saturday and they let him play quarterback, bless his heart. But he couldn't take it, so they put in a substitute.

Each side played twelve men—just like they said in their advertisement—but the best they could do was gum things up in a 6 to 6 tie.

Old Mose Simms, coach, business manager, extra ticket taker and shepherd of the traveling St. Mary's Rattlers of San Antonio, and Os Doenges, ditto, of Oklahoma City University, were the twelfth men.

Their jobs were to call signals on offense—sort of carry the boys over the rough spots. Before the game was over the fans wondered if the boys weren't carrying those two old men.

Neither starved. They just grunted and wheezed and heaved. Then, tongues lolling and backs aching at the half, both quit cold and sent in subs.

Maybe it doesn't make much difference to the keepers of records, but this was the first open and above board 12-man-to-the-team game in the nation.

Mose's boys scored first, on Curtis Sandie's 50-yard touchdown run in the first quarter.

Os' boys hit their jick in the fourth period. Big Bill Harris ran, passed and kicked the team to a spot where he pitched a touchdown pass to End Gabe Williams to knot the score.

"Like it? You're darned right I like it!" enthusiastically affirmed Coach Os Doenges of Oklahoma City University after the game's 12-man football game experiment with Coach Mose Simms' St. Mary's University Rattlers at Alamogordo Stadium Saturday afternoon ending in a 6-6 tie.

"Why, we made more yardage in the first half than we have been able to make in any full game all year," Doenges went on, practically bubbling over. "And do you know why? Look at that boy over there [Pointing to Halback John Macchi]. He played his best ball game of the year Saturday. He's been calling our plays all season and worried himself all the time about field strategy. Saturday he just cut loose and played himself some football. St. Mary's threw four passes in the first half, and he intercepted three of them."

"And it's a faster game. We had a muddy field Saturday that slowed up the going considerably, and the two teams still ran off approximately 150 plays, despite the fact that Oklahoma City doesn't have enough reserve strength to keep fresh men in all the time. With two complete teams running in and out, I believe the total could run close to 200 plays easily. Pep, I'm for it, and not because it was my idea. The colleges are going to have to do something in the near future to speed up the going, or the pros will be taking over the national football spotlight."

Coach Mose Simms of the Rattlers was also in accord with the idea, but believed that it should be worked gradually, rather than at one jump. "You know as well as I do that the rules committee wouldn't hop on anything like that all of a sudden. About all that we can expect in the way of a concession in the next year or two is to have a substitute be permitted to talk in the huddle, as it now is in basketball. The ball game belongs to the boys, and if there is going to be a 12th man on the field, it should be another player, like we did the second half Saturday. Doenges used his regular center, Melvin Decker as his strategist the second half, and I alternated C. E. Lyle and Roy Holbrook. As you know, we two coaches did the signal calling the first half."

"All in all, the 12th man has a decided advantage over a regular quarterback. If you have ever been tackled right hard in a rough game, you can appreciate that a quarterback can't come up from a hard tackle or block with his head absolutely clear. The 12th man in back of the offense gets to see the defensive situation as a unit and how it develops. Consequently he can plan his offense well in advance, as a definite series."

The name "Old Glory" was given to the American flag by Captain William Driver of Salem, Mass.

Three 'Top' Grid Teams Beat Tough Opposition

By HERB BARKER
NEW YORK —(AP)—Minnesota, Texas A. and M. and Stanford hurdled formidable opposition in their sweep toward sectional ball championships Saturday but other unbeaten leaders, particularly in the East, suffered severe losses in prestige.

Minnesota, clashing with Michigan in a struggle of unbeaten, untied giants before a record crowd of 63,894 at Minneapolis, hammered out a 7-6 victory and virtually clinched the Western Conference championship. Texas A. and M. met its most dangerous Southwest Conference rival, Southern Methodist, and won 19-7. Stanford, intercollegiate football's most amazing outfit this season, overcame Washington's 10-0 lead and tripped the Huskies, 20-10, to gain an apparent stranglehold on the Pacific Coast title and a berth in the Rose Bowl New Year's Day.

Minnesota, scoring its sixth successive triumph in a grueling schedule, saw Michigan gain an early lead on Tommy Harmon's pass to Forest Evashevski, but came back to tie on Bruce Smith's brilliant 80-yard touchdown run and to win on Joe Mernik's place-kick for the extra point. Harmon's try for point after Michigan's score had gone wide. The Gophers never had only Purdue and Wisconsin ahead and will be heavily favored to beat both.

Texas A. and M.'s victory over Southern Methodist represented the Aggie's 18th successive triumph and left them in an excellent spot to annex their second successive Southwest Conference crown, a feat never previously accomplished. Jarring John Kimbrough and Bill Conster were the main-springs in the Aggie attack.

Fete Kmetovic, fleet back, was the hero of Stanford's thrilling decision over Washington before 65,000. After Washington had gained its 10-0 lead, Kmetovic took a pass from Frank Albert for the first Stanford touchdown, and in the fourth quarter, applied the clincher by intercepting a Washington pass and racing 45 yards for another touchdown.

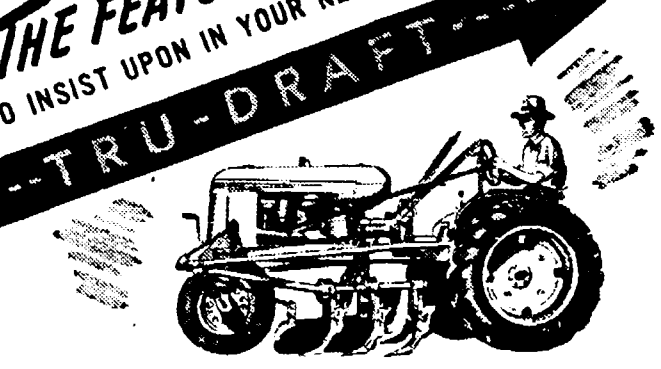

Meanwhile other unbeaten teams were having their troubles. Although Michigan and Southern Methodist alone were beaten, Penn State was tied and Cornell, Boston College, Lafayette and Notre Dame were none too impressive in victory.

Cornell Has Trouble
Its passing attack pretty well checked, Cornell had to fight every inch of the way in beating Yale, 21-0. Boston College found the going tough in winning from Boston.

Russia Is Courted By Nazis, Italians
ROME—(AP)—Political observers declared Saturday that they expected "diplomatic moves" by Germany and Italy perhaps this week-end.

Russia's attitude was widely considered one key to the factors in the Balkan situation. Unusual importance was attached in Italian quarters to the presence of Foreign Minister Count Galeazzo Ciano at the Soviet embassy's celebration on the anniversary of the Bolshevik revolution.

Citrus Week Proclaimed By O'Daniel

**JAN. 17 TO 25

**Coincides With Area
Fete At Mission**

MISSION—Citrus Week has been proclaimed by Governor W. Lee O'Daniel for January 17 to 25, coinciding in part with the annual Mission Citrus Fiesta scheduled for January 17 to 19, fiesta chairman pointed out Saturday.

The Associated Press quoted the governor in a dispatch from Austin Saturday as saying that because of the importance of the industry to Texas, that he proclaimed Citrus Week January 17 to 25, and urged citizens to create a great home market for the fruit.

Pointing out that the utility value of the industry in Texas is approximately \$50,000,000, the governor said Texas grapefruit and oranges have won acclaim throughout the world because of superior quality.

The governor is continuing a custom initiated several years ago in celebrating Citrus Week coinciding with the Mission fiesta. He sampled Valley grapefruit during his campaign two years ago and has been a frequent booster of the Texas citrus industry since in radio broadcasts and otherwise.

Valley shippers are expected to seek a wide distribution of grapefruit and oranges in the state during Citrus Week taking advantage of the publicity being received as a result of the governor's proclamation.

Xmas Decorations At McAllen Planned

McALLEN—Junior chamber of commerce workers are to finish raising money for the downtown Christmas decorations during the week. President Bill Ely said Saturday.

Some workers completed their work last week, and the remainder is expected to be finished in a few days. Ely expects final reports by Friday, November 15.

Part of the decoration have been purchased and are on their way to McAllen. The decorations will consist of bismarck rope from La Crosse, Wis., the long greens, lights and bells. There will be a 25-foot revolving Christmas tree on the chamber of commerce lawn.

Merchants on Main street for the first three blocks north of the highway are asked to donate 25 cents a linear foot for the decorations.

Roosevelt Desires Full Co-Operation During Next Term

WASHINGTON—President Roosevelt said Saturday he would welcome the "cooperation of all citizens" during his third term.

In a telegram to Roger W. Babson, Massachusetts statistician and candidate for president on the Prohibition party ticket, Mr. Roosevelt said:

"My heartfelt thanks for your message of congratulation. I shall welcome your co-operation and the co-operation of all citizens in giving the country those 'four great values' which you mention, best wishes for your continued health and happiness."

Damage Suit Moved To Hidalgo County

EDINBURG—Trial of a \$5,150 damage suit filed by Mrs. Robert Gartner of Houston against the Cortez Hotel Company was transferred here Saturday from 55th district court at Houston, where it was filed recently. The transfer was made at the request of the hotel firm.

The petition alleges Mrs. Gartner and her husband were guests at the hotel August 5, 1936, and that Mrs. Gartner touched a loose electrical wire, the shock throwing her to the floor and injuring her.

Death Of Missourian Is Labeled Mystery

GALENA, Mo.—(AP)—Sheriff L. H. Cain said Saturday the fatal burning of Frank Arend, Galena merchant, remained a mystery.

Arend died in an Aurora, Mo., hospital early Friday after he was found severely burned beside his motor car near Galena a few hours earlier.

Relatives told the sheriff Arend had \$265 the night before he was burned but only a few cents were found in his burned clothing.

Jones Is Surprised At McDonald's Idea

BROWNWOOD, Tex.—(AP)—Roy Marvin Jones, "D-Tex" of Amarillo took time out from a fishing trip at Lake Brownwood to express surprise at Friday's suggestion by State Commissioner of Agriculture J. E. McDonald that Texans should request President Roosevelt to appoint Jones secretary of agriculture.

He refused definite comment except to say he had accepted an appointment to the U. S. Court of Claims. The appointment was confirmed by the Senate and becomes effective Jan. 3 when Jones' congressional term ends, he explained.

Employment throughout most of the world showed gains in 1939.

Seven Orange Trees Near Edinburg Oldest In Area

**Laguna Seca Legend Of Catholic Priest
Inspires Valleyite To Write Poem**

BROWNSVILLE—Inspired by a legend which says that seven mighty orange trees standing on her grandfather's Laguna Seca ranch, 20 miles north of Edinburg, are the oldest citrus trees in Texas, Sister Mary Berchmans, a Catholic nun here, has written a poem about the trees entitled "Where the Valley Got Its Magic."

The "legend of Laguna Seca" says that nearly 85 years ago one of the Oblate Fathers, the circuit riders of the old days, who had urged his weary horse from the cathedral at Brownsville to the Laguna Seca ranch, carried with him an orange as a gift to a little child on the ranch.

The child ate the orange, and the Padre planted the seed from which the seven mighty orange trees grew and still stand as a monument to the circuit rider's kind deed, according to the story.

They are located on the Laguna Seca ranch, which is one of the oldest inhabited ranches on the border. The original 75,000 acres granted by the King of Spain to Macdonald Vela, grandfather of Sister Mary Berchmans, was held intact by the family almost 100 years.

Sister Mary Berchmans, 80-year-old aunt, Miss Carlota Vela, is present owner of the ranch, which through partitions and sales has now dwindled to only a few thousand acres.

Miss Vela says the seven orange trees have always borne fruit.

Sister Mary Berchmans' poem to the trees follows:

WHERE THE "VALLEY" GOT ITS "MAGIC"

"Twas the 'Padre' put the 'Magic' in the 'Valley' long ago
As they rode upon their missions
Mid our ranches, to and fro
In this land, along whose border
The Grandfather's waters flow.

Now that 'Magic' which they planted
In our citrus fruits doth glow,
And if to Laguna Seca
In your travels you should go,
You would see our first 'Padre'—
Standing proudly in a row.

Would you like to hear the story
Of those ancient orange trees?
Then hearken to the whisperings
Of their branches and their leaves,
As they rustle and they murmur
In our 'Magic Valley's' breeze.

There have been some seventy harvests
Since this 'ranchito' that you see
First became the 'hacienda'
Of the Vela family.

Now we count five generations
Of that great old family tree.
The offspring of the earliest
Were big children, so 'twere heard.
When there came a young Oblate,
Riding circuit for his Lord
And he, at Laguna Seca,
Stopped to preach the Master's Word.

From the Mother Church at Brownsville
He had traveled over the land,
And he bore, as was his custom,
Presently, for the childish band
That ran 'nearly to greet him,
And to clasp his kindly hand.

Now this day it was an orange,
Shining golden in the sun,
And the seed was duly planted
Which lights up our 'Magic Valley'.
And its products, day by day,
But which shines with special splendor
On our citrus fruits array.

Do you see those rings around them?
'Looks like concentric' did you say?
They are Mexican 'dadoes'.
Made of hardened, sun-baked clay.
And they've guarded these, our retrains,
Oh! For many and many a day.

See that old 'vacucon' seated
In the shadow of those trees,
He remembers well their planting,
Saw the 'Padre' on his knees,
And the little child beside him,
Laughing gaily in the breeze.

He has often told the story,
How he watched the seedlings grow,
And a child, with other children,
Saw the golden fruit below.
And grew up with those orange trees,
From seventy years ago.

They have stoutly stood time's testing,
Fierce high winds and hard cold, too.
One winter frozen to the ground,
Surviving saw them sprout anew,
And again their scented blossoms
Opened in the morning dew.

'Cinco generaciones'
Have enjoyed their fine 'sabor',
And the 'hijo' ones still come to kiss
'Narcita, por favor'.
As with longing eyes they gaze upon
The ancients' golden store.

Now, if you think the citrus fruit
To a ripe old age can grow,
Then, go, plant yourself an orchard
Of these fruit-trees, row on row;
Enjoy their sprightly crown of white
And their harvest's golden glow.

But none can beat these fine old trees,
Standing brave against time's tide,
Still a-blossoming and fruiting,
With their branches spreading wide,
Our Valley's 'Citrus Pioneers',
Old Laguna Seca's Pride.

HEARING SET
ON JOB TAXES
Stable Payrolls To Be
Favored
AUSTIN — (AP) — Whether Texas employers will save an estimated \$10,000,000 in unemployment compensation taxes next year hung in balance as state officials prepared for a hearing in Washington November 25.

Notification of the hearing was received by the Texas Unemployment Compensation Commission from the Federal Social Security Board which must approve the tax-saving amendments, passed by the legislature more than a year and a half ago, if they are to become effective January 1 as the lawmakers intended.

The amendments, rewarding employers for stable payrolls, provide a system whereby instead of the universal three per cent levy, employers would pay rates from one-half of one per cent by half per cent steps up to four per cent, depending on "experience ratings."

"Only a small number of employers who have had highly stable payrolls," said Orville S. Carpenter, director for the commission, "would be subject to increased contributions. The remainder would have their rates scaled down."

Texas lawmakers approved the amendments in order to balance tax income with benefit outgo to unemployed. Only about half the taxes collected have been paid out to jobless, Texas having accumulated more than \$50,000,000 as a cushion against possible unemployment.

Border Travel

**Dr. Bonner In Valley
From Mexico**

McALLEN—Dr. Leighton Bonner of Mexico City, president of the Pan American Travel conference, was in McAllen Friday on one leg of a trip through the United States to stimulate travel to Mexico.

Dr. Bonner is to return in January and he will show colored motion pictures of Mexico and will lecture on the Southern Republic. The showings will be free.

The McAllen chamber of commerce will assist him in planning programs for other Valley cities, who are asked to contact the local organization if they want the pictures.

The travel director while in the Valley also conferred with Charro Days officials at Brownsville about getting duchesses from Mexican cities for that annual event.

Katy Line Officers Will Visit Valley

McALLEN—J. E. Garvin of St. Louis, vice president in charge of traffic for the Missouri-Kansas-Texas lines, will arrive in McAllen Thursday to confer with shippers here and in other Valley cities.

According to information received Saturday from the M-K-T lines office at Corpus Christi, S. D. Sparks, freight traffic manager from Dallas, J. F. Doland, assistant general freight and passenger agent at San Antonio, and Major H. McClure, general agent at Corpus Christi, will accompany Mr. Garvin on his private car. The trip will be the third group of officials have made to the Valley in recent years.

Former Valley Man Enters Medical Corps

BROWNSVILLE — Dr. Harbert Davenport, son of Mr. and Mrs. Harbert Davenport of Brownsville, has been called to active duty at the base hospital at Fort Sam Houston, San Antonio.

Dr. Davenport, a first lieutenant in the reserve, formerly had been on the staff of a hospital at Jacksonville, Texas, going there from Baylor hospital. He assumed his duties Monday.

Munitions Division Called Propaganda

BERLIN — (AP) — Official German spokesmen said the 50-50 division of United States munitions production with Britain, announced by President Roosevelt was "English-American propaganda."

Another source said the division "is the affair of the United States, but we are of the opinion that it will be a different matter to bring the material to England. A good many ships do not arrive there."

Sen. Nye To Marry Teacher In Illinois

DAVENPORT, Iowa — (AP) — The engagement of Miss Marguerite Johnson of Rock Island, Ill., daughter of Mr. and Mrs. William Franklin Johnson of Iowa Falls, Iowa, to Senator Gerald P. Nye, Republican of North Dakota, was announced at a luncheon here Saturday.

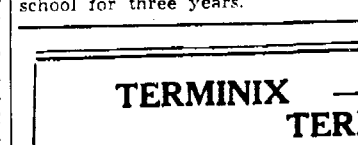

The wedding was set for late autumn or early winter.

Miss Johnson has been a teacher in the Rock Island junior high school for three years.

STATE WANTS BUILDING MEN

BROWNSVILLE—The Texas Employment Service is "beating the bushes" in search of carpenters—and lots of carpenters.

The army is building new barracks at Fort Bliss to take care of the increases being made in the army and is in bad need of carpenters. Applicants for jobs need not read blue prints and need not be journeymen carpenters, but they must be experienced carpenters able to put out a day's work and must furnish their own tools.

The job will be good for four months and 48 hours each week, according to W. B. McFarland, manager of the Brownsville office of the Texas State Employment Service.

All applicants will be referred to the El Paso office, McFarland said. Either union or non-union men will be accepted. There is no age limit.

Anyone interested is urged to contact the nearest employment office and arrangements will be made for reference to Fort Bliss. Transportation to the job must be furnished by the applicant.

Red Cross Officers Confer On Classes

BROWNSVILLE—Conference on life saving, accident prevention and highway first aid were under way Saturday between local Red Cross officials and P. C. Palaiste, special representative for the national staff of the American Red Cross.

Mr. Palaiste has been assigned Texas in that work. Clarence Colgin, chairman of the local Red Cross chapter, and highway traffic officers are co-operating in the work. Classes are to be organized in life saving, accident prevention and highway first aid.

Official Visits

McALLEN—William H. Brown, president of the International Association of Machinists, stopped in Brownsville Saturday to confer with J. A. Wigginton, Pan American employee and president of the Brownsville chapter of the machinists.

Mr. Brown, traveling by plane, is en route from Seattle to Miami, for conference with the machinists union at the Pan American base there.

8th mouth of the Amazon is nearly 200 miles wide.

VALLEY LAND SALE LISTED

**\$50,000 Is Paid For
Hidalgo Acreage**

EDINBURG — Several hundred acres of land formerly owned by the American Rio Grande Land and Irrigation Company of Merced, Calif., have been sold under a trustee's deed to E. P. Greenwood of Dallas at a price of \$50,000. The deed was filed in the Hidalgo county clerk's office Saturday. The total acreage involved was listed only in scores of separate parcels.

R. J. MacBean, vice president and trust officer of the Republic National bank of Dallas, executed the deed.

The deed pointed out that a trust indenture from the American Rio Grande firm had been signed over to the Dallas bank December 31, 1937, to secure notes totaling \$1,215,000. Federal court at Brownsville later approved an amendment providing for sale by trustee of property included in the indenture in even the American Rio Grande firm defaulted in payment of taxes.

Over half of the holders of the notes asked for foreclosure action against some of the land recently, and it was placed on sale October 1, 1940, at which time Greenwood's \$50,000 bid was accepted.

The land includes farm lots, tracts and other parcels in the North Capistrano District subdivision, Capistrano Heights subdivision, Campacus addition subdivision, Adams Tract subdivision and West Tract subdivision, all in Hidalgo county near Merced. A number of tracts of floodway land are included in the sale.

Gulf Pilots Visit

**Fly To Brownsville
From Colombia**

BROWNSVILLE—G. W. Brockson and H. O. Seymour, stationed with the South American Gulf Oil Company at Barranquilla, Colombia, flew into Brownsville Thursday night and expect to leave Sunday morning for Burbank, Calif.

The two pilots are flying a Lockheed 12 to the Lockheed factory at Burbank. The plane, which has been used for company transportation in Colombia, is being transferred
